Revelation 14 Messianic Kingdom Completion and World Judgment “Sheep Sweep” in the 8th King World Government Final “One Hour”

I. Overview: Importance of Revelation 14, Christ’s Final Crowning and Its Final Global Sequence

II. The Revelation 14: 144000 Completion Final Fulfillment Sequence; (Revelation 14:1-8)

III. 8th King World Government Authority Climaxing into the “One Hour” of the Scarlet Wildbeast; Revelation 14:9-12

IV. The Final Global Judgment Overseen by Christ For “Sheep” Salvation First; (Revelation 14:13)

V. The World Judgment; (Revelation 14:14-20)

1. Revelation 14:1-5 defines the Messianic Kingdom completion. Revelation 14:6-20 describes important finalizing sheep salvation events in the final judgment of Babylon the Great (Rev14:6-8) and the 8th King global system (Rev14:9-13) defining the world judgment (Rev14:14-20) that all occurs under Messianic Kingdom completed authority “subduing in the midst” of final “enemy” systems. (Rev17:15-18, Dan2:31-45, Rev19:11-21);

A. Revelation 14 begins where Revelation 11:1-13 leads as the final fulfillment sequence of the final Kingdom proclamation (Rev9-11) to result from the temple judgment (Rev8) ending.

C. Revelation 11:11-12 that results in Revelation 14:1-5 events is the Matthew 24:29-31 post “tribulation of those days” sequence parallel events that result in Revelation 14:1 144000 and Messianic Kingdom completion.

Revelation 14 thus gives us a post Messianic Kingdom completion final sequence of global events that occur AFTER Christ has arrived.

2. This whole Revelation 14:1-20 process is also leading to the universal judgment and removal of Satan and the demons as the “world rulers” “in the heavenly places” as the Messianic Kingdom also replaces that fallen angelic “heavenly places” “government” after the final Revelation 14:14-20 finality of world judgment. (Rev19:11-21, John 16:11, 12:31, Eph6:12, Rev20:1-3, Jude6);

Thus all the final final judgments take place under the Messianic Kingdom completed “Court” of the final universal and world government under Jesus Christ full “King of kings” and universal Judge in the completed Messianic Kingdom final agency. (Dan7:26-27);

3. That Messianic Kingdom is a secondary Kingdom of God event in that second Kingdom, the one of Christ Jesus in the Davidic “Zion” Kingdom
Covenant fulfillment, as that Kingdom, the Messianic Kingdom, is also the one fulfilling Christ’s Kingdom covenant with God. (Luke22:28-30, Ps2, 1Chron17:10-14, Ps110);

Thus Christ being crowned in God’s Kingdom is not the end of the required Christ coronation and installment events. Christ must also be “crowned” in a complete Messianic Kingdom to which event this overall final cycle of prophecy will be leading in the near future.

4. Christ must also become the crowned King of kings of the Messianic Kingdom officially carried out by God, also by prophecy and a climax world event period. (Dan11:42-45, Rev16); With this comprehensive completion (Rev10:5-7, Rev11:15, Rev16:17), Christ must also become the High Priest of the Temple to concurrently complete further upon its foundational existence defined in the 1914-1919 first coronation of Christ, and first “temple” “cornerstone” placement.

5. That was announced as God’s Kingdom made an eventual coronation announcement of Christ in heaven, but the Messianic Kingdom “birth” was also announced fully in time. (Rev4:5) That occurred in the first “two witnesses” 1914-1919 Kingdom prophetic preview phase to develop into the eventual global Kingdom ministry, from the initial temple judgment cycle of Daniel 12 and Revelation 8-11 preview fulfillments made known over the intervening approximate century as the hallmark “message” of the original Jehovah’s witnesses world ministry since 1914.

6. But that Jehovah’s witnesses ministry is not complete (Rev10:11), a second witness must also take place. The second “two witnesses” announces the Messianic Kingdom completion from a final temple judgment coming soon (1Pet4:17, Dan8:13-14, Rev8:3-5), as it relates to the original Messianic Kingdom “birth” announcement as it was a secondary feature of God’s Kingdom developments in the 1914-1919 first “two witnesses” cycle. That “two witnesses” cycle repeats and that is why it is called “two” “witnesses” for both Kingdom events.

The second of the “two witnesses” announces the Messianic Kingdom completion certainty.

The 144000 Must Complete

The 144000 completion is therefore a final requirement to enable the Messianic Kingdom full completion.

1. That coming completion defines the Messianic Kingdom and Temple “body” that Christ is the final installment upon to become both those King and Priest authorities in final form, the final “King-Priest”:

(Zechariah 6:12-13) This is what Jehovah of armies has said: “Here is the man whose name is Sprout. (Zech3:4-10) And from his own place he will sprout, and he will certainly build the temple of Jehovah. (to its Revelation 14:1, 11:19 144000 completion)

13 And he himself will build the temple of Jehovah (to completion of the 144000, Zech4:6-9), and he, for his part, will carry [the] dignity; and he must sit down and rule on his (co-completing Messianic Kingdom) throne, and he must become a priest upon his throne, and the very counsel of peace will prove to be between both of them. (Ps110:1-7, Heb7);

2. That totality and King-Priest completion did not occur in the 1914-1919 preview cycle, but it was foregleamed in that initial ministry as Christ was crowned and given authority by God over the “seven sealed scroll” full understanding in 1914-1918 (Rev4:5) and was coronated by God in that heavenly official installment in God’s Kingdom to complete the “last days” ministry from heaven (Rev6:1-2), to prepare his full arrival and final comprehensive completion cycle outlined in Revelation 6:1-17.

3. God’s Kingdom proclamation was the main import of the first “little scroll” preview of the 1914 period and after, but the Messianic Kingdom was also previewed as “birthed” (Rev12:1-10) but now that “male child” is maturing to completion in the Messianic Kingdom completion requirement which will now be the final “little scroll” totality of the completion message; the universal sovereign ultimatum of the “Kingdom come” in the complete Messianic Kingdom complete authority. (Rev10:5-11);

4. Thus a dual completion is required to meet the criteria of the full Christ King-Priest culmination. It requires the Messianic Kingdom completion:

(Revelation 14:1) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads.

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.”

5. Those events are what develop for real in the final prophetic cycle that starts with the coming temple judgment on anointed Christians in the Jehovah’s witnesses Bethel system. (1Pet4:17) And the “Temple” completion is the concurrent event the 144000 completion enables:

(Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “‘Not by a military force, nor by power, but by my spirit,” Jehovah of armies has said. 7 Who are you, O great mountain? (Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “‘Not by a military force, nor by power, but by my spirit,” Jehovah of armies has said. 7 Who are you, O great mountain?

13 And he himself will build the temple of Jehovah (to completion of the 144000, Zech4:6-9), and he, for his part, will carry [the] dignity; and he must sit down and rule on his (co-completing Messianic Kingdom) throne, and he must become a priest upon his throne, and the very counsel of peace will prove to be between both of them. (Ps110:1-7, Heb7);

2. That totality and King-Priest completion did not occur in the 1914-1919 preview cycle, but it was foregleamed in that initial ministry as Christ was crowned and given authority by God over the “seven sealed scroll” full understanding in 1914-1918 (Rev4:5) and was coronated by God in that heavenly official installment in God’s Kingdom to complete the “last days” ministry from heaven (Rev6:1-2), to prepare his full arrival and final comprehensive completion cycle outlined in Revelation 6:1-17.

3. God’s Kingdom proclamation was the main import of the first “little scroll” preview of the 1914 period and after, but the Messianic Kingdom was also previewed as “birthed” (Rev12:1-10) but now that “male child” is maturing to completion in the Messianic Kingdom completion requirement which will now be the final “little scroll” totality of the completion message; the universal sovereign ultimatum of the “Kingdom come” in the complete Messianic Kingdom complete authority. (Rev10:5-11);

4. Thus a dual completion is required to meet the criteria of the full Christ King-Priest culmination. It requires the Messianic Kingdom completion:

(Revelation 14:1) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads.

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.”

5. Those events are what develop for real in the final prophetic cycle that starts with the coming temple judgment on anointed Christians in the Jehovah’s witnesses Bethel system. (1Pet4:17) And the “Temple” completion is the concurrent event the 144000 completion enables:
The utterance of Jehovah to my Lord is: “Sit at my right hand Until I place your enemies as a stool for your feet.” 2 The rod of your strength Jehovah will send out of Zion (Rev14:1), [saying:] “Go subduing in the midst of your enemies.” (Rev14:6-20) 3 Your people will offer themselves willingly on the day of your military force. In the splendors of holiness, from the womb of the dawn, you have your company of young men just like dewdrops. 4 Jehovah has sworn (and he will feel no regret): “You are a priest to time indefinite According to the manner of Melchizedek!” 5 Jehovah himself at your right hand will certainly break kings to pieces on the day of his anger.

Those finalities to come as Revelation 14:1 to enable the final judgments is what the crowning of Christ in God’s Kingdom in 1914 provides a preview of to become more thoroughly explained while the final cycle of prophecy is active first in the temple judgment to the second “two witnesses” ministerial purification and recovery to make that announcement clearly. (Rev10:5-11, Rev11:1-3);

6. Thus that 144000-to-Messianic-Kingdom completion will have a “portent” related to the final “two witnesses” (Rev10:11, Zech3:6-7) as a global final warning and invitation as it relates to the Messianic Kingdom completion proclamation:

(Zezachariah 3:8-9) “Hear, please, O Joshua the high priest (Zech3:1-7), you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant Sprout! (Zech6:9-15) 9 For, look! the (temple completion “crown stone”) stone that I have put before Joshua! Upon the one (temple completion) stone there are seven eyes. Here I am engraving its engraving,’ is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’ (the temple judgment purification symbolic period, Zech3:4-5, Mal3:1-3);

To place the Messianic Kingdom completion of Revelation 14:1, deep in the final cycle of prophecy (Rev11:15, 16:17-19) properly, we know the temple judgment of Jehovah’s witnesses begins the final cycle (iPet4:17) with a unique temple judgment indictment and decree of Daniel 8:13-14 fulfilling. That is paralleled by the Revelation 8 replication of which Revelation 8:2-5 is the temple judgment parallel of Daniel 8:13-14: The temple judgment will unfold on apostate Bethel as the globally visible entity to “trample” in the Daniel 8:13 decree for the Daniel 8:14 timing requirement and verification.

That verification and full temple judgment meaning is contained in the first four trumpets of Revelation 8’s replication heralded by divine backing to Jehovah’s witnesses coming from the temple judgment desolation “abyss” period beginning the whole Revelation 8-11 repeating cycle.

The temple judgment purification (Zech3:4-5) releases the final truth (Rev9) from the Bethel apostasy (2Thess2:1-4, Dan8:12, 11:30-32, 41) that marks the ministerial recovery (Rev9-10) that becomes the “little scroll” final Messianic Kingdom completion invitation and global warning proclamation (Rev11:1-7) of the final “two witnesses” 1260 day period (Dan12:7), of the future, BEFORE the Messianic Kingdom completion culmination of Revelation 14:1 as Revelation 11:15.

That temple judgment (Dan8:13-14) unfolds with the 8th King unique final manifestations leading to world government in the final cycle of prophecy as Daniel 11:42-45 unique and final 8th King world government completing developments that must converge into Daniel 12’s replication live and real-time. After that required 8th King “King North” world government completion Christ arrives upon the rival sovereign system after it is completed (Dan8:25, 11:45) and globally stated as such (1Thess5:1-3), and fully forewarned. (Rev10-11).

The Daniel 8:14 timing leads to the Daniel 12:7 1260 day timing of parallel Revelation 11:2-3 “two witnesses” that ceases in the cessation of that ministry by the 8th King, (Rev11:7-10) That “3.5 day” “death” state, marked by the “two witnesses” ministerial cessation, unfolds into Daniel 12:11 starting. That symbolic “3.5 day” “death” state is the final symbolic period prior to Christ’s arrival in an active Daniel 12:11 1290 days.

1. Revelation 14:1 final fulfillment, the actual full fulfillment of this whole prophetic sequence in the future, is important because Revelation 14:1 begins with Christ standing on “Zion” the Messianic Kingdom “Mountain” in completion of the 144000. (Dan2:35, Rev11:15-19) The “Zion” “City of

The Required Messianic Kingdom Completion

1. Revelation 14:1 final fulfillment, the actual full fulfillment of this whole prophetic sequence in the future, is important because Revelation 14:1 begins with Christ standing on “Zion” the Messianic Kingdom “Mountain” in completion of the 144000. (Dan2:35, Rev11:15-19) The “Zion” “City of
David” relationship is the associated capture of the “mountain” of all planet Earth (2Sa 5:6-9, Rev16:13-16) in the theme of the Davidic Kingdom Covenant and its final earthly dominion that Christ fully fulfills at the end of the final cycle of prophecy that is about to activate soon as Daniel 11:42-45, Daniel 8:13-14. (Rev21);

(Hebrews 12:22-24) But you have approached a Mount Zion and a city of [the] living God, heavenly Jerusalem, and myriads of angels, 23 in general assembly, and the congregation of the firstborn who have been enrolled in the heavens, and God the Judge of all, and the spiritual lives of righteous ones who have been made perfect, 24 and Jesus the mediator of a new covenant, and the blood of sprinkling, which speaks in a better way than Abel’s [blood].

2. Revelation 14 is the events that Matthew 24:29-31 lead into, it is not “the end” immediately even when Christ arrives, it is the divine completion phase of Revelation 14. The temple judgment transpires into the “tribulation of those days” that eventually resolves as Matthew 24:29 into 8th King completion events. The “tribulation of those days” is what Daniel 11:42-45 events will mark. Thus Daniel 11:42-45 must converge into the parallel “stand” of Christ in Daniel 12:1 “during that time”, the times of Daniel 12:7, 11 and Daniel 11:44-45 converging overlapping, Thus Daniel 12:1 and Revelation 14:1 are related periods.

3. The events leading to Revelation 14:1 Messianic Kingdom completion is the fulfillment of these prophecies concerning the Messianic Kingdom defining finality:

(Luke 1:30-33) So the angel said to her: “Have no fear, Mary, for you have found favor with God; 31 and, look! you will conceive in your womb and give birth to a son, and you are to call his name Jesus. 32 This one will be great and will be called Son of the Most High; and Jehovah God will give him the throne of David his father, 33 and he will rule as king over the house of Jacob forever, and there will be no end of his kingdom.”

(1 Chronicles 17:10-14) And I tell you, ‘Also a house Jehovah will build for you,’ 11 “And it must occur that when your days have come to the full [for you] to go [to be] with your forefathers, I shall certainly raise up your seed after you that will come to be one of your sons, and I shall indeed firmly establish his kingship. 12 He is the one that will build me a house, and I shall certainly establish his throne firmly to time indefinite. 13 I myself shall become his father, and he himself will become my son; and my loving-kindness I shall not remove from him the way I removed it from the one that happened to be prior to you. 14 And I will cause him to stand in my house and in my kingship to time indefinite, and his throne will itself become one lasting to time indefinite.

(Psalm 2:6-8) [Saying:] “I, even I, have installed my king Upon Zion, my holy mountain.” (Rev14:1) 7 Let me refer to the decree of Jehovah; He has said to me: “You are my son; I, today, I have become your father. 8 Ask of me, that I may give nations as your inheritance and the ends of the earth as your own possession.

(Psalm 110:1-2) 110 The utterance of Jehovah to my Lord is: “Sit at my right hand Until I place your enemies as a stool for your feet.” (in Revelation 14:6-20) 2 The rod of your strength Jehovah will send out of Zion (Rev14:1), [saying:] “Go subduing in the midst of your (completed world government 8th King) enemies.” (Rev14:6-20);

4. The (1) God’s Kingdom events of Christ from 1914 prophecy events were thus leading in time to the full completions of also (2) Christ’s Kingdom; the Messianic Kingdom and Temple completion enabled by first completing the 144,000, that also must fulfill to full completion.

144000 Comprehensive Completions: Messianic Kingdom, Temple, Holy City, Bride

1. Thus Revelation 14 provides the details of the period after Christ’s arrival (Matt24:29-31) and its 144,000 completion enabling the Messianic Kingdom completion. Revelation 14 allows cross registration of other prophecies into this particular milestone event period that is not itself the end of the world of 8th King sovereign rivalry. (Matt24:6, Luke21:9);

2. Christ’s first ministerial and sheep securing priorities and its global context of 8th King “wildbeast” development are shown in the Revelation 14 prophecy after Revelation 14:1-5. It is an important final sequence of the final phase of Christ’s own ministry (Matt10:23) and the final “harvest of the earth” “sheep” securement (Rev14:14-16, Matt25:31-40) that must occur before the 8th King is globally deposed. (Rev19:19-21);

Thus it is important to understand global sheep salvation, not 8th King destruction, is Christ’s first priority of arrival, and he accomplishes that in superhuman manner not limited by humans or demons.

3. Thus the “Zion” reference is a final portion of the Christ conquest of Revelation 6:1-2 “to complete his conquest” in God’s Kingdom as the final “triumpathal entry” of Revelation 19:11-21 in the secondary Messianic Kingdom final sovereign completion and eventual conquest. (Dan7:26); Thus the dual Kingdom significance (Zech6:1-8, Dan2:31-45, Luke 22:28-30), that Jehovah’s witnesses have already understood but are not logically and prophetically completing (Rev10:5-7, 11), has a final Messianic Kingdom completion requirement.

4. The 144,000 completion requirement must preceded the Messianic Kingdom and Temple completion, hence the significance of Revelation 14:1 and this secondary Messianic Kingdom completion and eventual subsequent conquest:

(Daniel 2:35) At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and
became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the (Messianic Kingdom) stone that struck the image (8th King conglomerated world government, Rev16:13-16, Rev17:11-18), it became a large (Messianic Kingdom) mountain (Rev14:1) and filled the whole earth. (Revelation 14:1 “Zion” is Christ’s total Messianic Kingdom and earth dominion totality “coming down out of heaven”. Rev21);

5. As we have known that “stone” of the Messianic Zion Kingdom has a source in God’s Kingdom already existent:

(Daniel 2:44-45) “And in the days of those kings the God of heaven will set up a (Messianic) kingdom that will never be brought to ruin. (Since God’s Kingdom already existed, this is a new Kingdom “set up” for Earth’s rulership) And the (Messianic Zion) kingdom itself will not be passed on to any other people. (Dan7:27, its “people” is the 14,4000 and the subjects of Christ’s earthly rulership) It will crash and put an end to all these kingdoms (conglomerated in the 8th King “scarlet wildbeast”, King North), and it itself will stand to times indefinite; 45 forasmuch as you beheld that out of the (God’s Kingdom) mountain a stone (Messianic Kingdom) was cut not by hands (from God), and [that] it crushed the iron, the copper, the molded clay, the silver and the gold. (of the whole Daniel 2 “immense image” of the 8th King world government “standing” at Armageddon);

(Daniel 7:13-14) “I kept on beholding in the visions of the night, and, see there! with the clouds of the heavens someone like a son of man happened to be coming; and to the Ancient of Days he gained access, and they brought him up close even before that One. (Rev4-5) 14 And to him there were given rulership and dignity and kingdom, that the peoples, national groups and languages should all serve even him. His rulership is an indefinitely lasting rulership that will not pass away, and his (Messianic) kingdom one that will not be brought to ruin.

(Daniel 7:27) “‘And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. (Rev4:1, Rev11:15-19) Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them.’

(Daniel 7:18) But the holy ones of the Supreme One will receive the kingdom, and they will take possession of the kingdom for time indefinite, even for time indefinite upon times indefinite.’ (this has to fulfill in full and complete 144000 ultimate form under a finally Kinged Christ. 1914-1918 provided the preview as Christ received the Kinging in God’s Kingdom, not yet the Messianic Kingdom);

Thus all those events must have an actual full fulfillment beyond the preview meanings of 1914-1922.

6. Jesus Christ also made the distinction of these two Kingdoms and their respective covenants:

(Luke 22:26-30) “However, you are the ones that have stuck with me in my trials; 29 and I make a (Messianic Kingdom) covenant with you, just as my Father has made a (Kingdom) covenant with me (marked by God’s Kingdom anointing of Christ and installent; Rev4-5:1-2), for a kingdom, 30 that you may eat and drink at my table in my (Messianic Kingdom) kingdom (to come under God’s Kingdom authority), and sit on thrones (Rev20:4, 5:10) to judge the twelve tribes of Israel. (Matt19:28 “re-creative” Rev21:1-5 “all things made new” Rom8:18-22 “freedom from decay” related restorative Kingdom power);

Jehovah’s Witnesses Derailed by Foretold Apostasy

1. The importance is Jehovah’s witnesses have already understood there are two kingdoms, (1) God’s Kingdom and (2) Christ’s Messianic Kingdom and that Christ acts in special capacity now in God’s Kingdom since 1914 (Rev4-5, Rev12) to also complete the Messianic Kingdom as the end of that sovereign process.

2. Obviously that logical and prophetic common sense should be the biggest “good news” now relevant to Jehovah’s witnesses. But alas, also as per prophecy (Dan11:41), Jehovah’s witnesses are being misled (Dan8:12) so as not to make this completed proclamation, hence the temple judgment is also necessary and prophetic in this development: Bethel’s apostasy has to be dealt with by God and Christ directly and it is foretold and timed. (Dan8:13-14, Rev8:3-5);

3. What Jehovah’s witnesses are not understanding, due to a foretold apostate ministerial subversion (Dan11:32, Dan8:12), is that the Messianic Kingdom must also complete and Christ must also be coronated as “King of kings” and High-Priest, the final King-Priest “according to the manner of Melchizedek” in the full Messianic Kingdom and Temple. (Zech6:9-15, Rev11:15);

4. And there will be a global announcement concerning also that Messianic Kingdom completion (Rev10:11, 11:1-7 final fulfillment) once the Bethel apostasy is removed and exposed. (2Thess2:8, Zech3:1-5, Dan8:13-14, Rev8:3-5);

Each of the “two witnesses” will have, when both ministries have completed, made announcement concerning God’s Kingdom (1914-1919) and the Messianic Kingdom finality (future). The temple judgment anointed Christian purification (Zech3:4-5) and Bethel “trampling” “desolation” accounting for their 8th King allied UN NGO (Dan8:13-14) and modern Bethel lawlessness, apostasy and earmark delusion (Dan11:32, 2Thess2:3-4), is what will secure that final “two witnesses” second Kingdom witnessing.

5. This final Messianic Kingdom appointment of Jesus Christ also requires that the “Temple” and its priesthood meaning must complete prior to
Christ's final "Crown Stone" completion of that spiritual entity. (Zech3:6-9, Zech3:7-10); The 144000 completion is the "body" that defines the Messianic Kingdom and Temple realities that Christ is kinged upon to complete both the Messianic Kingdom and Temple totality. The temple "foundation" must have all 144000 "witnesses" (Rev3:12, Rev7:1-4) to enable the Christ final "crown stone" placement to complete the "Temple" totality.

**Hence that completion is a very important event and coming universal milestone.**

6. The 144000 completion and Christ "standing" to also "sit down on his glorious throne" (Matt25:31) is in that Messianic Kingdom by its completion as its final "Court" King. (Dan7:26) Thus the "Holy City" with "New Jerusalem" (144000) and the "Heavenly Jerusalem" (Christ Kinged with 144000) is also defined by the 144000 completion that Christ's crowning as Messianic King culminates. Thus the "Bride" must also be a full bodied "woman" in all 144000 prior to the "marriage of the Lamb". (Rev19:6-9);

7. And logically that requires all 144000 to be "in attendance" for that final Christ Coronation event as full King-Priest in the full Messianic Kingdom. (Rev17:14); The 144000 are all required in attendance to complete this process. Thus it is going to be quite the event that this final cycle will result in and we can know from Revelation 14 what transpires after that completion and coronation event symbolized in Revelation 14:1.

8. What Bethel is thus selling as a premature "end of the world" 8th King aiding hoax is exposed in the process, for much prophetic and world event development is yet in store for the world and Christians guaranteed by prophecy, the very prophecy Bethel covers up as the "man of lawlessness" leading this final apostasy.

In fact the "two witnesses" final ministry (Rev10:11) must complete before any of those other milestone completions can occur in the 8th King world government completion that finally triggers Christ's Messianic Kingdom completing arrival to complete the rest of global judgment process.

### Two Witnesses for Two Kingdom Manifestations

There are "two" "witnesses" because each Kingdom event has a divinely commissioned "witnessing" that proclaims it (Rev10:11, Zech3:6-7, Matt24:35-47). One "witness" (1) went forth for God's Kingdom Christ coronation (1914-1918 proclamation) and a final (2) "witness" for the Messianic Kingdom completion and the final Christ coronation event. (future final proclamation);

Each of the "two witnesses" is a "time, times and half a time", 1260 day, 42 months duration that occur twice and combine for the full "seven times" as 2520 days. Thus the hanging "three and a half times" is incomplete. It has to repeat. It all completes as a full "seven times" of Kingdom of God related warnings for (1) God's Kingdom and for the (2) progressive Messianic Kingdom birth-to-completion event.

That "seven times" finality to be announced in the final of "two witnesses" to complete the "seven times" will indeed complete the Kingdom of God purpose over this universe and over planet earth in the Messianic Kingdom final sovereign agency completion over this final cycle for removing both Satan and the demons and the 8th King from their temporary respective sovereign domains of the "old heavens" (Eph6:12) and "old earth" of their soon to be former rulerships. (Rev21);

Thus the Revelation 21:2,10 parallel of Matthew 6:10 "let your Kingdom come" "down out of heaven" is God's overall sovereign expression, but the Messianic Kingdom is the appointed universal rulership that will be the universal world government and the "New Universal Order" over planet earth. Unlike the limited and Adamic human 8th King who plans only a so-called "new world order" (Dan7:25), God is purposely the replacement of not just the 8th King "new order" but also the removal of the demon heavenly order of power of the "seven headed" "fiery colored dragon". (Rev12);

The Satanic "Dragon" is the dominant guide of the "seven headed" "wildbeast" development to its 8th King climax (Rev12-13, 17). The "Dragon" defining "Satan" and the demons" power system "in the heavenly places" is to be first "abyssed", and eventually exterminated to fully fulfill Genesis 3:15 (Rev20:7-10), to thus then allow the "new creation" based "new heavens" that "re-creates" the "new earth" in the restoration (Matt19:28, Rom8:18-22), prior to Satan's "abyss" release and final destruction. (Rev19:19-21, 2013, 20:7-10);

1. Thus a final Kingdom "witnessing" concerning the Messianic Kingdom completion and its restorative certainty will form in the "little scroll" guaranteed in prophecy as the temple judgment meets its first milestone purpose of that required purification (Zech3:1-5) accounting (Dan8:13-14) and the recovered ministerial truth (Mal3:1-2, Zech3:4-9).

2. This is because the comprehensive total completion of all things, even the "good news" describing these things before they occur, is required and also guaranteed for this final cycle.

(Revelation 10:5-11) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: "There will be no delay any longer; (the whole comprehensive completion is to come, the final 2520 days allowance of the "two" 1260 days "witnessings" combined will expire) 7 but in the days of the sounding of the seventh angel ("days"
leading to the Messianic Kingdom completion event, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.” (the whole “sacred secret” prophecy and its required ministerial summarization must be completed) 8 And the voice that I heard out of heaven is speaking again with me and saying: “Go, take the opened scroll (understood Messianic kingdom sovereign ultimatum and final proclamation) that is in the hand of the angel who is standing on the sea and on the earth.” (Christ is full global coming authority guaranteed) 9 And I went away to the angel and told him to give me the little scroll. (Final annotated Christian remnant as “five wise virgins” accept the commission. Zech3:6-7, Matt24:45-47) And he said to me: (divine commission is granted. Zech3:8-9:) “Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey.” (respects judgment and salvation duality of the first “witness” period of 1914-1919) 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter. 11 And they say to me: “You must prophesy again with regard to peoples and nations and tongues and many kings.” (final Messianic Kingdom announcement is ready for final “two witnesses” global deployment all within the “second woe” spanning Revelation 9:12-11:14); 3. Revelation 10:11 plainly states “You must prophesy again with regard to peoples and nations and tongues and many kings” regarding this second and final Kingdom completion manifestation prior to the Messianic Kingdom culmination. Thus Jehovah’s witnesses are not perceiving a final phase of the second of the “two witnesses” is required over the final cycle, during the “tribulation of those days” (Dan11:42-45-Dan12:1, 7), leading to that Revelation 14:1 “Lamb” and 144000 reality to be “little scroll” announced before that completion occurs. 4. Thus the final Kingdom proclamation must deploy while the final “tribulation of those days” is active as Revelation 8-11 repeats to Revelation 11:1-10 that precedes and leads to the Revelation 14:1 events (Rev11:11-12) and what follows after that in prophecy and world events. “The end” does not come immediately after Revelation 14:1-5, instead the final salvation opportunity is fully described in Revelation 14:6-16. * This final ministerial “two witnesses” to deploy into an active global scale “tribulation of those days” will manifest its first cycle 1914-1919 pattern in the first “two witnesses” deploying into an active global war in World War 1 in 1914 that resolved into the League of Nations world government foundational “image” in 1919 encompassing the first 1260 days. In like manner the “tribulation of those days” final pattern will repeat the first cyclic pattern of the WW1 “tribulation” principle as that “tribulation of those days” of the future resolves into the complete 8th King world government and its UN “image” which “image” has pictured for its whole quadruple cycle development since the 1914-1919 first cycle. Interestingly the “disgusting thing” presentation of both the first and last cycle thus wind up at Daniel 12:11 in initial (1919) and final fulfillment form (future) as Daniel 12:11 has two fulfillments; one for each the first and last cycle. It is the final cycle 8th King progression of Daniel 11:42-45 of the future that arrives the final time at Daniel 12:11: That second “witness” final 1260 days future Messianic Kingdom announcement, when combined with the first “two witness” 1260 day announcement of 1914, will complete the “there will be no more” “delay” period, the full 2520 day final “seven times” extension to allow the final salvation opportunity to also be fully completed. (Dan4:16, Luke21:24, Dan12:7,11); (Revelation 10:6. KJV) And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer.

Final “Appointed Times of the Nations” 2520 Day “Seven Times” Allowance Expires

1. Thus it is the “end of time” for the “appointed times of the nations” time allowance of 8th King rivalry to Christ’s Kingdom and a fullness of the “seven times” related final extended warning in 2520 days as completed as both the “two witnessing” will have completed 1260 day foretold periods twice, for 2520 total days. (Rev11:7); 2. Thus relatively “no more delay” is granted by God in the “appointed times” former allowance now expired in the 2520 years period and to be expired in the 2520 days period of the “two” “witnessings”. But the prophetic “one hour” of full 8th King complete defiance must also fulfill as the final “one hour” of 8th King existence is truly very short within the final Daniel 12:11 1290 day period and in that “hour” is also the final judgments. 3. Thus in that period Christ comes into the Messianic Kingdom full Kinged authority to “subdue in the midst of his enemies” in the fullest sovereign form to fulfill Psalm 110 fully. Though the 8th King is ignoring the sovereign decree, Christ will be in official sovereign authority only extending forbearance to complete the final earth “sheep sweep”. 4. Thus the 8th King is no longer truly the sole earthly power, God and Christ will be using them to accomplish the Babylon the Great judgment and to set-up his final glorification of final conquest as an active “Jerusalem” King completing his own ministry “in the midst” of the completed 8th King world government. 5. Overall it is leading to the full end of all the prophetically mapped extensions, like the “one hour” (Rev17:12) in Daniel 12:11 overall 1290 day final period. That final symbolic “one hour”, to transpire in the Daniel 12:11 1290 day period in some manner, will have aided salvation of the “great crowd” of the “harvest of the earth”. Daniel 12:7 (1260 days) will have expired and Daniel 12:11 (1290 days) is the finality of Christ’s final operations which is for the full “sheep” salvation priority first, under the supernatural power of the Messianic Kingdom.
6. In retrospect by understanding why the “two witnesses” repeats for its second and final witnessing, the 2520 year period ended (10/1914) at the same approximate time the 2520 days began in its first 1260 day “witnessing” (12/1914). They are prophetically related periods of the final allowance by God for now illegal human rulers as far as the 2520 years “seven times” is concerned, as God has decreed His Son Christ is the new appointed ruler of planet Earth. Thus the completion of the related 2520 days in that final 1260 day second “witnessing” will be the full conclusion of the sovereign allowance and the final warning period.

