Your Deliverance is Getting Near!—The Question is: Deliverance to What?

(Commentary on The Watchtower July 15, 2015 "Your Deliverance is Getting Near" Article. Download PDF Version 7.0)

Background Reality

This "deliverance to what?" question is asked, because in reality an entire world government producing final great global cycle must fully run to world government completion (Dan11:41-45), well before the actual arrival of Christ. Thus "the end", for real, is several years away at this time. So, that being the case, we really need to examine what Bethel is trying to accomplish contrary to that final cycle certainty and final warning truth that must eventually come forth (Rev10-11), with this article's delusional forecasts and well engineered JW illusions.

In addition, given Bethel UN NGO and cover up of the 1990 3rd United Nations presentation "placement" as a third step of four in prophecy toward full world government, suspecting Bethel of pinnacle modern apostasy guided in their "Governing Body" headed leadership, is not out of the question. Further, Bethel's pre-approved "faithful" delusions are also equally as suspect and required to ply and support their main premature "end of the world" delusion among Jehovah's witnesses buying the overall grand deception.

Thus we can rightly wonder overall, what is Bethel really up to?

But we can also know they do not fool God, and He has long ago fully foretold Bethel's modern apostasy, and their UN NGO fornications that just so happened to emerge with that well concealed, also fully foretold, 3rd UN presentation of 1990 as it was the main event of the soon following UN NGO Bethel global-endorsement. The same prophecy Bethel diverts in Daniel 8 and 11, already foretells their apostasy is in connection with that 1990 3rd UN presentation and their UN NGO partnership with it is also part of the same prophecy.

The period Jehovah's witnesses are actually about to enter, is the foretold final temple judgment cycle that develops and runs its course before 8th King world government completes, which global-milestone triggers Christ arrival—thus there is more than just the 3rd UN presentation and Bethel's UN NGO apostasy being covered up by Bethel and the premature end delusion is also an earmark of modern apostasy.

(2 Thessalonians 2:1-2) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of you not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is here.

Now what is that saying?

Don't get hyped up by a fake premature end delusion by claimant "anointed" "apostles"!

(Revelation 2:2) 'I know your deeds, and your labor and endurance, and that you cannot bear bad men, and that you put those to the test who say they are apostles, but they are not, and you found them liars.

Now what is that Christ first commendation saying?

Put the claimant lying "apostles" to the scriptural test!

Now if Jehovah's witnesses really "Stand up straight and lift up their heads, because" they think their "deliverance is getting near" they are going to be standing out there for several years in Daniel 8:14 timing, well before even world government completes, until eventually they figure out something is wrong here. (And since this is what will happen to many JWs, please be patient with them, it will take time for them to wake up fully. (Matt25:1-13; Dan8:14,26))

Background: How and Why to Mislead and Delude Modern Jehovah's Witnesses

There are several key anti-Christian objectives that make Jehovah's witnesses a known target for organized ministerial subversion:
To end the anointed Christian ministry now apostatized at Bethel prematurely by deception and illegal Bethel presumed “divine authority”. (Dan11:41; 2Thess2:1-4,11-12)

To continue to ignore, cover-up, and truncate modern 8th King UN related prophecy progress and globalization expansion to help implement world government. (Dan8:12)

To throw Jehovah's witnesses into a global-hoax while the Bethel organization is taken over under cover of the "prophecy is fulfilling" delusional cover. (2Thess2:1-2,11-12)

To trap as many Jehovah's witnesses as possible by use of the compromised apostate and infiltrated Jehovah's witnesses organization. (Dan8:12-13)

To delay, bewilder and scatter Jehovah's witnesses with falsely applied premature prophetic delusions so as not to make the concluding connections and summary, in an attempt to abort the final anointing (Rev12:17), final sealing (Rev7:1-4) and final "second witness" warning (Rev10:11-11:7), and thus abort the much required Messianic Kingdom completion.

To attempt a complete divine rejection of Jehovah's witnesses (Zech3:2) by the introduction of progressive transgression (Zech3:1) and serious UN UN NGO alliance. (Dan8:13, Dan11:30-32a)

To undermine the Jehovah's witnesses organization as much as possible in attempted corporate deposition, global legal entanglements and global-seizure of assets and properties.

To sever the final United Nations continuum to the final "place the disgusting thing" as world government over this final cycle as a UN 1-2-3-4 continuous development since the first 1914-1919 cycle of prophecy. (Dan11:44-45; Dan12:11; Dan8:25; Rev17:8-18)

These anti-JW organization developments will instead fulfill apostate signal prophecy and the final temple judgment cycle marker of the final prophetic cycle just beginning. (Dan8:13-14; Rev8:3-5; Zech3:1-9)

What must occur before the real "conclusion of the system of things":

The foretold Bethel apostasy must climax (Dan11:41, Dan8:13), in global JW "established place" anti-ministerial coup (Dan8:11), be judged, accounted and exposed in the temple judgment process (Dan8:13-14), for anointed Christian recovery and purification (Zech3:4-5; Mal3:1-5), as first in that process. (1Pet4:17; Rev8:3-5)

The 7th King nation-state "old world order" system must fall in the "tribulation of those days" as the transition that expires before Christ arrives (Matt24:29-31), into 8th King "ascension" of the "new world order" into world government. (Dan11:45; Dan12:11; Dan8:25; Rev17:8-18)

During that period anointed Christians are recovered (Matt25:1-13; Zech3:4-9; Rev9:10), and the final 1260 days "little scroll" warning of the "second witness" of the "two witnesses" must deply and be completed (Rev11:1-7), as the anointing and affirmation sealing completed in that required final warning commission being carried out. (Matt24:45-51; Rev10:5-11; Zech3:6-8; Zech4:6-9; Isa6:6-8; Matt25:1-13)

The "tribulation of those days" final cycle 8th King world government prelude fully expires, and resolves, first into full world government prior to Christ's arrival. (Matt24:29-31; Dan11:41-43)

8th King "World Government" must complete (Rev16:13-16), be full "scarlet wildbeast" globally functional (Dan11:45, Rev17:8-18) and "world peace" stated (1Thess5:1-3; Dan8:25a). This is because that final global-milestone "one hour" of 8th King global reign (Rev17:12) in full world government, and its final defiance to God's Kingdom (Rev11:7-10) triggers Christ's arrival (Rev11:11-12; Matt24:29-31) and final sovereign response of God Almighty (Zeph3:8). That final Armageddon full divine confrontation occurs not before, but AFTER, that final 8th King "King North" world government completion requirement has culminated globally.

That takes several more years and all of it is outlined fully in the prophecy Bethel is now diverting.

Therefore a final cycle of global developments are yet to complete before "the end", as in reality Bethel is deluding Jehovah's witnesses so as to misperceive events to begin that final cycle (Dan11:41-43) as if it is the end well premature of reality. This JW grand delusion, aided by premature expectations and prophetic claims (2Thess2:1-2) will make Jehovah's witnesses globally vulnerable for further misleading coup objectives.

In reality 8th King world government must complete and that milestone development will help many people globally, understand the true nature of this developments for they will in time, when fully completed, trigger Christ's arrival and the Bible actually does map the whole process. Thus entering the Jehovah's witnesses ministry to conceal these truths is a top oppositional system priority:

(Daniel 11:30) And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

Since judgment for serious sins in the unfaithful fallen Bethel ministry (Rev8:10-11) will manifest "trampling" and "desolation" events upon Bethel for a grandly marked temple judgment phase marker (Dan8:13), Bethel wants to misrepresent those Bethel judgment epicenter events with an entirely deceptive false-prophetic and misapplied cover.

The massive potential financial, military and religious instability in the world, climaxing in a final cycle of ramifications on the national sovereignties massive sovereign debt, will provide the needed global impressions to support this Bethel delusion among Jehovah's witnesses.

The Jehovah's Witnesses Judgment as a Precursor Teaching Pattern for Coming World Judgment

So that people are not fully bewildered by this massive JW organizational downfall, now being covered up by Bethel by a grand delusion and eventual future full JW global hoax the delusion will empower, for a period of time (Dan8:14), the overall salvation purpose is to use this Revelation 8 parallel temple judgment to picture the final global judgment (Rev8-11) that it will be but beginning, and to highlight, by Jehovah's witnesses eventual clarification recovery, the larger final global call of a final open salvation period and invitation in full form to all the world. (Matt25:1-13, Rev9-11)

Thus there will be a recovery to shed the final Christ welcoming light and Bethel's apostasy fully explained along with everything they are covering up will aid that final enlightenment.

(Matthew 25:6-7) Right in the middle of the night there arose a cry, 'Here is the bridegroom! Be on your way out to meet him.' Then all those virgins rose and put their lamps in order. (all will be trying scrambling to get the "lamps", and thus "light", in order at the same time)
(Hosea 6:1-3) “Come, you people, and do let us return to Jehovah, for he himself has torn in pieces (temple desolation) but he will heal us. He kept striking, but he will bind us up. 2 He will make us alive after two days. On the third day he will make us get up, (relating to the Daniel 8:14 “evening” of desolation ending) and we shall live before him. 3 And we will know, we will pursue to know Jehovah. Like dawn, his going forth is firmly established. (temple recovery cannot be reversed) And he will come in like a pouring rain to us; like a spring rain that saturates [the] earth.” (temple recovery);

Thus what is daunting now and to come, will indeed produce the whole of the book of Lamentations upon Jehovah’s witnesses and eventually "suit up" the whole final ministry in "dressed in sackcloth" total humiliation and awareness of the real grander judgment reality coming as repentance and admission is motivated first in Jehovah’s witnesses. But at the very same time, a great "morning" of final enlightenment (Dan8:14-26) will also come in, and the great certainty of what has actually activated will also bring in the "robes of state" (Zech3:4-9) of the guaranteed anointed completion that will enable the Messianic Kingdom completion ultimate milestone in tangent with Christ's arrival for final coronation.

(Zechariah 14:5) And Jehovah my God will certainly come, all the holy ones being with him.

So now wonder one cannot find the sun in the sky come that time:

(Zechariah 14:6-7) “And it must occur in that day [that] there will prove to be no precious light—things will be concealed. 7 And it must become one day that is known as belonging to Jehovah. It will not be day, neither will it be night; and it must occur [that] at evening time it will become light.

And though Christ will be coming with God and the whole Kingdom of God in billions upon billions of holy angels, he will be completing the open salvation mission of Revelation 14 first.

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.”

But in the meantime...

7th King National System Downfall Will Offer Great Opportunity for Mass Global Delusions

Because the 7th King “fall” in “King South” national sovereign required deposition (Dan11:42-43) will be a massive set of global events that take time, yet cannot actually be “the end” yet, but are prophetic requirements to complete, those global scale events of Daniel 11:41-43 initial global developments, well before world government “ascension” (Dan11:44-45; Rev17:8-18), can manifest global turmoil—the “tribulation of those days”. The initiating events of that period, as long as these apostates are in the JW house, can be then fully presented to Jehovah’s witnesses to reinforce “the end” impression prematurely, as the central smokescreen delusion will in time get a JW “self fulfilling prophecy” “global fulfillment” as the delusion becomes the global JW hoax for the Daniel 8:14 “evening” period.

The "King South" nation-state system global national sovereign debt and financial implosion (Dan11:42-43), and final global-"sword-stroke" and "healing" cycle (Rev13),to enable the final 8th King "abyss plunge" and final "ascension" into world government (Rev17:8-18) will be globally "rocking" developments (Hag2:7) that many will try to be interpreting correctly (Matt25:8) —but instead many will be influenced by premature “the end” delusions and expectations, not just Jehovah’s witnesses.

Thus in reality this final world government producing cycle will give great opportunity to mislead many globally by use of premature expectations and engineered deceptions.

(Matthew 24:23-25) “Then if anyone says to you, ‘Look! Here is the Christ,’ or, ‘There!’ do not believe it. 24 For false Christs and false prophets will arise and will give great signs and wonders so as to mislead, if possible, even the chosen ones. 25 Look! I have forewarned you.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand.

(Daniel 8:12) And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

(Daniel 11:30) And he will actually go back and hurl denunciations against the holy covenant and act effectively...

Although this kind of deceptive world development has been active, there comes times in history when the opportunity to climax the deception is presented: we are reaching such a time, and Jehovah’s witnesses are the main truth target, already now well subverted as foretold. All that remains is to complete that terminal spiritual profanation coup to the premature actual cessation of the JW ministry. (Dan8:11, Dan11:41)

Premature Prophetic Fulfillment Claims and Jehovah’s Witnesses Expectations

We have to understand a fundamental reality of howSatan and leading apostates and impostors at Bethel can mislead Jehovah’s witnesses. There is one technique of extreme usefulness available: Premature application of very real prophecy way too soon (2Thess3:1-2), to be used for other anti-ministerial purposes. Such prematurity is the only option because every element in prophecy will fulfill, is believed by Jehovah’s witnesses, and can thus only be hijacked and applied too soon for other goals.

Thus the ONLY thing the subverting opposition can do is take those prophecies and apply them prematurely for other purposes, and introduce error to cover up prophetic reality—but premature delusions are the most effective means of deception, hence 2 Thessalonians 2:1-2.

Though they can maintain errors in the prophecies to divert and bypass Jehovah’s witnesses, the ultimate use is to create a delusion of prophetic fulfillment, backed by real events, that are not actually the prophecy they claim is fulfilling, nor is it at the actual position in
time the prophecy must really fulfill.

Then they take those events coming "soon, very soon", and make them look like the prophecy of "the end" is truly activating—by use of pre-programmed expectations in the JW collective psychology by hijacked and rearranged prophecy. By that kind of deception, when these events actually manifest, hopped up Jehovah's witnesses are then vulnerable to "life saving direction" from "Jehovah's organization" which is now just a front of subversion of the oppositional world government camp now working inside of Bethel. (Dan11:32a,41; Dan8:12)

Now such a development as this just described, has required Jehovah's witnesses to be made progressively out of date and retarded, not just in prophecy, but in world and prophetic progress as a whole, up to this point, over the last thirty years. (WT 3/15/15)

This requires Bethel to have bypassed modern global developments that are forming 8th King world government for real, as a global maturing process, and ignore these signal global developments (Luke21:25-26) that are now active significant propheticancies in progress, so that Jehovah's witnesses also ignore the true global progress of the world government objective, and do not recognize the final cycle requirement and meaning. (Rev16:13-16; Joel3:9-12; Dan11:36-40)

This has been accomplished by bypassing JWs past the 1990 post Cold War United Nations presentation, the 3rd United Nations prophetic fulfillment of four, as if it was insignificant, not in prophecy, and advisable to join with as UN NGO global co-promoters.

That was the key prophetic and global UN event bypass in 1990, that has allowed Bethel to continue to deceive Jehovah's witnesses to continue to ignore such monumental world government indications. In addition, Bethel's apostasy with their global UN NGO partnership, and this prophecy cover up, also marks their "unrestrained" apostate emergence as conveniently Fred Franz also fell off the scene in 1992. (Dan11:30-32, Dan8:11-12, 2Thess2:1-12)

Along with ignoring a 3rd UN presentation actually in prophecy, all post 1990 globalization expansions of 8th King supporting globalist "two horned wildbeast" administered financial, technocratic and military systems, and major global military and financial events, are also ignored as policy by Bethel. Thus globalization (Rev16:13-16 main "gathering" global force) and its elite Anglo-American leading globalist proponents of world government, and its very real global development are also not described by Bethel in the detail modern research and global events allow.

Thus, after 30 years of such "simplification" as stated "In recent years, the spiritual instruction provided by Jehovah's organization has reflected an increased emphasis on simplicity and clarity", Jehovah's witnesses now also have a totally outdated world view of globalization progress and its main world government objective. It is not "Jehovah's organization", it is a UN organization, and its emphasis is JW retardation, diversion and corruption.

In short, by now, Jehovah's witnesses have no idea what is going on in the world, or the world government development —they live in an endless 1976. Jehovah's witnesses have also ceased tracking all four UN presentations at the 1945 2nd UN presentation. Thus the 3rd (1990) and 4th UN (future) presentations, the last of which is to be full world government, UN 1-2-3-4, is not known by Jehovah's witnesses. Thus JWs, by such prophetic and global developmental truncation, are ripe for expecting "the end" and that Bethel grand delusion—1945-1975 was the end all for JW spiritual progress.

At the same time, the true state of the nation-state "old world order" system's financial condition is also ignored by Bethel, when in fact the 7th King sovereign downfall debt setup (Dan11:42-43) can also be demonstrated by global research pertaining to the final removal of national sovereign financial barriers now separating all the nations from true world government.

Thus the epic global scale of instability in global national politics, military expansion and unrest, severe debt entrapment and religious conflict underpinnings is totally uncommented on by Bethel, and unknown to Jehovah's witnesses in the level of detail modern research affords in volumes. The so-called "conspiracy theorists" and globalization researchers are now light years ahead of Jehovah's blind witnesses as far as explaining world government progress.

Now when the nation-state system is heading for a global financial and military disruption at a scale and potential never experienced in human history hitherto, that "7th King" synonymous "King South" national system required downfall, to allow "8th King"/"King North" final sovereign ascension into world sovereignty as world government (Rev17:8-18), that prelude 7th King nation-state system fall development coming up can now be presented to Jehovah's witnesses as "the end of the world" prematurely.

This is because it is an "end", it is the end of the nation-state era of global sovereign predominance, but not "the end" of the world system as a whole. It will indeed by a "tribulation of those days" (Matt24:29 in Daniel 11:41-43 developments), but that first phase of the "great tribulation" is not the final period of time, but a marked Biblical transition period into world government and thus Christ's soon following arrival, hence Matthew 24:29-31's detailed arrival sequence.

As unique as the "tribulation of those days" is, the "four winds" ending phase, under world government, as the real final phase of the "great tribulation", will even top the initiating "tribulation of those days" starting phase. (Matt24:21-22; Dan11:44-45; Dan8:25)

Thus the fourth global war cycle of the future, including the Cold War in that count, to run its full course and foretold milestone events into another foretold United Nations "disgusting thing placement" (Dan12:11), prior to Christ's arrival, with great global developments progressively gauging that arrival, is now fully BYPASSED by apostate Bethel as also foretold in UN NGO Bethel's UN aligned condition. (Dan8:12, Dan11:32a)

This is exactly what this latest Watchtower article is doing, over-advancing Jehovah's witnesses too far into prophecy with a delusional expectation to manifest with huge global events to make Jehovah's witnesses subject to manipulation by these expectations and their missed obedience to the JW organization which is a tool of the subversion opposition, that can and will be used to attempt to suppress and capture Jehovah's witnesses during this coming peak betrayal phase for the initial opening period of the "tribulation of those days". (2Thess2:3-4)

What is Being Bypassed

Thus the coming global-power key transitional period marked in prophecy that fully transpires and expires, BEFORE Christ arrives, as explicitly described in the prophecy itself....
(Matthew 24:29-31) “Immediately after the tribulation of those days (That tribulation "transition phase" ends, the 1260 days ends; Rev11:7-10 conclusion timing just prior to Revelation 11:11-12 event parallels) the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. (Rev6:12-17 parallel) 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound (7th trumpet related immediate predecessor of Messianic Kingdom completion), and they will gather his chosen ones together from the four winds ("great tribulation" final phase), from one extremity of the heavens to their other extremity. (both "sheep" groups heavenly and earthly):

...can now be presented to Jehovah's witnesses in oversimplified, over advanced, and premature form as the terminal full "the end" phase, when in reality that "tribulation of those days" phase leads to 8th King full world government completion first:

(Daniel 11:44-45) "But there will be reports (Rev10-11 "little scroll" recovered ministry messages) that will disturb him (8th King going into world government totality), out of the sunrising and out of the north, and he will certainly go forth in a great rage (Dan8:25; Rev11:7) in order to annihilate and to devote many to destruction. (Dan8:25 "bring many to ruin during a freedom from care" parallel with 1Thess5:1-3 world "peace and security" period of 8th King world government placement (Dan12:11 final fulfillment); And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial "tents" as earthly symbolism of UN distributed world government in 4th UN placement; parallel Daniel 12:11 final fulfillment) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25):

Thus in reality the "tribulation of those days" is that critical transition phase from the "old world order" downfall, to the "new world order" implementation of full 8th King world government that must complete just prior to Christ's arrival. Those "lights" in "sun, moon and stars" being "dimmed", is the "old world order" system being systematically deposed.

The full "lights out" application is that even "good news" (Rev10:5-8) Christ's Messianic Kingdom completion certainty, will in time then also "darken" (Rev16:10-11) the 8th King "new world order" system, to finalize that foreboding parallel at Christ's arrival (Rev6:12-17) as the ultimate parallel that Christ's puts all their lights out. But even Christ's arrival itself (Rev11:7-12), and his Messianic Kingdom and "sheep" "gathering" completion period in Daniel 12:11 (Dan7:26), is not the immediate end. (Ps110:2; Rev14; Matt10:23)

That knowledge of prophetic truth of open salvation during that entire global system rocking period (Hag2:7), is of course of extreme importance for the preservation of human life in the message of open salvation to anyone willing (Rev14:6-8), and that Christ himself completes his own final ministry and judgment assessment of every human on earth, with salvation as his first priority. (Rev14:14-16, Rev25:31-40)

Thus rather than the "it's all done, you're screwed" impression that Bethel hyps as the lead gloomsayers of delusion and doom, open salvation is available for the whole progression leading to Christ's arrival, and even after his arrival as per Revelation 14.

Thus the present JW delusion, empowered by over advancement of prophecy among Jehovah's witnesses, can conceal the true meaning of this "tribulation of those days" phase as long as the Bethel apostates are able to do so. Plus, coming world events of 7th King system downfall, can create global events that can seem to affirm "the end" belief: it will be severe, the "tribulation of those days" will indeed have begun, but even in such developments it is not "the end". (Matt24:6, Luke 21:9, Hag2:7)

Thus for a period, hence Daniel 8:14 timing and Daniel 8:26 verification phasing, Jehovah's witnesses will be in a true delusional empowered global hoax "trampling" phase due to the "transgression causing desolation" in that UN NGO partnership. That is the "sign of Jonah" temple judgment desolation parallel to come upon Jehovah's witnesses for three years in Daniel 8:14, Isaiah 37:30 and Hosea 6:1-3.

That period of divinely permitted apostate-to-impostor override of the full prophetic truth (Dan8:12), now present at apostate Bethel, to proceed to worse conditions of spiritual darkness in the future (Dan11:41), is governed by God as part of the temple judgment process. (1Pet4:17) It is permitted by God, even required by Him, to fulfill Daniel 8:13-14 signal judgment events and timing in globally notable manner upon the apostatized JW organizational epicenter of "trampling" in divine judgment accounting first. (1Pet4:17; Rev6:3-5; Zech3:4-5)

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (profaned) constant [feature] and of the transgression causing desolation (UN NGO alliance of Daniel 11:31b), to make both [the] holy place (temple "established place"; Dan8:11) and [the] (JW worldwide) army things to trample on?" (first 8th King "trampling" "attack" defining the spiritual meaning of the "tribulation of those days" beginning); 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (Temple judgment purification completed in this timed period parallel Zechariah 3:4-5, Revelation 8:1-5). That thus is that the divinely permitted "trampling" coming on Bethel next and first in the order (2Thess2:11-12), that they will try to sell to Jehovah's witnesses as the terminal end phase of the world system altogether, when in reality it is the 7th King/King South national sovereign system that is the only thing being phased out over this coming "tribulation of those days" cycle, and that into final 8th King world government ascension culmination, first.

Thus what is coming on Bethel is divine temple judgment justice using their UN associate instigators and masters of intrigue (Dan8:25a) to bring the divinely permitted and required desolation on the JW organization, that they will sell to JWs as "persecution" in an approved spiritual state as if "the end"; "well done!" "prophecy is fulfilling" "its all over!" "Gog attack!" "Daniel 11:44 King North attack!". But it is way too soon and premature and in a profaned UN aligned spiritual state, and that is the perfect hijacked prophecy
empowerd smokescreen covering delusion to enable the ultimate cover deception and exit strategy for the JW billion dollar Bethel downfall impostors to vanish into, leaving bewildered JWs holding the empty bag.