Fourth 8th King UN Related Placement as World Government Extends into Seven Times Period Ending

1. Thus the well known “seven times” of 2520 years has a related 2520 day “two witnesses” extension for final Kingdom warnings to extend into the “last days” and into the far more advanced post 1990 “time of the end” of the “last days”. (Dan8:17, 19; 11:35, 40; 12:4); That final 8th King is to be defined by the final two UN placements: UN 3 (1990, Dan11:31b, Dan8:23) and UN 4 (future, Dan11:45, Dan8:25) world government, in the UN 1-2-3-4 continuum to world government.

2. The 3rd to 4th UN placements are already in Daniel 8:23-25 and Daniel 11:27-45 in the final 3rd and 4th UN placement continuum. This is a continuous prophecy requirement as an 8th King “King North” continuum of “success” from the 3rd to the 4th 8th King manifestations:

(Daniel 11:36) “And the king (8th King/King North) will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. (globalist world power will surpass any national power system and its statements will be of world government in due time) And he will certainly prove successful until [the] denunciation will have come to a finish (at Armageddon divine war, King North is a constant success from Daniel 11:31 to Daniel 11:45 through to Daniel 12:11 as the 8th King progressing to world government); because the thing decided upon must be done. (the real prophecy must fulfill as the 3rd UN placement of 1990 at Daniel 11:31 and the 4th UN placement as world government of the future at Daniel 11:45);

Thus the “denunciation will have come to a finish” at Daniel 11:45 merging with Daniel 12:11, as the fourth UN 8th King world government placement will extend the “one hour” past the final 1260 day allowance of the overall 2520 days total “two witnesses” Kingdom proclamation periods ending with Daniel 12:7, Daniel 7:25 and Revelation 11:2-3, Revelation 13:5.

3. This is the period of 1990 3rd UN to future 4th UN 8th King activity in Daniel 8:23-25 and 11:27-45 that Bethel deems insignificant. Bethel covers up those prophecies with now dated fictional interpretational versions ignoring the 3rd 8th King cycle ending in 1990 as the USSR “King North” fell. That post Cold War (Dan11:29) USSR dissolution made the USSR “unsuccessful” at extending all the way to when the “denunciation” comes to an end at Daniel 11:45.

A. Thus the USSR is also unsuccessful at being the true “King North”, it is all the 8th King in Daniel 11:27-45 and Daniel 8:23-25. Bethel acts as if it all never happened, as if the UN “New World Order” proclamation of 1990, that they joined as UN NGO, means nothing, is not prophetic, and can be ignored and instead Bethel can become a global UN co-promoter as UN NGO, rather than explain the 3rd UN placement prophecy of Daniel 11:31b parallel Daniel 8:23. Instead they cover up critical Daniel 8 and 11 8th King prophecy for their foretold 8th King controllers (Dan8:12, 11:30-32) with their UN NGO alliance (Dan8:13) marking their true apostate condition. (Dan11:41);

4. Thus we know “King North” 8th King planners have entered right into Bethel and control the ministry through the 1976 placed so-called “Governing Body” made evident in the 1990 3rd UN placement concealed and the concurrent Bethel UN NGO co-proclamation:

(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally), and there will be many [people] that will be made to stumble. (Matt24:15; Luke21:20 signal development present now at Bethel; Stumbling people is also the lawless Bethel subversion goal. Parallels Daniel 8:11-13 and Daniel 11:30-35 events and meaning);

5. Thus soon God and Christ will bring on the temple judgment to expose and remove the Bethel obstacles once they have completed their 8th King “trampling” aid of Daniel 8:13-14 from within Bethel as 8th King impostor allies. (Luke21:20);

The Temple Judgment First Milestone and The Bethel “Weed” Clean Out

Making these details of the prophetic replication known is why the final temple judgment must take place first (1Pet4:17, Dan8:13-14, Rev8:3-5) to clear out the Bethel subversive apostasy (Dan8:12, 11:30-32) to allow the recovery of the final truth after the temple “trampling” of Daniel 8:13-14 completes into the required purification. (Dan8:14, Zech3:4-5, Mal3:1-5);

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. (Dan8:13-14, Rev8:3-5, Zech3:1-5) Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

Once the Daniel 8:13-14 parallel of the above completes, recovered Christians can explain the 3rd and 4th 8th King UN prophecy meaning properly while the 8th King is in their final cycle active at that time. (Dan11:42-43);
1. As we see the temple judgment is going to ask a question. In fact it is Jehovah’s witnesses that will have the biggest questions during that initial period of the temple judgment, the “evening” (Dan8:14,26) “darkness” “night” (Matt25:1-13) phase of the “abyss” of the Revelation 9 final fulfillment parallel of Jonah being swallowed by the fish in his own dereliction of ministerial duty.

2. But with Jehovah’s witnesses, in the “1/3” profaned (Rev8:10-11) and off course state (Rev8:12), it is a dereliction of ministerial duty by mostly omission of the last 24 years of 8th King activity Bethel has been covering up in Daniel 8 and 11 as the apostate lead “man of lawlessness” of the whole ministerial subversion development. (Dan8:12);

3. In fact the ministerial vigilance of many JWs is actually aiding the distraction process so as not to understand the content is now in error after 1990 in regard to modern 8th King activity. Most JWs are too busy and distracted to actually study prophecy and modern events, thus the “dereliction of duty” is in the content now imbibed with error to aid concealment of modern 8th King prophetic reality. (Dan8:12);

(Matthew 12:39-40) In reply he said to them: “A wicked and adulterous generation keeps on seeking for a sign, but no sign will be given it except the sign of Jonah the prophet. 40 For just as Jonah was in the belly of the huge fish three days and three nights, so the Son of man will be in the heart of the earth three days and three nights.

5. So God will send Jehovah’s witnesses anointed Christians a “sign of Jonah” in the “three days” as three years (Dan8:14, Hos6:1-3, Isa57:30) of that “abyss” darkness of the temple judgment “evening” of Bethel’s corporate “desolation” “trampling” as the visible cue of the anointed Christian temple judgment in final form to START the whole final cycle of judgment over several years time. (Dan8:14+Dan12:7+Dan12:11 as Rev8-11 final fulfillment);

6. In time that “sign of Jonah” will be seen by the world (Rev9:1-4) as to what it means for this final phase of prophecy. It means everything the rest of the prophecy is indicating, that begins with the temple judgment, will also manifest in time.

7. Jehovah’s witnesses may be buying the Daniel 8 and 11 WW2 and USSR “King North” related subterfuge in Daniel 8:11-14, 23-25 and Daniel 11:27-45, rather than the 8th King developments it really is, and Jehovah’s witnesses may even buy that the UN NGO is acceptable for the “UN library card” excuse, but God is not buying any of it, and the temple judgment will prove the true state of the current Jehovah’s witnesses ministry.

**Temple Judgment and UN NGO Connection**

1. That is why the temple judgment is tied to the UN NGO and Bethel’s 8th King compromise across Daniel 8 and 11. This is also why it is a timed judgment as a unique incept prophecy which timing will span to more prophetic developments in time as the “virgins” get the call “in the middle of” that “night” (Matt25:1-13) of the temple judgment.

2. It is also timed for future verification and the temple judgment decree contains details of the “transgression causing desolation”, the UN NGO, as the main driver of the “trampling” permission from God:

**Temple Indictment as UN NGO “Transgression” Related (Matt24:15);**

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (profaned) constant [feature] and of the transgression causing desolation (UN NGO alliance of Daniel 11:31b), to make both [the] holy place (temple “established place”; Dan8:11; “fortress” Daniel 11:31a) and [the] (JW worldwide) army things to trample on?” (first 8th King “trampling” “attack” defining the spiritual meaning of the “tribulation of those days” beginning): 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (Temple judgment purification completed in this timed period parallel Zechariah 3:4-5, Revelation 8:1-5);

3. From that “right condition” temple purification (Zech3:4-5) and ministerial recovery (Rev9) the final “little scroll” commission for the Messianic Kingdom announcement can then be given by God and Christ (Rev10:5-11, Zech3:6-7) and eventually is to be deployed as the final “two witnesses” of Revelation 11:1-7 leading to the Messianic Kingdom completion as the 8th King world government cycle is also active to its intended goal of global government.

4. Thus all the prophetic patterns and parables of the 1914-1919 temple judgment will also repeat in final form in the final temple judgment cycle as Jehovah’s witnesses experience a judgment of God for the first time, rather than just hear about the one from the past.

5. That temple judgment is going to become a huge world signal because it will be signalling the final phase has just started. Now we see why 8th King allied Bethel wants to promote the impression the “tribulation of those days” is simply “the end of the world” to attempt to bypass what is actually a milestone required comprehensive completion process and an entire prophetic replication, it is in reality far from over. (Rev10:11);

*Thus 8th King “scarlet wildbeast” world government and the soon following Messianic Kingdom co-completion events are the converging final developments the “little scroll” gives final warning of and the final sovereign ultimatum of to be secured when the temple judgment runs its course.*
6. Thus to aid that final Kingdom announcement of the second “witness”, what is foretold to continue further after Revelation 14:1 (by Christ himself completing his own ministry), by that Messianic Kingdom completion requirement, is a preview of things that “must take place” (Rev1:1, 22:6) after 144000 completion has enabled the full completion of the Messianic Kingdom. That enables the final coronation of Jesus Christ as the full “King of kings” and as High Priest in full King-Priest capacity of the Messianic Kingdom and Temple completion of that Messianic Kingdom related final authority, and that is part of the “little scroll” completion content. (Zech4:6-9, Zech6:9-15);

From Final Two Witnesses Deposed to Christ Arrival

1. The post-144000 completion sequence of Revelation 14:6-20 is important for it sequentially outlines the final progression of world and spiritual events after the Messianic Kingdom completion event. We get details of the post Messianic Kingdom completion salvation priorities and the final judgment sequences. We know Babylon the Great and the 8th King are operable after the 144000 completion. Revelation 14:6-10 identifies the final milestones to unfold after Christ arrives as his arrival is when the 144000 are completed first. (Matt24:30-31);

2. The “two witnesses” final deposition (Rev11:7-10) in that Messianic Kingdom announcing ministry (Rev11:2-3) is required prior to the 144000 completion (Rev11:11-12) that 8th King resistance aids because the final anointed Christian remnant must carry out that mission to completion. (Zech3:6-7, Matt24:45-47);

3. Thus by this we know it is “immediately after the tribulation of those days” resolves (Matt24:29) that Christ arrives and Revelation 14:1 must eventually culminate from that event as that 144000 completion which will also have had a final warning given prior to that culmination for the “two witnesses” final 1260 day period. (Rev11:2-3, Dan12:7, Dan7:25); Thus Revelation 11:11-12 is the parallel segway of the Matthew 24:30-31 anointed “sheep” gathering that results in Revelation 14:1-5 144000 completion and continues to the fullness of Matthew 24:31 in the global earthling “sheep sweep” of Revelation 14:14-16 over the intervening events of Revelation 14:6-13.

4. Thus we know Revelation 11:7-12 in its final fulfillment is the sequence that results in the “three and half day” death state of the “two witnesses” (Rev11:7-10), and that that is the final symbolic period that must transpire just prior to Christ’s arrival; Thus it connects that Revelation 11 “three and half days” to Revelation 14. The 144000 completion parallel of Revelation 11:11-12, occurs after that “three and a half days” expires, thus enabling Christ’s arrival and the Revelation 14:1 144000 completion.

The Revelation 11:10-12 “three and a half days” symbolic “death” state is the final prophetic period that must expire before Christ arrives to fulfill Revelation 11:11-12 “two witnesses” final “gathering” fulfillment parallel of Matthew 24:31.

Two Witnesses Deposed in Approximate Daniel 12:11 Start Point

(Revelation 11:1-3) And a reed like a rod was given me as he said: “Get up and measure the temple [sanctuary] of God and the altar and those worshiping in it. (this is a guarantee of judgment and temple completion, not an “inspection” already carried out prior to the temple judgment of Dan8:13-14 that produces this finality) 2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it (because it is going into 144000 completion in the final part of the “tribulation of those days” “little scroll” deployment), because it has been given to the nations, and they will trample the holy city (the final anointed remnant enabling the 144000 completion, Rev7:1-4, Rev14:1) underfoot for forty-two months. (1260 days, Dan12:7, Rev11:3, Dan7:25, Rev13:5; the final 2520 day “seven time” total “two” “witnesses” period of final invitation and warning announcing the Messianic Kingdom completion portion of Christ’s final King-Priest Coronation and final temple installment, Zech4:6-9, Zech6:9-15); 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.” (the final two witnesses Messianic Kingdom completion announcement);

1. Now due to Revelation 11:2-3 and Daniel 12:7 1260 days being parallel in final fulfillment we know that “three and a half days” final period prior to Christ’s arrival, after the 1260 days has expired (Rev11:7), brings Revelation 11:7-12 into Daniel 12:11’s 1290 day period because the constant feature has been removed” that “war with the two witnesses” culmination in their “death” (Rev11:7-10) as that ministry is officially deposed starting the final “three and a half day” “two witnesses “death” state marked by that final ministerial deposition. (Dan11:44-45, Dan8:25);

(Revelation 11:7-10) And when they have finished their (second) witnessing (of 1260 days repeating; Rev10:11), the wild beast that ascends out of the abyss (into 8th King world government) will make war with them and conquer them and kill them. (the ministry recovered from the Bethel apostasy in the temple judgment is eventually deposed after the final 1260 days has expired.); 8 And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, (the final symbolic period of time that must expire before Christ arrives) and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth.

2. That “two witnesses” final deposition is the Daniel 12:7 “as soon as there will have been a finishing of the dashing of the power of the holy people to pieces (Rev11:7-10), all these things will come to their finish”;

(Daniel 12:7) 7 And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: “It will be for an appointed time, appointed times and a half. (1260 day parallel to Revelation 11:2-3) And as soon as there will
have been a finishing of the dashing of the power of the holy people to pieces (Rev 11:7-10, all these things will come to their finish.” (in the Daniel 12:11 period);

3. That is the parallel Daniel 7:25 “given into his (8th King) hand for a time, and times and half a time”:

(Daniel 7:25-26) And he will speak even words (defiant sovereign final statements; leading to 1Thess5:1-3) against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law (at a globalized worldwide world government scale like nothing ever seen before; Dan11:36-39; 4th Un placement Daniel 8:25, 11:45, 12:11), and they (ultimately the final “two witnesses”) will be given into his (8th King) hand for a time, and times and half a time. (Rev 11:1-7; Dan12:7 parallel 1260 day period) 26 (world government is thus achieved prior to this finale:) And the Court itself proceeded to sit (in final Messianic Kingdom universal/earthly sovereign totality; Rev11:11-15; Rev14:1; Matt25:36-42), and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally. (Daniel 12:11 parallel period to Armageddon; Rev19:11-21, Dan11:45, Dan8:25);

Thus Revelation 11:7-12 will span into Daniel 12:11 and Daniel 7:26 as the period that follows these parallel 1260 day expirations in which the final Christ arrival related events occur.

4. That “three and a half days” “death” state thus precedes Christ’s arrival which precedes the Revelation 14:1 144000 completion and Messianic Kingdom completion culmination in the Daniel 12:11 and Daniel 7:26 parallel period. Thus Revelation 11:1-13 connects next to Revelation 14:1-5 and its final Revelation 14:6-20 progression as both 8th King world government and the Messianic Kingdom are complete when Revelation 14:1 fulfills.

Revelation 14 Summary of Sequential Meanings

1. Revelation 14:1-5 to Revelation 14:6-7

Now we know Revelation 14:1-5 is the Messianic Kingdom completion that leads to an angelically backed final global ministerial completion of Christ himself and the whole Kingdom of God as Revelation 14:6-7.

2. Revelation 14:8-11 to Revelation 14:12-13

That will have to have been deploying as Babylon the Great’s judgment is active to the Revelation 14:8 “Babylon the Great has fallen” announcement. Revelation 14:9-11 is in the scarlet wildbeast world government “one hour” of final authority (Rev17:11-18, Rev13:16-18) and some important directives concerning that period of the “hour of test” are given in Revelation 14:12-13. (Rev3:10);

3. Revelation 14:14-20

That whole Babylon the Great judgment leading to the 8th King judgment encompasses the comprehensive world judgment of Revelation 14:14-20 for the total completion of what Christ is sent forth to finish as the final mission for this period before God Almighty all occurring after the Messianic Kingdom completion.

(This Revelation 14 final sequence is explained more fully below.)

World Government Deposes Two Witnesses Before Christ Arrives

Wildbeast Ascends from “Abyss” into World Government

1. The 8th King world government “abyss ascension” (Rev17:8-11, 11-18 in final form) is transpiring while the “two witnesses” are being deposed after their 1260 day “witnessing” has completed:

(Revelation 11:7) And when they have finished their (second) witnessing (of 1260 days; repeating; Rev 10:11), the wild beast (Rev17:8-18) that ascends out of the abyss (into 8th King world government; Dan11:45, Dan8:25 attack parallels) will make war with them and conquer them and kill them. (this ministry recovered from the Bethel apostasy (Dan8:13-14) in the temple judgment is eventually deposed after the final 1260 days has expired);

(Daniel 12:7) “It will be for an appointed time, appointed times and a half (1260 days). And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces (Rev11:7), all these things will come to their finish.” (in the Daniel 12:11 and Daniel 12:12 following periods);

2. Thus we are seeing a prophecy of development to occur “immediately after the tribulation of those days” resolves first into complete 8th King world government that “ascends out of the abyss” of the “tribulation of those days” yet to activate. The “tribulation of those days” cycle is about to begin as the progressive context of Daniel 11:42-45 that must converge into Daniel 12:1,7,11 in the future, live and real-time. The scarlet wildbeast...
"ascension" from the "abyss" of the "tribulation of those days" is the 8th King complete world government.

3. The Revelation 13:5 parallel 1260 day period is the consolidating world government “authority” progressively growing to complete the full world government actuality and its final “one hour” global uni-polar sovereignty. As that “42 months”, 1260 days, fully runs its course to the start of the “one hour” (Rev17:12) as a period under full world government, we know it is also an event period in Daniel 12:11.

4. This 42 month permitted period (Rev16:1-9), the final 1260 day period parallel, is thus is leading to, not yet in, 8th King completed world government:

(Revelation 13:5) And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it.

5. That repeats in finality parallel with the “forty-two months” of “holy city” final “trampling” to complete the parallel second “two witnesses” 1260 day period:

(Revelation 11:2) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months.

6. The Revelation 17:11-18 “scarlet wildbeast” “one hour” is the permitted final completed “power and authority” of that globalized and conglomrated 8th King rival sovereign global government (Rev16:13-16), against God’s and Christ’s completed Kingdom supremacy. That “one hour” (Rev17:12) comes after the 1260 day period completes into that “scarlet wildbeast” “abyss” “ascension” upon the former 1945 United Nations “abyss” ascension of Revelation 17:8-11, that also has a final cycle for the Revelation 11:7 final fulfillment:

(Revelation 17:8) The wild beast that you saw was (in 1990 3rd UN placement “new world order” form), but is not (impotent in “world peace” power for final world war intrigues), and yet is about to ascend out of the abyss (into world government), and it is to go off into destruction. And when they see how the wild beast was, but is not, and yet will be present (as finally world government), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

7. And that is what defines the final 8th King as the final “King North” world government power in final form after the “tribulation of those days” resolves (Matt24:29):

(Revelation 17:9-11) “Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains (nation-state world power systems), where the woman sits on top. 10 And there are seven (national) kings: five have fallen (Egypt, Assyria, Babylon, Medo-Persia, Greece), one is (Roman), the other has not yet arrived (Anglo-America), but when he does arrive he must remain a short while. (7th King deposed into 8th King world government, Dan11:42-43) 11 And the wild beast that was but is not (Rev11:7), it is also itself an (globalist; globalized) eighth [king] (the final world government power), but springs from the seven (based on the national progression), and it (the globalist conglomrate 8th King) goes off into destruction. (at Armageddon: the 8th King totality destroyed by God and Christ Kingdom power at “the war of the great day of God the Almighty”);

8. Thus this final true “giving” of national “power and authority” to a conglomerated and consolidated 8th King is more than just joining the United Nations while retaining national sovereign autonomy. This is the actual national sovereign power deposition surrendered to 8th King sole global super-soverignty who then dictates the global direction of “power and authority” which nations will join as “authority as kings” in the 8th King world government:

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist) eighth [king], but springs from the seven (national power progression), and it goes off into destruction. 12 “And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist scarlet) wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. (absorbing religious sovereignty and assets) 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);
Thus we see Revelation 11:7-10 “great city” of Babylon the Great existing after the “two witnesses” are deposed and the Revelation 16:12 “Euphrates” compromise of sixth plague preparation place those sequences as parallels of Revelation 17:15-18 actual Babylon the Great deposition in this 8th King “one hour” of full world government authority. It is in the seventh plague period of Revelation 16:17-19 that the Babylon the Great “great city” is deposed registering that sixth-to-seventh plague segway also with Daniel 12:11 final fulfillment 1290 day period.

Determining the Daniel 12:11 1290 Days Period

1. That 8th King world government is also the Daniel 12:11 final fulfillment “place the disgusting thing” event parallel of Daniel 11:45 and Daniel 8:25.

2. The 8th King world government in its culmination makes the real final world “peace and security” proclamation (1Thess5:1-3) at that time after the “tribulation of those days” has ended. (1Thess5:1-3); That “peace and security” proclamation is a climax “world peace” claim of a full 8th King world government completed sovereignty.

3. This is the parallel 8th King world government “freedom from care” “during” which period the 8th King will also “bring many to ruin” which parallels the Daniel 11:44-45 “in order to annihilate and devote many to destruction” period of final 8th King global intrigues carried out while “they are saying” “peace and security”, that is “during “a freedom from care”. And those destructive operations under 8th King world government is the period the 8th King wildbeast “wars with” the “two witnesses” and brings that “disturbing” final ministry “to ruin” with its “little scroll” “reports”. (Dan11:44);

4. Thus that must be also taking place in the Daniel 12:11 1290 day period by this world government “disgusting thing” placement event of full world government:

(Daniel 12:11) “And from the time that the constant [feature] has been removed (in second two witnesses deposition of Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (in fourth and final 8th King UN world government placement; Dan11:45; 8:25), there will be one thousand two hundred and ninety days. (the final period of 8th King and eventual Messianic Kingdom co-completion and open salvation opportunity, Rev14:6-7);

5. Note that the placing the “disgusting thing” as world government is half the Daniel 12:11 criteria. The deposition of the “two witnesses” “constant feature has been removed” is the other half of the dual requirement defining Daniel 12:11 as activated. BOTH criteria must be met to activate Daniel 12:11.

Thus world government coming into “ascend from the abyss” completion as the final “two witnesses” Kingdom ministry is ceased concurrently, marking both criteria of the prophecy, will mark that Daniel 12:11 period as activated.

“Three and a Half Day” Death State to Christ Arrival and Revelation 14:1 Messianic Kingdom Completion

1. The “constant feature has been removed” as the “two witnesses” “killed” deposition marks the “three and a half day” “death” state commencement. (Rev11:7-10); That “three and a half day” death state must come “when they have finished their [1260 day] witnessing” period, that is after the 1260 days has expired as Revelation 11:2-3, Daniel 12:7, Daniel 7:25 period parallel.

Thus the symbolic “three and a half day” “death” state period must transpire into the Daniel 12:11 1290 day period and that “three and a half days” period must expire before Christ’s arrival (Rev11:11-12) as the final symbolic period required to end before and into Christ’s arrival.

2. And accordingly the completed 8th King world government is also required to be presented as the climax of the “tribulation of those days” resolution for its world government purpose, before Christ arrives.

Thus the two final sovereign rivals, 8th King and Messianic Kingdom, essentially co-complete at nearly the same time.

3. The 8th King represents all of the nations of earth so that sovereign totality will be complete in one globalized worldwide rival sovereignty. (Ps2:2, Rev16:13-16, Rev17:11-18); The 8th King completed sovereign afront to Christ’s soon thereafter completing Messianic Kingdom authority (Rev11:11-12, Rev14:1) is when Christ completes the Messianic Kingdom in their face (Rev6:12-17, Matt24:30-31, Ps110:2), but it is not the complete “the end” at that time of Revelation 14:1 parallel Messianic Kingdom completion.

4. Revelation 14:6-16 outlines Christ’s first priorities as shown in Revelation 14:6-8 final global appeal, and Revelation14:14-16 global “sheep sweep” prior to the absolute “the end” of Revelation 14:17-20. By all this Revelation 11 and 14 converging and cross related detail and known milestone periods, other supporting prophecy, like that in Daniel 12, can be cross related for more detail of this same period, as the final progression the “two witnesses” will lead to, is now fully describable.

For example, Revelation 14:1 thus completes as the Matthew 24:30-31 angelically aided ”gathering” completes in first the 144000 “sheep remnant completion enabling Revelation 14:1 full 144000 with Christ’s final “stand” into Messianic Kingdom power. That “stand” is also Daniel
12:1 “during that time Michael will stand up, the great prince who is standing in behalf of the sons of your people”. That “during that time” is at the end of the unique 8th King Daniel 11:42-45 final progression that must have merged into those Daniel 12:7 and 12:11 final periods.

That Matthew 24:29-31 arrival of Christ to complete the 144000 first is also the Revelation 6:12-17 event. It is also the Jude 14 parallel. It has to have progressed over the Daniel 12:7, Daniel 7:25 and Revelation 11:2-3 parallel 1260 day final Kingdom proclamation period. That is also the Revelation 13:5 progressive “wildbeast” “authority” to climax into the Revelation 17:11-18 complete 8th King symbolic “one hour” of full world government “power and authority”. That is the “wildbeast ascends from the abyss” parallel progression into world government in Revelation 11:7.

Thus we arrive at Daniel 8:25, Daniel 11:44-45 and Revelation 11:7 at the same final period of time with progressive global milestones to unmistakably mark those prophecies at that time and even now for those paying attention.

And that is the final period that Revelation 14 activates into.

World Government World Peace and Security

1. The final 8th King cycle of Daniel 11:42-45 will thus include the Matthew 24:29 “tribulation of those days” and its fourth time repeating world-war-to-world-government cycle to culminate into 8th King world government (Rev1:3, 17:8) and its final world “peace and security” resolution (1Thess5:1-3) upon which the 8th King presents its final super-sovereign global completion. That formulaic use of world war to present United Nations related renditions is present now in three world wars, including the Cold War (Dan11:29-31), that ended into global UN presentations in all three former cycles. (1919, 1945, 1990);

2. The Daniel 8:25 “freedom from care” of this final 8th King world government “stand” is the parallel of the world “peace and security” climax statement of world government completed. Though that can be used prematurely for hoax effects, like those primed by Bethel, the real world “peace and security” (1Thess5:1-3) is an 8th King completed world government final sovereign statement and global claim period. Now we know why the 144000 completion parallel of 1 Thessalonians 4:17 (Rev16:17-19) is stated by Paul in the same final context of that final 1 Thessalonians 5:1-8 8th King global sovereign “world peace” statement, which must come after they have completed world government, which also has to be complete as shown in prophecy before the 144000 completion. (Rev11:7);

3. Thus the ultimate Armageddon head on conflict and parallel “war of the great day of God the Almighty” climaxing period of rival sovereign development is what is really indicated by this final cycle about to soon begin (Dan1:4-2:45) and go on for the several years of at least the Daniel 8:14 (1150 or 2300 days) and Daniel 12:7 (1260 days) timed periods prior to Christ’s arrival after the Daniel 12:11 1290 day period included “three and a half days” symbolic final period leading to Christ’s arrival expires.

4. But soon certain events in Daniel 8:13-14 unique spiritual events of the temple judgment (1Pet4:17) and Daniel 11:42-45 unique 8th King events of the 8th King final cycle must activate to lead in time, over several final years (Dan12:7,11), into the final prophetically marked periods and their marked milestones and meanings described above.

5. Thus the Bethel over simplified, purposely erred and fictional “slam dunk” “the end” is the delusion of 2 Thessalonians 2:1-2, instead other developments will overtake Bethel and its system of foretold subversions in the final cycle starting period.

Bethel’s lawless “a system of things” ends long before the overall world system. (Matt13:36-42);

The Temple Judgment Starts the Final Multi-Year Sequence

1. The temple judgment of the Jehovah’s witnesses apostate Bethel based ministerial system is what starts the spiritual dimension of that “tribulation of those days”. (Dan8:13-14, Rev8:3-5); In time people will see that event for it will become a progressive global signal and its deeper meanings will in time be revealed as prophetic and a matured apostate “operation of error”. (Rev8:3-5, Zech3:1-3); Currently Bethel is instead promoting a premature “end of the world” scenario (2Thess2:1-2) which aids a Bethel promoted hoax delusion to obscure these final details temporarily. The 1976 Governing Body is the subversion control center that also “gradually” developed (Dan8:12) to the dictatorship of deceivers it is today.

2. Thus we are actually at a monumental final 8th King and Messianic Kingdom co-completing cycle of prophecy, not the slam dunk “the end” apostate Bethel uses to attempt to conceal this final cycle requirement. Daniel 8:13-14 activates Revelation 8:3-5 as the temple judgment parallel. Thus Revelation 8-11 will be activating in its repeating and final sequence that takes several years to unfold.

3. In time of Daniel 8:13-14 unfolding and by the required “trampling” of the “holy place” the eventual “right condition” accounting and purification can complete. From that temple judgment a subsequent recovering alarm of the first four trumpets (Rev8:7-12) will fully explain the temple judgment (Rev8:3-5) and fully reveal the foretold apostate Bethel “man of lawlessness” override. (Dan8:11-14, Dan11:30-32, 41, 2Thess2:3-4, Zech3:1-3);
The timed temple judgment includes a full desolation phase and a full recovery phase to mark Daniel 8:14, 26. 

8th King global wealth and asset securing events of Daniel 11:42-43 which activates fully next. prophetic milestone event (1Pet4:17) is Bethel's divine accounting in the temple judgment (Daniel 11:41 culmination; Dan8:13-14) developing in the 1. That final 8th King cycle that is active leading to its completion and the 144000 completing arrival of Christ is the identical King North cycle of 144000 completion and Messianic Kingdom "stand" of the "Lamb" Christ and the complete world judgment of Revelation 14:14-20.

D. The final Babylon the Great and 8th King judgment periods fulfill the total world judgment in the "harvest of the earth" sheep first (Rev14:16), then the "vine of the earth" "goat" judgment last. (Rev14:17-20); Thus Revelation 14 is giving a preview of events between the Revelation 14:1 144000 completion and Messianic Kingdom "stand" of the "Lamb" Christ and the complete world judgment of Revelation 14:14-20.

1. That final 8th King cycle that is active leading to its completion and the 144000 completing arrival of Christ is the identical King North cycle of Daniel 11:40-45 culminating into its live Daniel 12 convergence and final fulfillment in soon to be well identified global milestone events. The first prophetic milestone event (1Pet4:17) is Bethel's divine accounting in the temple judgment (Daniel 11:41 culmination; Dan8:13-14) developing in the 8th King global wealth and asset securing events of Daniel 11:42-43 which activates fully next.

The timed temple judgment includes a full desolation phase and a full recovery phase to mark Daniel 8:14, 26.
2. Daniel 11:42-43 wealth and finance related global intrigues, activating next in the near future, and developing fully in time, is all aided by the post 1990 King North global invasions (Dan11:40) in finance and military globalization that will now merely be completing worldwide as Daniel 11:40 culmination into and through the final cycle.

The logical intent of the 8th King is to control global wealth and finances (Dan11:42-43), to control national sovereignty, to guide the final cycle properly to world government sovereignty and to introduce the globalized eventual final “financial solution” under 8th King world government. (Rev13:16-18, Isa1:11);

3. Those global financial and wealth control developments are what will mark this final cycle in marked manner as global “gold and silver” sovereignty defining wealth control goes into King North 8th King globalized wealth and finance system full control. (Dan11:42-43); That eventually fully empowers the sovereign developments of Revelation 17:11-18.

4. It is also logical as well as prophetic why Babylon the Great is deposed at the end of the cycle as that global and massive wealth store redistribution to the national powers, now under world government, will also aid the world recovery’s final boost. Deposing Babylon the Great at the end of the cycle as the 8th King goes fully into world government also bolsters their “world peace” believability and credibility as the infamous religious warmonger system is deposed for the global “world peace” effect.

5. Thus a unique spiritual prophecy (Dan8:13-14) and a unique world event prophecy (Dan11:42-43) will activate concurrently identifying the final cycle more clearly in a progressive manner as it must run the Daniel 8:14 timing and unfold with Daniel 11:42-45 into Daniel 12 for a number of final years.

6. What is coming is not the “end of the world” or the Bethel “slam dunk” premature end delusion, instead it is the final 8th King fourth global cycle to world government that uses the global “tribulation of those days” to achieve its wealth (Dan11:42-43) and power (Rev17:11-18) consolidation finality (Rev16:13-16) to secure global government “power and authority”, (Rev17:11-18, Dan11:44-45, Dan8:25); The Bethel premature end delusion deception and confusions merely aid the overall 8th King process for a temporary diversion at the start of the cycle. (Dan8:13-14);

That full final world government producing cycle is Daniel 11:42-45 to fulfill next as the final 8th King world government cycle sequence that must converge in live events into the Daniel 12 final timed milestone periods in final fulfillment. (Dan12:7, 11);

The Quadruple World-War-to-World-Government 8th King Aiding Tribulation Formula

1. This is why Christ differentiated the “tribulation of those days” as a special cyclic process the 8th King uses in the end to complete world government upon the same kind of “causes desolation” cycle principle as World War 1 and the 1914-1919 phase leading to the first League of Nations presentation. (Rev13:3,11-15, Dan12:11 first fulfillment);

That first cycle is the master pattern of all four UN presentations.

2. Make no mistake the League of Nations world government foundation that Jehovah’s witnesses warned about and identified fully in prophecy (Rev13:11-15, Dan12:11 initial fulfillment) will complete its world government objective that will trigger Christ’s arrival and full sovereign response in time. That cyclic principle repeats to complete 8th King world government over the final “tribulation of those days” sub-cycle of the overall “great tribulation”.

Thus the fact the “tribulation of those days” resolves (Matt24:29, Isa41:1) also has special meaning as does the “tribulation those days” phase itself as the final “world-war-to-world-government” phase. (Hag2:7);

3. We know it is a fourth 8th King cycle coming up because that WW1 based first world-war-to-world-government cycle repeated in WW2 (Rev17:8-11, 1939-1945) and repeated again in the Cold WW3 (Dan11:29-31, 1950-1990) both of which formulaic cycles also resolved into a historic United Nations (UN) presentation as foretold in prophecy after those “tribulations” resolved.

Prophecy shows in the end the 8th King will have had four foretold UN cycles, we are soon entering the fourth cycle.

4. As now known the 3rd UN placement of 1990 is the one Bethel covers up, as Daniel 11:31b, Daniel 8:23. Bethel will not comment on that 3rd UN placement as significant and instead became a UN NGO to co-promote that 3rd UN placement “New World Order” (Awake! 9/8/1991) for 8th King planners now internal at Bethel – hence Daniel 11:41 is also not explained as Bethel’s infiltration and Bethel’s apostasy is clearly marked in the process. (Dan11:30-32, 41; Dan8:11-13; 2Thess2:1-4);

(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally), and there will be many [people] that will be made to stumble. (Matt24:15; Luke21:20 signal development present now at Bethel; Stumbling
people is also the lawless Bethel subversion goal. Parallels Daniel 8:11-13 and Daniel 11:30-35 events and meaning);

5. Even Bethel’s modern 2 Thessalonians 2:1-2 premature “the end” delusion is present to further aid 8th King developmental secrecy. Thus Bethel is a matured apostasy in its terminal phase, they aid 8th King objectives.

6. The only reason Bethel is playing dumb and not connecting all these logical events of the transformation of the nation-state based 7th King into subservience to world government (Dan11:42-43) 8th King and the “image of the wildbeast” into globalization based “scarlet wildbeast” actual world government 8th King completion (Rev17:11-18) is because they are internally compromised by a “King North” led apostasy (Dan11:32) “in the temple” as shown in prophecy and evidence. (Dan8:12, Dan11:30-32 is Daniel 11:41 parallel marked in 1990 Bethel UN NGO apostate events); They have an express objective of covering up the 3rd and 4th UN placements of Daniel 8:23-25 and Daniel 11:27-45 final 8th King sequences.

(Daniel 11:32) “And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (The Bethel “smooth words” 8th King cover-up in the JW publications is part of the smoothly justified apostasy);

Thus Jehovah’s witnesses are also unaware that what is now developing at Bethel and in the global scene is a final multi-year cycle, the fourth UN cycle to utilize again a global “tribulation of those days” to resolve (Matt24:29) into its final presentation as complete world government. (Dan11:45, Rev11:7, Rev17:8-18);

7. The prophecy and plain 8th King logical and historic cyclic world-war-to-world-government formula proves the “tribulation of those days” ends into 8th world government at the ending of the fourth and final cycle prior to Christ’s arrival by prophecy and the fourth cycle UN developmental history. (Rev13:5, Rev14:9-11) At the end of this coming cycle, when Christ does arrive upon that defiant 8th King world government system, it will be to secure the full heavenly and earthly sheep first. (Matt24:29-31, Rev14:14-16, Ps110:2);

**Babylon the Great Judged After Christ Arrives and Completes the Messianic Kingdom**

1. The 8th King and Babylon the Great will both be present and operative when Christ arrives as shown in the final fulfillment sequences of Revelation 8-11, Revelation 15-16 (16:12-19), Revelation 17 (17:15-18), Revelation 18 (18:9-19) and Revelation 14 (14:8). This is why the final “two witnesses” are deposed first in preparation of the 144000 completion and “their corpses will be on the broad way of the great city” which is Babylon the Great in final form as that “great city”, also the one that goes down in the seventh plague thus deep into the final cycle:

(Revelation 16:17-19) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. (Messianic Kingdom completion) 19 And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.

Instead apostate Bethel is who God will allow the 8th King to “trample” first in Daniel 8:13. (1Pet4:17, Zech3:2);

**Bethel System Judged First**

1. This is why the judgment starts not with Babylon the Great as promoted prematurely by Bethel (2Thess2:1-2), aiding their own cover, but with God’s “house” as per 1 Peter 4:17:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

2. The temple judgment, to become visibly associated with the Bethel internally aided 8th King backed “trampling” downfall (Dan8:13-14), is the spiritual milestone to start with the final 8th King UN cycle as Daniel 11:41 culminating with Daniel 11:42-43 global wealth, finance and asset intrigues activating. (Zech3:2, Rev8:3-5, Zech3:1-5);

3. The total final world judgment of Babylon the Great and then the 8th King, encompassing all the “sheep and goat” global totality of final world judgment in those judgment symbols, is carried out under required Messianic Kingdom completion (Rev14:1) after the 8th King itself completes world government (Dan11:45, 12:11) and makes its final sovereign world “peace and security” proclamation. (1Thess5:1-3, Dan8:25 “freedom from care”);

*By divine wisdom the first cycle of Daniel 12, Revelation 8-11 and Revelation 15-16 repeats in final fulfillment of the future over timed periods with global milestones to aid people’s recognition that it is leading to Christ’s arrival.*
4. Thus the rest of Revelation and all sovereign prophecy also has its respective climax fulfillments able to be “registered” into this final previously previewed progression framework of the first Jehovah’s witnesses ministry of 1914’s Daniel 12 initial fulfillment previews. (Dan12:7, 12:11, 12:12);

By knowing the first cycle pattern REPEATS in the final cycle is how everything else falls into place but with matured completing entities. It all simply repeats Daniel 12, plain and simple, to 8th King world government through a final WWI-like global “tribulation of those days” into which a final Kingdom proclamation deploys. It is all the same thing just in final form.

5. The unique timed temple judgment of Daniel 8:13-14 (Rev8:3-5 parallel) that has to activate with the final 8th King cycle of unique Daniel 11:42-45 global developments, to merge into Daniel 12 final fulfillment replication live and real-time, will eventually outline what is the final cycle activation, upon this certain replication that those unique prophecies will lead to.

A. Although the temple judgment is a repeating principle, and the 8th King world-war-to-world-government cycle is a repeating principle, they both have unique one time prophecies also marking them for the future as Daniel 8:13-14 (temple judgment) and Daniel 11:42-45 (final 8th King cycle). Those unique developments will also begin the repeating prophecies of Revelation 8-11 and Revelation 15-16 to approximately time and gauge the final milestones and their final meanings.

The final 8th King cycle developments of Daniel 11:42-45 will eventually converge into the replication of Daniel 12.

6. It cannot be the Bethel “slam dunk”, “all done”, “end of the world” as their false “self fulfilling prophecy” fulfilling which merely finalizes the delusion of 2 Thessalonians 2:1-2 over modern Jehovah’s witnesses before the apostasy is removed and exposed fully by the temple judgment. (Zech3:4-5, 2Thess2:8, Mal3:1-2); Obviously such a delusion is going to put a test on Jehovah’s witnesses and is not the most advantageous attitude cultured by this Bethel delusion for those supposed to be awake for developments such as these. (Matt24:13); JWs are instead in a Bethel induced coma, and that will prove to be a disaster aiding development when instead prophetic reality overtakes the JW ministry in its foretold final apostasy.

7. Instead the final temple judgment sequence as per 1 Peter 4:17 priority upon “God’s house” first, will lead to a final ministerial recovery (Rev9) and final warning proclamation (Rev10-11) of assured Messianic Kingdom completion to come after the required 8th King world government is completed as the final globalized rival sovereign of God and Christ’s Kingdom authority in finally full form also completing the Messianic Kingdom agency at the end of the final cycle.

8. Early Jehovah’s witnesses exposed the first two UN placements as prophecy in 1919 and 1945. Modern Jehovah’s witnesses have stalled in that past and take UN prophecy no further due to UN NGO aiding Bethel diversions. The final 3rd (1990) and 4th (future) UN placements and their Daniel 8 and Daniel 11 continuum must be connected to that UN 1-2-3-4 overall continuum to complete the final ministry. (Dan8:23-25, Dan11:27-45); Currently Jehovah’s witnesses are unaware of the final two UN placements 3 and 4, and so do not expose the 8th King modern developments or explain that prophecy properly. It is all in a days work at lawless Bethel leading this delusion complex. (Dan11:32a);

9. The final “little scroll” summarizes the whole Messianic Kingdom completion certainty (Rev10:5-8) and emerges into an active “tribulation of those days” set to resolve for 8th King world government use as its final world “peace and security” platform for final presentation of world government, the whole “image” and the “scarlet wildbeast” world government it pictured by then in final defiant form for its final “one hour” of total world government authority. (Rev17:11-18, Rev13:16-18); Thus Jehovah’s witnesses used to explain the UN 8th King and Kingdom co-developments and that is what will also be present in the final ministry as now fully absent from today’s derailed Jehovah’s witnesses ministry.

Now we can see how Revelation 14 details the progression of events to come after the 144000 completion enables the Messianic Kingdom completion and the final coronation event of Jesus Christ as “King of kings”, and Divine High Priest in his full King-Priest finality.

II. The Revelation 14: 144000 Completion Final Fulfillment Sequence;
(Revelation 14:1-8)

The Messianic Kingdom Completion

1. This final “Kingdom of God” related event is the 144000 completion of the future that enables the final crowning of Jesus Christ as “King of kings” in the Messianic Kingdom universal governmental agency that completes after the 8th King world government finality of the final cycle. Thus Revelation 14 begins where Revelation 11:11-13 leads in this milestone 144000 completion and “stand” of Christ as full King-Priest. The 144000 completion enables the Messianic Kingdom completion before the complete end, this event starts the final sequence:

(Revelation 14:1) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their
2. The 144,000 are completed in this event below, thus Revelation 14:1 fulfills concurrent with Revelation 11:11-12 completing and the following cross related prophecies:

(Restoration 11:11-12) And after the three and a half days (the final symbolic period prior to Christ's arrival expires into Daniel 12:11 timed period already active) spirit of life from God entered into them, and they stood upon their feet (first), and great fear fell upon those beholding them. (aids repentance of some in Rev11:13) 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud (same “cloud” as Matt24:30), and their (8th King complete world government) enemies beheld them. (Ps110:2);

3. Prior to the 144,000 completion, this post “tribulation of those days” event of Matthew 24:29 must fulfill:

(Matthew 24:30-31) And then the sign (to anointed Christian remnant “the living, who are surviving” of 1Thess4:17 first) of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds (same clouds as Rev11:12) of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds (of the final great tribulation phase; Rev7:1-4), from one extremity of the heavens (anointed sheep) to their other extremity (earth sheep).

4. And all that is as Daniel 12:7 1260 days and its broader “tribulation of those days” period is expiring concurrently as Daniel 11:42-45 events merge into Daniel 12 “during that time” of Daniel 11:44-45 and the parallel Daniel 12:11 timed period:

(Daniel 12:1) “And during that time (Dan11:44-45) Michael will stand up (Rev14:1), the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress (the whole great tribulation meaning) such as has not been made to occur since there came to be a nation until that time. (Matt24:21-22);

5. Thus the final phase of the “great tribulation”, to follow the “tribulation of those days” ending (Matt24:29), is the “four winds” under full 8th King world government “one hour” of global authority (Rev17:12, Rev18:9-19) from which the final affirmation sealed anointed Christian remnant is secured “who are surviving” (1Thess4:17) into that final period of time. The Revelation 7:1-4 final “sealing” was completed over the final “two witnesses” 1260 days Messiah Kingdom completion “little scroll” proclamation mission (Zech3:6-7, Rev10:11) that completed successfully (Rev11:7) and expired with the “tribulation of those days” spiritual meaning parallel to Revelation 11:7 enabling this final affirmation sealing development of the “four winds” released to the full will of the 8th King “one hour”:

(Restoration 7:1-4) After this I saw four angels standing upon the four corners of the earth, holding tight the four winds of the earth (same four winds as Matt24:31), that no wind might blow upon the earth or upon the sea or upon any tree. 2 And I saw another angel ascending from the sunrising, having a seal of [the] living God; and he cried with a loud voice to the four (Sons of your people) of the earth (Sons of the living God) to whom it was granted to harm the earth and the sea, 3 saying: “Do not harm the earth or the sea or the trees,

3. Prior to the 144,000 completion, this post “tribulation of those days” event of Matthew 24:29 must fulfill:

(Matthew 24:30-31) And then the sign (to anointed Christian remnant “the living, who are surviving” of 1Thess4:17 first) of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds (same clouds as Rev11:12) of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds (of the final great tribulation phase; Rev7:1-4), from one extremity of the heavens (anointed sheep) to their other extremity (earth sheep).

4. And all that is as Daniel 12:7 1260 days and its broader “tribulation of those days” period is expiring concurrently as Daniel 11:42-45 events merge into Daniel 12 “during that time” of Daniel 11:44-45 and the parallel Daniel 12:11 timed period:

(Daniel 12:1) “And during that time (Dan11:44-45) Michael will stand up (Rev14:1), the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress (the whole great tribulation meaning) such as has not been made to occur since there came to be a nation until that time. (Matt24:21-22);

5. Thus the final phase of the “great tribulation”, to follow the “tribulation of those days” ending (Matt24:29), is the “four winds” under full 8th King world government “one hour” of global authority (Rev17:12, Rev18:9-19) from which the final affirmation sealed anointed Christian remnant is secured “who are surviving” (1Thess4:17) into that final period of time. The Revelation 7:1-4 final “sealing” was completed over the final “two witnesses” 1260 days Messiah Kingdom completion “little scroll” proclamation mission (Zech3:6-7, Rev10:11) that completed successfully (Rev11:7) and expired with the “tribulation of those days” spiritual meaning parallel to Revelation 11:7 enabling this final affirmation sealing development of the “four winds” released to the full will of the 8th King “one hour”:

(Restoration 7:1-4) After this I saw four angels standing upon the four corners of the earth, holding tight the four winds of the earth (same four winds as Matt24:31), that no wind might blow upon the earth or upon the sea or upon any tree. 2 And I saw another angel ascending from the sunrising, having a seal of [the] living God; and he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea, 3 saying: “Do not harm the earth or the sea or the trees,

6. Thus the “gather his chosen ones together from the four winds” of Matthew 24:31 and the “these are the ones that come out of the great tribulation” of Revelation 7:14 is the same deliverance of Christ’s arrival first priority from that final “four winds” phase of the “great tribulation” to manifest fully “immediately after the tribulation of those days” has ended. The “four winds” are those 8th King world government phase parallel attacks of Daniel 8:25, Daniel 11:44-45, Revelation 11:7 and Revelation 17:15-18. Anointed “sheep” are delivered first to the Messianic Kingdom, the rest of the earthling “sheep” are brought in through the final priorities of Christ and his Kingdom.

7. Thus the “tribulation of those days” is not the terminal “great tribulation” phase but it is shown to end and resolve for the 8th King world government final world “peace and security” proclamation (1Thess5:1-3) defining the final “freedom from care” period (Dan8:25) of 8th King global recovery (Isa41:1) into world government and its global acceptance (Rev13:3, 17:7) and their final agenda with Gog of Magog.

(1 Thessalonians 5:3) Whenever it is that they are saying: “Peace and security!” (the climax 8th King world government sovereign statement period parallel with Dan8:25) then sudden death (of God’s judgment not the “great tribulation” ended by that “sudden destruction”) is to be instantly upon them...

8. That “sudden destruction” is neither the “tribulation of those days” or the “great tribulation” “four winds”, it is the divine judgment of God and Christ’s conquest that ends the final phase of the “great tribulation” (Matt24:21-22), it is a judgment destruction of God by Christ on the 8th King system totality:

(2 Thessalonians 1:6-10) This takes into account that it is righteous on God’s part to repay tribulation (the “sudden destruction” phase of Armageddon conquest of Christ) to those who make tribulation for you (in 8th King inspired “great tribulation” phases), 7 but, to you who suffer tribulation, relief along with us at the revelation of the Lord Jesus from heaven with his powerful angels 8 in a flaming fire, as he brings vengeance upon those who do not know God and those who do not obey the good news about our Lord Jesus. (in the Revelation 14:17-20 “winepress” mode at the very end of the Daniel 12:11 final fulfillment period) 9 These very ones will undergo the judicial punishment of everlasting destruction from before the Lord and from the glory of his strength, 10 at
the time he comes to be glorified in connection with his holy ones (completed in 14,4000 prior to this event) and to be regarded in that day with wonder in connection with all those (earth sheep alive on earth) who exercised faith, because the (second) witness we gave met with faith among you.

9. As we see before the “flaming fire” “sudden destruction” God “repays tribulation” on the 8th King. That means this is unfolding over a period of time in the 8th King “one hour” period. This is the intensifying prelude period as the Messianic Kingdom is completed in the 8th King face “subduing in the midst” of it to secure the final earth “sheep” in a functioning final world system. This is the “repay tribulation”(segway occurring in the Revelation 14 time period after the Revelation 11:7-12 period completes:

(Revelation 6:12-17) 12 And I saw when he opened the sixth seal, and a great earthquake occurred; and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs. 14 And the heaven departed as a scroll that is being rolled up, and every mountain and [every] island were removed from their places. (Matt24:30-31 segway parallel of actually a drawn out period of 8th King world government completion. (Rev17:11-18); the entity “dimming” the former nation-state sovereign power system. Dan7:25; Isa13:6-13, Joel2:10,30-32); 15 (eventually Christ’s own Messianic Kingdom completion will also change the complexion of the completed 8th King system:) And the kings of the earth and the top-ranking ones and the military commanders and the rich and the strong ones and every slave and [every] free person hid themselves in the caves and in the rock-masses of the mountains. (the “repay tribulation” period. Rev16:10) 16 And they keep saying to the mountains and to the rock-masses: “Fall over us and hide us from the face of the One seated on the throne and from the wrath of the Lamb, 17 because the great day of their wrath has come, and who is able to stand?” (Thus that is a period of time as Revelation 11:11-12 completes Revelation 14:1 in the 8th King “one hour” of world government authority of the functioning world system of Revelation 11:8-10, Rev18:9-19, Matt24:36-42)

Great Tribulation Phases

1. Obviously “immediately after the tribulation of those days” first phase of the “great tribulation”, the “four winds” final phase will have become fully active as the 8th King completed world government leading to that last 8th King sovereign proclamation period that the real final world “peace of security” will define and must climax into as the 8th King world government global “banner”. (1Thess5:1-3, Dan8:25); It is more than just a random “peace and security” or hopeful international statement, it must form as the 8th King world government is completed and entering its final “one hour” agenda and that is their flagship world government “mission statement” as the ultimate Kingdom of God defying “false prophecy” of “world peace” and “new world order”.

A. The 8th King’s true plans for the rest of the planetary slaves who helped enable this final power system is far from peaceful, and why “if those days were not cut short no flesh would be saved” because ultimately Satan’s “Gog of Magog” agenda will override all others. And this is why God offers the Messianic Kingdom hope and certainty a final time before the world is handed to the 8th King for that “one hour” “hour of test”.

2. Bethel sells the potential premature “peace and security statement” deception to aid the delusion “to the effect Jehovah’s day is here” so the final cycle can be sold off to JWs as “the end” terminal phase, which it will not be, to supposedly activate after that hoax statement, if it is used in that premature manner soon. The “tribulation of those days” must indeed activate soon, but it will not be the terminal end phase, but the world government presenting phase Bethel now obscures.

3. Thus as God’s final judgment (2Thess1:6-10) well after 8th King world government completion (Dan12:11) it is the “sudden destruction is to be instantly upon them” that ends the “great tribulation” in its final “four winds” phase in the “war of the great day of God the Almighty” climaxing the 8th King “Har-Magedon” global situation. Thus the “sudden destruction” is not the “great tribulation”, it is God’s final judgment salvo. (Dan2:31-45, Rev19:19-21);

4. Thus contrary to Bethel’s deception that the “great tribulation”, the “tribulation of those days”, the “four winds”, and the “sudden destruction” are all the same thing and meaning in one ambiguous “end of the world” terminal phase, we see they are all in fact “great tribulation” related developments but they all have different meanings and define specific phases in world government development and prophecy.

The “great tribulation” contains the “tribulation of those days” as it s first phase to present world government after which time the “four winds” is the final phase of the “great tribulation” and it is all ended by God and Christ in the “sudden destruction” directly from them as final judgment.

5. The details actually in the prophecy aid awareness this is a final cycle coming up, not the Bethel premature “end of the world”. Thus Bethel’s 8th King system supporting lie (2Thess2:11-12) can make the severe “tribulation of those days” be perceived by Jehovah’s witnesses like the “end of the world” and that delusion can affect and delay Jehovah’s witnesses for quite a while as that final cycle begins because what Jehovah’s witnesses expect to arrive will not arrive as soon as anticipated, in fact 8th King world government arrives before Christ. In reality it will be the temple judgment coming on the apostate Bethel system and Jehovah’s witnesses and the “tribulation of those days” is its 8th King inspired global context.

But in reality the “tribulation of those days” is the 8th King world government preparatory final presentation period (Dan11:42-45) that aids the final globalized conglomeration of the nations (Rev16:13-16) which aids their final sovereign power consolidation (Rev17:11-18) into world government, which defines the final world government “power and authority” as that “tribulation of those days” resolves and ends for 8th King world government presentation purposes.
6. Thus the final “gathering” of anointed and earth “sheep” is the final Messianic Kingdom phase of the overall “Kingdom of God” required completions which finalize after 8th King world government completion. (Rev10:6-8, Zech4:6-9, Zech6:9-15, Rev6-7); The fifth and sixth “seals” of Revelation 6-7 are completion mandates of anointed and earth “sheep” that are well described in other supporting prophecy once the Bethel error is identified and its deception removed from the process.

7. That “gathering” completion is the full “stand” of Christ at Daniel 12:1 as Messianic Kingdom full King-Priest. It is the same as the Temple completion (Rev11:19) and the same as the “Holy City” becoming fully heavenly (Rev21) and hence the “without wall” state of “Jerusalem” is present at Ezekiel 18:10-12. (Zech2:5); We know then the 144,000 are completed after the “tribulation of those days” phase ends for 8th King world government final presentation use for placing the “disgusting thing” of Daniel 12:11 final fulfillment.

8. The 144,000 completion is the completion of the “Bride of Christ”. (Rev19:6-9); It is a requirement and a most significant Messianic Kingdom completion event now unknown to modern Jehovah’s witnesses due to an anti-Christian Bethel foretold override that is now “set in opposition” to the truth (2Thess2:1-4, Dan8:12) and set for removal in the temple judgment (Dan8:13-14, Zech3:1-5, 1Av6:6, Mal3:1-5, Rev8:3-5) which clears the way for the final truth of prophecy to come forth. (Rev10:5-11);

9. This is why Revelation 8-11 and Revelation 15-16 REPEAT to this seventh trumpet and seventh plague finality of 144,000 completion and that all starts with the Bethel first “trampling” and downfall of Daniel 8:13-14 as Revelation 8:1-6 parallel purification judgment. We know too, the 8th King “brings many to ruin” “during” the “a freedom from care” of the final world “peace and security” statement period of complete world government’s final sovereign proclamation.

10. Thus the 8th King in sole global military authority is how the parallel attacks of Daniel 8:25, Daniel 11:44-45 and Revelation 11:7-10 and Revelation 17:15-18 take place simultaneously with the “freedom from care” of the “tribulation of those days” resolution. And that is why the “four winds” of that “war with the two witnesses” (Rev11:7) and “devote many to destruction” (Dan1:44) and “bring many to ruin” (Dan8:25) can occur with that final 8th King world government also in its “one hour” of complete “power and authority”. (Rev17:11-18); That is the “one hour” of Babylon the Great’s final deposition as well, one of the global institutions deposed in that “bring many to ruin” finale “four winds” period.

11. Thus it will truly be “world peace” but as defined by the 8th King system. In reality it will be the most dangerous period mankind has ever been in, and that is also why Christ must arrive at that time to eventually fully shut them down.

12. By the time of that finale period the “chosen ones” will have to be all earth sheep because the chosen 144,000 remnant in Messianic Kingdom completion is the means Christ ends the “great tribulation” with.

The Temple Completion

(Revelation 14:2-5) And I heard a sound out of heaven as the sound of many waters and as the sound of loud thunder; and the sound that I heard was as of singers who accompany themselves on the harp playing on their harps. 3 And they are singing as if a new song before the throne and before the four living creatures and the elders; and no one was able to master that song but the hundred and forty-four thousand, who have been bought from the earth. 4 These are the ones that did not defile themselves with women; in fact, they are virgins. These are the ones that keep following the Lamb no matter where he goes. These were bought from among mankind as firstfruits to God and to the Lamb, 5 and no falsehood was found in their mouths; they are without blemish.

1. Since Christ is the firstfruits (1Cor15:20), and the anointed Christian completion is a further firstfruits completion (Jam1:18), the final “harvest of the earth” of the final earth “sheep” offered alive (Rev14:14-16) in the then complete 144,000 “Temple” (Rev14:15) are the final living “firstfruits” as the final offering of Christ to God for this period.

2. Correspondingly “For every high priest is appointed to offer both gifts and sacrifices” (Heb8:3) as Christ will be the "High Priest according to the manner of Melchizedek" the final offering of gifts to God, for this period of time, are the "great crowd" of living earthling "sheep" "out of the great tribulation" from "the four winds". (Heb8-9, Ps110);

(Matthew 6:9-10) Our Father in the heavens, let your name be sanctified. 10 Let your kingdom come. (to earth, Rev21-22); Let your will take place, as in heaven, also upon earth.
3. Thus the reason the “great crowd” of that “harvest of the earth” of the final earth “sheep” can be “rendering him sacred service day and night in his temple” is because the “Temple” will be complete for the first time in all history; the 144000 are the intervening structure upon the Christ foundation (Isa28:16, 1Pet2:4-6, Rev21:14) of which completed “building” (Eph2:21) Christ is also the Temple “Crown Stone”. (Zech4:6-9, 3:8-9);

4. Likewise the Kingdom “throne” will be completed in its Messianic Kingdom “coming” and the newly 144000 completed temple must be included as now also complete in that “coming down out of heaven” of Revelation 21:1-5 thus spiritually accessible to living earthlings on earth who are offered by Christ in that complete “temple” to God:

(Revelation 7:13-17) And in response one of the elders said to me: “These who are dressed in the white robes, who are they and where did they come from?” 14 So right away I said to him: “My lord, you are the one that knows.” And he said to me: “These are the ones that come out of the great tribulation, (Matt24:31) and they have washed their robes and made them white in the blood of the Lamb. 15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them. 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat, 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life. (Eze47, Rev22:1-3) And God will wipe out every tear from their eyes.”

5. And the “One seated on the throne will spread his tent over them” is the same “tent” as in Revelation 21:3. God’s “tent” is over all planet Earth, thus all these things are related to the “holy city Jerusalem coming down out of heaven” (Rev21:10) at that time fully completed (Rev14:1) and available for human access on earth under Jesus Christ’s complete Messianic Kingdom, and its full restorative meaning and his complete guidance in that complete power becoming manifest:

(Revelation 21:1-4) And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more. 2 I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said: “Look! I am making all things new.” (Matt19:28, those things occur on Earth);

(Revelation 21:10) “I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said: “Look! I am making all things new.” (Matt19:28, those things occur on Earth);

(Revelation 7:13-17) And in response one of the elders said to me: “These who are dressed in the white robes, who are they and where did they come from?” 14 So right away I said to him: “My lord, you are the one that knows.” And he said to me: “These are the ones that come out of the great tribulation, (Matt24:31) and they have washed their robes and made them white in the blood of the Lamb. 15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them. 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat, 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life. (Eze47, Rev22:1-3) And God will wipe out every tear from their eyes.”

(Revelation 21:10) “I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said: “Look! I am making all things new.” (Matt19:28, those things occur on Earth);

(Revelation 21:10) “I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said: “Look! I am making all things new.” (Matt19:28, those things occur on Earth);

(Revelation 21:10) “I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said: “Look! I am making all things new.” (Matt19:28, those things occur on Earth);

Incomplete “Tent” to Complete “Temple” Significance in Revelation

1. The “tent” in the two above scriptures are not the incomplete temple “tent”, but the divine covering of planet Earth and all its inhabitants under God’s power by the Messianic Kingdom and Temple agency fully becoming the sole authority and power over all planet Earth.

2. Thus the “temple” in Revelation 7, 11 and 14 is a complete 144,000. That word is only used in such “temple” designation in reference to a complete “temple” as Christ as High Priest over all 144,000 defining the “Temple” completion. Hence in Hebrews it is referred to as the incomplete “tent” in reference to the temple prior to its 144,000 completion. This “tent” refers to the incomplete “temple” state:

(Hebrews 9:11-12) However, when Christ came as a high priest of the good things that have come to pass, through the greater and more perfect tent not made with hands, that is, not of this creation, 12 he entered, no, not with the blood of goats and of young bulls, but with his own blood, once for all time into the holy place and obtained an everlasting deliverance [for us].

3. It is also an incomplete “tent” in Revelation 15:1-8 prior to the 144,000 completion:

(Revelation 15:5-6) And after these things I saw, and the sanctuary of the tent of the witness was opened in heaven, 6 and the seven angels with the seven plagues emerged from the sanctuary, clothed with clean, bright linen and girded about their breasts with golden girdles.