Foretold apostasy always precedes a global epic transition in world power, and a divine judgment for that apostasy always marks that cycle's beginning; this will be the fifth time this judgment-to-new-global-power-system has occurred—and this time the global power transition is heading into world government with a Bethel bang to kick off that final cycle just beginning, far from its end.

THIS IS THE MOST IMPORTANT POINT: LET THE READER USE DISCERNMENT

**DISCERNMENT** noun

1. the ability to judge well.

2. (in Christian contexts) perception in the absence of judgment wth a viewto obtaining spiritual direction and understanding.

And logically exactly what DISCERNMENT understanding is most important to comprehend NOW, at this time, in this SIGNAL now present in the "holy place"? What is the "disgusting thing" prophecy Daniel "spoke of", where is the "holy place" now to see and flee from, and how is it seen "standing"?

The reason this is so important to discern now, is because this prophetic truth indicates where and why this judgment is coming, and what the that coming judgment of the temple system is to mean in an identifiable process in prophecy:

(2 Corinthians 2:20-24) “Furthermore, when you see Jerusalem surrounded by encamped armies, then know that the desolating of her has drawn near. 21 Then let those in Judea begin fleeing to the mountains, and let those in the midst of her withdraw, and let those in the country places not enter into her; 22 because these are days for meting out justice, that all the things written may be fulfilled. 23 Woe to the pregnant women and the ones suckling a baby in those days! For there will be great necessity upon the land and wrath on this people; 24 and they will fall by the edge of the sword and be led captive into all the nations; and Jerusalem will be trampled on by the nations, until the appointed times of the nations are fulfilled. (That “trampling” extends into Daniel 8:13 and then eventually Revelation 1:12 meaning, for modern times.)”

(Matthew 24:15-16) “Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.

(Matthew 24:15-16) “Therefore, when you catch sight of the disgusting thing that causes desolation standing where it ought not (let the reader use discernment), then let those in Judea begin fleeing to the mountains.

(Matthew 24:15-16) “Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken of through Daniel the prophet (modern Dan11:31 "disgusting thing that causes desolation" as parallel of Dan8:13 "transgression causing desolation"), standing in a holy place (in the JW "constant feature" ministry as UN NGO), (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains. (Because the JW Bethel desolation judgment for that UN NGO "transgression causing desolation" is near; 1Pet4:17; Dan13:14; Rev6:3-5);

Thus there is far greater meaning in what is coming on apostate Bethel's visible representation of that claimant "holy city" of the anointed Christian "holy place" temple ministry, now apostatized as foretold here.

What to "Discern"

1. We need to "discern" the "holy place" now to even know where to be looking for "disgusting thing" developments and events within and around that spiritual "location".

2. We need to "discern" the "disgusting thing" in direct relation to Daniel's prophecy, which contains three "disgusting thing" prophecies—thus which Daniel "disgusting thing" NOW applies, Daniel 9:26-27, Daniel 11:31b, or Daniel 12:11?

3. And we need to discern just how it is "standing" in that "holy place" in direct prophetic connection with that "disgusting thing" in a specific Daniel prophecy.

We know the "disgusting thing" is the United Nations "image" based "8th King" rival "world government" entity and its related prophetic developments. But what NOW is the "disgusting thing" signal of this "standing in a holy place" connected to a specific Daniel prophecy of modern note?

**Though this will be explained below, the (1) "holy place" to discern is anointed Christians as a body still on earth. But that "body" has the globally visible "Jerusalem" symbol "city", in the anointed Christian global ministry among Jehovah's witnesses and their claimant visible global organization. And that visible Jehovah's witnesses "Jerusalem" (2) has now "stood up", by Bethel and Governing Body official sanction, the UN NGO "disgusting thing" UN partnership inside of the Bethel ministry and Jehovah's witnesses spiritual environment. Thus we have the same "apostate Jerusalem" system symbol to "see" now as represented by the Bethel organization—now we can know what to flee from and why.

THAT very serious 1991 UN NGO sin, which involves UN endorsement, 3rd UN prophecy cover-up since 1990 (Dan11:30-32), and strategic prophetic error to enable the prophetic delusion of 2 Thessalonians 2:1-2, is NOW present inside the Jehovah's witnesses global ministry, at Bethel, and as promoted by Bethel by its illegal and fraudulent Governing Body leadership: thus we also have our modern day "Pharisees" and their Bethel based lawless "Sanhedrin" system as well. (2Thess2:3-4; Zech3:1-3)
Thus the 1991 UN NGO, that developed with that covered up 1990 3rd UN presentation of Daniel 11:31b (Dan8:23 parallel), is the “disgusting thing that causes desolation” of most modern note. And that “disgusting thing that causes desolation” is also cross related to the Daniel 8:13 signal expression in the “holy place” “TRANSGRESSION causing desolation” in that UN NGO apostate “holy place” sin that will, in the near future, “make both [the] holy place and [the] (JW worldwide) army things to trample on”.

Thus we have a direct connection to a specific modern Daniel “disgusting thing” prophecy and its cross-connection of Daniel 11:30-32a and Daniel 8:11-13 3rd UN presentation and apostate spiritual developments. Bethel has engaged a once valid and approved anointed Christian ministry to that 3rd UN entity and its 1990 global presentation, in modern signal apostate prophetic co-development, in that same prophecy, in relations with the United Nations Non-Governmental Organization global partner and promotional “public information” network.

And that is the coming temple judgment “trampling” event, “locale” and specific prophecy, that apostate Bethel is now concealing with purposeful error to support this modern JW premature end delusion by over-advanced and misapplied covering prophecy error.

Now the coming “attack” on the JW organization of Daniel 8:13 “trampling”, is to be presented to Jehovah’s witnesses as an entirely different and well over advanced prophecy altogether of misapplied Daniel 11:44, Daniel 8:25, and Ezekiel 38-39, way too soon in the 8th King world government progress and reality. And “attack” features in those over-advanced prophecies, applied too soon to the Bethel temple judgment “trampling” which will be developing soon, will now support the premature end delusion with very real global anti-JW-org events and a major 7th King global prophetic downfall phase as the global context. (Dan11:41;43; Rev16:1-9)

Modern Ambiguous "Jerusalem" and "Holy Place" Discernment

The other convenient diversion, is that although this “attack” is to include Bethel and Jehovah's witnesses in the “Gog of Magog” premature element in this delusion formula, “holy place” "Jerusalem" is applied to Christendom in the “UN attack on Babylon the Great” global context, so the “attack” actual location is also ambiguous. And it gets more ambiguous, as will be shown.

The main questions here are if Jehovah’s witnesses already have “been liberated” and “fled” from Christendom “apostate Jerusalem” and “Babylon the Great” then why is another “flee” directive from Christ, now a commandment at Matthew 24:15, being issued for Jehovah’s witnesses now?

Where are Jehovah’s witnesses spiritually located right now? If Jehovah’s witnesses are by implication already in the “mountains”, then what is the “Jerusalem” location significance if there is nowhere to flee from anyways?

And worse, why is the thing to flee from also ambiguous in Bethel teachings? Sometimes “Jerusalem” is Christendom, sometimes “Jerusalem” is the spiritual “Jews” of anointed Christians, as Bethel regularly oscillates between the two as needed:

""... Christendom (which is holy in the eyes of nominal Christians)..."" (Watchtower 7/15/2013 Study Edition; pgs. 4-5, par.6)

""Today the remaining ones of the 144,000 are earthly representatives of the "heavenly Jerusalem"—the citylike Kingdom of God—and its temple arrangement. (Hebrews 12:22, 28; 13:14) In this sense they occupy a "holy place" that the seventh world power tries to trample on and make desolate."" (Pay Attention to Daniel's Prophecy chap. 10 p. 175 par. 21 Who Can Stand Against the Prince of Princes?)

So, to add to the ambiguity and confusion, the "holy place" is taught in the "Pay Attention to Daniel's Prophecy" book, as always in reference to true anointed Christians. The point being, the actual "holy place" meaning, and thus the actual location to actually flee from is also then ambiguous, as can be perceptions of Jehovah's witnesses when Bethel undergoes its required sacking.

Thus a formula of confusion is also already well programmed into this Bethel tale as Bethel also sweeps their UN NGO under the rug, not informing Jehovah's witnesses of their partnership with the UN, so many JWs have not "caught sight" of this UN NGO "disgusting thing" "stand" right in their own ministry, which is pure Bethel treachery.

Thus Jehovah's witnesses have the perfect hoax being setup in their misled minds while the perfect judgment UN crime is also present to empower the whole "trampling" context.

Those final phase ending prophecies of Daniel 11:44-45, Daniel 8:25, and Ezekiel 38, will indeed have a final global attack phase, as foretold, just not at this time in the prophetic progression, but later under the full 8th King world government true "one hour" finale period of Revelation 17:12. And that is why Jehovah's witnesses accept this delusion now, it is using premature application of real prophecy to ply its delusion and deception too soon, so Jehovah's witnesses accept the downfall of Bethel as if it is "prophecy of the end fulfilling brothers!", which it cannot actually be, this soon.

Thus using truthful prophecy, rearranged in error and prematurity to instead support other objectives (Dan11:32a, Dan8:11-12), is how this delusion is taken in so deeply into Jehovah's witnesses faith, mind and heart. All those prophecies are the truth and will fulfill to the "last particle of a letter". (Matt5:18) And this is why the enemy system inside of Bethel (Dan11:32a,41, Dan8:12), can take advantage of that faith, and misdirect it into a premature expectation, too soon, to use that "overly excited" JW atmosphere, for other purposes. And they do this, by hijacking known Jehovah's witnesses accepted Bible prophecy.

Thus the deception even now programs JWs for the future requirement, "for salvation", that Jehovah's witnesses must follow more Bethel Pied Piper direction, as if their very life and salvation depended on it, by this deceptive association. Thus the JW trust is also misdirected to the "life saving direction" from the "JW organization", by use of the "prove your loyalty to God" and "obey Christ" and "support Christ's brothers" bait, and then switch, to the profaned enemy controlled JW organization as the fraudulent claimed "Jehovah's organization", as good as equal to God and Christ, and thus the earthly thing also requiring that key obedience—and therein, in that deception, lies the well disguised trap.

Thus the JW organization can then be used to lead Jehovah's witnesses wherever the enemy system using that organization from within, may desire and dictate while Jehovah's witnesses are in a "the end" fullyamped psychological adrenaline frenzy. And like the proverbial "lemmings", JWs fully buying this hype and delusion, will follow such "life saving direction" from the enemy Bethel "Pied
"Let The Reader Use Discernment" Daniel Prophecy Proof

1. The Holy Place

No one unauthorized nor any "disgusting thing" is going to "stand" in this ultimate "holy place":

(Hebrews 8:1-2) Now as to the things being discussed this is the main point: We have such a high priest as this, and he has sat down at the right hand of the throne of the Majesty in the heavens, 2 a public servant of the holy place and of the true tent, which Jehovah put up, and not man.

So that heavenly Temple of God, the "tent" yet to complete into a full "temple" (Rev11:19; Zech4:6-9), in which Christ is the High Priest, is not the "holy place" in question at Matthew 24:15.

And neither is physical Jerusalem any longer relevant to the "holy place":

(Hebrews 9:1) For its part, then, the former [covenant] used to have ordinances of sacred service and [its] mundane holy place.

(Matthew 23:38) Look! your house is abandoned to you.

But there is an earthly present extension of the "holy place", which cannot be in the Christendom decoy collective institution as already exposed as an old apostasy, but it is a "holy place" among true anointed Christians who have truly obtained this hope while still on earth:

(Hebrews 9:11-12) However, when Christ came as a high priest of the good things that have come to pass, through the greater and more perfect tent not made with hands, that is, not of this creation, 12 he entered, no, not with the blood of goats and of young bulls, but with his own blood, once for all time into the holy place and obtained an everlasting deliverance [for us].