4. That “tent” is what becomes the Temple upon 144,000 completion and Christ’s final crowning in the Messianic Kingdom co-completion. Thus the “temple” completion wording as “temple” is also shown in Revelation 11:15-19 and its 144,000 completion parallel:
And Christ is the temple “crown stone”, the “headstone” that completes the temple:

(Revelation 11:19) And the temple [sanctuary] of God that is in heaven was opened (accessible to humans as the Messianic Kingdom takes its universal and earth dominion), and the ark of his covenant was seen in his temple [sanctuary]. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

5. And Christ is the temple “crown stone”, the “headstone” that completes the temple:

6. Thus Revelation 14:1 is also a symbolization of the Temple completion and that restorative power enables the “tent of God to be with mankind” in human perfection and the “re-creation” restoration (Matt19:28) as God’s complete and perfect covering power coming through Christ and the Messianic Kingdom and its perfecting and restorative Temple system. (Matt19:28, Rom8:18-22, Eze47, Rev21-22);

Messianic Kingdom: The Required Final Sovereign Completion of Earth’s Final Ruling Authority

1. The crowning of Christ in God’s Kingdom in 1914, as revealed in prophecy and evidentiary world events, is what set up the final completion ministerial drive of the anointed Christian “gathering” globally over the ensuing ministerial “Lord’s Day” intervening approximate century (Rev1:10; Rev6) since 1914. That ingathering of anointed Christians to a sanctified accurate truth, for a while, was what assembled some of the final “pillars” and “living stones” of the soon to be completed whole 144,000 temple structure upon Christ, and under his final crowning in the temple as well, as King-Priest. (Zech6:9-15);

2. That also completes the secondary Kingdom of God completion of the required Messianic Kingdom completion as made distinct in the Bible, and that is because its sovereignty is universal and the one appointed over earth as its final dominion of this specialized agency of God’s Kingdom composed of former human beings, from top (Christ), to bottom (the 144,000) to all the human “sheep” as its subjects but also the earthly “heirs”;

(Matthew 25:34) “Then the king will say to those on his right, ‘Come, you who have been blessed by my Father, inherit the kingdom prepared for you from the founding of the world. (The Christ “last Adamic” portion of the Revelation 11:15 Messianic “Kingdom of the World” in its restorative “re-creating” power (Matt19:28) of the “new earth” (Rev21:1-5) of the recovered Genesis 1:26-28 blessing effects of the “blessing” (Gen12:3, 22:17-18, Ps133) coming from God through Jesus Christ the final “patriarch”, the “Eternal Father” as the perfect human “last Adam” now the “life giving spirit” accomplishing this “Kingdom” totality.)

3. God’s Kingdom rules heaven, the Messianic Kingdom rules earth as the subservient secondary agency. That is an important distinction to understand and thus its completion as the Messianic Kingdom totality is of course also very important to be aware of, and in fact it will also have a “two witnesses” deployed final global proclamation as well.

Hence “two” “witnesses”; and each of them will have proclaimed a Kingdom meaning respective to (1) God’s Kingdom (1914-1918) and the future (2) Messianic Kingdom required and certain completion.

4. That second of the “two witnesses” ministry, when completed after its coming final purification (Zech3:4-5) allows the final ministerial deployments, the potential final affirmaion sealings (Rev7:1-3) and the final total “sheep” gathering completion in the climaxing events of Matthew 24:29-31 and its Jude 14, Revelation 6:12-17 parallels complete that culmination in the Revelation 14:1 144,000 finality first. And thus its completion (Rev7:1-8, Rev14:1) has the purpose of the earthly “sheep” final completion next, as the collection of all the living “sheep” is the first priority upon that Christ arrival. (Rev7:9-17, Rev14:14-16);

Thus the final “two witnesses” ministerial mission (Rev10:11) is part of the final affirmation sealing process (Rev7:1-4) to secure those final 144,000 members.

5. Now true a “tribulation of those days” will be a test, but it is in the 8th King world government “one hour” (Rev17:12) that the “hour of test” climaxes (Rev3:10), but that is also the period Christ arrives to deliver all the earth “sheep” under divine protection under the 14,400 completion by its own anointed “sheep” gathering first to complete.

This dual Kingdom reality in God’s Kingdom and the Messianic Kingdom of Christ is why there are also two “triumphal entries” of Jesus Christ in (1) Revelation 6:1-2 (God’s Kingdom related crowning; (Rev2:1 “crown”)) and (2) Revelation 19:11-16 (Messianic Kingdom related Christ crowning) and they are different for great reason. The Revelation 6 “triumphal entry” was picturing Christ in God’s Kingdom anointing of 1914 (Rev4-5, Dan7:13-14) that precedes the Revelation 19 second “triumphal entry” of Christ in then complete Messianic Kingdom power enabled by the 14,400 full completion of Revelation 14:1.

This is why “two” “witnesses” of Revelation 8-11 fulfilling twice announce both Kingdom meanings for each Kingdom manifestation of (1) Christ Kinged in God’s Kingdom “invisible presence” in 1914-1919 ascertained shortly after that event, and the (2) final Messianic Kingdom completion proclamation of the future final fulfillment that both of the “two witnesses” give respective global announcement of.
6. This is why Christ hands back God's Kingdom to God after the 1000 Year Reign of Christ has ended; only God Almighty is truly King of His own Kingdom. This is the "Kingdom" Christ received in the 1914 official coronation event in God's Kingdom:

(1 Corinthians 15:24-28) Next, the end, when he hands over the kingdom (God's Kingdom) to his God and Father, when he has brought to nothing all government and all authority and power. 25 For he must rule as king (in God's Kingdom) until [God] has put all enemies under his feet. 26 As the last enemy, death is to be brought to nothing. 27 For [God] "subjected all things under his feet." But when he says that "all things have been subjected," it is evident that it is with the exception of the one who subjected all things to him. 28 But when all things will have been subjected to him, then the Son himself will also subject himself to the One who subjected all things to him, that God may be all things to everyone. (The Messianic Kingdom is subservient to God Almighty and his ultimate "God's Kingdom" Supremacy and authority that encompasses everything);

7. This is why Christ also "rules forever" in the Messianic Kingdom forever his, for only Christ can actually be the "Son of David" to whom that Kingdom covenant applies forever. It applies in the spiritual covenant related to Genesis 3:15 and the righteous "woman's" "seed" who is Christ. It also applies in the human capacity as "last Adam" Christ was also "Son of David" in fleshly Israel of the Davidean line of kings. In related manner, only Christ can be "last Adam" (1Cor15:45) and for this reason Christ is the covenant appointed ruler, under God, of these final Kingdom meanings in spiritual and perfect human being capacity contained in the perfect whole human sacrifice Christ gave to God, that all willing mankind is restored into in the human "world" portion (Gen:26-28, Psl:33) of the "Kingdom of the world";

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The (Messianic) kingdom of the world (Gen:26-28 "re-creation" of Matt19:28 as "last Adam", patriarchal "Eternal Father" Christ for human restoration; Isaq:6) did become the kingdom of our Lord (Jehovah God the Creator and ultimate supreme sovereign ruler) and of his Christ (Rev12:10), and he (God) will rule as king forever and ever." (Although only Christ is "Son of David" and "last Adam", it is by God's will and purpose that defines the "Kingdom of the World" encompassed under the Messianic Kingdom appointed universal and earthly agency which must eventually be under God Almighty the Supreme Sovereign King);

8. And thus God and Christ “rule forever” in such final hierarchy all under God Almighty King of Eternity:

(Revelation 22:3-5) And no more will there be any curse. (of Gen3:14,17, the "blessing" through Christ from God is active) But the throne of God and of the Lamb will be in [the city], and his slaves will render him sacred service; 4 and they will see his face, and his name will be on their foreheads. 5 Also, night will be no more, and they have no need of lamplight (no more human "insight" required) nor [do they have] sunlight (no more demon and human ruling powers permitted), because Jehovah God will shed light upon them, and they will rule as kings forever and ever.

(Revelation 5:13) And every creature that is in heaven and on earth and underneath the earth and on the sea, and all the things in them, I heard saying: “To the One sitting on the throne and to the Lamb be the blessing and the honor and the glory and the might forever and ever.”

9. Thus it is now obvious the importance of the Messianic Kingdom completion. The whole creation will be restored by this rulership of God Almighty and Jesus Christ in their respective final and eternal roles. (Matt19:28, Rev21:1-5, Rom8:18-22, Eze47, Rev22);

10. If Bethel was genuine anointed Christians in "full time service" obviously they would be enlightening people of this final Messianic Kingdom completion process and its requirement and of course its final significance. It is actually common sense as well, not just in prophecy. This is but more indication Bethel has been apostate and the modern "man of lawlessness" progressively since the Governing Body “set in opposition” illegal and manmade dictatorship of the 1976 first "lifted themselves over everyone". Thus we also know why Bethel's modern apostasy must be cleared out in the coming temple judgment.

The Revelation 10:11 Second Witness After Final Temple Judgment

(Revelation 10:11) And they say to me: “You must prophesy again with regard to peoples and nations and tongues and many kings.”

1. The temple judgment of Revelation 8:1-6 in final fulfillment parallel of the unique and timed Daniel 8:13-14 temple judgment prophecy, and its Zechariah 3:1-5 temple priesthood "right condition" purification (Dan8:14) is what creates the truth recovery conditions of the first four trumpets of Revelation 8:7-12 leading to the Revelation 9 final fulfillment ministerial recovery of the final fulfillment cycle of Revelation 8-11.

2. The first four trumpets are to explain, by angelic backing from God (Zech3:4-9), the temple judgment (Rev8:1-6) details. (Rev8:7-12): The fifth trumpet anointed Christian recovery (Rev9:1-12), from the temple judgment "desolation" "trampling" (Dan8:13) "abyss" and its "evening" (Dan8:14, 26) "darkness" must be anointed Christian “locusts” “hearing” those first four trumpets upon re-entry to truth "light" from that "abyss" to the final enlightened reality as the “five wise virgins” who hear the “cry arose in the middle of the night” of the temple judgment "darkness". (Matt25:1-13, modern Daniel 8:14, Hos6:1-3 "three day", three year “Sign of Jonah”);

3. Appreciating the prophetic truth of the first anointed Christian cycle of prophecy (1914-1926, Dan12) that must repeat and thus already contains the final cycle understanding is the main “oil” supply that aids " lighting up" the final understanding when the holy spirit comes forth to make this
The first Revelation 8 judgment cycle announced the Christendom “1/3” proclamations in the first four trumpets heralded in the anointed Christian “abyss” recovered ministry of 1914-1919 and after as the Revelation 9 first fulfillment that produced the subsequent global Kingdom ministry of Jehovah’s witnesses from God, as foretold in that first cycle of prophecy explained accurately.

4. The final Revelation 8 judgment cycle is upon the anointed Christian “earth” (Rev8:1-7) that was brought out of that original global Christendom “house” judgment from the “1/3” of the world. Now in final fulfillment the “1/3” is the modern JW “earth” apostasy in that anointed Christian modern locale redefined since 1919. (Rev8:1-12); In like manner, the future temple judgment of Jehovah’s witnesses proclamations in the first four trumpets in final fulfillment are heralded into the anointed Christian “abyss” state by angels, to the anointed Christian recovering ministry of the Revelation 9 final fulfillment that publishes those heralds as prophetic information for all recovering Jehovah’s witnesses (6th trumpet) and the world. (Rev10:11);

Both Revelation 8-11 judgment cycles are harmonious in their significance for their times, past and future.

5. That Daniel 8:13-14 timed temple judgment enables a purified final warning commission (Mal3:1-4, Zech3:4-8) of the Revelation 10 “little scroll” Messianic Kingdom sovereign ultimatum and the deployment of that Kingdom proclamation in Revelation 11:1-7 as the final “two witnesses” Messianic Kingdom completion proclamation that is deployed into the “tribulation of those days” (Matt24:29) then fully active (Rev13:5, Dan11:42-43) in its final trajectory to 8th King world government completion. (Rev11:1-7, Dan11:44-45); Like WW1 in “tribulation” principle, the final Kingdom proclamation deploys into an active “tribulation of those days” period repeating that same “tribulation” principle. The further repeat of the initial 1914-1919 world-war-to-League-of-Nations pattern will this time be the “tribulation of those days” that will resolve (Matt24:29) into the complete 8th King world government that the “League of Nations” was the foundational “image” and preview of from the World War 1 “tribulation” period and its similar “world peace” resolution. (Rev13:11-15, Dan12:11 first fulfillment);

Thus the very essence of the Kingdom ministry timed deployment (1260 days), the tribulation and its resolving (Matt24:29) to the world government entity, and the prophetic and world cycle forecasting it, will all repeat the same global principles and prophecy in the future.

6. That final post “tribulation of those days” “world peace” resolution is the final 8th King world “peace and security” (1Thess5:1-3, Isa44:1) of their final “one hour” of complete world government final “freedom from care” presentation and authority (Rev17:12) to complete the rival 8th King sovereign requirement on which global 8th King sovereign completion the arrival of Christ will come upon after those final 8th King completions. (Ps110:2);

Thus the 8th King world government and the Messianic Kingdom are co-completing in the process to the eventual grand climax of Armageddon’s divine war phase. Importantly Christ is first securing the final “sheep” in that final process.

7. In retrospect of that coming co-completion to climax head-on into Armageddon, the 8th King and God’s Kingdom developments have been concurrently progressing the whole time since that prophecy was marked by the first period of 1914-1919. The Jehovah’s witnesses ministry of that time and for a period after it explicitly explained that co-development as prophecy marked by then modern and relevant world events.

A. Jehovah’s witnesses used to connect significant world government developments, like the League of Nations and the United Nations and their world wars, to their applicable “wildbeast” (Rev13:11-15), recovery “healing” (Rev13:3), “abyss rise” (Rev17:8-11) and global “admiration” aspects as prophetic. But eventually such ministerial vigilance for up-to-date prophecy waned. True, Jehovah’s witnesses were as busy as could be, but Bethel seems to have forgotten to keep the prophecy tracking current and relevant for modern events; so as busy as the JW ministry is it is also now in error and omission. (Eph5:17);

8. It is Jehovah’s witnesses of today, after the 1945 2nd UN exposition was made public (Rev17:8-11), who have lost track since 1990 of that UN 8th King co-development prophecy tracking assignment. It was the Bethel Governing Body dictatorship of 1976 that accomplished this loss of UN tracking and prophecy as a divine assignment fully notable in 1990 as the 3rd UN placement (Dan11:31b, Dan8:23) was ignored as prophecy while Bethel became an 8th King UN NGO global advertising service instead.

A. It seems the unique nature of the “Cold War” WW3 development (Dan11:29) aided the lack of recognition of that period as a world war cycle itself and thus its resolving into a UN presentation in 1990 (Dan11:31b, Dan8:23) was also deemed insignificant. But in fact the unique nature of that “Cold War” is also part of the prophecy as that Daniel 11:29 period aids recognition of the Daniel 11:30-31 subsequent events.

9. Now if Jehovah’s witnesses do not perceive the 3rd UN placement of 1990 as Daniel 8 and 11 prophecy, they are also not going to perceive the 4th UN world government prophecy in those same final 3rd and 4th UN placement prophetic continuums. Thus the whole UN 1-2-3-4 overall century long super-cycle to world government is also not perceived by Jehovah’s witnesses. Jehovah’s witnesses also do not understand King North (Dan11:27-45) and the King of Fierce Countenance (Dan8:23-25) are all 8th King final developments of that 3rd and 4th UN continuum of those prophecies.
A. Now the reason why Jehovah's witnesses do not perceive this is Bethel's apostasy also co-develops in those Daniel 8 and 11 prophecies, and of course an impostor controlled Bethel apostasy is not going to incriminate themselves in a prophecy that does exactly that – the prophecy exposes Bethel's apostate development in tangent with the 3rd UN placement marker. And that is why Bethel will not expose, but rather covers up, their own apostate development. (Dan8:12); 

10. Thus in reality the final “two witnesses” “little scroll” Messianic Kingdom warning proclamation coming in final form precedes both of these rival sovereign completions in the 8th King and Messianic Kingdom co-completions. The final “two witnesses” develops while the 4th UN cycle is active and gives warning of the implication of the resolution of the “tribulation of those days” at Matthew 24:29 into the 8th King world government completion to follow that resolution that will lead to the final world “peace and security” 8th King final global sovereign proclamations. 

Thus the “little scroll” is to announce the meaning of the events that will lead to the 14,4000 completion as the first priority of Christ's arrival to complete the Messianic Kingdom after the 8th King completes world government. (Matt24:30-31); 

11. In time Jehovah's witnesses will again explain UN prophecy correctly in the 3rd and 4th UN placement meanings defining all four UN prophecies and world developments actually all foretold in prophecy, while the final cycle is active in earnest. (Dan11:4-2-45); Accordingly the Bethel apostasy explained is part of the final cycle exposé. (Rev8:10-12); 

12. Now we can know the meaning of the Revelation 14 post 14,4000 completion events that follow Revelation 14:1-5. These next events follow the 14,400 full Messianic Kingdom completion as Christ completes his own ministry and final global judgment of Babylon the Great, the 8th King and the whole “sheep and goat” world judgment. But in that “sheep and goat” judgment Christ is securing the final sheep even through the judgment of Babylon the Great and the 8th King totality. 

“Sheep” salvation is Christ’s number one priority, the 8th King is conquered at the end of the process. (Dan7:26); 

The Final ” Sheep” Call Finalizing Under Full Messianic Kingdom Completion 

1. Since this announcement below comes from angelically backed power, after 14,4000 and Messianic Kingdom completion, hence after the human “two witnesses” ministry is deposed, it is Jesus Christ who perfectly completes his own final sheep securing ministry (Matt10:23, Ps110:2) in this final period of the then Daniel 12:11 final fulfillment parallel under full Messianic Kingdom completion power. We know this because angels herald the final proclamations: 

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.” 

This is the everlasting good news “glad tidings” pre-final-judgment appeal to earth’s inhabitants and it is beyond just human power backing this final worldwide appeal to secure the final “sheep”, this is an angelic Messianic Kingdom call. Due to the position of Revelation 14:8 Babylon the Great judgment completing announcement after this Revelation 14:6-7 proclamation, this appeal is deployed before and through Babylon the Great’s judgment deposition. (Rev17:15-18, Rev18:8, 9-20); 

Thus “the hour of the judgment” is after the 14,4000 completion under Messianic Kingdom completion as well, and all that is within the Daniel 12:11 timed period. (Dan7:26); Salvation is the goal of this period, the 8th King is “saved” for last to aid the process of salvation as the 8th King is conquered as the final earthly event. 

Daniel 12:11 1290 Days Period Active in Revelation 14:1-16 

1. Thus a final salvation call by supernatural divine means aided by full Messianic Kingdom and angelic powers of God and Christ is being declared under Christ’s Messianic Kingdom in completion as a final proclamation to a functioning world system. The end has not yet arrived, salvation is still open, the “hour of the judgment” will just be beginning in final true form. 

2. From prophetic cross referencing we know this final appeal develops in the Daniel 12:11 final 1290 day timed period active, thus humans can still be saved since these are “glad tidings” and “everlasting good news” “to those who dwell on earth” of “every nation” and a final call to worship God: choose the Messianic Kingdom and reject the “wildbeast” 666 “new world order” 8th King abomination soon to be fully conquered at that time. (Rev6:12-17); And that has to be in the Daniel 12:11 timed 1290 day period by these cross referenced details. 

3. We know this final call is after the pre-14,4000 completion period of the final “two witnesses” 1260 day ministry has completed and the Daniel 12:11 inclusive “three and a half days” “two witnesses” “death” state has also expired (before the 1290 day period ends), because those 1260 day and “three and a half day” periods have to fully complete prior to the 14,4000 completion it enables in Revelation 11:11-12 defining the final period
4. That period of Revelation 11:1-12 entirety has to have preceded Revelation 14:1 and the 144000 completion, and it is in that period that the 1260 days expired. (Rev 11:7-12); Thus the parallel Daniel 7:25 and Daniel 12:7 parallel 1260 days period will have also completed and expired prior to Revelation 14:1 fulfillment 144000 completion after the symbolic “three and a half days” “death” state expires in Daniel 12:11 1290 period then active.

**Thus Revelation 14:1 must be active in the subsequent Daniel 12:11 timed 1290 day period.**

5. We know Daniel 12:11 is the same transition period to 144000 completion because the removal of the final “two witnesses” is the final “constant feature has been removed” of Daniel 12:11 and they are deposed “when they have finished their witnessing” (Rev 11:7) of the completed 1260 day “witnessing” period. Thus, as well, the “three and a half days” symbolic ministerial “death” state will be activated in Daniel 12:11 as this “constant feature has been removed” in that final “two witnesses” deposition starts that “three and a half day” period in this “constant feature has been removed” event marker:

(Daniel 12:11) “And from the time that the constant [feature] has been removed (in second two witnesses deposition of Rev 11:7) and there has been a placing of the disgusting thing that is causing desolation (in fourth and final 8th King UN world government placement; Dan 11:45; 8:25), there will be one thousand two hundred and ninety days. (the final period of salvation but under full divine direction of Rev 14:6-7);

6. Thus the “constant feature has been removed” starts the “three and a half days” in the Daniel 12:11 1290 day period. That is how we know Revelation 14:1-20 transpires in the Daniel 12:11 active 1290 days in progress and that 1290 days is thus a prophetically identified period for the purpose of open salvation in finalizing form in the finalizing global judgment period.

7. The “constant feature has been removed” and “place the disgusting thing” (as world government) will be approximately concurrent events marking that prophecy. We see in Revelation 11:7 the removal of the “two witnesses” ministry and the “wildbeast ascension” parallel that “constant feature removed” and the “place the disgusting thing” meanings.

8. Thus it is in the Daniel 12:11 period, while it is progressing, that the finality of the 144000 completion comes after the symbolic “three and a half days” period, of for now unknown length, expires in the Daniel 12:11 period commencement, and after the “disgusting thing” has been placed as 8th King complete world government “ascends from the abyss” also present in that Daniel 12:11 “place the disgusting thing” parallel. That is “during that time” (Dan 12:1): Daniel 11:44-45 events parallel and converge into Daniel 12:1,7,11 in that world government culmination.

(Daniel 12:1) “And during that time (of Daniel 11:42-45 8th King final cycle) Michael will stand up…

9. The Daniel 11:45 “place [8th King] palatial tents” is the Daniel 12:1 “place the disgusting thing”, and the Revelation 11:7 scarlet “wildbeast” “ascends out of the abyss”, and the Daniel 8:25 “against the Prince of princes he will stand up” parallels:

(Daniel 8:25) And in his heart he will put on great airs, and during a freedom from care (1Thess 5:1-3) he will bring many to ruin. (including the “two witnesses” and Babylon the Great) And against the Prince of princes he will stand up (in world government), but it will be without hand that he will be broken. (at Armageddon divine war phase);

10. That must have transpired over the previous Daniel 12:7 1260 day intervening period (Rev 11:2-3 parallel) of the approximated “tribulation of those days” concurrent period that must end into that final “disgusting thing” placement of 8th King world government as the tribulation “problem” is used by the 8th King for their world government “solution” presentation.

**Thus that final period of Daniel 12:11 1290 days is the period in which the Messianic Kingdom completes at some point into the 1290 days with final salvation missions to be carried out by Christ first.**

11. That whole Daniel 12:11 1290 day period is open to salvation because Christ is overseeing the final leg of the earth “sheep and goat” separation in
full Messianic Kingdom power as the complete Messianic throne in total 144,000 "body" "throne" he "sits down on" in Matthew 25:31-46 as also indicated in Revelation 14:1-7. The "throne" is full and complete Messianic Kingdom authority exercised in the face of the complete 8th King (Ps110:2) world government while carrying out final salvation priorities prior to the 8th King deposition.

(Daniel 7:26) And the (complete Messianic Kingdom) Court itself proceeded to sit, and his (8th King) own rulership they finally took away, in order to annihilate [him] and to destroy [him (the 8th King)] totally. (Rev19:19-21);

12. And since that above Daniel 7:26 period is after this prior 1260 day period below in Daniel 7:25, Daniel 7:26 is also thus in the final Daniel 12:11 parallel period:

(Daniel 7:25) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law (total globalized “new world order” transition intent), and they will be given into his hand for a time, and times and half a time. (Rev11:2-3, Dan12:7);

Babylon the Great Goes Down in Daniel 12:11 Period

1. This Babylon the Great final judgment proclamation below also results after 144,000 completion. (Rev11:7-12); Thus the Babylon the Great judgment has to have also come after 8th King world government completion that preceded the 144,000 completion in the Daniel 12:11 1290 day period activation. Thus this Babylon the Great judgment was active from after 144,000 completion of Revelation 14:1-5 over the final call period of Revelation 14:6-7 under the completed Messianic Kingdom “Court” authority. (Dan7:26);

2. This below announces the Babylon the Great judgment (Rev18:8) is completing as a globally known fact of Revelation 17:15-18 (Rev16:12, Rev9:13-15) in the symbolic “one hour” (Rev17:12) of world government authority as the same “hour” of Babylon the Great’s final judgment. (Rev8:9-19):

(Revelation 14:8) And another, a second angel, followed, saying: “She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!”

3. Again this is an angelic herald to be made known to humans but backed by milestone global 8th King backed anti-religious events at worldwide scale. (Rev18:8);

4. Thus from the preceding salvation call of Revelation 14:6-7 it is certain God is extracting those left remaining of “his people” (Rev18:4) from the Babylon the Great “great city” (Rev11:10-13), in as many as possible in that finalizing religious context, even in and through the full judgment “hour” of Babylon the Great (Rev18:9-19) and after. (Hag2:7):

(Revelation 18:4) And I heard another voice out of heaven say: “Get out of her, my people, if you do not want to share with her in her sins, and if you do not want to receive part of her plagues. (sharing and receiving “part” of her sins and plagues can have varying judgment severity as God and Christ oversee under the complete Messianic Kingdom.);

5. Thus that appeal of heaven has been active since 1919, is active now and will be further proclaimed in final form in the second “two witnesses” prelude warning and even through the actual 8th King aided judgment upon Babylon the Great’s entirety. Thus appeal to “get out” is also active afterwards as well to and through Christ’s arrival, as this whole final period is globally open for salvation, even out of doomed Babylon the Great and through its judgment and its “tenth of the city” potential repentant of “God’s people” still out there and who will still be out there for quite some time to come. (Rev11:13, Rev17:15);

Thus if the temple judgment, ministerial recovery, “tribulation of those days” and its resolution, and 8th King world government, and the 144,000 completion are not enough milestones to wake one up, God has Babylon the Great’s downfall as a final milestone to get through to some people the inevitable is coming in complete world judgment.

6. Thus we see in all this God is using the final period to “bend over backwards” to try to get through to even the most stubborn people. (Ps68:18b) If one cannot follow God out of all this, then maybe one is truly a “goat”, but it is Christ who even assess those unaware of all this as he can apply his ransom purchase to anyone recoverable during the 1000 Year Reign. (1John2:2); Now from that preceding Revelation 14:6-7 angel backed final Kingdom call that led to this second angelic backed proclamation, we see what follows is the final announcement of Babylon the Great’s actual total “fall” as deposed by world government global authorities officially, literally, permanently, all aiding the 8th King “world peace” believability.

Babylon the Great’s fall is the Revelation 17:15-18, Rev16:12-19, Revelation 18:8-19 parallels of 8th King sovereign deposition of that religious sovereignty (Rev17:18) and thus occurs as the final cycle is ending, not at as the start of the “end of the world” as the Bethel subverters teach in purposeful error.

7. Logically Babylon the Great’s deposition aids the 8th King world government “world peace” believability and its climax Revelation 14:9-11 “power and authority” implied in that warning.

8. Thus the Babylon the Great judgment announced at Revelation 14:8 had to be during the period leading to the Revelation 14:6-7 final call period,
as prior to that the “two witnesses” effected some repentance while proceeding to the deposition of their own ministry (Rev11:13), which will have made this final cycle understanding known to many prior to Babylon the Great’s deposition. Thus the true final judgment of Babylon the Great under 8th King “one hour” of parallel authority of world government (Rev17:11-18, Rev18:10,17,19), after full Messianic Kingdom 144,000 completion of Revelation 11:11-13 parallel meaning, will be open to salvation for those eventually coming to realize the reality of the situation and the opportunity to repent and accept the authority of Christ as savior and his Messianic Kingdom certainty of that final salvation offer.

(Relation 18:4) And I heard another voice out of heaven say: “Get out of her, my people, if you do not want to share with her in her sins, and if you do not want to receive part of her plagues.

9. Thus that command of God is active all the way through Babylon the Great’s fall and people can “get out” to the truth and reality of the final salvation offer.

10. We see the post “two witnesses” and Messianic Kingdom completion period means Christ is assessing who are “God’s people” (Rev18:4) also in this period of the Babylon the Great judgment – even that judgment is not yet the end – it is unfolding in this manner to get through to as many people as possible. Thus that judgment and “tenth of the city” extraction (Rev11:13) is beyond human power and overseen by God and Christ and the full Messianic Kingdom powers.

A. Thus clearing away the Bethel lie (2Thess2:8-12) will allow a broader salvation message to come through, for the last 40 years of Jehovah’s witnesses and warping their attitude to a works, policing “inquisition” and “Bethel law covenant” based “salvation”.

11. To make this known to Jehovah’s witnesses first, God will reject the Bethel apostasy as a sign that system is not representing the truth any longer, and that to represent the truth a full return to “undeserved kindness” and the open salvation explanation to others will be necessary. Christians will have to reject and expose the current JW Bethel apostasy backed fantasy now enveloping most Jehovah’s witnesses and warping their attitude to a works, policing “inquisition” and “Bethel law covenant” based “salvation”.

A. Thus clearing away the Bethel lie (2Thess2:8-12) will allow a broader salvation message to come through, for the last 40 years of Jehovah’s witnesses history (Rev8:12) is a progressively self-righteous and “lifted up” lawless record of what NOT to do. Thus Bethel provides a detailed record of what needs to be dumped and why, and that is part of the final “little scroll” information in the first four trumpets that reveal the temple judgment full meaning that also has to go forth as global information of prophetic truth.

12. Even through that Babylon the Great judgment a “tenth of the city fell” into repentance (Rev11:13), so some “sheep” are even secured during the judgment of Babylon the Great “get out of her my people” and after for the full Daniel 12:11 extended period of final open salvation opportunity. (Rev18:4); God extends the fullest breadth of Christ’s salvation offer in that period and after to “7000 men killed” and the “tenth of the city” symbols of those positively affected by the final “two witnesses” message and aftermath as its “little scroll” summarization fully manifests in more final forecasted milestone events.

13. Thus those final earth shaking events will get through to some people and enable their “sheep” potential as this all winds down:

(Haggai 2:6-7) “For this is what Jehovah of armies has said, ‘Yet once—it is a little while—and I am rocking the heavens and the earth and the sea and the dry ground.’ 7 ‘And I will rock all the nations (Rev16), and the desirable things of all the nations must come in; and I will fill this (completed) house with glory,’ Jehovah of armies has said.

The seven plagues of Revelation 15-16 are the global developing context of that “rock all the nations” period manifesting year over year into the final gauged prophecies of the seven trumpets and the seven plagues repeating prophecies. All of Revelation 8-11, Revelation 15-16, and Daniel 12 repeat in final fulfillment.