That " everlasting deliverance", potential of Christ's sacrificial provision, based on maintaining faithfulness to the "holy covenant" (Luke28:22-30), provides the human temple completion "stones" with the accessibility for that eventual full temple completion, as yet incomplete, but "being built up" from human anointed Christians while still on earth:

(1 Peter 2:5) you yourselves also as living stones are being built up a spiritual house for the purpose of a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ.

And it is anointed Christians as a "body" and a "temple", an earthly "holy place" in spiritual terms:

(1 Corinthians 3:16-17) Do you not know that you people are God's temple, and that the spirit of God dwells in you? 17 If anyone destroys the temple of God, God will destroy him; for the temple of God is holy, which [temple] you people are.

(1 Corinthians 6:19) What! Do you not know that the body of you people is [the] temple of the holy spirit within you, which you have from God?

(2 Corinthians 6:16) For we are a temple of a living God; just as God said: “I shall reside among them and walk among [them], and I shall be their God, and they will be my people.”

(Ephesians 2:21-22) 21 In union with him the whole building, being harmoniously joined together, is growing into a holy temple for Jehovah. 22 In union with him you, too, are being built up together into a place for God to inhabit by spirit.

Now that "temple" and "holy place" component on earth (Rev12:17), which must remain faithful to remain approved by God, can be, and has been compromised. And that is where a "disgusting thing" can now be found standing "in the temple" among anointed Christians, subverting the Kingdom ministry for another purpose, and corrupting them by apostasy (Dan11:32a), here on earth in this principle:

(2 Thessalonians 2:3-5) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things?

And God by Daniel also already foretold and nailed this exact modern apostasy location and source:

(Daniel 11:32) “And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (The Bethel "smooth words" 8th King cover-up in the JW publications is part of the smoothly justified apostasy);

Now that we know the "holy place" is earthly anointed Christian related, then the other "discernment" to make here...:
(Matthew 24:15-16) “Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.

...is which Daniel "disgusting thing" of the three (Dan9:26-27; Dan11:31b; Dan12:11) is Christ talking about for our times now? If we do not know which Daniel prophecy Christ is referring to "as spoken of through Daniel", to use discernment to ascertain, then we cannot understand the prophecy for discerning use now.

(Matthew 24:15-16) “Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken through Daniel the prophet (modern Dan11:31 “disgusting thing that causes desolation” as parallel of Dan8:13 “transgression causing desolation”), standing in a holy place (in the JW “constant feature” ministry as UN NGO), (let the reader use discernment.)

16 then let those in Judea begin fleeing to the mountains. (Because the JW Bethel desolation judgment for that UN NGO "transgression causing desolation" is near; 1Pet4:17; Dan8:13-14; Rev6:3-5);

But as per Daniel 11:32a cited above, we do have the specific Daniel 11:30-32 "disgusting thing" prophecy to discern as active now, and being stood up at UN NGO Bethel inside a claimant anointed Christian ministry now terminal in apostasy and headed for that exact judgment desolation Christ is warning of in Matthew 24:15-16 to "discern" NOW for those with eyes to “see” it!

2. The "Disgusting Thing”—Daniel 11:31b; The 1990 3rd United Nations Presentation "Disgusting Thing" and the Bethel UN NGO "Disgusting Thing" Counterpart

But we do know now, and have "caught sight" of the Bethel UN NGO made public by secular press in 2001. And that 1990 3rd United Nations global presentation after the Cold War, and its "New World Order" initiative, is that Daniel 11:30-32a signal modern "disgusting thing" fulfilment now covered up by UN partnered Bethel.

(Daniel 11:30-31) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. "And they (team effort) will certainly put in place the disgusting thing that is causing desolation. (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 “transgression causing desolation");

THAT is the specific Daniel "disgusting thing" prophecy to discern now.

The "disgusting thing" is now “standing in a holy place” since 1991, right within the Jehovah’s witnesses anointed Christian apostatized "holy place" ministry by UN NGO Bethel's UN endorsements, global co-promotions, prophetic cover ups, rampant apostasy and treason, and official public UN partnership—fully UNAddressed and swept UNder the rug at Bethel. Daniel 11:30a "those leaving the holy covenant", is signaled at Bethel by their UN NGO covenant. (Isa28)

(Isaiah 28:14-15) Therefore hear the word of Jehovah, you braggarts, you rulers of this people who are in Jerusalem:
15 Because you men have said: “We have concluded a covenant with Death, and with Sheol we have effected a vision: the overflowing flash flood, in case it should pass through, will not come to us, for we have made a lie our refuge and in falsehood we have concealed ourselves”

(Isaiah 28:18) And your covenant with Death will certainly be dissolved, and that vision of yours with Sheol will not stand.

That "vision of yours" is present in the false prophetic applications in this Watchtower article example we are now exposing as a sham delusion that also develops with this modern apostasy signal. (2Thess2:1-4; Zech3:1-3): It is part of the Bethel apostate wordsmith "smooth words" here that have been fully deluding Jehovah's witnesses since 1990 with this cover up, UN developmental concealment, and Bethel's "UN library card" lying justification of their UN NGO apostasy.

(Daniel 11:32) “And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (Bethel uses deceptive rationalizing "smooth words" to aid 8th King cover-up in the JW publications is part of the smoothly justified apostasy);

This is so effective, for example, Jehovah’s witnesses cannot even perceive “King North” must be the 8th King final developments in Daniel 11:30-45!

And that apostasy is this apostasy below, that also must be fully globally revealed in the coming temple judgment, well before Christ arrives:

(2 Thessalonians 2:3-4) 3 Let no one seduce you in any manner (such as apostate Bethel), because it will not come unless the (final) apostasy (Dan11:32a) comes first and the man of lawlessness gets revealed, the son of destruction. (now present at "disgusting thing" partnered Bethel) 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. (not only is the "Governing Body" 1976 coup a "lift up"; their current "we alone are the faithful slave" fiasco is the pinnacle of such "lifted up" blasphemy "in the temple" association.)

Jehovah's witnesses are fully subverted in this modern overall prophetic cover up "throwing truth to the earth" with Bethel:

(Daniel 8:12) And an (JW worldwide) army itself was gradually given over (to 8th King infiltrative control), together with the constant [feature] (profaned and imbibed with disinformation), because of transgression; (UN NGO and other sins permits allowance of the compromise by removed divine blessing and discernment); and it kept throwing truth to the earth (cover up,
disgusting thing), and it acted and had success. (Dan11:30 "act effectively" in this modern 8th King engineered intelligence and subversion operation deployed through the Governing Body and installed Bethel agents, allowed by Bethel apostates, and aided by JWs);

Thus when we "catch sight" that this modern "disgusting thing" is Daniel 11:31 of 1990 UN 3rd presentation "place the disgusting thing" third global UN presentation, and Bethel is the UN NGO transgressors "standing up" the UN NGO "disgusting thing" right among a formerly anointed Christian "holy place" ministry, by endorsing the UN and partnering with it, then we know the Bethel JW org "apostate Jerusalem" symbol parallel is now applicable as the "location" of coming desolation—and that is why getting out of the JW organization, fleeing it now, is a commandment of Christ once we "discern" this critical modern signal connection.

Bethel and their UN NGO tryst is what to "catch sight of" in this UN compromised state.

And the whole point of the "discernment", when made, is for people to flee from the JW organization, because a hell on earth is coming on that doomed apostate "weed" patch. (Mat13:36-42; Matt25:1-13; Matt22:1-14) Getting OUT of the Jehovah's witnesses organization fully, is what it means, for God will judge that sin in time upon the modern apostate Jerusalem connected locale noted as the now apostatized "holy place" judgment of 1 Peter 4:17.

This particular judgment it is going to be BIG, and THAT is why Jesus said to FLEE that compromised "city" of the global JW organization—it is going to be "trampled". (Dan8:13)

Not all have this key "discernment" at this time, most Jehovah's witnesses are misled:

(Daniel 11:30-31) "And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

(Daniel 11:30) "And he (8th King/King North) will actually go back and hurl denunciations against the holy covenant and act effectively (produces a successful operation Dan8:12b); and he (8th King) will have to go back and will give consideration to those leaving the holy covenant. (anointed core defection at Bethel aids internal 8th King access)

(Daniel 11:31a) (Bethel subversion:) And there will be arms that will stand up (at Bethel; Dan11:41; Luke21:20), proceeding from him (8th King planners); and they (collusion) will actually profane the sanctuary, the fortress, and remove the constant [feature]. (3rd UN placement 1990:)

(Daniel 11:31b) “And they (team effort) will certainly put in place the disgusting thing that is causing desolation. (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 "transgression causing desolation");

The Temple Judgment "Trampling" Coming on The JW Organization for Prophetic Marking Visible Notoriety

Thus Bethel going UN NGO "transgression causing desolation", in time to Bethel's apostate "locale", and concealing the truth "King North" is synonymous with the 8th King world government modern progress and prophecy since 1990 in marked modern form, is all part of this modern illegal Bethel disgusting activity, signal apostasy and very serious UN partnership right in and among misled and duped Jehovah's witnesses.

Even Bethel's apostasy complex, co-developing with that specific UN "disgusting thing" modern 1990 manifestation of that prophecy, is also a Bethel related "disgusting thing" in their own UNfaithfulness and organization based JW idolatry distracting anti-Kingdom promotions further noted at Daniel 11:31a "profanations", and Daniel 11:32a King North internal guided apostasy. Thus the whole of Bethel's modern "operation of error"-to-"the lie" terminal full maturity (2Thess2:11-12) is actually a "disgusting thing" related abomination as a whole.

But we do have to note, the ultimate "disgusting thing" connection is that specific 3rd United Nation "New World Order" initiative presentation of 1990 that is indeed a fulfilling Daniel prophecy of special important note, that Bethel's King North allied GB vipers also conceal as well.

The Bethel UN NGO is the parallel temple "transgression causing desolation" of the Daniel 8:13 temple desolation divine indictment sentence coming to eventually fully define the final temple judgment cycle:

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the [profaned] constant [feature] and of the transgression causing desolation (UN NGO alliance of Daniel 11:31b), to make both [the] holy place (temple "established place"; Dan8:11) and [the] (JW worldwide) army things to trample on?" (first 8th King "trampling" "attack" defining the spiritual meaning of the "tribulation of those days" beginning);

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (Temple judgment purification completed in this timed period parallel Zechariah 3:4-5, Revelation 8:1-5);

The "holy place" "right condition" is the temple purification from this profaned modern state. The "right condition" of spiritual clarification is the judgment accounting, total removal, and full exposure of this "disgusting thing" apostasy and its transgression, in the temple judgment "holy place" purification of parallel Malachi 3:1-5, and Zechariah 3:1-5 parallel cleansing actions by Christ. (Also Rev8:6-3; Is6:6-7)

The whole temple judgment is timed and phased in Daniel 8:14,26 to fully verify this temple judgment prophecy after the "desolation" comes on Bethel, for which Christ warned discerning Christians to flee from for that very reason. Get out of the JW organization NOW, it is set for desolation for UN NGO fornications among an anointed Christian globally known ministry.
That is why the desolation starts, not with Babylon the Great, but with "the house of God", next:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

And when we know all this from prophecy and lawless Bethel UN and apostate evidence, then we can ask:

Exactly what are the planning to "deliver" Jehovah's witnesses to when all this delusion turns to a global JW hoax of that premature "end of the world"?

"Your deliverance is getting near"—but deliverance to what?

Where are they planning to send Jehovah's witnesses, for it certainly is NOT “the end” yet?

The 1976 Governing Body of JW Subversion

In reality we now have the luxury of a little hindsight to understand the orifice of apostasy and "gradually given over" ministerial subversion is none other than the "Governing Body" "board of directors"—the JW trusted "governors" and "directors" of the JW apostasy it turns out.

And we know their dictatorial 1976 Bethel coup anomaly, just 15 years prior to that 1991 UN NGO, is now the suspect core authoritative development that allowed, guided and "faithfully" oversees these subsequent deceptive developments and major UN related transgressions later, for their 8th King "King North" main apostate opposition camp leaders as per Daniel 11:32.

Thus it is all connected to the 1976 Governing Body illegal control device and its 1976 dictatorship that ensured such control would be effected internal to the Bethel system to proceed to the ministerial ruination they are now fully guiding to terminal coup and judgment.

Thus a little more cover up and delusion can be expected to complete this apostate and impostor operation right from within Bethel, to be aided externally by Bethel's true UN world government allies who can produce future global events to match the JW well expected delusion and give that Governing Body of Pied Vipers final credibility as "JW prophets" so when they run the final coup directives, Jehovah's witnesses will be misled in the peak of possible delusional control and trust in that Bethel enemy system allied viper nest.

What This Pied Piper "Your Deliverance Is Getting Near" Watchtower Article is Actually Doing

30 Pieces of Apostate Bethel Silver

(Zechariah 11:4-5) “This is what Jehovah my God has said, ‘Shepherd the flock [meant] for the killing, 5 the buyers of which proceed to kill [them] although they are not held guilty. And those who are selling them say: “May Jehovah be blessed, while I shall gain riches.” And their own shepherds do not show any compassion upon them.’

(2 Thessalonians 2:3) ...the apostasy comes first and the man of lawlessness gets revealed, the son of destruction.

(Zechariah 11:12-13) Then I said to them: “If it is good in your eyes, give [me] my wages; but if not, refrain.” And they proceeded to pay my wages, thirty pieces of silver. 13 At that, Jehovah said to me: “Throw it to the treasury—the majestic value with which I have been valued from their standpoint.” Accordingly I took the thirty pieces of silver and threw it into the treasury at the house of Jehovah.

Thus Bethel's profit for 8th King purposes will turn into the same "son of destruction" curse that finished off Judas Iscariot, and it will come to Bethel's operatives as well.

(Hosea 1:4-7) And Jehovah went on to say to him: “Call his name Jezreel (pictures “man of lawlessness” sinning at Bethel of modern “King Ahab” Governing Body), for yet a little while and I must hold an accounting for the acts of bloodshed of Jezreel against the house of Jehu (Governing Body “man of lawlessness” sins against anointed “house”), and I must cause the royal rule of the house of Israel to cease. (“Man of lawlessness” “King Ahab” GB and JW “Jezebel” Bethel Organizational “throw down”; Dan8:11-14); 5 And it must occur in that day that I must break the bow (Bethel) of Israel in the low plain (judgment) of Jezreel.” (Temple judgment marked by Bethel event); 6 And she proceeded to become pregnant another time and to give birth to a daughter. And He went on to say to him: “Call her name Lo-ruhamah, for I shall no more show mercy again to the house of Israel (JW worldwide Organizational Jezebel Bethel “mother”; Hos2:1.5; 4:5; 10:14), because I shall positively take
them away, (In Dan8:14 temple purification); (Worldwide Jehovah's Witnesses Anointed and Earthlings Spared Complete Annihilation in First 8th King Attack Temple Attack) 7 But to the house of Judah (worldwide approved JWs) I shall show mercy, and I will save them by Jehovah their God; but I shall not save them by a bow or by a sword or by war, by horses or by horsemen." (Isaiah 37:36; Mic5:6; Zech3:4; Isa66:6);

Apostate Bethel is the modern "a system of things" about to end to mark the final temple judgment:

(Matthew 13:36-42) 36 Then after dismissing the crowds he went into the house. And his disciples came to him and said: "Explain to us the illustration of the weeds in the field." 37 In response he said: "The sower of the fine seed is the Son of man; 38 the field is the world (as JW "earth" system now defined more precisely); as for the fine seed, these are the sons of the kingdom; but the weeds are the sons of the wicked one, 39 and the enemy that sowed them is the Devil. (these have been "sowed" into the Bethel system) The harvest is a conclusion of a system of things (the Bethel "a" "system of things", not the "s" "system of things" of the overall world system yet), and the reapers are angels. 40 Therefore, just as the weeds are collected (this collection is first, a removal process) and burned with fire (at a later time of temple judgment or world judgment), so it will be in the conclusion of the overall system of things. (and that "a system of things" pictures, "so it will be in" the overall world "system of things") 41 The Son of man will send forth his angels, and they will collect out from his kingdom all things that cause stumbling and persons who are doing lawlessness, 42 and they will pitch them into the fiery furnace. There is where [their] weeping and the gnashing of [their] teeth will be. (The Bethel judgment is the first wave of this judgment in intimate focus among anointed Christians to extend out to all Jehovah's witnesses and further to the whole world to collect in those responding to the real meaning of this judgment signal);

Thus in reality Jehovah's witnesses, the modern "flock meant for the killing", are being setup by the modern-day "son of destruction" apostate Bethel "valueless shepherd" betrayers with a handy "self fulfilling prophecy" of predictively programmed "attack" expectations, to be fully hyped beforehand, so that when global events start to manifest this "prophecy", that actual "attack" (Dan8:13, Dan11:41) can be sold to Jehovah's witnesses with a totally over advanced portion of future prophecy now being applied by Bethel, well premature of its reality, as the smokescreen for the JW organization required desolation of Daniel 8:13 as Daniel 11:41 that must progress to a Bethel representative "Decoration" actual invasion.

This is what will actually be activating in the coming Bethel "attack" being hyped by Bethel, while Bethel ignores and already has bypassed this point in Daniel 11 that the prophecy is actually at, even now, in Bethel's infiltration:

(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally), and there will be many [people] that will be made to stumble. (Mat24:15; Luke21:20 signal development present nowat Bethel; Stumbling people is also the lawless Bethel subversion goal. Parallels Daniel 8:11-13 and Daniel 11:30-35 events and meaning);

The point being that prophecy will become very literal upon the JW organization globally come this Daniel 8:13 "trampling" attack.

It will be prophecy fulfilling, but not the prophecy Jehovah's witnesses will be misled to think is fulfilling.

They are selling Jehovah's witnesses the covering delusion to conceal the temple judgment "trampling" (Dan8:13; Dan11:41) and the beginning of 7th King downfall global-cycle (Dan11:42-43) as if "the end", but it is being prematurely applied, to cover up the greater meaning of this required final phase which instead will continue to 8th King world government "ascension" as this whole cycle runs its full course. (Rev17:8-18; Dan11:41-45)

Instead, in such a delusion turned into a very real JW global-hoax, Jehovah's witnesses can then be led along in the same deception's next steps requiring that "JW organizational obedience", but for another purpose. Thus Bethel is setting themselves up to become a modern day betraying "son of destruction" in this delusional process that must run its true full prophetic course. (Dan8:13-14; 2Thess2:1-4,8-12) Bethel is that "valueless shepherd" of the modern day "flock meant for the killing".

(Zechariah 11:15-17) And Jehovah went on to say to me: “Take yet for yourself the implements of a useless shepherd. And I will save them by Jehovah their God; but I shall not save them by a bow or by a sword or by war, by horses or by horsemen.” (Isaiah 37:36; Mic5:6; Zech3:4; Isa66:6);

Thus the "Your Deliverance Is Getting Near" article actually provides the Jehovah's witnesses mindset with:

- A Formulaic Setup
- The Premature End Delusion
- The Required Attack Expectations
- The Call to Action JW Obedience Directives
- A Trap Outlined Formula

Basically the first ten paragraphs layout the latest Bethel predictive programming to support the larger overall premature end delusion being fully created in the compromised Jehovah's witnesses ministry, but this one has added a detail of an interval break in the "great tribulation" as the identifiable period for special Jehovah's witnesses instructions, participatory action and obedience.

Thus a Bethel attack "foretold" break period, which they are telling Jehovah's witnesses about now with that detail added, for which special anti-JW events are planned requiring Jehovah's witnesses to obey Bethel commands without question, is the intended programming this article all boils down to.

This article includes the "Bible based" formulaic setup using the prophetic pattern of Luke 21:20 and Matthew 24:15, the premature end delusion reinforcement, the required JW organizational "attack" expectations hyped and repressed, the Babylon the Great attack diversion and the JW organizational obedience directives. All this JW organizational "obedience", "support", "action" and "sacrifice" is attributed for "our very salvation", "loyalty" and "faithfulness" for a specific "brief respite" period for Jehovah's witnesses to perceive "at that time". (WT 11/15/2013, pg. 20, par. 17, #3)
Further, in this “attack” “interval”, Jehovah’s witnesses are to be given the “opportunity to obey”. Now the introspective judgment “time of testing” will come “to reveal what is really in our heart” in this hyped personal motivation and amp’d-up urgency in this “time for action and obedience” “to prove [our] love for Jehovah” and to “give [our] support to Christ’s brothers” as then “obediently” “God’s people will flee to the refuge that Jehovah provides” to “remain faithful, will we be willing” “to do whatever is required of us” in order “to prove our loyalty to Jehovah?”

Flee Into the Doomed JW Organization

Repeated here:

The main problems here are if Jehovah’s witnesses already have “been liberated” and “fled” from Christendom “apostate Jerusalem” and “Babylon the Great” then why is another “flee” directive from Christ, now a commandment at Matthew 24:15, being issued for Jehovah’s witnesses now?

Where are Jehovah’s witnesses spiritually located right now? If Jehovah’s witnesses are by implication already in the “mountains”, then what is the “Jerusalem” location significance if there is nowhere to flee from now?

And worse, why is the thing to flee from also ambiguous in Bethel teachings? Sometimes “Jerusalem” is Christendom, sometimes “Jerusalem” is the spiritual “Jews” of anointed Christians, as Bethel regularly oscillates between the two as needed.

“Today the remaining ones of the 144,000 are earthly representatives of the “heavenly Jerusalem”—the citylike Kingdom of God—and its temple arrangement. (Hebrews 12:22, 28; 13:14) In this sense they occupy a “holy place” that the seventh world power tries to trample on and make desolate.” (Pay Attention to Daniel’s Prophecy: chap. 10 p. 175 par. 21 Who Can Stand Against the Prince of Princes?)

Thus amidst such ambiguity, Jehovah’s witnesses will be directed to “flee into” the JW org, the “virginlike” “refuge that God provides”, into the very apostate JW organization, the real “apostate Jerusalem” modern counterpart slated for deposition in Matthew 24:15 modern day application, as we actually call to mind this sinister directive connection to a previous Watchtower Pied Piper note, setup by this latest reminder:

“God’s people will flee to the refuge that Jehovah provides.”

And what is that “refuge” that “Jehovah provides”? The Watchtower of November 15, 2013 has given Jehovah’s witnesses the answer already:

“ Elders who are reading this article can draw some useful conclusions from the account we have just considered”:

[And sandwiched into the admonishment:]

“(3) At that time, the lifesaving direction that we receive from Jehovah’s organization may not appear practical from a human standpoint. All of us must be ready to obey any instructions we may receive, whether these appear sound from a strategic or human standpoint or not.”

Thus the well matured Jehovah’s witnesses delusion “JW org trap” complex merely continues this already “unsound” and “impractical” directive in this latest amplification of Jehovah’s witnesses hype as now a basic formulaic trap scheduling is being further detailed, that includes a handy break in the “great tribulation”, a “brief respite”, “the future interruption”, an “interval” of “opportunity” for Jehovah’s witnesses action, flight, sacrifice and obedience—and incarceration.

This “interval”, now with these added details, was already being set up in this Watchtower 7/15/2013 issue article:

“7. Jesus also foretold: “Those days will be cut short.” In the initial fulfillment, this happened in 66 C.E. when the Roman army “cut short” its attack. Then, anointed Christians in Jerusalem and Judea fled, allowing for their ‘flesh, or life, to be saved.’ (Read Matthew 24:22; Mat. 3:17) So, what can we expect will happen during the coming great tribulation? Jehovah will “cut short” the attack of the United Nations on false religion, not allowing true religion to be destroyed with the false. This will ensure that God’s people will be saved.”