Final Progressive Prophetic Global Milestones

1. Thus those being made aware of the final “little scroll” sovereignty and salvation contents will know world government will complete and after that completion in the “scarlet” “wildbeast ascends from the abyss” (Rev11:7, 17:8-11) the “two witnesses” are to be deposed in that final Messianic Kingdom announcing ministry ceasing and that leads to the full Babylon the Great judgment after 8th King world government has completed and after the deposed “two witnesses” enables the full 144,000 required completion.
2. The real 8th King world “peace and security” of their “one hour” is also the period the 8th King “brings many to ruin” “during” that “freedom from care” such as the “two witnesses” and Babylon the Great identified in the prophecy. (Rev13:16-18); It is the same parallel attack period of Daniel 11:44 heading into world government as the “little scroll” contents certainly will “disturb” the “King North” 8th King elites:

(Daniel 11:44-45) . . . “But there will be reports (Rev10-11 “little scroll” recovered ministry messages) that will disturb him (8th King going into world government totality), out of the sunrising and out of the north, and he will certainly go forth in a great rage (Dan8:25; Rev11:7) in order to annihilate and to devote many to destruction. (Dan8:25 “bring many to ruin during a freedom from care” parallel with 1Thess5:1-3 world “peace and security” period of 8th King world government placement (Dan12:11 final fulfillment); And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial “tents” as earthly symbolism of UN distributed world government in 4th UN placement; parallel Daniel 12:11 final fulfillment) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25);

3. That selective ruination and destruction “during a freedom from care” is the same parallel of Revelation 11:7 “will make war with the two witnesses”, and that 8th King and Satanic war extends to the Messianic Kingdom who finishes the fight in time as the Armaggedon Sovereign Champion defining the planetary “Zion” of Jesus Christ’s Revelation 14:1 conquest and capture of all planet earth and the decreed extermination of the 8th King opposing system after “bend over backward” full and fair warning will have been given even through the final period of Daniel 12:11 time.

4. Thus people seeing these events can know most assuredly the rest of the Revelation “little scroll” prophecy forecast will also manifest as Christ arrives after world government completion to complete his own 144000 Messianic Kingdom “body” to oversee the rest of the process and the rest of the judgments upon Babylon the Great, the 8th King, and every “sheep and goat” of earth: total world judgment to be completed by Christ, no longer a human ministry, hence also a perfectly comprehensive and just judgment power. (Acts 17:30-31);

Before Christ Arrives

1. God is giving a number of big milestones that must precede Christ’s arrival:

A. The Bethel ministry is the final apostasy milestone of 2Thessalonians 2:1-12 from Daniel 8:11-13 and Daniel 11:30-32, 41 modern developments;

B. The temple judgment will have manifested in Bethel’s apostate exposure and downfall as the visible association of the final anointed Christian judgment. (Dan8:13-14, 1Pet4:17, Rev8:3-5, Zech3:1-5);

Daniel 8:14 full timed period will have transpired.

C. The final anointed Christian ministry “two witnesses” will have been recovered and eventually fully deployed into an active “tribulation of those days”. (Rev9-11:1-7, Zech3:5-9, Dan11:42-45);

D. That “tribulation of those days” will have resolved into 8th King complete world government. (Matt24:29, Dan11:45, Dan8:25, Dan12:11);

E. The “two witnesses” final warning ministry will have been deposed under 8th King “abyss ascension” world government authority as the “tribulation of those days” ends. (Rev11:7-12);

F. The full 1260 day final ministry and Daniel 7:25, 12:7, and Revelation 11:2-3, Revelation 13:5 parallels will have expired.

All that occurs before Christ arrives (Matt24:29-31);

Christ arrives as the symbolic “three and a half day” “two witnesses” “death” state expires (Rev11:7-12) in the start of the Daniel 12:11 period as Revelation 11:11-12 parallel of Matthew 24:30-31.

After Christ Arrives

1. When Christ arrives these events must transpire:

A. Christ transitions into the eventual post “three and a half days” “two witnesses” death state expiration (Rev11:11-12) to the eventual official 144000 completion that “two witnesses” deposition enables (Rev11:11-12, 14:1) by events in the covert Christ arrival of the “sign of the Son of man seen in heaven” first, then the full arrival of Christ and “his angels” to secure the final “sheep”. (Matt24:30);

B. That allows Christ to complete the final Messianic Kingdom and Temple and his final King-Priest coronation from God. (Zech4:6-9, Zech6:9-15, Rev19:11);

C. Then Christ starts securing all the final earth “sheep” (Matt25:31-46, Rev14:14-16) and that process must extend over Babylon the Great’s final
judgment now all overseen under a complete Messianic Kingdom “Court” authority (Dan7:26) “subduing in the midst” of the 8th King and Babylon the Great “enemy” systems all present and operating at that time in a functional world system. (Ps110:2, Isa41:1, Rev18:9-19, Rev11:7-10, Matt24:36-42, Lake17:26-37);

D. The next milestone is Babylon the Great will then enter its “in one hour” judgment parallel in this final period of also 8th King world government “one hour” of global authority, it is the same “one hour” registration that Babylon the Great is deposed in at the end of the final cycle. (Rev18:10,17,19; Rev17:12, Rev16:12-19);

E. All that transpires before the 8th King power is fully removed from earth to effect the complete final repentance and salvation period and its end. (Dan12:12); Satan and the demons are then “chained”, “abyssed” and “sealed” into the 1000 year incarceration, “POWs” of Armageddon’s divine war phase. (Rev19:19-21, 20:1-3, Isa24:21-22);

2. All those milestones (A-D), leading to but not yet at the grand finale 8th King deposition as the complete end, will have to be globally manifest first to affirm the certainty of prophecy, world judgment and that people can still be saved in that final period of time. (Rev14:6-7, Matt24:14);

3. That is why this prophetic forecast is enabled before it occurs by simply knowing the first cycle of Daniel 12 in 1914-1926 preview period is fully repeating in final form as Daniel 12 must have a final fulfillment cycle. The temple judgment (Rev8:3-5, Dan8:13) and its awareness (Rev8:7-12) will lead to that realization for many in time. (Dan8:14, Dan12, Rev8-11, Rev15-16);

The point being the Daniel 12:7 1260 day and Daniel 12:11 1290 day periods are all open for “sheep” salvation. All one has to do is be truly willing to follow Christ to complete repentance and perfection under God and his indomitable Kingdom power to continue from this time, into the Thousand Year Reign of Christ and into forever.

4. It is in that period that Christ “subdues in the midst of his enemies” (Ps110:2) in final form, in full Messianic Kingdom power as that “little scroll” message proclaimed previously, and its awareness, is present in many as Babylon the Great is judged after the expired 1260 day final “two witnesses” ministry. That is when those final events are occurring as Matthew 24:30-31 under complete 8th King world government (Matt24:29 parallel) leading to complete Messianic Kingdom power. (Rev14:1);

The Daniel 12:11 period sees the Messianic Kingdom completion, the judgment of Babylon the Great and the termination of the 8th King and full world judgment completing prior to Daniel 12:12 starting.

5. Therefore from the Babylon the Great judgment (Rev18:8) some final sheep come forth (Rev11:13, Hag2:7), as by then some are well aware of many of these details in the “two witnesses” final ministry as all this progresses year over year. Thus the final sheep are “shaken” out of this whole final period of the 1260 days and the 1290 days for they are also Revelation 16 “seven plague” final fulfillments. (Hag2:7; Heb12:26; Rev16:1-16; Dan12:7, Rev11:2-3; Dan12:11);

6. In any event Christ completes his own ministry, so anyone recoverable can be saved in that final Revelation 14 period and thus why the Messianic Kingdom completes first for this very purpose and how Revelation 14 progresses under Christ’s Messianic Kingdom authority to the full world judgment. Christ completes the global circuit of “Israel” now his official worldwide all human and creation encompassing domain of the Messianic “Kingdom of the World”. (Rev11:15, Matt19:28);

(Matthew 10:23) When they persecute you in one city (as with the “two witnesses” final deposition), flee to another (in the final case it will be a flight to complete New Jerusalem under Christ as the “Holy City Jerusalem”); for truly I say to you, you will by no means complete the circuit of the cities of Israel (symbolic of all Earth as Christ’s final Messianic Kingdom domain “the soil of Israel”, Eze3:18,19) until the Son of man arrives. (Matt19:28);

III. 8th King World Government Authority Climaxing into the “One Hour” of the Scarlet Wildbeast (Revelation 11:7, 13:16-18; Daniel 8:25, 11:44-45, 12:11); Revelation 14:9-12
1. This final period is the “one hour” of world government 8th King “scarlet wildbeast” global final authority encompassing this whole post Revelation 14:1 period since world government is completed while the “two witnesses” are deposed. (Rev17:11-18, Rev13:16-18, Dan12:11); 8th King world government is completed prior to Revelation 14:1 because the 144000 are completed enabled by the “two witnesses” deposition after the “wildbeast that ascends from the abyss” into world government final “disgusting thing” placement (Dan11:44-45, Dan12:11) had already “made war with them” “and conquered them” “two witnesses” final anointed Christian ministry to effect the completion of that period of Revelation 11:7-12 that results in Revelation 14:1-5.

This “one hour” includes the United Nations type “image” but is beyond it in actual world government functionality, scope, scale and actuality global “power and authority” entities distributed into and over all the nations. (rev16:13-16); It is globalized world government in culmination, what the UN “image” has been picturing for years as its nucleus of the world government “blueprint”.

2. This is the directive to avoid the “scarlet wildbeast” “New World Order” 666 final campaign (Rev13:16-18) in its 8th King climax of that same “one hour” of 8th world government final “power and authority”. (Rev17:12):

(Revelation 14:9-11) And another angel, a third, followed them, saying in a loud voice: “If anyone worships the wild beast and its image, and receives a mark on his forehead or upon his hand, 10 he will also drink of the wine of the anger of God that is poured out undiluted into the cup of his wrath, and he shall be tormented with fire and sulphur in the sight of the holy angels and in the sight of the Lamb. 11 And the smoke of their torment ascends forever and ever, and day and night they have no rest, those who worship the wild beast and its image, and whoever receives the mark of its name.

3. Thus even wildbeast worshippers have to have a final seal, the “mark” to be affirmed on their forehead or hand, that is willing leaders (forehead) or workers (hand) of the 8th King system. This is why the Revelation 14:6-7 divine directive is to worship God Almighty alone. And thus wildbeast worshipers can also repent then if they have not become irrecoverably 666 marked in the process. Because “If anyone worships the wild beast and its image, and receives a mark on his forehead or upon his hand” is a two fold determination, an unmarked wildbeast worshiper in ignorance awakening to reality can repent even deep into the final period of time.

4. As we see this general “compulsion” is upon anyone, not just Christians, who will not accept the “scarlet wildbeast” world government:

(Revelation 13:16-18) And it puts under compulsion all persons (not just Christians, but everyone possible in the final “one hour” of 8th King scarlet wildbeast world government authority), the small and the great, and the rich and the poor, and the free and the slaves, that they should give these a mark in their right hand or upon their forehead, 17 and that nobody might be able to buy or sell (Dan11:42-43) except a person having the mark, the name of the wild beast or the number of its name. 18 Here is where wisdom comes in: Let the one that has intelligence calculate the number of the wild beast, for it is a man’s number; and its number is six hundred and sixty-six.

5. Thus God is opening salvation broadly to also anyone and those possibly fooled or coerced by the wildbeast world government system so they can change course for the Kingdom of God, rather than the doomed 8th King “New World Order”. Thus God and Christ saving the 8th King to annihilate as the last earthly phase allows even trying times to be used to awaken people to reality as shown in the fourth plague:

(Revelation 16:8-9) And the fourth one poured out his bowl upon the sun (national and 8th King “sun” systems); and to [the sun] it was granted to scorch the men with fire. (the period of Revelation 13:5, 16-18 intensifies globally in this final cycle) 9 And the men were
scorched with great heat (from global authorities winding down to world government), but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

6. Though some do not repent, some will (Rev11:13), for this is the purpose of allowing the 8th king a full cycle of zenith power to “rock all the nations” so the “desirable things” in humans will come in in this period finalizing the process. (Hag2:22); But eventually that “rocking” will have a climax:

(Haggai 2:21-22) ‘I am rocking the heavens and the earth. 22 And I shall certainly overthrow the throne of kingdoms and annihilate the strength of the kingdoms of the nations; and I will overthrow [the] chariot and its riders, and [the] horses and their riders will certainly come down, each one by the sword of his brother.’”

(Haggai 2:21-22) ‘I am rocking the heavens and the earth. 22 And I shall certainly overthrow the throne of kingdoms and annihilate the strength of the kingdoms of the nations; and I will overthrow [the] chariot and its riders, and [the] horses and their riders will certainly come down, each one by the sword of his brother.’”

7. And that “earth shaking” events climax is the Messianic Kingdom final conquest period, the biggest “earthquake” of all time:

(Revelation 16:16-18) And they gathered them together to the place that is called in Hebrew Har–Magedon. 17 And the seventh one poured out his bowl upon the air. (Christ “Air Event” of 1Thess4:17, Matt24:29-31, Rev11:11-12); At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” (Messianic Kingdom completion) 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

(Revelation 16:16-18) And they gathered them together to the place that is called in Hebrew Har–Magedon. 17 And the seventh one poured out his bowl upon the air. (Christ “Air Event” of 1Thess4:17, Matt24:29-31, Rev11:11-12); At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” (Messianic Kingdom completion) 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

8. Even through that whole finale period God will accept repentance on the basis of Christ’s sacrificial offer and guarantee.

(Acts 17:30-31) True, God has overlooked the times of such ignorance, yet now he is telling mankind that they should all everywhere repent. 31 Because he has set a day in which he purposes to judge the inhabited earth in righteousness by a man whom he has appointed, and he has furnished a guarantee to all men in that he has resurrected him from the dead.”

9. And those unaware of these things even at that time will be assessed by Christ (Matt25:31-46) as the perfect God appointed self-sacrificing Judge who holds salvation and mercy as first priority above condemnatory judgment in anyone he can and will recover at that time:

(James 2:13) For the one that does not practice mercy will have [his] judgment without mercy. Mercy exults triumphantly over judgment.

10. Thus all the Biblical symbols of the grand finale all have their own culmination phase as will the world government short final authority period of the symbolic “one hour”.

11. The choice of worship is between God and the wildbeast in the two directives of Revelation 14:6-7 and Revelation 14:9-11. With Babylon the Great’s judgment in the middle of that process as Revelation 14:8, the appeal to worship God is known through that judgment as God gives “all persons” as well the opportunity to choose life and become a worshiper of God Almighty, even at the end of the “11th hour” which will truly culminate with this wildbeast “one hour”.

12. When the super-cosmic clock “strikes midnight” on the wildbeast, the judgment will turn to the conquest phase of the “war of the great day of God the Almighty”, in time God and Christ will have had enough of the globalist elite system and its “disgusting thing” and “grandiose words” and the fantasies of mere sinner humans. But a full warning and invitational final offer will manifest in final form before that final event.

13. Thus the 8th King is shown fully active after the 14,4000 completion and much transpires before they are deposed as the final earthly rival sovereignty.

7th King Nation-State Sovereign Deposition Milestone

1. Thus we know the 7th King “Egypt” is what is deposed in Daniel 11:42-43 into 8th King ascendant world government finality aiding the Revelation 17:11-18 final 8th King process by wealth and asset control and final financial globalization operations. The sovereign deposition of the 7th King national alliance of Anglo-American nation-state “authority” will also be a great milestone decline providing the globalist sovereign ascension dynamic of the globalized 8th King.

2. It is also obvious if the 7th King nation-state sovereign system is to be deposed, so will the whole “land of Egypt” global national sovereign domain also be deposed to 8th King final world government globalized “power and authority”.

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (collective national powers; King South “capital”), she (feminized King South) will not prove to be an escapee. (captured by...
globalist power intrigues of first a financial nature:) 43 And he (King North/8th King) will actually rule over the hidden treasures (globally) of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all “desirable things” of collective global national “Egypt”“King South” powers in full globalist progressive ownership);

Those kind of nation-state sovereign transference events to define true 8th King global world government authority are what will mark the “one hour” starting point in time.

The Revelation 17:12 World Government “One Hour” Climax Ties Revelation Final Fulfillment Together

1. That warning of Revelation 14:9-11 (Rev13:16-18) is due to the 8th King world government culminations of Daniel 11:44-45 and Daniel 8:25 into 8th King world government totality beyond but including the UN “image”. The United Nations Organization is ultimately only the “image” of that “scarlet wildbeast” world government completion, that the “image” formerly pictured as its international nucleus since 1919, not yet the complete world government of the future. (Rev13:3-8, 16-18);

2. But that 8th King world government completion is guaranteed by prophecy and is coming to conclude the “tribulation of those days” phase. (Matt24:29);

The symbolic Revelation 17 “one hour” is in complete world government “power and authority” into all the nations aiding the process with its globalized United Nations related “image” in total global sovereign completion. (1Thess5:1-3);

3. 8th King world government in full global “power and authority” is what defines the “one hour” meaning of their short final apex defiance of God and Christ as they “ascend from the abyss” of the “tribulation of those days” purposeful impotence (Rev13:3, 17:8) to present their world government masterpiece “disgusting thing” to arise from that period of inactivity. (Dan12:11 final fulfillment); And that is when they will make the 8th King publicly defining critical final sovereign state of being planet earth’s owner and ruler to start or be in that “one hour” “scarlet wildbeast” zenith period.

4. The 8th King “scarlet wildbeast” is world government and its “image” in one consolidated and conglomerated global whole, the pinnacle defiance God and Christ await the completion of to offer their final combined supreme sovereign response.

Hour Reference 1 – World Government

A. Thus the Revelation 17:11-18 sovereign transference of all national system former sovereign “power and authority” to 8th King world government sovereign control is the Revelation 17:12 “one hour” meaning in this final world government global sovereign securing process culminating:

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist) eighth [king], but springs from the seven (national power progression), and it goes off into destruction. 12 “And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist scarlet) wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. (absorbing religious sovereignty and assets) 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

B. The national authorities becoming the fully globalized “gathered” parts (Rev16:13-16) of the 8th King global world government system are brought in fully to give the 8th King full “recognition” by this incentive:

(Daniel 11:39) Whoever has given [him] recognition he will make abundantly with glory, and he will actually make them rule among many; and [the] ground he will apportion out for a price.

C. Thus the cascading world government rulership descending down the globalist pyramid to the nations below will have the required the assistance of the national powers as they “give” their “power and authority” and “their [nation-state] kingdom” to the “scarlet wildbeast” totality of full bodied global government, and thus it is their combined power that really gives the 8th King its power:

(Daniel 8:24) And his power must become mighty (to the “king north” pinnacle of 8th King world government), but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. (the 8th King successfully achieves that world government objective guaranteed by prophecy) And he will actually bring mighty ones to ruin (as Rev13:16-18 world government resistors, etc), also the people made up of [the] holy ones. (Rev11:7 “two witnesses” deposition);
D. And that is all taking place under the world government world “peace and security” sovereign completion in this parallel “freedom from care” which sovereign completion of global “power and authority” enables the final 8th King agenda:

(Revelation 14:7) saying in a loud voice: “Fear God and give him glory, because in that hour of his judgment.” \( (\text{Daniel 8:25}) \) And according to his insight he (King of Fierce Countenance as 8th King) will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care \( (\text{1Thess5:1-3}) \) he will bring many to ruin. \( (\text{Dan1:44-45; Rev11:7}) \) And against the Prince of princes he will stand up, but it will be without hand that he will be broken. \( (\text{Dan1:45; Rev19:11-21; Dan2:31-45}) \).

E. Now this “gathering” below, of complete globalization culmination, results in this final 8th King world government culmination below. As we see it in this finale period, deep in the final cycle at plague six, that Babylon the Great is also being setup for the final deposition in plague seven (Rev16:17-19):

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates (Parallels 6th trumpet), and its water was dried up (Rev17:1-2, 15), that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15)) \( 13 \) And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King main globalization force and influence culminating the eventual fully globalized “gathering”) \( 14 \) They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth (culminating in this final period), to gather them together to the war of the great day of God the Almighty. (parallels Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power) \( 15 \) “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” \( 16 \) And they gathered them (by Dan1:42-43 and Rev17:11-17 8th King globalizing wealth and power consolidations; Globalization is the main global force of this “gathering” power) together (into final 8th King globalized unification symbolized in completion by 4th UN “placement” and proclamations) to the place that is called in Hebrew Har–Magedon. \( (\text{Joel 3:9-17, Rev19:11-21}) \).

F. Thus Babylon the Great is deposed after Christ arrives in the seventh plague:

(Revelation 16:17-19) And the seventh one poured out his bowl upon the air. (Christ arrival, 1Thess4:17) At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” \( 18 \) And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. (Messianic Kingdom completion) \( 19 \) (Babylon the Great goes down in the seventh plague:) And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.

Hour Reference 2 – Babylon the Great Deposition Judgment

A. That 8th King “one hour” of world government authority is the Babylon the Great “in one hour” of that global institutional judgment and deposition of Revelation 17:15-18 by the 8th King and the “kings of the earth” “ten horns” “one hour” authorities we see referenced in Revelation 16:12 and Revelation 17:15-18 for this culmination of judgment in a symbolic “hour”:

(Revelation 18:9,17,19) “And the kings of the earth who committed fornication with her and lived in shameless luxury will weep and beat themselves in grief over her, when they look at the smoke from the burning of her, 10 while they stand at a distance because of their fear of her torment (from world government power) and (still functional) say, ‘Too bad, too bad, you great city, Babylon you strong city, because in one hour your judgment has arrived!’... 17 because in one hour such great riches have been devastated!’ ... 19 And they threw dust upon their heads and cried out, weeping and mourning, and said, ‘Too bad, too bad—the great city, in which all those having boats at sea became rich by reason of her costliness, because in one hour she has been devastated!’

Hour Reference 3 – 144000 Completion

A. That “one hour” is related to the “in that hour” of Revelation 11:13 as this too takes place under 8th King world government:

(Revelation 11:13) And in that hour a great earthquake occurred (the 144000 completion), and a tenth of the city fell (repentant from Babylon the Great); and seven thousand persons were killed by the earthquake (repentant from the world system “twelve tribes of Israel” Matt19:28), and the rest became frightened and gave glory to the God of heaven. (totality of final sheep repentance and even enemy internal admission. Rev6:12-17);

Hour Reference 4 – World Judgment

A. That “one hour” is related to the “the hour” of Revelation 14:7, 15 that also takes place while 8th King world government is functional:

(Revelation 14:7) saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived,
(Revelation 14:15) And another angel emerged from the temple [sanctuary], crying with a loud voice to the one seated on the cloud: “Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe.”

Hour Reference 5 – Global “Hour of Test”

A. Thus all those same approximated symbolic “hour” cross registrations, though of various phases of prophecy, are all in the 8th King “one hour” of complete world government and it all equates to the Revelation 3:10 worldwide “hour of test”:

(Revelation 3:10) Because you kept the word about my endurance, I will also keep you from the hour of test, which is to come upon the whole inhabited earth, to put a test upon those dwelling on the earth.

(Luke 21:34-36) 34 “But pay attention to yourselves that your hearts never become weighed down with overeating and heavy drinking and anxieties of life, and suddenly that day be instantly upon you 35 as a snare. For it will come in upon all those dwelling upon the face of all the earth. 36 Keep awake, then, all the time making supplication that you may succeed in escaping all these things that are destined to occur, and in standing before the Son of man.”

All Final Prophecy Culminations are in the “One Hour”

1. The symbolic “one hour” commencement is marked by the 8th King world government completion. It also contains the “in that hour” completion of the 144,000 and total Messianic Kingdom final crowning of Christ and the final “sheep” securing completion of Revelation 14:14-16 parallel Matthew 24:29-31.

2. Under those two complete but diametric sovereign entities in the 8th King “scarlet wildbeast” world government and the Messianic Kingdom, Babylon the Great’s “one hour” arrives, and in that completed judgment the final earth “sheep” are secured in the same “hour” as all these Revelation “hour” references are in the same general post world government completion period leading to the complete world judgment. (Rev14:15);

3. Thus the whole judgment is encompassed in the “one hour” of complete world government and complete Messianic Kingdom as both entities are complete prior to Babylon the Great’s full judgment and deposition in her own “hour” in that “one hour”. And we can see how people knowing this information will have a final period of time to truly assess for themselves Christ’s certain arrival and fully open salvation offer.

4. That is the Revelation 11:17 scarlet “wildbeast that ascends from the abyss” into world government of the final “tribulation of those days” cycle ending, which resolves (Matt24:29) into first 8th King world government (Matt24:29; Dan12:11 final fulfillment). Then “immediately after the tribulation of those days” the arrival of Christ occurs as that Matthew 24:30-31 arrival “with all the angels” (Matt25:31, Jude14) completes the heaven-side anointed “sheep” gathering of Matthew 24:30-31 and Mark 13:24-27 as the first priority that results first in the complete 144,000 of Revelation 14:1 from the completed “sealing” of Revelation 7:1-3.

(Revelation 7:1-4) After this I saw four angels standing upon the four corners of the earth, holding tight the four winds of the earth (the final “great tribulation” phase of world government after the “tribulation of those days” first phase ends), that no wind might blow upon the earth or upon the sea or upon any one. 2 And I saw another angel ascending from the sunrising, having a seal of [the] living God; and he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea, 3 saying: “Do not harm the earth or the sea or the trees, drinking and anxieties of life, and suddenly that day be instantly upon you 35 as a snare. For that anointing affirmation seal is secured over the final “two witnesses” mission period. 4 And I heard the number of those who were sealed, a hundred and forty-four thousand, sealed out of every tribe of the sons of Israel...

5. Thus the 144,000 completing “sealing” will enable what is to follow.

6. The full Messianic Kingdom thus oversees the gathering of all the final “sheep”, anointed and earthling. After that anointed “sheep” “gathering” completes, the rest of the “sheep” are now only earthling “sheep” (Zech12:6-9), because only earth “sheep” will remain as the final “gift offering” of Revelation 14:14-16 into a completed Christ and 144,000 “temple”. Only earth “sheep” are present on earth by the time of Matthew 25:31-46 as complete world judgment because the 144,000 must complete prior to that final earth “sheep sweep” which 144,000 completion defines the Messianic King “throne” Christ “sits down” on to oversee the final “sheep” intake as Messianic Kingdom Kinged Sovereign.

7. Thus after the “tribulation of those days” resolves (Matt24:29) Christ is securing these final anointed “sheep” and earth “sheep” from the “four winds” of that parallel period of Revelation 7:1-4 as the final phase of the “great tribulation” occurs also in that final “one hour” period:

(Matthew 24:31) 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds (of the final great tribulation phase; Rev7:1-4), from one extremity of the heavens (anointed sheep) to their other extremity (earth sheep).

8. Only earth “sheep” are also present in Ezekiel 38-39 because the 144,000 completion precedes those final events.
9. Thus as the 8th King world government completes so does their final sovereign world “peace and security” proclamation as the parallel of Daniel 8:25:

(Daniel 8:25) And according to his insight he (King of Fierce Countenance as 8th King) will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care (1Thess5:1-3) he will bring many to ruin. (Dan11:44-45; Rev11:7) And against the Prince of princes he will stand up (into world government), but it will be without hand that he will be broken. (Dan11:45; Rev19:11-21; Dan2:31-45):

Thus the “two witnesses” final Messianic Kingdom announcement ministry and Babylon the Great are part of those “many” “brought to ruin” under 8th King world government “world peace” “freedom from care”.

Babylon the Great Goes Down in the Final Cycle Ending

1. First Proof – Revelation 14 Sequence

A. As a first proof of Babylon the Great’s existence after the 144000 completion, before Babylon the Great is deposed in the same symbolic “one hour” (Rev18:9-18) of 8th King completed world government “power and authority” (Rev17:11-18) as announced as “she has fallen” in Revelation 14:8, the 144000 will already have completed in Revelation 14:1 as a result of Revelation 11:7-12 events of parallel Matthew 24:30-31.

B. Thus the Messianic King “Court” completed earthly judiciary is required to oversee the Babylon the Great “Court” judgment (Rev18:8) as carried out by the “scarlet wildbeast” 8th King world government and the “ten horns” of conglomerated national powers subservient to the 8th King and its agenda. (Rev17:15-18);

2. Second Proof – Revelation 11 Sequence

A. As a second proof, the “two witnesses” are deposed while Babylon the Great is yet existent. That final fulfillment sequence of “you must prophesy again” in Revelation 10:11, as Revelation 11:1-10 ends the 1260 days of Revelation 11:2-3 (Dan12:7) and into the “death” of the “two witnesses” as “and their corpses will be on the broad way of the great city”, which is ultimately Babylon the Great as the “great city” symbol. This shows the “two witnesses” are deposed before Babylon the Great “great city” (Rev16:10) is deposed, while the Babylon the Great “great city” is still present and globally “broad way” accessible as the symbolic location of the “two witnesses’ “corpses”:

(Revelation 11:7-10) And when they have finished their witnessing (post 1260 days, Rev11:2-3, Dan12:7, Dan7:25), the wild beast that ascends out of the abyss will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city (of Babylon the Great as the final global organizational religious totality) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days (final symbolic period to elapse before Christ arrives), and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another (still a functioning global system, Isa41:1, Rev18:9-19, Matt24:36-42), because these two prophets tormented those dwelling on the earth.

B. Christendom has been identified as part of Babylon the Great which is the ultimate symbol of the “great city” in final fulfillment from 1919 forward. (Rev16:19); Thus the Christendom symbol cannot be singled out in prophecy again for final fulfillment since it is just an actual part of Babylon the Great. Christendom cannot be judged twice as well, the final judgment “God’s house first” (1Pet4:17) comes on anointed Christians of which Bethel will be the globally visible judgment pyre (Zech3:2), to whatever degree necessary, to fulfill Daniel 8:13-14. Since Jesus was impaled outside the city” (Heb13:12-13) of Jerusalem, this is the “location” outside of spiritual “Jerusalem” as “Sodom”, “Egypt” and ultimately “Babylon the Great” can apply in final fulfillment to this worldly zone of a functioning global religious and overall “system of things”.

C. Thus the “great city” totality is still present as the final anointed Christian second of the “two witnesses” is deposed and that deposition aids the 144000 completion. This again proves with Revelation 14:1-8, Revelation 16:12-19 and Revelation 17:11-18 that the 144000 complete before Babylon the Great’s final judgment in that same final “hour” of Revelation.

3. Third Proof – Revelation 16 Sixth and Seventh Plague Sequence

A. Paralleling Revelation 17:15-16 Babylon the Great deposition events, it is in the seventh plague, hence post Christ “air” arrival (1Thess4:17, Rev11:11-12, Matt24:30-31), and post 144000 completion, that Babylon the Great is “split into three parts” as deposed in that spiritual sovereignty. (Rev17:18); This shows the “harlot” exists deep into the final cycle, set-up in the sixth plague (Rev16:12) to fully “fall” after the plague on the “air” in the seventh plague:

(Revelation 16:17-19) And the seventh one poured out his bowl upon the air. (the Christ “air” event of 1Thess4:17) At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. (Messianic Kingdom completion and Christ’s final crowning) 19 And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the
anger of his wrath.

B. Since Babylon the Great “Euphrates” “waters mean peoples and nations” (Rev17:1,15, Rev9:12-15) is being prepared in the sixth plague on Babylon the Great “Earthquake” of Revelation 16:12. All the final “earthquakes” parallel this 144,000 completion leading to the Messianic Kingdom completion coronation event of Christ. Revelation 6:12 and Revelation 11:13,19 “earthquakes” are the precursor (Rev11:13) and finale of the “sign of the Son of man in heaven” (Matt24:30) of this “two witnesses” warning prelude to and eventual full 144,000 completion (Rev11:19) leading to the biggest “earthquake” of them all at Revelation 16:18, Christ’s Kinging in the complete Messianic Kingdom, the Revelation 16:18 most extensive global “great earthquake”.

(C) That set of final developments led to the seventh trumpet, approximately parallel seventh plague events of the global developments that lead to the 144,000 completion (Rev16:17, 1Thess4:17) which enables Jesus Christ’s final coronation upon the Messianic Kingdom universal sovereign agency required prior to Babylon the Great’s final “hour” of final judgment overseen by the full Messianic Kingdom authority “in the sight of God” (Rev16:19) using the 8th King and “ten horns” of world government authority to carry out that sentence.

The Final “Earthquake”

1. That Messianic Kingdom completion is the big “earthquake” of all time at Revelation 16:18. All the final “earthquakes” parallel this 144,000 completion leading to the Messianic Kingdom completion coronation event of Christ. Revelation 6:12 and Revelation 11:13,19 “earthquakes” are the precursor (Rev11:13) and finale of the “sign of the Son of man seen in heaven” (Matt24:30) of this “two witnesses” warning prelude to and eventual full 144,000 completion (Rev11:19) leading to the biggest “earthquake” of them all at Revelation 16:18, Christ’s Kinging in the complete Messianic Kingdom, the Revelation 16:18 most extensive global “great earthquake”.