“8 What happens after the initial part of the great tribulation has passed? Jesus’ words indicate that there will be a period of time that will last until the start of Armageddon. What events will occur during that interval? The answer is recorded at Ezekiel 38:14-16 and Matthew 24:29-31. After that, we will witness Armageddon, the climax of the great tribulation, which parallels Jerusalem’s destruction in 70 C.E.”

Then the cherry on top: “This will not be the time to preach the “good news of the Kingdom.”—might as well cancel the whole Jehovah’s witnesses ministry as well at the same time. Because “The time for ‘the end’ will have come!”, well premature of reality, but it will look close enough for Jehovah’s witnesses to buy and aid the deposition of their own “organization” and ministry as “prophecy
Jehovah's Witnesses Delusion Programming in a Nutshell

Main Pattern and Obey, Obey, Obey Directive For Salvation

"1-2 Imagine that you are a Christian living in Jerusalem in 66 C.E. The soldiers... entered the suburbs of Jerusalem... Panic is spreading throughout the city... you wonder, 'How can I obey?... Roman troops start to retreat... attack is being "cut short"... you have the opportunity to obey... immediately you flee... your life is spared because you obeyed Jesus' instructions.'"

Thus the simple formula is an "attack" is coming, it will be "cut short" so Jehovah's witnesses can flee to wherever the JW organization directs them to be "saved".

"Soon" Salvation is Involved, "Very Soon"

"3 Soon, very soon, each of us will face a similar situation. Jesus... used... first-century events to parallel what will occur when the "great tribulation" suddenly breaks out... our very salvation is involved... these future events will affect us personally."

Apply Pattern to Future

"4-6 How will the great tribulation begin?... the destruction of "Babylon the Great."... the initial part of the future great tribulation will be "cut short"... there will be a brief respite."

Jehovah's Witnesses Must Sacrifice and Obey, Obey, Obey

"7-8 It will be a time to reveal what is really in our heart... mankind will seek refuge in human organizations... God's people will flee to the refuge that Jehovah provides... the interval... was a time for action and obedience on the part of... Christians... the future interruption... will be an opportunity for... believers to prove their love for Jehovah and give their support to Christ's brothers... it will involve some measure of sacrifice... leave behind... possessions... to remain faithful, will we be willing to experience material loss? Will we be ready to do whatever is required of us to prove our loyalty to Jehovah?"

End the Jehovah's Witnesses Ministry

"9 This will not be the time to preach the "good news of the Kingdom." That time will have passed... God's people will proclaim a hard-hitting judgment message... a declaration announcing that Satan's wicked world is about to come to its complete end."

Expect the Big "Foretold" Attack

"10 None of this will go unnoticed by our enemies... a coalition of nations... will devise an evil plan... will invade the land of unprotected settlements... will come against those living in security... to take much spoil and plunder, to attack the devastated places... they will be eager to attack Jehovah's anointed ones as well as their associates."

Temple Judgment—8th King Judgment Overextension

Though the 8th King designate is not yet world government, it is the main anti-ministerial force actually active. As per specific apostasy development truth in Daniel 11:32a, and Daniel 8:12 that is ultimately the system that "hurls denunciations against the holy covenant" which Bethel has aided by fully "leaving the holy covenant". (Dan11:30b-35) Thus everything inside of Bethel aids world government development secrecy, and absence of prophetic commentary that describes this development in more detail after the 1990 3rd UN presentation, which is the central 8th King related prophecy Bethel conceals.

Thus effecting a transgression related to that 3rd UN presentation as UN NGO, while covering up the real prophetic meaning, is a strategy to introduce massive transgression in the former anointed Christian guided ministry, to effect a permitted divine judgment, the one specifically tied to the 3rd UN event at Daniel 8:11-14. The transgression and apostasy leaders in Bethel know the UN NGO will effect a coming divinely permitted temple judgment, it is the core "unright condition" now in the anointed Christian ministry, along with terminal Governing Body led supporting lawlessness.

From former judgment overextension principles, this visible Bethel judgment period will also see an attempted anti-ministerial overextension to proceed globally against Jehovah's witnesses as the Bethel corporate takeover and or deposition phase upon the Jehovah's witnesses global organization proceeds and completes as the Daniel 8:14 "evening" phase of "trampling" that is divinely required and thus permitted as per Daniel 8:13 for the UN NGO "transgression causing desolation".

Thus with such false prophetic prematurely misapplied hype and the JW organizational directives accompanying the over excitation of Jehovah's witnesses it is easier to command Jehovah's witnesses to come in to the trap, than to go out and physically find and capture Jehovah's witnesses, when the apostates and impostors start their final phase of attempted anti-ministerial operation intended for Jehovah's witnesses globally, which over extension is not in the divine judgment decree of Daniel 8:13-14.

And thus that period of attempted over extension will meet with covert angelic anti-8th King interference to end their anti-JW operation by terminating its global anti-ministerial allowance, to counter this overextension while still preserving the then incomplete 8th King permitted global government development continuation. God and Christ will only be delaying and obstructing 8th King global anti-JW operations (Isa66:6) to the degree necessary to ensure the temple purification (Mal3:1-4), recovery (Rev9:1-4) so that the eventual final warning proceeds as foretold into the "morning" phase of Daniel 8:14,26 initial recovery and enlightenment period. (Zech3:1-5; Dan8:13-14; Rev6:1-12)
Thus the 8th King system desired early termination of the now profaned and apostatized anointed Christian JW ministry will be ceased. Instead another three year parallel of the Daniel 8:14 minimum 3.19 year timing is being made preceding the divine cessation and reversal of the "Assyrian" 8th King anti-JW progress.

(Israel 37:30-32) "And this will be the sign for you: There will be an eating this year of the growth from spilled kernels, and in the second year grain that shoots up of itself; but in the third year sow seed, you people, and reap, and plant vineyards and eat their fruitage. 31 And those who escape of the house of Judah, those who are left remaining, will certainly take root downward and produce fruitage upward. 32 For out of Jerusalem a remnant will go forth and those who escape out of Mount Zion. The very zeal of Jehovah of armies will do this.

(Hosea 6:1-3) "Come, you people, and do let us return to Jehovah, for he himself has torn in pieces but he will heal us. He kept striking, but he will bind us up. 2 He will make us alive after two days. On the third day he will make us get up, and we shall live before him. 3 And we will know, we will pursue to know Jehovah. Like dawn, his going forth is firmly established. And he will come in like a pouring rain to us; like a spring rain that saturates [the] earth."

This 8th King "surn" symbol is thus delayed and reversed from their original intent for the "revival" of the purified anointed Christian ministry:

(Isaiah 38:8) Here I am making the shadow of the steps that had gone down on the steps [of the stairs] of Ahaz by the sun retrace backward ten steps.

It is not until Revelation 11:1-7, under "ascending"-to-full 8th King world government, that God permits the full cessation of the anointed Christian "two witnesses" recovered final warning, a number of years after the initial Bethel sacking coming up. By that true final period, under world government completed, the final warning will have been also fully completed (Rev10:5-11) by the events and divine guidance of this temple judgment period.

Thus anointed Christians in the Jehovah's witnesses global ministerial context do have a "deliverance" "interval" to manifest when the Daniel 8:14 "evening" phase of "desolation" expires, but it will be a deliverance (Rev11:1-7) for the final warning "little scroll" ministerial mission to emerge before world government is fully implemented and stated as such, to give full warning of its divine ramifications as the global-trigger of God and Christ's full sovereign counter arrival.

The Potential Trap

What may be developing by the use of this premature and misapplied prophetic "attack-interval-obey" pattern, is that the initial signal anti-ministerial events on the Bethel corporate system are the first part of the anti-ministerial operation to parallel this delusional "attack" position first. In the interim, that JW expected "interval" of that Bethel corporate sacking "attack" of the JW organization, actually Daniel 8:13 "trampling", they are planning to then extend and widen the anti-ministerial attack to Jehovah's witnesses scattered about globally after Bethel is fully in terminal "desolation".

That is now presented to JWs as the premature "Gog of Magog" delusional broader global "attack" expectation to go out for scattered Jehovah's witnesses. It is "at that time", in that "interval", that they intend to bring in JWs to various locales from "life saving organization" Bethel directives, to aid this anti-JW operation beyond the Bethel corporate judgment and "trampling" epicenter.

This pattern was also present in the Assyrian attack of 740 BCE on Israel. After the initial judgment on Israel (Isa28) was given by God, as is the Bethel parallel sacking of Daniel 8:13-14, Assyria decided to also try to take all of Jerusalem (Isa36:10) later—to over extend their authority and judgment decree of God:

(Isaiah 36:10) And now is it without authorization from Jehovah that I have come up against this land to bring it to ruin? Jehovah himself said to me, 'Go up against this land, and you must bring it to ruin.'

Except at that time, Jerusalem was not to be given to Assyria also as per the same judgment prophecy, and neither will Jehovah's witnesses in global "Judah" be fully given over to 8th King termination, only the JW organization will be allowed the full "Assyrian" 8th King system sacking:

(Isaiah 37:29) Because your exciting yourself against me and your roaring have come up into my ears. And I shall certainly put my hook in your nose and my bridle between your lips, And I shall indeed lead you back by the way by which you have come." (See Isa31:8-9; Mic5:5-6)

(Isaiah 37:33) "Therefore this is what Jehovah has said concerning the king of Assyria: ‘He will not come into this city, nor will he shoot an arrow there, nor confront it with a shield, nor cast up a siege rampart against it.'

( Hosea 1:4-7) And Jehovah went on to say to him: "Call his name Jezreel, for yet a little while and I must hold an accounting for the acts of bloodshed of Jezreel against the house of Jehu, and I must cause the royal rule of the house of Israel to cease. 5 And it must occur in that day that I must break the bow (Bethel) of Israel in the low plain (judgment) of Jezreel. 6 And she proceeded to become pregnant another time and to give birth to a daughter. And he went on to say to him: "Call her name Lo-ruhamah, for I shall no more show mercy again to the house of Israel (JW worldwide organizational judgment; Hos2:1.5; 4:5; 10:14), because I shall positively take them away, ( worldwide Jehovah's witnesses anointed and earthenings spared complete annihilation in first 8th King attack temple attack of Daniel 8:13; See Zech3:2) 7 But to the house of Judah (worldwide JWs) I shall show mercy, and I will save them by Jehovah their God; but I shall not save them by a bow or by a sword or by war, by horses or by horsemen."

(Thus angels are involved in the real JW deliverance for the final warning recovery. Isaiah 37:36; Mic3:6; Isa31:8-9; Mal3:1-4; Zech3:4-5; Isa66:6;)

And that is exactly what Jehovah did by the hand of the angelic "Destroyer" in the time of their over extended attempted attack on Jerusalem:

(Isaiah 37:36-37) And the angel of Jehovah proceeded to go forth and strike down a hundred and eighty-five thousand in the camp of the Assyrians. When people rose up early in the morning, why, there all of them were dead carcasses.
And that is exactly how Jehovah, by the same Destroyer, will also not allow the 8th King attack to go out globally to all anointed Christians and Jehovah’s witnesses. (Rev 9:1-4)

It is the same pattern, as the transitional interval in the "the evening" and "the morning" of Daniel 8:13-14,26 temple judgment (Rev 6), to allow the ministerial "morning" of recovery as the parallel recovery of Revelation 9, now replicating in final form upon the final anointed Christian ministerial recovery. That is the real initial "cutting short" of that initial 8th King "trampling" of Daniel 8:13 (Zechariah 3:2), to allow the final warning recovery to come forth (Rev 9:11-1-7), with also great prophetic global evidence of fulfillment then active in the final cycle—and the position in prophecy and global development time that anointed Christians and Jehovah’s witnesses are actually at.

In the meantime Jehovah’s witnesses will continue to be deluded by the false-prophetic and premature end hoax pattern and with new "end of the world" hype. (2 Thess 2:1-2) And so we know why the handy "new Gog of Magog understanding" programming has now been summed up for Jehovah’s witnesses, recently emerged in 2015, to keep this "attack" expectation fresh, summed up as a "coalition of nations" and thus now very well simplified in this 1-2-3 program, 1-2-The End, for the well programmed and deluded Jehovah’s witnesses mindset:

![Image](https://example.com/Image.jpg)

**ATTACK OF GOG OF MAGOG**

**EZEK 38:2, 10-13**

**GOG OF MAGOG: A coalition of nations that will attempt to annihilate God’s people**

**ARMAGEDDON:**  
- Jesus rides to protect God’s people  
- Gog of Magog destroyed (Rev 16:14, 16)  
- Satan and the demons abyssed (Rev 20:1-3)

**THE BEGINNING OF CHRIST’S MILLENNIAL REIGN**

**GREAT TRIBULATION BEGINS**

**Mark Daniel 8:14 Starting on a Calendar**

Now we can observe how this all plays out "soon, very soon", according to these latest details of formulaic programmed expectations. Of course an awake Christian will flee the JW organization now (Matt 24:25), ignore all directives or calls to go back which may arise in the "interval". Instead one will test the temple judgment prophecy of Daniel 8:13-14, and merely observe developments that must produce an event or events that clearly mark Daniel 8:13-14 activating.

Mark Daniel 8:14 temple judgment timing by noting the date that significant anti-JW organizational sacking development. This can be a corporate attack, or seizure that gives the impression of anti-ministerial meaning, or the fully marked removal of the JW "constant feature", as in a formal cancellation of the Jehovah's witnesses ministry, or any combination of these kinds of events. Any event of special notability of the "trampling" of the JW organizational initiating, or all of these developments or possible developments of this nature, come upon Jehovah's witnesses will begin the timing and "evening" phasing of this prophecy:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the (profaned) constant [feature] and of the transgression causing desolation (UN NGO alliance of Daniel 11:31b), to make both [the] holy place (temple "established place"; Dan 8:11) and [the] (JW worldwide) army things to trample on?" (first 8th King "trampling" "attack" defining the spiritual meaning of the "tribulation of those days" beginning); 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." (Temple judgment purification completed in this timed period parallel Zechariah 3:4-5, Revelation 8:1-5);

And this is a phased development, the darkness "the evening" phase period comes upon Jehovah's witnesses first., for a minimum 1150 days, 3.19 years:

(Daniel 8:26) "And the thing seen concerning the evening and the morning, which has been said, it is true. And you, for your part, keep secret the vision, because it is yet for many days."

If 2300 "evenings and mornings" is 2300 days, then we may see three years of "the evening" phase (1150 days) and three years of the recovering "the morning" phase (1150 days) period. In any case the cryptic nature of the prophecy is there for us to pay attention to how Daniel 8:14 actually transpires as it can have only two timing possibilities, and 1150 days (3.19 years), is the minimum that must transpire.

The real significance of the unique Daniel 8:13-14 events, timing and phasing is that it begins the final prophetic and global development cycle heading to guaranteed world government, not the end yet, because the "tribulation of those days" resolves into the full "healing" of the Revelation 13 final phase "sword stroke" phase.

As a whole global development cycle, that "problem" to world government "solution" development will parallel the final "abyss plunge" and "abyss ascension" of 8th King world government (Rev 17:8-11) to also present itself fully (Rev 17:11-18) in the course of the global "healing" phase fully in global swing as per Isaiah 41:1 to reinforce global government admiration and acceptance. (Rev 13,3,
Rev17:8, Rev13:15-18, Dan11:42-45)

Thus Daniel 8:13-14 activating is also Revelation 8:3-5 beginning the whole final “seven trumpets” of Revelation 8-11 and the “seven plagues” of Revelation 15-16 as full prophetic replication upon the original prophetic meanings of the first cycle of 1914-1919.

Thus in reality a whole set of global milestones are set to manifest and eventually be identified as part of the final warning and open salvation invitational process that precedes Christ arrival, and clearly marks the progress of development leading to His arrival in their sovereign and spiritual milestone marking meanings.

Bethel's premature end central JW delusion is promoted to cover up the meaning of this cycle as long as possible for them to do so, which is divinely limited to be neutralized after the UN NGO “transgression causing desolation” “trampling” and accounting is complete—that is the “evening” phase that must run its full timed course upon the “Worldwide Organization of Jehovah’s Witnesses”, and it will be an action intended to come against all Jehovah's witnesses, but that ceased by God and Christ (Hos1:4-7), by covert means (Rev9:1-4; Zech3:4-7), for the final warning period to fully emerge. (Rev9-11)

"Your Deliverance Is Getting Near"!

“Stand up straight and lift up your heads, because your deliverance is getting near.”—Luke 21:28.
SONGS: 133, 43

(The selected songs "Stay Awake, Stand Firm, Grow Mighty" is the obey directive and "Seek God for Your Deliverance" is the intended deliverance misdirected faith, all actually subverted for Jehovah's witnesses to obey the Bethel organization and its corrupt UN allied Governing Body.)

HOW WOULD YOU ANSWER?

What events similar to those in 66 C.E. will we soon face?
What time of testing will follow the destruction of “Babylon the Great”?
What gathering work is referred to at Matthew 24:31?

The Main Pattern for the Future Jehovah's witnesses Premature End Delusion Formula

There will be an attack, it will have a break, in that interval Jehovah’s witnesses will receive a special call to action and obedience.

What we have in this article is the reinforcement of a premature delusion composed of a required “attack” along with the premature "the end" central Bethel delusion and expectation re-hyped, to fully impress this compound delusion in Jehovah's witnesses as an expected continuum to "the end" to begin once this “attack” initiates. Basically in the JW brain, it is as good as "the end", so their psychology will be all hopped up “at that time”, opening them up for various controlling directives.

But unique to this article, we now have an identified "brief respite", which internalical purpose is not known yet. But it appears the "break" can be used to issue these now expected JW capture directives, "as unsound as they may appear", to possibly attempt to fill the JW org trap as full as possible in this prepared JW chaos period.

This article uses a known prophetic formulaic pattern of this expected attack and respite from the Jerusalem partial siege and withdrawal of the Romans in 66 C.E. with its "brief respite" as that siege was "cut short" (Matt24:21-22; Matt24:29-31) which allowed the urgent escape opportunity prior to the 70 C.E. total Roman siege and destruction of Jerusalem.

The urgency has been previously impressed into the JW brain in this manner, regarding this break in the 66 C.E. Jerusalem attack:

"15 For no apparent reason, Cestius Gallus and his troops withdrew from Jerusalem and began retreating. The Zealots
gave chase. With the warring parties away, Jesus’ followers suddenly had an opportunity to flee. Jesus had specifically instructed them to leave their material possessions behind and depart without delay. (Read Matthew 24:17, 18.) Was prompt action really necessary? The answer soon became clear. Within days, the Zealots returned and began forcing the inhabitants of Jerusalem and Judea to join the rebellion. Conditions within the city rapidly deteriorated as rival Jewish factions struggled for control. Flight became increasingly difficult. When the Romans returned in 70 C.E., flight became impossible. (Luke 19:43) Any who had lingered were trapped! For the Christians who had fled to the mountains, heeding Jesus’ instructions meant saving their lives. They saw firsthand that Jehovah knows how to deliver his people. What lesson can we learn from this account?”

“16 As events unfold during the great tribulation, Christians will need to heed instructions from God’s Word and organization. For example, Jesus’ command to “begin fleeing to the mountains” has a modern-day application. Just what form our flight will take remains to be seen. However, we can be sure that Jehovah will make clear the meaning of those instructions when the time comes for us to follow them. Since our deliverance will depend on obedience, we do well to ask ourselves: ‘How do I respond to instructions that Jehovah provides for his people now? Am I quick to respond, or do I hesitate to obey?”—Jas. 3:17.”

So “your deliverance is getting near” is because “the end” is getting near, “to the effect the day of Jehovah is here” “soon, very soon”.

Now that account of Jerusalem in 66 C.E. is the truth, but what Bethel is doing is hyping a delusion by misapplied prophecy for a future hoax to direct Jehovah’s witnesses for other purposes, for it is not the actual application time coming up, and it is premature in global development and in the prophetic sequence that forecasts the entire final cycle accurately.

Bypassing the future cycle meaning, and the prophecy and details that fully forecasts it, is what Bethel is actually up to. Rather than tell Jehovah’s witnesses, and those they preach to, that an 8th King world government is foretold to come in, in a final prophetic cycle, Bethel says “the Anglo-American World Power will not be replaced by some future world power”, so King 7 is the end all according to Bethel:

“10 In the 21st century, Britain and the United States have continued their special partnership, often acting together in world affairs. The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power. This last world power may be weaker than that represented by the legs of iron, but it will not disintegrate on its own.”

Well what about King 8—world government?

In prophecy, in reality, there is an “8th” “King”. It comes after the 7th King, rather obviously and sequential in prophecy—1-2-3-4-5-6-7-8—for that very reason. (Rev17:8-18) Its finality must be a full world government to define the “8th” and final “King” meaning. So to Jehovah’s witnesses Bethel just tells them “the prophecies of Daniel and John have been fulfilled to the smallest detail” as in past tense “fulfilled”, and that the prophecy has been completed, no reason to look any deeper or any further into modern prophecy, which is a complete lie:

“19 We are living in the days of the seventh head. No more heads will appear on this beast before it is annihilated. The Anglo-American World Power will be the dominant world power when false religion is eradicated. The prophecies of Daniel and John have been fulfilled to the smallest detail. We can be confident that the destruction of false religion and the battle of Armageddon will soon come. God has revealed these details in advance. Will we pay attention to the prophetic warnings? (2 Pet. 1:19) Now is the time to take sides with Jehovah and to support his Kingdom.—Rev. 14:6, 7.”

Watchtower 6/15/2012 Study Edition; pg. 9, 11, par 10,19

Thus Bethel is just continuing their 2 Thessalonians 2:1-2 fulfilling premature “end of the world” delusion “to the effect the day of Jehovah is here” well premature of prophetic and global developmental reality—they simply bypass the 8th King as if the UN is already a true world government, which it is not. Instead of it being “simply the end brothers”, it is the greatest global cycle to eventually produce final full 8th King world government in all human history about to begin!

The United Nations “image” will be the nucleus of 8th King world government but it will not be, nor is it now, its totality of true "scarlet wildbeast" and true global ruling 8th King world government. The “one hour” (Rev17:12) of the final Revelation 17:8-12 process is that reign of full world government.

Thus this article is Bethel “smooth” wordsmithed (Dan11:32a) with the main intended programming and delusional set-up for the future JW hoax, and then the typical sandwiching of general teachings, and a couple sugary positive shills are weaved in to complete the “epistle to JW”s to down the whole delusional JW sleeping pill as valid, based on prophecy, and that from claimant anointed Christian leaders, which “sandwich” and “tossed salad” of “teachings” then completes the deceptive, deluding and toxic “spiritual meal”. (Rev6:10-11)

This is all nicely outlined in a very simple “formula for the future” composed of future “prophetically backed” expectations of an “attack”, and a miraculous and convenient divine “interval”?respite”, as a time for special Jehovah’s witnesses action, obedience and support assistance, then the end. It is a JW self fulfilling prophecy, 1-2-3.

Of course the JW organization, not actually God and Christ, is what must obey faithfully for “your very salvation”, and those corrupted apostate Bethel UN allies are to receive all necessary Jehovah’s witnesses support and resources—not your family, not your brothers and sisters, not you, not anointed Christians, not your neighbor, but ONLY the Worldwide Organization of Jehovah’s Witnesses—the “JW organization”, and its Governing Body of Pied Vipers are to be the recipients of all Jehovah’s witnesses participation, resources, obedience and faith.

Not even God and Christ are actually in the picture, they are merely props placed there to give credibility to the JW organization and its rogue Governing Body which has assumed and will continue to assume actual command over Jehovah’s witnesses by this deceptive technique of control by misplaced trust and faith.
The Main Pattern to Hijack for Future Delusion

question1. What events took place in 66 C.E.? (See opening image.)