2. Though this is a spiritual “earthquake”, given the magnitude of the meaning of Christ’s Messianic Kingdom crowning, a literal global manifestation would not be surprising at that time as God and Christ send the 8th King the “message” prior to its full delivery, that the Messianic Kingdom is present “subduing in the midst of its enemies” (Isa24:1), as God starts to “repay tribulation” to the 8th King.

(Isaiah24:1 KJV) Behold, the LORD maketh the earth empty, and maketh it waste, and turneth it upside down, and scattereth abroad the inhabitants thereof.

The Revelation 8:5 “earthquake” is unique and well before these final earth shaking events. The Revelation 8:5 “earthquake” is the temple judgment (Rev8:3-5) that eventually kicks off this awareness (Rev8:7-12) to those in the temple (Isaiah 24:1 KJV) Behold, the LORD maketh the earth empty, and maketh it waste, and scattereth abroad the inhabitants thereof.

The Big Revelation? It All Repeats

1. Thus knowing the first cycle of Revelation 8-11, 15-16 and Daniel 12 merely repeats, but in final form, informs us the first cycle sequence explains the final cycle sequence to world government upon the same prophecy and the same 8th King UN core development cycle. All the same developments in (1) world war and global tribulation to run and resolve for “world peace” effects, a (2) Kingdom ministry deploying in final form into the (3) world government culmination it is explaining as prophecy, were all present in the first cycle and thereafter, and thus the first cycle already has explained the final cycle where all those developments and entities will again be present but in final form to their completions.

2. Thus the final “revelation” is now intuitive not “interpretational”, it is the awareness it all repeats upon prophecy repeating and now the predictable repeating historic world-war-to-world-government cycle formula as well. That world-war-to-world-government cycle was already used in (1) 1914-1919, (2) 1939-1945 and (3) c. 1950-1990 in three former world wars, including the “Cold War” (Dan11:29), that ALL resolved into a historic and prophetic United Nations related presentation after those “tribulations” ran their course for that climax UN presentation purpose.

Thus expecting the earth-square completing 4th UN orchestration is of course now predictable. Just as prophecy is now determinable to be repeating, the globalist strategy and their 8th King world government forming cycle is now also predictable as well.

3. Thus the fourth cycle repetition of that same cycle and formula, repeating for the final time, is to produce the world government complete entity at the end of this “tribulation of those days” cycle to start soon. It is now not just prophetic and historic but also logical and even “common sensical” that these things must complete, they are not simply static, innocent and random developments over the last one hundred years, but as forewarned by a formerly valid Jehovah’s witnesses ministry these developments are indeed leading to Armageddon sovereign grand finale.

4. Thus too we see the seriousness of now apostate Bethel attempting to fully derail and obscure these two final UN cycle understandings since 1990, but their removal is also now just a part of the repeating prophecy apostasy and judgment principle. (2Thess2:1-8, Zech3:1-5, Dan8:11-14, Dan11:30-32, 41; 2Cor11:13-15);

5. All we are “plugging in” as required updates is the (1) final apostasy, its locale and (2) exactly what those foretold Bethel 8th King “smooth word” rogues are covering up in the 3rd and 4th UN placement continuum of Daniel 8 and 11 into which all other prophecy registers aiding the full and detailed understanding of the final cycle. Thus Bethel squelching the 3rd UN placement prophetic notification is how the rest of the continuum understanding was also lost.
Final Endurance to The End

1. "Here is where it means endurance for the holy ones, those who observe the commandments of God and the faith of Jesus", Revelation 14:12a. Though this warning applies to all Christians as a general directive, by final fulfillment the 144,000 are complete so the earth sheep must also show endurance to resist the "one hour" of world government authority leading to Christ's arrival and deliverance of all the "sheep" of which the anointed must be "gathered" first. Thus this is stressing this is a particular climactic time of testing. (Rev3:10);

2. Of course the principle applies to any Christian or potential "sheep" in any period of time who have read this and who choose Christ's rulership in the Messianic Kingdom true universal authority over humans and national governments or the conglomerating 8th King "new world order" as in time though, the only final choices will become the Messianic Kingdom or the 8th King "New World Order" world government. That will be part of the main point of the final "two witnesses" final ministry which issue (Rev8:8) Bethel (Rev8:10-11) now dodges as an 8th King UN NGO cohort. (Dan11:30-32, 41, Dan8:11-13);

3. The fact is shown by prophecy the world will get the "New World Order" 8th King world government first, for "one hour", and that in itself is a global milestone signal people can still use at that time to instead choose Christ's Kingdom as prophecy becomes progressively more verifiable. (2Pet1:19-21); And now logically we see God is setting up a number of final prophetic and world event milestones well before the end to aid people's awareness, and to them know salvation is open for that whole final period of Daniel 12:11.

A. These milestones include the temple judgment desolation and purification (Dan8:13-14), the final warning recovery (Rev9-10, Zech3:4-9) into the "tribulation of those days" and its resolution (Matt24:29) into 8th King world government and that final warning "two witnesses" cessation. (Rev11:1-7);

4. Obviously getting that information out into the "two witnesses" after the temple judgment milestone has manifested is a top priority of actual Christians with the Kingdom interest, these milestones are used by God to get through to as many people as possible with the truth of where it is all truly leading at Armageddon. But as we see a number of great global developments will aid the awareness of prophetic truth over several final years also marked in periods (Dan12) and gaugings (Rev8-11, 15-16) in prophecy.

5. People will be able to see and assess for themselves all those milestones at some point in that overall progression to know that by prophetic certainty, as all those things came true, so will Christ's arrival come true after all those milestones complete. (Matt6:10); Babylon the Great's judgment will also manifest after Christ's arrival and even through that judgment he will accept a turn around and hence why God is "rocking the nations" (Hag2:7) in this final manner to effect some final repentance from the final sheep-to-be through the whole Daniel 12:7 and 12:11 full timings.

6. The intensity of the 8th King "one hour" of Revelation 14:9-11 and Revelation 13:16-18 is why this is also the "hour of test" of Revelation 3:10:

(Revelation 14:12) Here is where it means endurance for the holy ones, those who observe the commandments of God and the faith of Jesus.”

7. Thus final endurance will be needed to finish the "two witnesses" required second ministry (Rev10:11) and will be required as that final "good news of the kingdom will be preached in all the inhabited earth for a witness to all the nations" completes through the "tribulation of those days" into what it said it would complete into:

(Matthew 24:13-14) But he that has endured to the end is the one that will be saved. 14 And this good news of the kingdom will be preached in all the inhabited earth for a (second) witness to all the nations; and then the end will come. (The second “two witnesses” period is when that “good news” fully completes, Rev10:5-11);

Jehovah’s witnesses have not completed that ministry until this final “two witnesses” is complete in this final full replication of Daniel 12 and revelation 8-11. (Rev10:11);
8. Obviously Bethel’s current “all done” “everything is just fine” attitude is not aiding Jehovah’s witnesses endurance and relevant awareness.

Revelation’s One Hour Cross Reference

1. Thus the “one hour” of 8th King global government authority (Rev17:12) is the “one hour” of Babylon the Great’s judgment (Rev18:9-20) and the “in that hour” of the deposition of the final “two witnesses” just prior to Babylon the Great’s completed judgment (Rev11:13) as the 8th King “ascends” into world government. (Rev11:7-13); The Revelation 14:7 “the hour of the judgment has arrived” and Revelation 14:15 “the hour has come to reap” is a reference to the same general symbolic “hour” period.

2. All of these “the hour” references of related 8th King world government finale is the Revelation 3:10 “hour of test” as all those “one hour” and “the hour” references are about the associated period of 8th King world government reigning period as the world known benchmark at that time for its final very short duration some time in the Daniel 12:11 1290 day period.

IV. The Final Global Judgment Overseen By Christ For “Sheep” Salvation First; (Revelation 14:13)

What is to be noted in Revelation 14 preview fulfillment and its actual final fulfillment is that all the things after Revelation 14:1-5 are taking place under the full Messianic Kingdom completed sovereign authority of Christ.

That Messianic Kingdom completion is in the face of his two final Babylon the Great and 8th King “scarlet wildbeast” system “enemies” (Ps110:2) leading to the final mission of Christ to deliver living “sheep” first as the final gift to God in the complete “Temple” of his full High Priestly Kingship over that complete 144000 “kingdom” and “priesthood”. All those developments occur prior to the Armageddon divine war phase upon the 8th King sovereign rival totality. (Rev19:19-21);

Thus in the Messianic Kingdom completion Christ is completing his own ministry (Matt10:23) with salvation as the first priority, not 8th King destruction. The final “sheep” securement is to be overseen through the Babylon the Great judgment all the way to the sovereign and literal termination of the 8th King rival “kingdom” by then in complete fully warned attempted usurpation of the King of kings Jesus Christ.

We know the angel backed “glad tidings” of a final appeal to the earth is “everlasting good news” (Rev14:6-7) in this period available to humans. That is the timing and meaning of the scripture as Christ secures “the harvest of the earth” “sheep” personally under full Messianic Kingdom power pictured in Revelation 14:1 “Zion” with no physical, demon or human limitations in spite of the existence of all those things operable at that time. (Ps110:2);

Thus what follows has symbolic meanings that applied to the preview and final fulfillment. This below, is the guaranteed entry and closeness of the reward at that post Messianic Kingdom time for anyone “dying” to this system of things to enter into the 1000 year reign from its commencement. In the actual final fulfillment of this prophecy that time will be very close and the “sheep” will be coming under divine protection alive in God’s jurisdiction of times. (Acts 1:7) So this also takes on the dimension of the also symbolic meaning of “death”:

(Revelation 14:13) And I heard a voice out of heaven say: “Write: Happy are the dead who die in union with [the] Lord from this time onward. Yes, says the spirit, let them rest from their labors, for the things they did go right with them.”

1. Now this could be and has applied to anointed Christians “in union with the Lord” in the “Lord’s Day”; (Rev1:10); But that can only apply up until that group is completed in the 144000 that began this final fulfillment sequence in Revelation 14:1-5. This can then take on another dimension of meaning in final fulfillment as earth “sheep” must follow the anointed Christian patterns, just as anointed Christians followed the master pattern of Christ’s various “sacred secret” meanings.

2. This can apply to people spiritually “coming to life” in this final period of time, spiritual life in the full comprehension of what this final phase is truly meaning as the Messianic Kingdom will be in power and force in this period, for real. And by supernatural means it will be appealing to “sheep-to-be” still scattered globally beyond the flock of veteran “sheep” who will already have “washed their robes in the blood of the Lamb”.

(Romans 8:12-13) So, then, brothers, we are under obligation, not to the flesh to live in accord with the flesh; 13 for if you live in accord with the flesh you are sure to die; but if you put the practices of the body to death by the spirit, you will live.

(Romans 6:3) Or do you not know that all of us who were baptized into Christ Jesus were baptized into his death?
(2 Corinthians 5:14-15) For the love the Christ has compels us, because this is what we have judged, that one man died for all; so, then, all had died; 15 and he died for all that those who live might live no longer for themselves, but for him who died for them and was raised up.

3. Thus turning to Christ even at 11:59 of the last “hour”, that 11th hour, is as good as “dying” to the former Adamic destiny, because at this time Christ will be “fast tracking” “God’s will” beginning to “be done” on earth in ways far beyond human understanding.

(Malachi 4:1-2) “For, look! the day is coming that is burning like the furnace, and all the presumptuous ones and all those doing wickedness must become as stubble. And the day that is coming will certainly devour them,” Jehovah of armies has said, “so that it will not leave to them either root or bough. 2 And to you who are in fear of my name the sun of righteousness will certainly shine forth, with healing in its wings: and you will actually go forth and paw the ground like fattened calves.”

4. Christ is not assembling a “great crowd” of hobbling dying humans from the “old system of things” to remain in that state once they come under his full power. From the time he comes into full power he will begin to start healing the human components of the “new earth” foundation being laid with these eye witnesses of the end of the 8th King rivalry just as the last of the 14,400 go into their perfection ahead of the earth sheep to aid the whole process of “God’s will be done on Earth, as in heaven” for the 1000 years and beyond. Christ will just be beginning what must in time fully transform into the complete purposeful human perfection in that “last Adam” Christ, the eventual new “Eternal Father” of this new “New Adamic” race of mankind in Christ’s provided human perfection contained in his comprehensive whole body, whole blood, whole human person, whole “sacrifice”. (Heb 8:10;

(Isaiah 40:31) …those who are hoping in Jehovah will regain power. They will mount up with wings like eagles (anointed). They will run and not grow weary; they will walk and not tire out. (earth sheep)"

(Zechariah 12:8) …the one that is stumbling among them must become in that day like David (earth sheep), and the house of David like God (the Messianic Kingdom), like Jehovah’s angel (Michael) before them. (the anointed universal global “sheep” gauntlet);

(Malachi 4:3) “And you people will certainly tread down [the] wicked ones, for they will become as powder under the soles of your feet in the day on which I am acting.” Jehovah of armies has said.

4. Thus the patterns are set and when Jesus comes in full Messianic Kingdom completing purpose he will start the recovery in his own anointed 14,400 completion “flock” first, and out to all the ”sheep” coming under his restorative and indomitable power thereafter, and that is why the final Daniel 12:11 period is a drawn out final process to secure all the sheep before the 8th King is taken down fully.

(Micah 5:7-9) 7 “And the remaining ones of Jacob must become in the midst of many peoples like dew from Jehovah, like copious showers upon vegetation, that does not hope for man or wait for the sons of earthling man. 8 And the remaining ones of Jacob must become among the nations, in the midst of many peoples, like a lion among the beasts of a forest, like a maned young lion among droves of sheep, which, when it actually passes through, certainly both tramples down and tears in pieces; and there is no deliverer. 9 Your hand will be high above your adversaries, and all enemies of yours will be cut off.”

5. The “baptism” the “great crowd” go through, through their “Red Sea” of deliverance (Revel 14:14-20), is the “four winds” phase of the “great tribulation” they “come out” of into an agreement as “children” becoming unto the universal family and its “marriage of the Lamb” ceremony as Christ is to become their “Eternal Father” forever upon continued faithfulness to God’s Sovereignty.

6. Thus some will repent and “die”, though alive, in this final period of time. These “killed” and “fallen” are repentant humans:

(Revelation 11:11-13) And after the three and a half days (final symbolic period leading to Christ’s arrival) spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud (Matt 24:30-31, 144000 completion, Rev14:1), and their enemies beheld them. (Ps 110:2) And in that hour (the time period we are speaking of here in the 8th King world government “one hour” of complete global authority) a great earthquake occurred, (the symbolic “deaths”;) and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

The Final Sheep “Kills”

A. In the preview fulfillment of 1914-1919 Revelation 14:13 applied to anointed Christians in the “first resurrection” (Rev 20:5, Php3:11) commencement from that time becoming instantaneous (1Cor15:50-57) as already a well known “sacred secret” and principle teaching of Jehovah’s witnesses. Since in final fulfillment the sequence begins with a complete 14,4000 and Messianic Kingdom “Zion” completion in Christ’s Kingly “stand” in Revelation 14:1 the final fulfillment meaning broadens to spiritual meanings as well.

B. We now can understand in final fulfillment the “happy are the dead… let them rest from their labors… the things they did go right with them” principle has two applications:
(1.) Final permitted wildbeast kills: It will apply in the forming “hour of test” for a final period of permission for the final “kills” of Revelation 6:9-11 transition before the 144,000 completion, and;

(2.) Live completions: it will apply after the 144,000 completion coming forth in that “one hour” of climax 8th King authority to those spiritually repenting (Rev11:13), “dying” to their former way of life (Rom5-8) even in the “11th hour” (Rev11:13), and coming quickly “goes right with them” under divine protection in guaranteed delivery into Christ’s earthly reign.

C. Thus the “dead” can be literal or of spiritual meaning of repentance and coming under full divine protection under the Christ arrival 144,000 completion of the Messianic Kingdom full authority “subduing in the midst of its enemies” (Rom5-8); These details are explained below more fully.

D. The fact is once Christ personally starts securing “sheep” by the angels and Kingdom powers in this post Revelation 14:1-5 period (post Rev6:9-11 “killed number” allowance), nothing will touch the “sheep” and this hope has to go out fully in the final “two witnesses” ministry from the narrow “man of lawlessness” Bethel view currently proffered as “the truth” when it is actually a hijacked stumbling ministry now that works against “undeserved kindness” and “shuts the Kingdom” to men. (2Thess2:1-4, Rev8:10-12);

1. Final Wildbeast Kills

A. It applies to the “other sheep” endurance just prior to 144,000 completion to enter the rest of God in the resurrection of the righteous in case of final “kills” of Revelation 6:9-11 prior to 144,000 completion under which completion “sheep” go under “wall of fire” divine protection, but this has to manifest completely first in that “killed number” which is not the totality of the 144,000 or earth completion but of this particular “killed” allowance:

(Revelation 6:11) And a white robe was given to each of them; and they were told to rest a little while longer, until the number was filled also of their fellow slaves (potentially any Christian) and their brothers (anointed) who were about to be killed as they also had been. (thus entering the approximated “hour of test” period and the Revelation 6:12-17 parallel to Matthew 24:29-31);

B. That “killed” “number was filled” is not the full 144,000 as some are “the living, who are surviving” to the Revelation 6:12-17 period as 1 Thessalonians 4:17 that do not die an Adamic death but the Enochian transference of Jude 14 coming to full 144,000 completion of “those who are surviving” shown in that scripture as anointed Christians who “the living” do not “die” but “are taken” into their final immortal state in “the twinkling of an eye” at the true final trumpet, the 7th trumpet of the future. (Heb11:5-6); That divine insight is the final allowance of anointed and earth “sheep”, “fellow slaves and their brothers”, that God allows to be killed prior to the 144,000 completion.

(1 Corinthians 15:51-52) Look! I tell you a sacred secret: We shall not all fall asleep [in death], but we shall all be changed, 52 in a moment, in the twinkling of an eye, during the last trumpet. For the trumpet will sound, and the dead will be raised up incorruptible, and we shall be changed.

C. As with the 1914-1919 foundational Kingdom and Temple “first resurrection” types of that period forward in instantaneous transformation (Rev14:13) upon Adamic death or kills, this has a final cycle certainty of the full form of the meaning of this prophecy at the real Messianic Kingdom “7th trumpet” finality of the future, greater than the 1914-1918 “seven trumpet” preview announcement of these things, and an updated meaning will of course apply as the Messianic Kingdom completes for real, live and real-time.

D. Thus we see this too has a spiritual meaning for this particular final period of all required completions:

(Revelation 13:9-10) If anyone has an ear, let him hear. (means this is a divine mandate in God’s purpose and will) 10 If anyone [is meant] for captivity (live capture into 144,000 and preserved alive earth sheep; Ps68:18), he goes away into captivity. (under Christ’s “taken gifts”) If anyone will kill with the sword, he must be killed with the sword. (final killed number of permitted sheep deaths; Rev6:9-11) Here is where it means the endurance and faith (Rev4:12) of the holy ones. (thus it is in the “hour of test” in the 8th King “one hour” leading to the 144,000 completion event after Christ’s arrival of Matthew 24:29-31);

The truth is, in prophecy of this period, both anointed and earth “sheep” final number for completion is formed by live “sheep” as the living offering Christ gives to God in the completing final sacrificial process (Zeph1:7) of this completed Kingdom and temple period formed by the 144,000 completion to enable the rest of the completion process. Neither Satan or the wildbeast system will entirely kill any of the “sheep” groups in their completion portions.

Although Jehovah’s witnesses have rejected the Christendom “rapture” teaching due to its duality of terminology meaning (rape-ture), errored timing, and incomplete understanding aiding Christendom’s own “operation of error” and false expectation priming, scriptures do show the final anointed are taken by Christ alive and this is why Enoch’s prophecy at Jude 14 is a “sacred secret” aid to understand why it was Enoch that God chose to give that prophecy to first, of God and Christ’s arrival, as a transference type for greater meaning later. This is explained more fully later.

2. Final Live Sheep Completions

A. At some point well before the end of the 8th King, that allowance of the “killed number” will end early in the Daniel 12:11 period. And thus both anointed and earth “sheep” have a living finality upon completion of both those groups as God dictates the completion, not wildbeast inspired “kills”. Christ delivers the final “gifts” alive to God, the final fulfillment “living stones” and the final living “harvest of the earth” as required live
human eye witnesses of “the kingdom of God already come in power”. (1Pet2:5, Rev14:14-16);

B. Thus the reason Enoch foretells this Matthew 24:30-31 parallel event, as related by Jude by inspiration, is because it also has a final fulfillment certainty:

(Jude 14-15) Yes, the seventh one [in line] from Adam, Enoch, prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads (Matt24:29-31), 15 to execute judgment against all, and to convict all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke against him.”

C. That was foretold by Enoch by divine inspiration as revealed by Jude by divine inspiration because Enoch is the symbol of “faith of transference” in deliverance of the final anointed and earth “sheep” who will come into this final period for real as some will be delivered from the totality of the “hour of test.”. (Rev3:10). At some point all are delivered from the “hour of test” even though witnessing and seeing some of it, in both anointed and earth sheep groups to be delivered by God to the 144000 completion and the earth “sheep” completion in divine protection of the divine camp foretold as Enoch’s model transference was an act of this faith:

(Hebrews 11:5-6) By faith Enoch (Noah’s great-grandfather) was transferred so as not to see death, and he was nowhere to be found because God had transferred him (from the Genesis 6 demonic inspired conditions on earth); for before his transference he had the witness that he had pleased God well. 6 Moreover, without faith it is impossible to please [him] well, for he that approaches God must believe that he is and that he becomes the Rewarder of those earnestly seeking him.

Thus in reality both the earth sheep and anointed sheep groups will have members who do not die the Adamic death or wildbeast kill.

D. Thus in spite of Christendom’s “rapture” wording error and timing error, a live anointed Christian transference is already in the scripture for the final fulfillment Christ arrival form:

(1 Thessalonians 4:17) Afterward we the living who are surviving will, together with them (ultimately all the other anointed group meanings), be caught away in clouds (Rev11:11-12, Rev16:17, Matt24:30-31) to meet the Lord in the air (Rev16:17); and thus we shall always be with [the] Lord.

E. Which “air” event of Christ comes in the seventh plague to seventh trumpet final chain reaction the 144000 “air” completion enables:

(Revelation 11:11-12) And after the three and a half days (the final pre 144000 completion period) spirit of life from God entered into them, and they (1) stood upon their feet, and (2) great fear fell upon those beholding them. 12 And (3) they heard a loud voice out of heaven say to them: “Come on up here.” (4) And they went up into heaven in the cloud (Matt24:30), and their enemies beheld them.

F. Thus those “clouds” of 1 Thessalonians 4:17, are at this event the same “clouds” of Matthew 24:30, and the “cloud” here, it is all the same 144000 completion events:

(Revelation 11:11-12) And after the three and a half days (the final pre 144000 completion period) spirit of life from God entered into them, and they (1) stood upon their feet, and (2) great fear fell upon those beholding them. 12 And (3) they heard a loud voice out of heaven say to them: “Come on up here.” (4) And they went up into heaven in the cloud (Matt24:30), and their enemies beheld them.

G. Thus in that 144000 completion, note that in that Revelation 11:1-12 event a number of things actually take place: (1) they “stand” (Matt13:43), (2) “great fear” is felt (Rev6:12-17), (3) a loud voice is “heard” (John12:28-31), (3) they went up (Matt24:31), and those things in that order actually have great meaning.

H. The overall “two witnesses” ministry that is deposed is a ministerial deposition of the final ministerial Kingdom warning (Rev10:11), ultimately by the 8th King, it does not mean all the anointed Christian remnant “die” but that their ministry is ceased (Matt10:23). But their ministry (Rev11:3) effects the final repentant to the degree purposed for that time and after.

I. Thus Revelation 14:13 “Happy are the dead” in this symbolic meaning:

(Revelation 11:13) And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake (144000 completion and combined effects of the prophetic milestones (like world government) leading to this milestone), and the rest became frightened and gave glory to the God of heaven.

J. Those “kills” are some people repenting in the final developments of this prophecy. The final “two witnesses” ministry and the milestone events that lead into it and will follow it will get through to some people of planet earth.

K. The final “two witnesses” final transformation of revivification of the 144000 completion in the “stood upon their feet” on earth first detail is
those earthly completion manifestations of the live transference and eventual full 144000 completion in the “come on up here” directive to the
anointed remnant “the living, who are surviving”. Those events are known to the repentant who “heard a loud voice out of heaven” after the “two
witnesses” ministry is deposed and the final symbolic “three and a half day” has expired. The earthly nature of this “stand” of the transformed “two
witnesses” means it has effects felt, heard and seen on earth by some as this process completes the 144000.

L. Any anointed Christians who died in the Revelation 6:9-11 are instantly resurrected into the 144000 forming spirit realm. (1Cor15:50-52); The
“their enemies beheld them” (Psa110:2) is the functioning 8th King world government system having already “ascended from the abyss” (Rev11:7) of
the “tribulation of those days” resolved (Matt24:29), the “time of distress” (Dan12:1) and inactivity of 8th King “world peace power” into that world
government final completion and presentation. Since Babylon the Great is still present at this time that is also an enemy system being made aware of
what will be unique events related to the end of the “two witnesses” ministry and the expiration of the symbolic “three and a half day” death state.

M. Thus some among Jehovah’s Christian witnesses and gathered Christian earthly “sheep” being secured in this finality of time will see these
things take place literally as some anointed will “not taste death at all until first they see they see the kingdom of God already come in power”
(Mark9:1) and neither will these earth “sheep” alive at that time “taste death” (Rev7:9-17), they will witness these final miraculous events and the
global extermination of the 8th King and the final period of Satan’s absyssing:

(2 Thessalonians 1:9-10) 9 These very ones (8th King and all the goats) will undergo the judicial punishment of everlasting destruction from before the Lord and from the glory of his strength, 10 at the time he comes to be glorified in connection with his holy ones (being completed into all 144000) and to be regarded in that day with wonder in connection with all those who
exercised faith, because the witness we gave met with faith among you. (“you” who are ultimately the final earth sheep who witness
for the posterity of the “coming system of things” all of these foretold events validating God’s prophecy,);

We know from prophetic cross references that the arrival of Christ does not immediately result in that “the end” event. (Matt24:14);

N. Thus as that “because the witness we gave met with faith among you” are living humans who witness prophecy fulfilling live and real-time in their
own lives as they “see” in person God sanctifying His holy name upon the enemy sovereign rival system to end their “one hour” of Satanic and 8th
King complete global rulership as foretold, they will see also some amazing “to be regarded with wonder” prelude fulfillments finalizing that must
precede the climax of Armageddon “war of the great day of God the Almighty”. (Rev16:13-16, 17:14);

Unified Prophecy and World Events Explained Before and As They Occur

1. There is not a prophecy in the Bible that will not have a final fulfillment or principle at work in the period that unifies all fulfillment into one grand
total fulfillment:

(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: “There will be no delay any longer; 7 but
the One who lives forever and ever, who created the heaven and the things in it and the earth and the sea
(brought to a finish)
the sacred secret of God according to the good news which he declared to his own
(slaves the prophets is indeed
(brought to a finish).” (the truth of that completion is all summarized in the “little scroll” of Revelation 10:8-

2. Since the “sacred secret” is “brought to a finish” before the 7th trumpet actuality of that “sacred secret” in Messianic Kingdom completion, “in the
days before the actuality of 7th trumpet, when the seventh angel “is about” to blow his trumpet, the full understanding of the “sacred secret” is
made known by the final “two witnesses” before the grand climax. One feature then known will be the prophecy fully replicates, it all repeats.

3. The first cycle, which was the basis of the announcement of God Kingdom crowning of Christ (Rev4-5), and the Messianic Kingdom “birth”
(Rev12:1-10), is repeated in prophecy for the final cycle of the Messianic Kingdom and 144000 completion as the 8th King is also completing their
own rival world government “disgusting thing” final global masterpiece in the “new world order” abomination.

4. Thus humans from both anointed and earth sheep groups will witness the final event of Christ’s arrival, with a full “little scroll” prelude
exploration, that will lead to the final completing of the live “sheep”, and the final judgment on Babylon the Great and the 8th King to equate to the whole “sheep” and “goat” world judgment that all these prelude developments were warning of.

5. God also receives the final “sacrifice” (Rev11:1) in living form in both the last of the anointed and earth “sheep” firstfruits of all offering groups:

(Zephaniah 1:7) Keep silence before the Sovereign Lord Jehovah; for the day of Jehovah is near, for Jehovah has prepared a
(sacrifice; he has sanctified his invited ones. (includes anointed and earth sheep offerings from Christ to God);

6. And thus Satanic and wildbeast “kills” are not going to fully overtake either the anointed or earth sheep final groups, in their own way each is
offered by Christ alive to God to cap of the completion of each group, the 144000 first to then oversee under Christ the global final “sheep sweep”
of the entire planet earth for humans Christ assesses as “sheep” and or recoverable sheep-to-be to become the last of the final sheep intake.

(Luke 9:27) But I tell you truthfully, There are some of those standing here (even now reading this scripture) that will not taste
death at all until first they see the kingdom of God.”
(Matthew 16:28) Truly I say to you that there are some of those standing here that will not taste death at all until first they see the Son of man coming in his kingdom."

(Mark 9:1) Furthermore, he went on to say to them: “Truly I say to you, There are some of those standing here that will not taste death at all until first they see the kingdom of God already come in power.”

7. The anointed sheep are completed first to become part of Christ’s final “sheep-turned-immortal gauntlet” of Messianic Kingdom protection. Thus these prophecies have a final fulfillment meaning of literal spiritual power and manifestation of a “son of God” being born in final form in front and among the earth “sheep” as God completes the 144000 from the globally distributed remnant enabling the full Kingdom of Christ completion, the Messianic Kingdom.

A. Thus these “sun” and “star” references to spirit being glory apply in final fulfillment to the final anointed Christian transformation:

(Matthew 13:43) At that time the righteous ones will shine as brightly as the sun in the kingdom of their Father. Let him that has ears listen. (a divine mandate);

(Daniel 12:3) 3 “And the ones having insight will shine like the brightness of the expanse; and those who are bringing the many to righteousness, like the stars to time indefinite, even forever. (the immortal transformation of the final anointed ones);

(Psalm 147:2) Jehovah is building Jerusalem; The dispersed ones of Israel he brings together. (gathers all the final sheep, anointed and earthling);

(Zechariah 9:16) “And Jehovah their God will certainly save them in that day like the flock of his people; for they will be as the (temple) stones of a (Messianic Kingdom “crown”) diadem (of Kingdom temple coronation) glittering over his soil.

8. Thus once that 144000 completion is carried out, all the earth “sheep” go under “wall of fire” divine protection as Zechariah 12:6-9, Zechariah 2:5 and Ezekiel 38 as “Jerusalem” becomes complete fully spiritual in power:

(Zechariah 2:3-5) And, look! the angel who was speaking with me was going forth, and there was another angel going forth to meet him. 4 Then he said to him: “Run, speak to the young man over there, saying, “‘As open rural country Jerusalem (as the earth domain the sheep come under) will be inhabited (by earth sheep), because of the multitude of men (great crowd) and domestic animals in the midst of her. (under guaranteed divine protection) 5 And I myself shall become to her,” is the utterance of Jehovah, “a wall of fire all around (in the Messianic “holy city” completion in spirit form), and a glory is what I shall become in the midst of her.

2. And this is why at the attack of Gog of Magog with the 8th King globalized “congregation”, to continue Revelation 11:7 8th King “bring many to ruin” operations into this post 144000 completion period, also has “open rural country” of what will be only earth “sheep” now with “no wall” of the former “holy city” anointed remnant:

(Ezekiel 38:10-12) “This is what the Sovereign Lord Jehovah has said, ‘And it must occur in that day that things will come up into your heart, and you (Satan and the 8th King in “one hour” of given authority) will certainly think up an injurious scheme; 11 and you must say: “I shall go up against the land of open rural country. (the domain of the global earth sheep now under Messianic Kingdom complete power) I shall come in upon those having no disturbance, dwelling in security (under the divine protection the
Joel 3:11b: “Lend your aid and come, all you nations round about, and collect yourselves together."

Ezekiel 38:7: “Be ready, and let there be preparation on your part, you with all your congregation, those congregated alongside you, and you (Satanic power) must become their (8th King “congregation”) guard.”

Zephaniah 1:6-10: “The Lord is righteous, and He is mighty in battle. He will soon punish all the lands. The crooked bow will not be used against the straight bow. The wicked will not rise against the righteous. For the Lord, who is righteous, will be a defense around the righteous, and the house of David, and the beauty of the inhabitants of Jerusalem. He must come in that day like a firepot among trees and like a fiery torch in a row of newly cut grain, and they must devour on the right [hand] and on the left all the peoples round about; and Jerusalem must yet be inhabited in her [own] place, in Jerusalem (the heavenly final form)."

A transformation is coming upon surviving anointed at this time, as discussed earlier:

(Ezekiel 38:7) “Be ready, and let there be preparation on your part, you with all your congregation, those congregated alongside you, and you (Satanic power) must become their (8th King “congregation”) guard.”

(Zechariah 14:6-7) “And it must occur in that day [that] there will prove to be no precious light—things will be concealed. And it must become one day that is known as belonging to Jehovah. It will not be day, neither will it be night; and it must occur [that] at evening time it will become light.

8 In that day Jehovah will be a defense around the inhabitants of Jerusalem; (By full Kingdom forces implied in Kingdom/temple completion previously described) and the one (humans) that is stumbling among them (inhabitants of Jerusalem; thus includes human counterparts in fullest meaning) must become in that day like David (a human symbol of faith miraculously filled with holy spirit – not stumbling any longer), and the house of David (144000 with Christ) like God, like (Michael Mighty God) Jehovah’s angel before them. (as the “wall of fire” of Zech2:5 protecting the “great crowd” at Armageddon period) And it must occur in that day (Armageddon) [that] I shall seek to annihilate all the nations that are coming against Jerusalem. (Including earthly interests of Ezekiel 38);

Joel 3:9-11a: “Proclaim this, you people, among the nations, ‘Sanctify war! (8th King serving global military expansion) Arouse the powerful men! Let them draw near! Let them come up, all the men of war! (God’s taunt to the 8th King to “be ready” for Christ. Ezek8:7) Beat your plowshares (expend national resources) into swords and your pruning shears into lances. (for global military expansion to fully prepare for the final divine war to end the 8th King permanently); As for the weak one, let him say: “I am a powerful man.” 11 Lend your aid and come, all you nations round about, and collect yourselves together.””

9. And why be ready, why must the 8th King prepare? To bring down the “holy angels” of Christ in this Matthew 24:31 parallel meaning:

Joel 3:11b: “To that place, O Jehovah, bring your powerful ones down. (Rev1:17-20);”
10. And that reminder of God and the guarantee the 8th King will meet their military end of the preparation, is to set up the parallel of the Revelation 16:13-16, Revelation 19:11-21 and Revelation 14:17-20 final judgment events:

( Joel 3:12-17) 12 “Let the nations be aroused and come up to the low plain of Jehoshaphat (Rev16:13-16); for there I shall sit in order to judge all the nations round about. 13 “Thrust in a sickle, for harvest has grown ripe. 14 Come, descend (Rev19:11-16), for [the] winepress has become full. 15 And the press vats actually overflow; for their badness has become abundant. 16 Crowds, crowds are in the low plain of the judgment decision, for the day of Jehovah is near in the low plain of the decision. 17 Then Sun and moon themselves will certainly become dark, and the very stars will actually withdraw their brightness. (Matthew 24:29, Joel2:31, Luke21:25, Rev6:12-17) 18 And out of Zion Jehovah himself will roar, and out of Jerusalem he will give forth his voice. And heaven and earth certainly will rock; (Rev16:17-18) but Jehovah will be a refuge for his people (Zech2:5), and a fortress for the sons of Israel. 19 And you people will have to know that I am Jehovah your God, residing in Zion my holy mountain. And Jerusalem must become a holy place; and as regards strangers, they will no more pass through her.

11. Thus surviving humans are going to see things no movie could possibly capture when this spiritual and physical confrontation of Armageddon “war of the great day of God the Almighty” reality comes forth worldwide and from space in that final period of time of the combined 8th King, Satanic and Messianic full power conflict and manifestations at universal scale with planet Earth as the battle zone of “Har” “Mageddon” in the totality of that spiritual meaning.

( Isaiah 24:21-23) And it must occur in that day that Jehovah will turn his attention upon the army of the height in the height (Satan and the demons), and upon the kings of the ground upon the ground. (the 8th King system) 22 And they will certainly be gathered with a gathering as of prisoners into the pit (8th King exterminations), and be shut up in the dungeon (of the Rev20:1-3 abyssing of Satan and the demons); and after an abundance of days they will be given attention. (at “judgment day” of the 1000 years and after) 23 And the full moon has become abashed, and the glowing [sun] has become ashamed, for Jehovah of armies has become king in Mount Zion and in Jerusalem and in front of his elderly men with glory. (all 144000);

It will be a grand finale at Armageddon “to be regarded in that day with wonder” by the survivors and victors of the final “war of the great day of God the Almighty”.

Happy Are The “Dead”

1. Now we know from the repeating nature of the prophecy as we project through the 3rd (1990) and 4th (future) UN placements of Daniel 8:23-25 and Daniel 11:27-45, and the information derivable from the cross registered prophecy that progression allows in its milestones, timing and details, that a final salvation period is what is being explained in the prophecy in the process.

A. And due to the Bethel apostate progression of the last 37 years, (Rev8:10-12) that understanding is being suppressed (Dan8:12) and for that and other reasons the final temple judgment must first clear away the Bethel "man of lawlessness" obstacle. (Dan8:13-14, Rev8:5, 1Pet4:17);

Thus the importance of the opportunity to repent at any time in this final progression of Daniel 8:14, Daniel 12:7 and Daniel 12:11 is actually to be made fully known actually in time aided by that Bethel foretold downfall and from the final prophetic cycle that temple judgment will be indicating and activating.

2. As touched on earlier in this article, the literal and symbolic nature of “death” in the final cycle and its prophecy is important to understand in the various final contexts that condition is referenced in. “Happy are the dead who die in union with [the] Lord from this time onward. Yes, says the spirit, let them rest from their labors, for the things they did go right with them” can have symbolic and spiritual meanings as well. This final period opens a repentance and salvation opportunity to the whole world like no other time in human history for it will see Christ arrive to aid the salvation process first.

3. Thus we see these spiritual references to repentance and “death” being connected for the spiritual meaning of “dying” to the former way of life will apply to many as the final sheep are secured:

(Romans 6:11-14) Likewise also you: reckon yourselves to be dead indeed with reference to sin but living with reference to God by Christ Jesus. 12 Therefore do not let sin continue to rule as king in your mortal bodies that you should obey their desires. 13 Neither go on presenting your members to sin as weapons of unrighteousness, but present yourselves to God as those alive from the dead, also your members to God as weapons of righteousness. 14 For sin must not be master over you, seeing that you are not under law but under undeserved kindness.

(Romans 6:1-2) Consequently, what shall we say? Shall we continue in sin, that undeserved kindness may abound? 2 Never may that happen! Seeing that we died with reference to sin, how shall we keep on living any longer in it?

(Romans 6:3) Or do you not know that all of us who were baptized into Christ Jesus were baptized into his death?

4. The “let them rest from their labors, for the things they did go right with them” is an assurance to “the dead” because at this point the reward realized under divine protection, is as good as a “rest” preceding the absolute total conquest of Jesus Christ. The full Kingdom “rest” will soon follow
and "go right with them" however the "death" may apply spiritual or literal. From this time period it will truly very soon “have come to pass” (Rev16:17) and be “brought to a finish” (Rev10:7) in every last detail.

5. Even if one is in the "angel "sheep" camp" of Christ to eye witness this all unfold “front row” before “the end”, it will “go right with them” from there to the absolute end and into the 1000 Year Reign of Christ “out of the “great tribulation” “four winds” of true 8th King intent vanquished..

(Luke 16:17) Indeed, it is easier for heaven and earth to pass away than for one particle of a letter of the Law to go unfulfilled.

6. Those that “die” the spiritual death-to-life repentance of Revelation 11:13 will also be coming under complete Messianic Kingdom protection in the Revelation 14:1 event and so they will “never die” as part of the “great crowd” as anyone repenting under the 144 000 completion will be separated into Christ’s final worldwide “sheep sweep” and into the camp of salvation to bypass any 8th King and Satanic attack attempts of Revelation 19:19-21 and Ezekiel 38.

(Zechariah 9:8) And I will encamp as an outpost for my house, so that there will be no one passing through and no one returning; and there will no more pass through them a taskmaster, for now I have seen [it] with my eyes.

7. As that guarantee precedes the full arrival when the full protection comes:

(Zechariah 9:9-9) "Be very joyful, O daughter of Zion. Shout in triumph, O daughter of Jerusalem. Look! Your king himself comes to you.

8. Thus this “happy are the dead who die” is also spiritual, a death to the way of the world to eternal life potential under Christ’s Messianic Kingdom guaranteed that people will actually start to become part of when Christ fully arrives and does what God and he says he is going to do when he removes the main 8th King earthly obstacle of the restoration. The final "sheep" enter alive the period of the happy ones:

(Daniel 12:12) “Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days!"

9. No “goats” enter that period. It is the final cut off defined in that only “the happy” enter that period. Plenty of warning will have been given and the righteous God and Christ make the final “sheep sweep” themselves of all planet earth with salvation as the final priority so there will be every opportunity given to become a “sheep” in that final period by Christ in spirit person with no human limitations or obstacles that cannot be fully overcome. (Matt10:23);

(Revelation 19:6-9) And I heard what was as a voice of a great crowd and as a sound of many waters and as a sound of heavy thunders. They said: “Praise Jah, you people, because Jehovah our God, the Almighty, has begun to rule as king. 7 Let us rejoice and be overjoyed, and let us give him the glory, because the marriage of the Lamb has arrived and his wife has prepared herself. 8 Yes, it has been granted to her to be arrayed in bright, clean, fine linen, for the fine linen stands for the righteous acts of the holy ones.” 9 And he tells me: “Write: Happy are those invited to the evening meal of the Lamb’s marriage.” Also, he tells me: “These are the true sayings of God.”

10. Of course more than just the “Bride” is “invited” to the “evening meal of the Lamb’s marriage” as we understand the fuller breadth of the final salvation offer to come through the final period of human civilization currently under “the ruler of this world” Satan “who will be cast out” into the “abyss” with his 8th King to be destroyed fully. (John12:31); Now we see the appeal made in Revelation 14:6-7 is connected to the post “great tribulation” outcome of Revelation 7:9-12:

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.”

11. Thus the “great crowd” has taken up the offer and will witness and experience what “salvation” means in this final period of Satanic and 8th King “hour of power” coming to its end:

(Revelation 7:9-12) After these things I saw, and, look! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb, dressed in white robes; and there were palm branches in their hands. 10 And they keep on crying with a loud voice, saying: “Salvation we owe! to our God, who is seated on the throne, and to the Lamb.” 11 And all the angels were standing around the throne and the elders and the four living creatures, and they fell upon their faces before the throne and worshiped God, 12 saying: “Amen! The blessing and the glory and the wisdom and the thanksgiving and the honor and the power and the strength [be] to our God forever and ever. Amen.”

12. And as shown previously this “Kingdom come” “down out of heaven” reality (Matt6:10, Rev21) in an earthly spiritually and fully accessible “New Jerusalem” and “Holy City Jerusalem” totality is why the “great crowd” is before the throne and why all creation is with this "Jehovah’s Day"
(Revelation 5:13) And every creature that is in heaven and on earth and underneath the earth and on the sea, and all the things in them, I heard saying: “To the One sitting on the throne and to the Lamb be the blessing and the honor and the glory and the might forever and ever.”

13. Though that was the earthly 1914-1918 period official ceremony of Christ’s heavenly crowning in God’s Kingdom prophecy it completes when Christ has both God’s Kingdom crown (Rev 6:1-2) and the Messianic Kingdom and Temple “King-Priest” crown (Rev 19:11-16) as complete God anointed and appointed “King of kings”.

(Revelation 21:5-7) And the One seated on the throne said: “Look! I am making all things new.” Also, he says: “Write, because these words are faithful and true.” 6 And he said to me: “They have come to pass! I am the Alpha and the Omega, the beginning and the end. To anyone thirsting I will give from the fountain of the water of life free. 7 Anyone conquering will inherit these things, and I shall be his God and he will be my son.

(Matthew 19:28-29) Jesus said to them: “Truly I say to you, In the re-creation, when the Son of man sits down upon his glorious (Messianic Kingdom) throne, you who have followed me will also yourselves sit upon twelve thrones, judging the twelve tribes of Israel. (the entire global earthly domain of Christ) 29 And everyone that has left houses or brothers or sisters or father or mother or children or lands for the sake of my name will receive many times more and will inherit everlasting life.

(Romans 8:19-22) For the eager expectation of the creation is waiting for the revealing of the sons of God. 20 For the creation was subjected to futility, not by its own will but through him that subjected it, on the basis of hope 21 that the creation itself also will be set free from enslavement to corruption and have the glorious freedom of the children of God. 22 For we know that all creation keeps on groaning together and being in pain together until now.

Seven Full Final Years of the Final “Week” of Salvation

1. As shown earlier the Daniel 12:7 and Daniel 12:11 timed periods are all open for salvation. That certainty is shown by the Revelation 14 final sequence that transpires in that period. Other scriptural cross references also affirm the meaning of these final two timed periods of Daniel 12:7, and 12:11, as well as the final period altogether of Daniel 12:12.

2. That approximate seven year period of Daniel 12:7 1260 and Daniel 12:11 1290 days combined, with the prophetically used lunar year cycle of 360 days, is 2550 days as 7.083 years. That “seven years” is the “full week” of open opportunity, as marked and specially identified in prophecy with global and spiritual milestones to affirm each period. But the “seven day” divine allowance principle shown in other scriptural principles. The Daniel 12:7 1260 days and the Daniel 12:11 1290 day periods equate to an approximate seven year “week” of open salvation opportunity.

A. Thus the “seven” of spiritual completion, the “week” and the “seven year” references here below are speaking of divine periods of judgment open for salvation or showing the seven completion principle with a divine signal of some sort.

“Seven Day” Allowances and Signs of Former Judgments

1. This period of seven days was fully open to anyone wanting to enter Noah’s ark with the final animals that were brought in in some divinely aided manner in this period. By having a miraculous sign of animals streaming to the ark in these seven final days a signal was given. In the seven final days humans could enter the ark as well, seven days known by God’s prophet and “preacher of righteousness” Noah who also must have made this statement publicly:

(Genesis 7:4) For in just seven days more I am making it rain upon the earth forty days and forty nights; and I will wipe every existing thing that I have made off the surface of the ground.”

2. Now as Christ fulfilled this prophecy we also have another “seven day” picture in a “week” of years of divine allowance to take advantage of a covenant opportunity. The events surrounding Christ’s ministry and sacrificial death and resurrection were the “sign” for this period of open spiritual salvation:

(Daniel 9:27) “And he must keep [the] covenant in force for the many for one week; (Dan12:7 + Dan12:11) and at the half of the week (Rev11:3) he will cause sacrifice and gift offering to cease. (Rev11:7-10); A. The pattern in the above is another spiritual ministry is also to cease as the final anointed Christian “two witnesses” ministry is deposed at the end of another 3.5 year, 1260 day period ending in its own “half of the week” of Daniel 12:7 and Daniel 12:11.

3. The below shows a period of a seven based cycle was given as a sign before the divine action on Jericho:

(Joshua 6:4) And seven priests should carry seven rams’ horns, before the Ark, and on the seventh day you should march round the city seven times and the priests should blow the horns.
4. Those these timings affirm God uses whole seven gauged periods for things related to judgment and salvation, the prophetic framework of cross references for this final period is far more explanatory as to the meaning of Daniel 12:7 and Daniel 12:11 defined milestones of the final Kingdom warning and invitation (Dan12:7) and the actual period of Christ’s arrival and full Messianic Kingdom completion. (Dan12:11);

In The End Christ Can Apply His Sacrificial Ransom Purchase to Anyone Recoverable

1. Even some of those not knowing they are “sheep” are present as they ask Christ: “when did we see you hungry?”. Thus it is Christ who knew they would become his “sheep” not they themselves, and this means Christ is applying his sacrificial purchase and covering through the “great tribulation” global baptism of Armageddon. So these are truly very new or uninformed final earth “sheep”, even unaware of this scripture at that time:

(Matthew 25:37) Then the righteous ones will answer him with the words, ‘Lord, when did we see you hungry and feed you, or thirsty, and give you something to drink?

2. Thus these people “loved their neighbor” as themselves for they could not perceive a “brother” from any other person on planet earth, they helped out Jesus Christ’s “least of these my brothers” as anointed Christians, but also as the only “brothers” left at that time, the earth “sheep” for the 144000 will be completed at Revelation 14:1-5 when this judgment is fully rendered as the Revelation 14:14-16 parallel. In the end any unknowing “good Samaritans” aiding a neighbor or Christian brother or sister will receive a very unexpected surprise: salvation, and that in the climax of all Adamic human history.

3. The such an assessment to be made for the “sheep” and “goat” distinction is of a divine judgment power, not human, and in the concept of global “sheep” and “goats”, that is everyone even surviving the 8th King final agenda, that is a global assessment capability of every last man, woman and child of earth as only God and Christ as the appointed judge knows the potential and true heart condition of all persons and has the power to carry out such a final assessment.

4. And the certainty of such mercy of Christ repaid to merciful humans is already scriptural and logical at the same time. Thus we can leave the all judgment assessments to God and know the final period has a first objective of salvation and there is no limitations of that Messianic Kingdom power to care for all humans and things brought under its final power which will be occurring at that time.

5. The principle is in what Paul was describing at Romans 2:12-16 as “these people, although not having law, are a law to themselves” and denoted a special time this will apply to as “the day when God through Christ Jesus judges the secret things of mankind”. Though that must apply in the 1000 year “judgment day”, that “day of judging secret things” starts under the Messianic Kingdom completion as its first priority after Revelation 14:1-5, is sheep salvation first, and that takes superhuman powers to assess every human alive at that time. We know from Matthew 10:23 the human Christian ministry cannot reach every human on earth due to human limitations and men “suppressing the truth in an unrighteous way”. (Rom1:18):

(Matthew 10:23) When they persecute you in one city, flee to another; for truly I say to you, you will by no means complete the circuit of the cities of Israel until the Son of man arrives.

The Dawn of the Day of Judging the Secret Things of Mankind

1. Christ has to finish his own ministerial works. (Acts1:11); The Messianic Kingdom completion is just the start of the means to accomplish that full completion for this period of time, and that 1000 years period of time yet to come and in fact all eternity. Thus this Messianic Kingdom completion oversee judgment of Matthew 25:31-46 and its Revelation 14:14-20 parallel is applying this principle Paul plainly connected to a specific time in human history*

(Romans 2:12-16) For instance, all those who sinned without law will also perish without law; but all those who sinned under law will be judged by law. 13 For the hearers of law are not the ones righteous before God, but the doers of law will be declared righteous. 14 For whenever people of the nations that do not have law do by nature the things of the law, these people, although not having law, are a law to themselves. 15 They are the very ones who demonstrate the matter of the law to be written in their hearts, while their conscience is bearing witness with them and, between their own thoughts, they are being accused or even excused. 16 This will be “in the day when God through Christ Jesus judges the secret things of mankind, according to the good news I declare.

2. Thus Christ can assess the potential for a person to be recovered into his Kingdom because not all humans will hear the “good news”, but all people are ultimately God’s property already and also His by Christ’s ransom purchase from the Adamic destiny of death. Christ is the appointed judge who carries out everything thoroughly and justly and to the last man, woman and child then fully under his power. But to him what he already did in his sacrifice proves that great effort brought to a completion in that death, and what led to it, will continue for the purpose he accomplished it for: TO SAVE HUMAN BEINGS. Mercy and salvation are Christ and God’s priority.

(Romans 9:14-16) Is there injustice with God? Never may that become so! 15 For he says to Moses: “I will have mercy upon whomever I do have mercy, and I will show compassion to whomever I do show compassion.” 16 So, then, it depends, not upon the one wishing nor upon the one running, but upon God, who has mercy.
Christ Made the Sacrificial Purchase Value and Will Complete the Purchase Itself

1. And since if Christ made such a purchase of recoverable humans in the manner he did sacrificing his own life and suffering a miserable death in that process, of course Christ is going to apply that for life, rather than more death, for the ones he can personally recover with all the powers of the full Kingdom of God at that “particular time” of his final manifestation. Of course Christ did not go through all that to not also extend the full salvation offer and power that is held in that sacrificial death – salvation is the very reason why Christ did what he did, of course he is going to exercise its ultimate purpose.

(1 John 2:2) And he is a propitiatory sacrifice for our sins, yet not for ours only but also for the whole world’s.

2. Why would Christ extend such effort to save people, then when in full power not also extend it further in the same manner of vigilance and with greater power than the manner he first extended the salvation effort with to complete the ACTUAL PURCHASE? Did Christ die for nothing which would be the case if he did not make the final extension? Of course Christ is going to use ALL his power to save those willing or recoverable to the same degree of thoroughness he already displayed in carrying out the mission in the first place.

(Isaiah 53:12) For that reason I shall deal him a portion among the many, and it will be with the mighty ones that he will apportion the spoil, due to the fact that he poured out his soul to the very death, and it was with the transgressors that he was counted in; and he himself carried the very sin of many people, and for the transgressors he proceeded to interpose.

3. As well, God did not provide such a valuable ransom, to be made available in that manner that Christ provided it, to not apply that purchase to things HE IS BUYING wherever possible where life can be bought, rather than death which would equate to a total loss. Why would God not “spend” the “riches” acquired in Christ’s sacrifice toward valuable human life “purchases” alive, rather than just throw it away and not “spend” it as true “undeserved kindness” for even the ignorant in the final period of time? Such a forfeited purchase for instead valueless death would equate to: nothing. Is that what God went through all this time, trouble and process for? Nothing?

4. Christ, the one who actually provided the atonement in perfect blood sacrifice “payment” is of course going to extend as much effort for the saving power of that atonement as he did in offering it up in the first place. Anything less would be logically incomplete, and he is now a God, the Mighty God, he is not going to turn back now. Let us exercise some faith here, let us take it to the limit when in fact the reality has no limitations. Why have faith if not to take it past its current bounds? Have we forgotten what Christ truly did and why? Have we fallen asleep here? (Matt25:5);

5. Are we to expect Christ went through all that ministry, to the railroading false accusation, dragged back and forth for a Jewish Sanhedrin Kangaroo court condemnation by night, more public humiliation by day, spit and beatings, the total indignity applied under completely false pretenses, public flogging and an excruciating death whipped and beaten and nailed and hung on a stake to be mocked and to just die a minute at a time for HOURS, and Christ is now not going to extend as much determination and vital energy to ACTUALLY APPLY THE BENEFITS OF ALL THAT HE WENT THROUGH? Christ is not going to make the actual purchase after all that? Of course not.

Why will not Christ expend the same effort to actually apply his sacrificial purchase, but now in Mighty God form and proportions of power, that is now well beyond his former perfect human powers and original God aided human effort?

There is no reason why Christ would not do this, the only problem is “from among you yourselves men will rise and speak twisted things to draw away the disciples after themselves” and with those “twisted things” is the override of the once valid Jehovah’s witnesses ministry at a time in human and prophetic development when these things could be explained completely and proven from scripture and even plain logic and common sense.

This is why Jehovah’s witnesses do not perceive these things as the whole ministry now works against the very truth of
Sacrificial Undeserved Kindness

Set in Opposition to Undeserved Kindness

1. We Jehovah’s witnesses of today have allowed a celebrity council of self glorified CEOs parading around as “God’s chosen” to apply to themselves, in a mundane corporate “board of directors”, a false scripturally “mandated” “Governing Body” illegal authority with their “lifted up” further “faithful slave” self-approval judgment divine claims, now applied to this actual abomination, now fully “set in opposition” as vain traditions and Bethel promoted distractions cloud Jehovah’s witnesses focus. (2Thess2:1-4, 9-12; 2Cor13:11-15);

2. Bethel did all this while gradually eroding (Dan8:12) the very concept and actuality of Christ’s sacrifice and its “undeserved kindness” truth as it is inversely negatively affected by such lawless hubris and self-righteousness of mere men glorifying their own works – and teaching Jehovah’s witnesses to do likewise. It is now to the point Jehovah’s witnesses are now earning salvation by a Bethel legal “law covenant with themselves” just as falsely as the Bethel “evil slave” is claiming to be the “faithful slave”, it is all fictions that are supporting the same central illusion, delusion and apostasy – it is now a full blown “operation of error” in final form at the last place and point Christian truth used to be coming forth from. (Zech3:1-3);

And this is not even including the prophetic cover up they are also involved in while being adjoined to the United Nations as a 3rd UN placement UN NGO! This is all just the tip of the iceberg of Bethel leaven-works. Of course an apostasy and override of such proportions and mastery, in the last place any Christian truth was coming forth from 1914-1969, will be in prophecy and it will in time trigger a big judgment.

Temple Judgment and Truth Recovery

1. Undeserved kindness and the sacrificial merit of Jesus Christ has to again become the central focus of the broadest possible salvation message of the Messianic Kingdom completion which will apply that broadest possible salvation to all persons possible as the Messianic Kingdom, in completion, is the means of that final salvation fulfillment. (Rev11:7-13, Rev14); Thus the truth in prophecy must also emerge from the current spiritually inebriated state of Jehovah’s witnesses and that will take a divine action and judgment of “prophetic proportions”. (Dan8:13-14, Zech3:1-7, 2Thess2:8);

But the objective is not condemnation of all Jehovah’s witnesses, but a wake up call (Matt25:1-13), truth recovery (Rev10, Mal3:1-2) and the final ministerial mission. (Rev10:11, Zech3:6-7);

2. And that temple judgment divine action of accounting and “trampling” (Dan8:13-14, Rev8:3-5) will occur because Jehovah’s witnesses by Bethel apostate lead and subversion override have now narrowed the true breadth of the salvation reality to a small pedestal of Jehovah’s witnesses “organizational requirements” with a “gnat straining” greasy tightrope to ascend to that slippery idol trophy stand. It is now a fiction based on the works and ministerial performance of past Christians who did respect undeserved kindness and did expose the UN 8th King live and real-time as prophecy. (1919-1969);

3. Now that organizational constellation of mere human intermediaries playing self-glorified spiritual “middle men” has also formed amidst a nest of lawless public scandals, like the UN NGO, that the Governing Body ringleaders have administered. This true apostate condition of Bethel (Rev8:10-11) is now “befouling” (Zech3:3) the last forty years (Rev8:12) of Jehovah’s witnesses public reputation while repulsing people who can clearly see the global public hypocrisy really at work right from Bethel all as “policy”. (2Pet2:1-3);

4. In the process a massive discrediting campaign is fed from internal Bethel actions and scandal, to external supporting “critics” on the Web who helpfully explain how and why to be stumbled by Bethel and why it proves the whole Jehovah’s witnesses ministry is one big lie, like the Governing Body. One of their big targets is the significance of the 1914 ministry, prophecies and world events. By that discrediting the original pattern that explains the final pattern is put at a discredited disadvantage to some believing the critics. Thus the Bethel core lawlessness is a well connected labyrinth of the stumbling effects of the apostasy of Daniel 11:32-35, 41 as a byproduct of the “man of lawlessness” now guiding and retarding the Jehovah’s witnesses ministry gradually applied. (Dan8:12);

Bethel Dumpty Sat on a Wall

1. Thus blowing down the Bethel organization in some massive manner (Dan8:13-14) will blow open the doors of salvation to extend far beyond the Jehovah’s witnesses now manmade citadel of apostasy induced lockdown and dungeons of error. (Rev8:3-5); Those events of the temple judgment will also mark the prophecies that have activated and the eventually affirming certainty of the further prophetic cycle it will have activated fulfilling fully over several final years of this “system of things” all marked, once active, in unique prophecy leading to the core prophetic replication in final
fulfillment.

2. And though of course “goats” must be found in the end, many more people than estimated by today’s shrinking JW island will be invited in final form as the final guaranteed living “sheep” into the final salvation through global milestone events already marked in the first prophecy cycle and ministry of Jehovah’s witnesses. Thus the foundational truth of Jehovah’s Christian era witnesses will be preserved as God and Christ are really who made all that come about in the first place, they are just backing a second witness to reaffirm the first one. (Rev10:11);

*If one witnessing of the “two witnesses” did not get through to some people, and has now been overrun (Dan11:41) by the Bethel spiritual criminal horde furthering eroding credibility, a second witness is to be given (Rev10:11) to reaffirm the whole prophecy as certain to bring Christ as God’s “Firstborn into the inhabited earth” again, but in final form. (Heb1:6);*

3. And the purpose will be salvation first priority to complete the Messianic Kingdom by completing the 144,000 first. Under that Kingdom and final crowning of Christ by God, set by God as the Temple “crown stone”, Christ will oversee all that previosly viewed in Revelation 14.

**Christ Completes His Own Ministry**

1. Thus in the final judgment “particular time” Christ can assess what can and cannot be recovered as applicable to this “particular time” of the final world judgment. It was already plainly stated Christ would complete his own ministry:

*(Matthew 10:22-23) 22 And you will be objects of hatred by all people on account of my name; but he that has endured to the end is the one that will be saved. 23 When they persecute you in one city, flee to another; for truly I say to you, you will by no means complete the circuit of the cities of Israel until the Son of man arrives.*

2. Thus it is righteous of God and Christ to leave the final global assessment in divine hands and that that salvation drive will out prioritize even the destruction of the 8th King system. When Christ arrives with full powers of the Mighty God (Isa9:6) no demon or human is going to stop or impede his power to do whatever he wants to accomplish fully. Plus as we see God and Christ will be overseeing what is actually a highly detailed final prophetic progression, based on a well known initial fulfillment merely repeating in final form with certain unique commencement prophecies to become clearly identified when they activate and progress. The 8th King cycle will be in its quadruple form and its use of world war and global tribulation is now predictable as the formulaic world-war-to-world-government cycle used three previous times.

3. Thus all the milestones enroute to 8th King world government as a milestone in itself will in time be far better known by the final ministry recovered from the temple judgment in an active “tribulation of those days”, all milestones enroute to Christ’s arrival. And that Messianic Kingdom completion to finish the progression of milestones will have plenty of warning and time, year over year, to even appeal to the whole enemy system and to individuals globally, that anyone can repent at anytime even through Christ’s arrival! Christ is the final judge as appointed by God and his priority is salvation first.

4. Humans were purposed to take part in the ministry to the point the “two witnesses” were “persecuted” to the finale of the allowance. (Rev11:7-10, Matt10:23); That final warning and final permission of 8th King sovereign rule is expired in that completion of the 1260 days in the final “two witnesses” of Kingdom announcements. That is allowing in both of the “two” “witnesses”, of 1914-1918 and that future final witness, a 2520 day “seven times” absolute final “appointed times of the nations” final extension. (Dan4:16, Luke21:24); Thus the principle of divine allowance in the “appointed times of the nations” related to the 2520 year sovereign permission was extended in the “two witnesses” an additional 2520 days, after that 2520 years expired, of their total witnessing concerning God’s Kingdom in two ministries, each marked by the same prophecy, merely repeating in final form.

5. All those completions lead to the final judgment sequence into which the 8th King will also fall and is the Revelation 19:11-21 parallel of Revelation 14:17-20 as all of Revelation 14:1-20 completes after God has fully used the 8th King for His own purpose including removing Babylon the Great and eventually turning their own weaponry upon themselves in addition to the eventual coup-de-grace angelic operations by super human powers that the 8th King will then assuredly receive as the final divine salvo as “it is righteous on God’s part to repay tribulation to those who make tribulation for you” ending the 8th King “one hour” at the Armageddon divine war phase. (Am9:1-3, Zech14:12-15, Hag2:22, 2Thees1:6-10);

**V. The World Judgment; (Revelation 14:14-20)**

**The Sheep**

1. The final earth “sheep” parallel of the final living sacrificial offering of the live “sheep” of Matthew 25:31-46 is in this final sequence as the “sheep” are secured before the final complete world judgment of Revelation 14:14-20 completes, first in the final sequence is the “harvest of the earth” “sheep” of the “great crowd”:

*(Revelation 14:14-16) And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the temple [sanctuary], crying with a loud voice to the one seated on the*
cloud: “Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe.” 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped.

2. That sequence is of those “invited to the evening meal of the Lamb’s marriage” (Rev19:6-9) in final fulfillment meaning of the final “sheep” “guests”. Because the “Bride” is “invited” by default as the complete 14,4000 who originally needed to make that invitation complete, the final earth sheep are who are entering the official ceremony under the complete Eternal Father Christ and his “wife” “Bride” in all 14,4000 the implied “Eternal Mother” empowered by that final marriage ceremony.

3. It is no stretch of the imagination to finally apply the anointed Christian patterns to their eventual “children” in the earthling “sheep” heading into the perfection and restoration process to become such for real. And there is now way Christ as Eternal Father is not going to invite his own children-to-become to his own marriage:

(Revelation 19:6-9) And I heard what was as a voice of a great crowd and as a sound of many waters and as a sound of heavy thunders. They said: “Praise Jah, you people, because Jehovah our God, the Almighty, has begun to rule as king. 7 Let us rejoice and be overjoyed, and let us give him the glory, because the marriage of the Lamb has arrived and his wife has prepared herself. 8 Yes, it has been granted to her to be arrayed in bright, clean, fine linen, for the fine linen stands for the righteousness acts of the holy ones.” 9 And he tells me: “Write: Happy are those invited to the evening meal of the Lamb’s marriage.” Also, he tells me: “These are the true sayings of God.”

(Isaiah 54:10-13) 10 For the mountains themselves may be removed, and the very hills may stagger, but my loving-kindness itself will not be removed from you, nor will my covenant of peace itself stagger,” Jehovah, the One having mercy upon you, has said. 11 “O woman afflicted, tempest-tossed, uncomforted, here I am laying with hard mortar your stones, and I will lay your foundation with sapphires. (14,4000, Rev21:14-21) 12 And I will make your battlements of rubies, and your gates of fiery glowing stones, and all your boundaries of delightsome stones. 13 And all your sons will be persons taught by Jehovah, and the peace of your sons will be abundant. (ultimately those are the “sons” of the Bride from that “covenant of peace” “marriage”);

(Psalm 45:16) In place of your forefathers there will come to be your sons, Whom you will appoint as princes in all the earth.

4. Thus the very meaning of the “kingdom come” to earth and the “holy city” “coming down from heaven” is that it is to be spiritually accessible to humans in ways beyond human understanding or imagination. Its heavenly spirituality will be more real and accessible than the current materiality found outside of the Edenic estate of paradise in today’s lost world in the sin, lies and death under Satan’s power.

(Revelation 21:2) I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband.

(Revelation 21:9-11) “Come here, I will show you the bride, the Lamb’s wife.” 10 So he carried me away in [the power of the] spirit to a great and lofty mountain, and he showed me the holy city Jerusalem coming down out of heaven from God 11 and having the glory of God.

5. To prove this we understand Revelation 22 will have been read by anointed Christians who eventually “enter” and become the “New Jerusalem” portion of “heavenly Jerusalem” so they define the “body” of this “city”. Thus logically they are not ultimately the ones also “entering” themselves in that “city” they already define as their own “gates”, this is for humans to access the same “trees of life” of the restored Edenic earthly paradise estate:

(Revelation 22:12-15) “Look! I am coming quickly, and the reward I give is with me, to render to each one as his work is. 13 I am the Alpha and the Omega, the first and the last, the beginning and the end. Happy are those who wash their robes, that the authority [to go] to the trees of life may be theirs and that they may gain entrance into the city by its gates. 15 Outside are the dogs and those who practice spiritism and the fornicators and the murderers and the idolaters and everyone liking and carrying on a lie.’

6. All these things have a final fulfillment through and after the 1000 year reign. The 14,4000 were not in and of themselves as the whole purpose of the restoration work of “last Adam” but the means to achieve the restoration of human perfection, the Paradise Earth and “garden” and all creation, “ALL things made new”. Now knowing the prophecy repeats to final fulfillment where applicable we can put together the final meanings Bethel simply ignores and fell asleep on at the critical period of awareness.

(Revelation 22:1-3) 22 And he showed me a river of water of life, clear as crystal, flowing out from the throne of God and of the Lamb 2 down the middle of its broad way. And on this side of the river and on that side [there were] trees of life producing twelve crops of fruit, yielding their fruits each month. And the leaves of the trees [were] for the curing of the nations. 3 And no more will there be any curse.

7. And that “curse” is the death curse of Genesis 3:14-17. So these are finally human realities to come under Christ’s reign and power.
And it must occur that every living soul that swarms, in every place to which the double-size torrent comes, will get life. And it must occur that there will be very many fish, because there is where this water will certainly come, and the [seawater] will be healed, and everything will be alive where the torrent comes.

“And alongside the torrent there will come up, along its bank on this side and on that side, all sorts of trees for food. Their leafage will not wither, nor will their fruitage be consumed. In their months they will bear new fruit, because the water for them—it is coming forth from the very sanctuary. And their fruitage must prove to be for food and their leafage for healing.”

Daniel 12:12 Exclusive Invitation Period

1. Daniel 12:7 and 12:11 are open salvation periods that will have ended by the time Daniel 12:12 begins.

2. The “third watch” “marriage” connection is in the third Daniel 12 timing, the Daniel 12:12 period of the “evening meal” above, also foregleamed here:

3. By that time of Daniel 12:12 the “third watch” is all earth “sheep”, “happy are they”. That is how we know that period is the post final judgment apparently “marriage of the Lamb” “reception” for “guests” who must be more then the “bridal” 144000 “herself”. The “great crowd” of earth sheep, under divine protection from the Messianic Kingdom complete heavenly and universal forces, are the “virgins in [the Bride’s] train” as the Bride “descends” to earth’s final rulership:

4. The “palace of the King” is where the “evening meal of the Lamb’s marriage” takes place. In final fulfillment arrival of Christ and the Messianic Kingdom completion that “palace” is present “on” earth as the location of the “let your Kingdom come” destination (Matt6:10) in spiritual power of earth’s final Messianic Kingdom rulership, the full fulfillment of that “model prayer”.

5. This is how “those invited” and the “virgins in her train” of earth “sheep” and the “harvest of the earth” “great crowd” are “before the throne” and “in the temple” “they will enter the palace of the King” as the final “offering” of the High Priest Christ (Zeph1:7) because this “holy city”, “bride”, “temple” and “kingdom” comes to earth in full power in full completion upon the 144000 completion:

And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more. And I saw the holy city, New Jerusalem (the 144000), coming down out of heaven from God and prepared as a bride adorned for her husband, (not yet officially married);
6. That is how the “great crowd” can be “before the throne” for it will be then “come down from heaven” as the human “harvest of the earth” is offered in the completed “temple” also present in spiritual power “on earth” to where the “Kingdom comes”:

(Revelation 7:9-17) After these things I saw, and, look! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb (after its “coming down out of heaven”), dressed in white robes; and there were palm branches in their hands. 10 And they keep on crying with a loud voice, saying: “Salvation [we owe] to our God, who is seated on the throne, and to the Lamb.” (Rev4:1) 11 And all the angels were standing around the throne and the elders and the four living creatures, and they fell upon their faces before the throne and worshiped God, 12 saying: “Amen! The blessing and the glory and the wisdom and the thanksgiving and the honor and the power and the strength [be] to our God forever and ever. Amen.” 13 And in response one of the elders said to me: “These who are dressed in the white robes, who are they and where did they come from?” 14 So right away I said to him: “My lord, you are the one that knows.” And he said to me: “These are the ones that come out of the great tribulation, and they have washed their (existing lives) robes and made them white in the blood of the Lamb, (these are not “given white robes” as in Revelation 6:9-11 in the first resurrection, these wash their existing “robes”, they never die) 15 That is why they are before the throne of God, and they are rendering him sacred service day and night in his temple: (the complete 144000 and “crown stone” completion. Zech4:6-9) and the One seated on the throne will spread his tent over them. (Rev21:1-5, Isa54) 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat (Rev6:9), 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life. (Rev22:1-3; Eze47, because it is Adamic humans who need further guidance to sinless perfection in “last Adam”) And God will wipe out every tear from their eyes.”

7. By the time that “great crowd” is fully delivered to God the 144,000 are complete and these “sheep” below are also all earthling surviving “sheep” pulled into the salvation “great crowd” by Christ’s powers, not humans:

(Matthew 25:31-40) “When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne. (Rev4:1, the Messianic Kingdom “throne” complete, 144000 complete, Christ’s final Messianic Kinging complete; Dan7:26, Matt19:28) 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand, but the goats on his left. 34 ‘Then the king will say to those on his right, ‘Come, you who have been blessed by my Father, inherit the kingdom prepared for you from the founding of the world. 35 For I became hungry and you gave me something to eat; I got thirsty and you gave me something to drink. I was a stranger and you received me hospitably; 36 naked, and you clothed me. I fell sick and you looked after me. I was in prison and you came to me.’ 37 Then the righteous ones will answer him with the words, ‘Lord, when did we see you hungry and feed you, or thirsty, and give you something to drink? 38 When did we see you a stranger and receive you hospitably, or naked, and clothed you? 39 When did we see you sick or in prison and go to you?’ 40 And in reply the king will say to them, ‘Truly I say to you, To the extent that you did it to one of the least of these my brothers, you did it to me.’

8. The “least of these my brothers” though applying to anointed Christians must also apply to all of Christ’s “brothers” as they are anointed Christians’ brothers and sisters and are all that are remains on earth when the 14,400 complete. And since Christ did sit on his God given throne in God’s Kingdom to carry out the final ministry, this “sheep and goat” “separation” has had a preview, but this will be the literal final separation of the “harvest of the earth” “sheep” out of the Armageddon global divine war battle-zones that Christ and the full Kingdom of God and Messianic Kingdom will wipe out the 8th King and all oppressors within after they have pulled out every recoverable human being of planet earth which assessment “sheep sweep” will cover every square inch of planet Earth. (Amos 1-3;)

(Luke 17:34-37) I tell you, In that night (Rev6:12 “night” of the “sackcloth sun”, Matt24:29-31) two [men] will be in one bed; the one will be taken along, but the other will be abandoned. 35 There will be two [women] grinding at the same mill; the one will be taken along, but the other will be abandoned.” 36 —— 37 So in response they said to him: “Where, Lord?” He said to them: “Where the body is, there also the eagles will be gathered together.”

Prophetic Repeat

1. As shown in Revelation 14 even Christ’s arrival is not the immediate end. But even before that event the temple judgment will overtake the now apostatized Jehovah’s witnesses ministry to clarify out (Mal3:1-2) the final prophetic truth and the “little scroll” explanation of the completion of all things (Rev10:5-11). That completion includes the required 8th King world governmental completion from a global “tribulation of those days” that resolves (Matt24:26) prior to the arrival of Christ. Thus that segway of global and spiritual developments will have covered a final period that will have manifested some extraordinary monumental global milestones even before Christ arrives that will mark those prophetic periods of Daniel 8:14 eventually leading to Daniel 12:7 and their overall temple judgment and final warning period themes. (Rev11:2-3, Dan7:25, Rev13:5;)

2. And we know from prophecy, with an initial pattern now repeating in final form, and a second witness to be being given to reaffirm the first “two witnesses” for those not catching on yet, that the whole prophetic record of global sovereign development and spiritual temple development has all these details now unified across the Bible in this unified final “little scroll” prophetic summarization. It is all converging all prophecy into one truly
grand climax picturing the whole Adamic history, the whole 7th King rise and fall-to-come, the whole tribulation, the whole 8th King progression and ascension to world government, and the whole 100 years of the Jehovah’s witnesses ministry and its message again (Rev10:11) which made all this known in the first “two witnesses” and after, **in preview form** – for it all REPEATS.

A. Now it is all coming together into the prophetic framework that ties it all together and explains its real meaning, even all “conspiracy theory” can be fit into this overall sovereign developmental framework for it reveals many micro-histories of globalist “two horned wildbeast” and 8th King rather secretive supporting activities.

*The simplest awareness is the whole prophecy REPLICATES IN FINAL FULFILLMENT over several final years. (Rev8-11, Rev15-16, Dan12); The essence is as the 8th King completes world government, which that global gauging will lead to, that world government completion that will trigger Christ’s arrival.*

3. Daniel 12 provides the milestone meanings and timed periods that will underlay Revelation 8-11 “seven trumpet” replication and Revelation 15-16 “seven plague” replication in gauging sequence based on the Jehovah’s witnesses interpreted preview in the first pattern, but now in final form leading to 8th King world government then Christ’s full permanent arrival to settle the sovereignty issue of this universe and planet earth permanently.

**Daniel 8:14 timing in time leads to Daniel 12:7 as Revelation 11:2-3 as Daniel 11:42-45 final 8th King global developments progress into Daniel 12 final fulfillment convergence.**

4. And from these things in prophecy, though denied by many and hindered by the Bethel apostate stall due to “lifted up” opposition to the final truth, many people will see global events that will be “portents” (Luke21:25), the signals of things changing even now in the global political, military and financial scene to support the final world government presentation. In time, for some, these events will become undeniable not only in and of themselves, but that they have already been in the prophecy waiting to emerge from a temple judgment. Many of these people will be in the “harvest of the earth”, there will even be final anointings that the final truth being made known will aid from the temple judgment jolt. (Rev8:3-5);

*Since it all repeats this is not an “interpretation”, this is an awareness of that guaranteed prophetic replication. It all REPEATS on the original ministerial and sovereign pattern of 1914-1916 in Daniel 12. This explanation is merely updated for the 3rd (1990) and 4th (future) UN placements and the post 1990 global developments that support the real prophetic understanding, rather than the Bethel post-1990 full subversion designed to conceal this final truth. (Dan8:12); This explanation merely puts 8th King prophecy since 1990 into its proper place in the Daniel 8 and 11 final sequences.*

5. The temple judgment will forever change the Jehovah’s witnesses ministry and render Bethel and its lawless (Zech3:3) “Governing Body” impotent, exposed, and purged (Isa66:6) as per the prophecy. (Dan8:13-14, Rev8:3-5, Mal3:1-5, Zech3:1-5, 2Thess2:8); This is because as per the prophecy (Dan8:11-14, Dan11:30-32, 41) the 8th King “trampling” of Daniel 8:13 of the near future multi-year period of judgment on anointed Christians (Dan8:14), is aided from within Bethel by infiltration (Dan11:41) enabled by an anointed defection forty years ago that was in preparation from before then for times unknown. (Dan11:30-32);

In any case Jehovah’s witnesses did expose the first two UN placements as prophecy leading to Armageddon, but they will also have to expose the final two UN placements from this initial temple judgment process. And thus “columns of smoke” from that Revelation 9 final fulfillment “abyss” will be seen by the world and in time its implication will be connected to prophecy and that initial signal judgment event. (1Pet4:17):

*(Joel 2:30-32) “And I will give portents in the heavens and on the earth, blood and fire and columns of smoke. 31 The sun itself will be turned into darkness, and the moon into blood, (as a global Hag2:7 wake up call) before the coming of the great and fear-inspiring day of Jehovah. (Matt24:30-31 parallel) 32 And it must occur that everyone who calls on the name of Jehovah will get away safe; for in Mount Zion (Rev14:1 Messianic Kingdom dominion earthly planetary capture) and in Jerusalem (the 144000 completion with Christ) there will prove to be the escaped ones, just as Jehovah has said, and in among the survivors, whom Jehovah is calling.”*

**The Goats**

1. The “goat” parallel is the finality of the Revelation 14 sequence as the final world judgment priority. Into this final judgment “winepress” the 8th King basically built on earth, the 8th King is also tossed and pulverized by God and Christ and the required waves of holy angelic and Kingdom powers to complete the sovereign removal. Yet we understand as well earthly natural forces can also be used to swallow up the 8th King. As well their own weapons system can be turned upon themselves. All these things have been foregleamed in prophecy. Whatever it is, however it manifests, it will be the complete end of the 8th King system.

2. It is no accident the global “sheep sweep” occurs before this finality and has already separated the “sheep” out of this symbolic global Armageddon battle-zone on earth:

*(Revelation 14:17-20) And still another angel emerged from the temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp*
sickle, saying: “Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe.” 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city, and blood came out of the winepress as high up as the bridle of the horses, for a distance of a thousand six hundred furlongs.

3. These are all parallel prophecies of the same final world judgment period:

(Matthew 25:41-46) “Then he will say, in turn, to those on his left, ‘Be on your way from me, you who have been cursed, into the everlasting fire prepared for the Devil and his angels. 42 For I became hungry, but you gave me nothing to eat, and I got thirsty, but you gave me nothing to drink. 43 I was a stranger, but you did not receive me hospitably; naked, but you did not clothe me; sick and in prison, but you did not look after me.’ 44 Then they also will answer with the words, ‘Lord, when did we see you hungry or thirsty or a stranger or naked or sick or in prison and did not minister to you?’ 45 Then he will answer them with the words, ‘Truly I say to you, To the extent that you did not do it to one of these least ones, you did not do it to me.’ 46 And these will depart into everlasting cutting-off, but the righteous ones into everlasting life.”

(Revelation 19:19-21) And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

(Ezekiel 38:18-23) 18 “And it must occur in that day, in the day when Gog comes in upon the soil of Israel,’ is the utterance of the Sovereign Lord Jehovah, ‘that my rage will come up into my nose. 19 And in my ardor, in the fire of my fury, I shall have to speak. Surely in that day a great quaking will occur in the soil of Israel. 20 And because of me the fish of the sea and the flying creatures of the heavens and the wild beasts of the field and all the creeping things that are creeping on the ground and all mankind that are upon the surface of the ground will be bound to shiver, and the mountains will actually be thrown down and the steep ways will have to fall, and to the earth even every wall will fall.’ 21 “And I will call forth against him throughout all my mountainous region a sword,’ is the utterance of the Sovereign Lord Jehovah. ‘Against his own brother the sword of each one will come to be. 22 And I will bring myself into judgment with him, with pestilence and with blood; and a flooding downpour and hailstones, fire and sulphur I shall rain down upon him and upon his bands and upon the many peoples that will be with him. 23 And I shall certainly magnify myself and sanctify myself and make myself known before the eyes of many nations; and they will have to know that I am Jehovah.’

(Ezekiel 39:5-7) “Upon the surface of the field you will fall, for I myself have spoken,’ is the utterance of the Sovereign Lord Jehovah. 6 “And I will send fire upon Magog and upon those who are inhabiting the islands in security; and people will have to know that I am Jehovah. 7 And my holy name I shall make known in the midst of my people Israel, and I shall no more let my holy name be profaned; and the nations will have to know that I am Jehovah, the Holy One in Israel.‘

4. Now we know why before all that occurs for only the incorrigible of the human race, a totally complete fair warning and open invitation for salvation will have been given, and its validity will even be extended by Christ even past his arrival so people can willingly choose salvation if they desire. And in the case of those not in the “complete circuit of Israel” ministry, Christ can assess them with salvation as his first objective.

The Repeating of Much of Revelation in Final Fulfillment Aids Awareness of Final Cycle Details

1. The important truths to realize are revealed from the awareness of the repeating prophecy and examining the whole final sequence with this in mind. Today’s Jehovah’s witnesses, in the midst of a Satanicallly backed and foretold final apostasy (2Thess2:9, Zech3:1-3), right inside Bethel, do not understand any of this information of required completions. And that purposeful ignorance aided by Bethel’s so-called “doctrinal unity”, now full of contradictions and stalled error, aids the same premature expectation “to the effect Jehovah’s day is here” also marking this particular 2 Thessalonians 2:1-4 prophecy as (1) the apostasy, the (2) Bethel version final “man of lawlessness” and (3) the premature expectation are all present right at Bethel making this apostate reality undeniable. (2Thess2:1-4, Dan8:12, Dan11:30-32, 41);

2. Bethel stalling Jehovah’s witnesses foundational understanding, which is now not just prophesies that need to complete with world events that need to complete, but common sense logic, is also a sign they are but actors plagiarizing the past, playing busy in “the Kingdom ministry”, looking their part, but in prophetic reality they are just lulling Jehovah’s witnesses into the final cycle with false expectations as led by the Bethel “confirmed UN NGO drunkards”.

Essentially the required completion that must have a true climax cycle based on the first cycle of 1914-1918 (Dan12:7), 1919-1922 (Dan12:11), 1922-1926 (Dan12:12) is completely unknown to Jehovah’s witnesses.

3. The whole temple judgment requirement is unknown to Jehovah’s witnesses. The whole final UN cycle requirement is unknown to Jehovah’s
witnesses. The whole 144,000 completion requirement is unknown to Jehovah's witnesses. Of course Bethel's apostate state is also unknown to Jehovah's witnesses and is why Jehovah's witnesses cannot progress past 1969 understanding of not just prophecy, but of world developments as well. For example modern globalization and world government developments are never explained by Bethel in modern relevancy or as shown in prophecy by modern military, financial and political news developments. Modern events “in light of Bible prophecy” are never written down on Bethel's darkened cave walls.

4. Now the manner in which the replication already has the final cycle explained within the first cycle is also unknown to Jehovah's witnesses. Thus Jehovah's witnesses are missing much information and by this derailing are being set up for other purposes in the final cycle that will eventually require a covert divine intervention, as the temple judgment runs its course, as covered in Daniel 8:13-14, 26, Zechariah 3:1-7, Malachi 3:1-5 and Revelation 8:1-6 temple judgment parallels. (Hos1:4-7)

5. An important truth is the apostasy at Bethel must be judged before any of the final milestones manifest. (Dan8:13-14, Rev8:3-5, 1Pet4:17); The temple judgment is the first milestone that will shake Jehovah's witnesses' earth” in Revelation 8:3-5 repeating as Daniel 8:13-14 unique temple judgment prophecy starting the whole final Revelation 8-11 cycle that culminates in the true finality of Revelation 14’s 7th trumpet event details of parallel Revelation 11:15-19.

6. Thus the completion requirement of Revelation 10:5-8 leads to another Kingdom proclamation, the second of the “TWO witnesses” in “you must prophesy again with regard to peoples and nations and tongues and many kings”. (Rev10:11); And that “prophesy” is in relation to the 8th King world government completion as a requirement that will trigger Christ's arrival AFTER, not “during”, the “tribulation of those days” that must also have a final application to the temple judgment and the final “two witnesses” 1260 day witnessing and “42 month” “trampling of the holy city” (Rev11:2-3, Dan12:7, Dan7:25) in the finality that aids the 14,4000 completion.

7. The “little scroll” summarizes the Messianic Kingdom completion requirement and certainty of this “sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish” explained fully in that final “little scroll” Messianic Kingdom completion proclamation before the full actuality of the actual Messianic Kingdom event of the 7th trumpet:

(Revelation 10:5-11) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: “There will be no delay any longer; 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.” 8 And the voice that I heard out of heaven is speaking again with me and saying: “Go, take the opened scroll that is in the hand of the angel who is standing on the sea and on the earth.” 9 And I went away to the angel and told him to give me the little scroll. And he said to me: “Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey.” 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter. 11 And they say to me: “You must prophesy again (the second of the “two” “witnesses”) with regard to peoples and nations and tongues and many kings.”

The Final Global Sheep Sweep

1. Thus the whole 1260 day period of the final witnessing to emerge from the temple judgment purification (Zech3:4-8, Rev8:7-12, Rev9) into an active “tribulation of those days” that ends (Matt24:29) with the “war with” the “two witnesses” in final form deposed (Rev11:7-10) by the scarlet “wildbeast that ascends from the abyss” into world government (Rev11:1-7), is open for sheep salvation and provides a final repentance “rocking the nations” “wake up call” period. (Hag2:7, Matt25:1-13); Revelation 16 seven plagues is that final “rocking” and people can repent during that period.

2. Thus the first four plagues of global “rocking” parallel the first four trumpets that announce the temple judgment (Rev8:1-6) alarm to first Jehovah’s witnesses as Revelation 8:7-12 in true final fulfillment live and real-time. The next two plagues parallel the Revelation 9 “abyss” of temple desolation (Dan8:13, Zech3:2) release in the next two trumpets, 5 and 6, of the Revelation 9 recovery of the Christian ministry from the modern Bethel apostasy to the “you must prophesy again” awareness and acceptance. Thus that whole development is to parallel Haggai 2:7 and Revelation 15:16 in true final fulfillment that the original ministry of Jehovah’s witnesses previewed for purposes of some final human repentance.

The replication of the “two witnesses” reaffirms the original “two witnesses” pattern with a second but full fulfillment finale.

3. This means as the “two witnesses” are deposed (Rev11:7-10) to soon go into the 14,4000 completion of Revelation 14:1 when the “three and a half days” death state expires (Rev11:11-12), that will transition the Daniel 12:7 1260 day ministry into the Daniel 12:11 1290 day period starting, in which period the “three and a half days” death state must transpire as the “constant feature is removed” as that Daniel 12:11 marker. The 8th King world government “they will place the disgusting thing” in final form is the other Daniel 12:11 milestone marker.

4. Thus Revelation 11:13 effect of repentance for some can also continue into the 14,4000 completion period in the Daniel 12:11 1290 days advanced into its timing in some manner. The final period leading to Christ’s arrival is that symbolic “three and a half days” death state of the deposed anointed Christian final ministry that must expire before Christ arrives, into his arrival. It is “in that hour” of the “one hour” of 8th King world government. It is also in the Daniel 12:11 period.

5. The 14,4000 completion also empowers the final Messianic “Court” of final world judgments of Babylon the Great, the 8th King and total world
Christ Completes His Own Ministry in Spirit Person

1. Thus Christ truly will “subdue in the midst” of the 8th King world government “enemies” and we are starting to understand just why the 8th King starts getting more and more disturbing “reports”, including the “little scroll”, as this truly unwinds for real. (Dan11:44-45); Christ personally finishes his own ministry not by human aid (Matt10:23), but by the whole Messianic Kingdom final authority upon the whole 144000 completion with “all the angels” and “with the clouds”, which is symbolized in parallel meaning here and is a very important post 144000 completion meaning:

(Revelation 14: 6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.” (Thus people can still respond after the 144000 completion which also aids the process.)

(Zechariah 14:5) And Jehovah my God will certainly come, all the holy ones being with him.

2. Since this is after the 144000 completion of Revelation 14:1, the post “three and a half days” Revelation 11:11-12 parallel, it is in the Daniel 12:11 final 1290 day period of open salvation that Christ and the whole Messianic Kingdom and Kingdom of God are overseeing the final “sheep sweep” globally, while the 8th King is in its final “one hour” of full world government completion.

3. The Daniel 12:11 1290 day period must transition to full 144000 completion and full Messianic Kingdom protection of the “sheep” Christ is securing at that time as first priority after the 144000 shown completing that “balance” here:

(Zechariah 12:7-9) “And Jehovah will certainly save the tents of Judah first (anointed remnant gathered fully before earth sheep at Mark 13:27 sequence), to the end that the beauty of the house of David (previously glorified anointed spirits with Christ “David”) and the beauty of the inhabitants of Jerusalem (collective whole “little flock”) may not become too great over Judah. (Kingdom domain); (144000 completion “beautification “balance” is met) 8 In that day Jehovah will be a defense around the inhabitants of Jerusalem: (By full Kingdom forces implied in Messianic Kingdom/temple completion previous) and the one (humans) that is stumbling among them (inhabitants of Jerusalem; thus includes human counterparts in fullest meaning) must become in that day like David (a human symbol of faith miraculously filled with holy spirit – not stumbling any longer), and the house of David (144000 with Christ) like God, like (Michael Mighty God) Jehovah’s angel before them. (as the “wall of fire” of Zech2:5 protecting the “great crowd” at Armageddon period) 9 And it must occur in that day (Armageddon) [that] I shall seek to annihilate all the nations that are coming against Jerusalem. (Including spiritual Jerusalem’s earthly interests);

4. Thus that development is this “wall of fire” of the “Jerusalem” “holy city” of Revelation 11:3 going fully spiritual:

(Zechariah 2:5) “And I myself shall become to her, is the utterance of Jehovah, “a wall of fire all around, and a glory is what I shall become in the midst of her.”

5. Because the “holy city” final “trampling” of Revelation 11:3, 7-10 aids completion of the 144000 that Christ secures first upon arrival (Matt24:30-31, Rev11:11-12), the “holy city” is then a true potential “wall of fire” superior to any Satanic (Eze38:7) or 8th King forces (Rev19:19-21, Ez38:18-20) and the earth sheep being “gathered” in that final full Messianic Kingdom “sheep sweep” are “without wall” on earth, for the “holy city Jerusalem” will be in spirit form 100%, all 144000 under the Christ final Kinged state:

(Ezekiel 38:10-12) “This is what the Sovereign Lord Jehovah has said, ‘And it must occur in that day that things will come up into your heart, and you will certainly think up an injurious scheme; 11 and you must say: “I shall go up against the land of open rural country, (the global earth sheep state on earth) I shall come in upon those having no disturbance, dwelling in security, all of them dwelling without wall (all 144000 are no longer on earth), and they do not have even bar and doors.” 12 It will be to get a big spoil and to do much plundering, in order to turn your hand back upon devastated places inhabited and upon a people gathered together out of the nations (Satanic and 8th King attempt to kill the earth sheep final “harvest of the earth”), [one] that is accumulating wealth and property, [those] who are dwelling in the center of the earth. (the “center” of the earth is the “great crowd” “sheep” nucleus of the “new earth” to be fully founded upon complete Messianic Kingdom conquest);

6. Thus it is very important to understand that contrary to the Bethel “end of the world” delusion and premature expectation error, the full 1260 days final warning period and the full culmination of the Messianic Kingdom 1290 day period, amidst huge global milestones of 8th King world government completion (Dan11:45, 12:11) and proclamations (1Thess5:1-3), are fully open for repentance and salvation. (Rev11:13, Gen7:4, Josh6:4, Dan9:27) Thus God and Christ will broaden the salvation certainty and offer as the liars of Bethel and its lawless apostasy are removed with their closed off, repelling and over burdened “shut up the Kingdom” override.
Christ assesses all mankind personally for final “sheep” and “goat” determination not limited by human power.

7. The temple judgment is what removes the apostasy which overall judgment cycle “starts with the house of God”, as explicitly shown in 1 Peter 4:17. It cannot start with Babylon the Great as Bethel uses such diversions to also bypass the fourth and final 8th King cycle of prophecy to instead cover up all this required completion development yet to come, and the Bethel planned internally aided downfall can also be sold off to deluded Jehovah’s witnesses in this final period as “prophecy fulfilling”. It will be temple judgment prophecy fulfilling, not the falsely applied prophecies prematurely expected by Jehovah’s witnesses now promoted from anti-Christian manifested Bethel apostates and 8th King infiltrators marking instead the final apostasy. (Dan11:30-32, 41; 2Thess2:1-4, 8, 10-12; Zech3:3);

The temple judgment Daniel 8:13-14 activates Revelation 8:3-5 as the temple judgment parallel, and Revelation 8-11 activating as the final cycle. Daniel 11:42-45 is the 8th King cycle that converges into Daniel 12’s final fulfillment cycle that underlays Revelation 8-11 and Revelation 15-16 seven gauged sequential developments of spiritual meanings on the temple (Rev8-11) and on the world (Rev16).