1 Imagine that you are a Christian living in Jerusalem in 66 C.E. A lot has been happening around you. First, the Roman procurator Florus seized 17 talents from the sacred temple treasury. Immediately, Jews rose in revolt, slaughtering the Roman forces in Jerusalem and asserting their independence from Rome. But Rome reacted swiftly. Within three months, 30,000 troops appeared on the scene, led by the Roman governor of Syria, Cestius Gallus. The soldiers quickly entered the suburbs of Jerusalem, and the Jewish rebels retreated to the safety of the temple fortress. Next, the Roman soldiers started to undermine the outer wall of the temple area! Panic is spreading throughout the city. How do you feel as you see all of this happening?

The Setup of the Formula of Future Expectations

The main obey, obey, obey directive and the attack-interval-flight/action = "the end" formula, for future delusional application for misled Jehovah's witnesses:

question2. What action did Christians in 66 C.E. need to take, and how was this made possible?

2 No doubt you remember the words of Jesus as recorded by the Gospel writer Luke: “When you see Jerusalem surrounded by encamped armies, then know that the desolating of her has drawn near.” (Luke 21:20) However, you may wonder, ‘How can I obey the instructions given along with that warning?’ Jesus also said: “Then let those in Judea begin fleeing to the mountains, let those in the midst of her leave, and let those in the countryside not enter into her.” (Luke 21:21) How can you possibly leave Jerusalem with so many troops surrounding it?

(1) Then, an amazing thing happens. Right before your very eyes, the Roman troops start to retreat! As foretold, their attack is being “cut short.” (Matthew 24:22)

(2) Now you have the opportunity to obey Jesus’ instructions.

(3) Immediately you flee to the mountains across the Jordan River, along with all the other faithful Christians in the city and its surroundings.*

Then, in 70 C.E., a new Roman army heads for Jerusalem and destroys the city. But your life is spared because you obeyed Jesus’ instructions.

The Application to Future Events Coming "Soon, Very Soon"

Thus that above attack-interval-action formula is to be used later on Jehovah’s witnesses:

question3. What similar situation will Christians soon face, and what will we consider in this article?

3 Soon, very soon, each of us will face a similar situation.

Right here we may rightly ask how is Bethel so certain this is all "very soon"? If this is the case, why build a "New World Order Headquarters" up in Wallkill at the same time to also complete "soon" as well? Why such blatant contradiction of purposes and signals?

It is because Bethel knows the 8th King world government producing "two horned wildbeast" globalizing system has a final global-cycle to begin soon because they have been working in tangent with it—Bethel's apostasy and internals are part of that globalist "false prophet" now. That is how Bethel knows this "similar situation” is as "soon, very soon” as it is, and why they state it so certainly. Thus the entire delusional complex, and external 8th King supporting aids, work together from within, and outside of, compromised Bethel, to fully hoodwink Jehovah's witnesses.

1. In 1990, when the globalists set up the 3rd United Nations presentation in the "New World Order" initiative after the Cold War and with the fall of the USSR, Bethel was there for them to cover up the meaning and prophecy of that 3rd UN event and to join them as UN NGO.

2. In the World Trade Center 911 events of 2001, the Bethel provided UN NGO went public in the secular press in October 2001, just a month after 911, as a Bethel provided scandal to emerge publicly in tangent with another globalist world development phase. Then Bethel covered up the meanings of the Global War on Terror.

3. Now when the final great global cycle of final world government development and the prophecy that forecasts it is set to begin, Bethel also covers it all up and instead promotes the "end of the world" delusion to aid the whole process now and for when it begins. Now when logically and prophetically and in the world sovereign system the 7th King nation-state system must “fall” (Dan11:42-43), to allow the true 8th King to rise (Rev17:8-18; Rev11:7), Bethel covers up that simple, numeric, sequential prophetic truth.

Thus Bethel already has worked fully in synchronized tangency and collusion with 8th King producing globalist global phases directly since 1990, just as Daniel 11:32a and Daniel 8:12 foretold of this modern apostasy.

The Latest Red Flags
So with that "soon, very soon" certainty from Bethel we can understand these last few years of waving Bethel red flags more clearly.

1. Now we understand that 2012-2013 Governing Body, "Number 1", global-debacle "we alone are the faithful slave everyone!" purposeful blasphemy "in the temple" actually marks this Bethel downfall period in a great prophetic signal in literal form. That globally public stellar Governing Body "lifting themselves over everyone" fully, including over God and Christ as the latest "man of lawlessness" portion literally fully emerged at Bethel is so blatant as to be hidden in plain sight.

That brazen self-gloration stunt by Bethel's foretold apostatized and infiltrated "Governing Body of Lawlessness", the leading "body of lawlessness" in Jehovah's witnesses, is actually the "man of lawlessness" prophecy manifesting more fully in tangent with all these other final coup red flags.

2. Now we understand why the JW organization has been reorganized to tighten the global JW herding chain of command. Now we know why they have recently stripped the local congregations of all their insulative liquid assets and administer a new more generic "Kingdom Hall" design with greater post Bethel crash marketability.

3. Now we know why they are milking JWs for every last drop of wealth and resources in also shameless brazen manner of literal organized begging and extortion by guilt fanning in Bethel publications while already pulling in hundreds of millions in JW donations for the King North (8th King) system every year.

4. Now we know why they want JWs all of a sudden online at hyped and rebranded "JW dot org", so in the event of congregational collapse, more Pied Piper Bethel directives can be fluted out over the Web to the scattered misled JW lemmings all over the world who have an internet connection.

5. Now the "disaster preparedness plan" aligns the Bethel global logistics system of already operational JW herding and management devices, in the JW org, with agencies such as the Federal Emergency Management Agency (FEMA) in the US, which become the funneling arms of the national security complex in the time of emergency or martial law in far more ominous manner in recent "Police State" research note.

Thus the Jehovah's witnesses system is already fully aligned and hyped for such "preparedness" by use of beneficial planning and good intentions of being prepared for emergencies, that can just as easily become a JW herding mechanism facilitated by JW "organizational obedience" directives as "impractical and unsound" as they may appear, "all must be willing to obey". Thus the JW global-spider-web is well placed, well trusted and well concealed in what would normally be well intentioned preparedness, but not in the case of enemy compromised Bethel internals now operating in the JW organization.

Now we know why this has been networked fully, hyped in JWs, and is ready for the JW herding process globally "at that time" in tangent with delusional Watchtower supporting articles such as this one.

6. Now all the organizational anomalies and strange and ludicrous appeals to mindless obedience to a human organization composed of sinners, apostates, imposters and many well meaning but misled Jehovah's witnesses, all makes sense when we see what has really developed inside of "son of destruction" Bethel—they are preparing for a full blown anti-JW organization coup—and they want JWs to lend a helping hand, go where they are told to go, and witness it all while "standing up straight" with "uplifted heads" in great hope Christ will soon arrive thinking it is all guaranteed prophecy fulfilling that they are witnessing.

It will be prophecy fulfilling, apostasy prophecy culminating with the "tribulation of those days" beginning, not the "the end" prophecy JWs are misled to think is "fulfilling".

7. Now we know why Bethel has collected nearly a billion dollars in known New York state real estate asset liquidations in just a few years, to get that JW loot out of the doomed JW "city" before the JW organizational chaos and attack initiates fully. (Eze7:22) And we know the Bethel "New World Order Headquarters" is not going to Jehovah's witnesses, it is going to Bethel's 8th King Masters, as it too completes "soon, very soon".

Thus all these whacked out mixed signals and red flag anomalies flapping at pre-storm Bethel are due to Bethel's collusive
understanding of what is really coming on the JW organization in Bethel's 8th King collusion provided insights into the final cycle. The external enemy system is fully focused on Jehovah's witnesses, to end that ministry prematurely and attempt to ensure it never does reform by seizure of its corporate resource base.

(Hosea 7:1-3) “At the time that I would bring healing to Israel, the error of Ephraim is also actually uncovered, and the bad things of Samaria; for they have practiced falsehood, and a thief himself comes in: a marauder band actually makes a dash on the outside. (upon Bethel) 2 And they do not say to their own heart that all their badness I will remember. Now their dealings have surrounded them. In front of my face they have come to be. 3 By their badness they make [the] (8th King/King North) king rejoice, and, by their deceptions, princes. (Bethel is pleasing their enemy system masters they are in direct collusion with, as per prophecy; Dan11:30-32, Dan8:12)

(Nahum 1:10-11) Although they are being interwoven even as thorns and they are drunken as with their wheat beer, they will certainly be devoured like stubble fully dry. 11 Out of you there will actually go forth one who is thinking up against Jehovah what is bad, counseling what is not worth while.

(Ezekiel 7:22) And I shall have to turn away my face from them, and they will actually profane my concealed place, and into it robbers will really come and profane it.

(Isaiah 29:19-21) And the meek ones will certainly increase their rejoicing in Jehovah himself, and even the poor ones of mankind will be joyful in the Holy One of Israel himself, 20 because the tyrant must reach his end, and the bragger must come to his finish, and all those keeping alert to do harm must be cut off, 21 those bringing a man into sin by [his] word, and those who lay bait even for the one reproving in the gate, and those who push aside the righteous one with empty arguments.

(Isaiah 49:24-25) Can those already taken be taken from a mighty man himself, or can the body of captives of the tyrant make their escape? 25 But this is what Jehovah has said: “Even the body of captives of the mighty man will be taken away, and those already taken by the tyrant himself will make their escape. And against anyone contending against you I myself shall contend, and your own sons I myself shall save.

With all that apostate and lawless activity, then no wonder the judgment must start with the "house of God" first, not Babylon the Great!

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

The modern UN allied criminal syndicate Bethel; the brothel Madame "mother" "Jezebel" and the deceiving and illegal "Governing Body of UN Pimps" makes long err erred Babylon the Great look like a "holy virgin" "girl scout" gleaming in sinless snow white brilliant raiment—that is how actually severe Bethel's true apostate and impostor ridden state has become—Bethel even out sins Christendom due to the level of accurate knowledge and spiritual responsibility Bethel formerly had entrusted to their oversight.

(Luke12:48b) (Acts 1:20) For it is written in the book of Psalms (109:8), ‘Let his (son of destruction) lodging place become desolate, and let there be no dweller in it,’ and, ‘His office of oversight let someone else take.’

(Revelation 2:20-23) ““Nevertheless, I do hold [this] against you, that you tolerate that woman Jezebel, who calls herself a prophetess, and she teaches and misleads my slaves to commit fornication and to eat things sacrificed to idols. 21 And I gave her time to repent, but she is not willing to repent of her fornication. 22 Look! I am about to throw her into a sickbed, and those committing adultery with her into great tribulation, unless they repent of her deeds. 23 Look! I am about to throw her into a sickbed, and those committing adultery with her into great tribulation, unless they repent of her deeds. 23 And her children I will give her time to repent, but she is not willing to repent of her fornication. 24 Look! I am about to throw her into a sickbed, and those committing adultery with her into great tribulation, unless they repent of her deeds. 24 Look! I am about to throw her into a sickbed, and those committing adultery with her into great tribulation, unless they repent of her deeds. 25 But this is what Jehovah has said: “Even the body of captives of the mighty man will be taken away, and those already taken by the tyrant himself will make their escape. And against anyone contending against you I myself shall contend, and your own sons I myself shall save.

And this temple inspection is that inspection parallel above:

(Zechariah 3:1-3) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as standing at his right hand in order to resist him.

(Zechariah 3:1-3) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as standing at his right hand in order to resist him.

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

I am about to throw her into a sickbed, and those committing adultery with her into great tribulation, unless they repent of her deeds. 23 And her children I will kill with deadly plague, so that all the congregations will know that I am he who searches the kidneys and hearts, and I will give to you individually according to your deeds.

And this temple inspection is that inspection parallel above:

(Zechariah 3:1-3) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

Now the full paragraph:

3 Soon, very soon, each of us will face a similar situation. Jesus not only warned Christians about the destruction of Jerusalem but also used those first-century events to parallel what will occur when the “great tribulation” suddenly breaks out. (Matthew 24:3, 21, 29)

In fact, the good news is that “a great crowd” of people will survive this worldwide catastrophe. (Read Revelation 7:9, 13, 14.) What does the Bible tell us about these upcoming events?

We should be keenly interested in the answer, for our very salvation is involved. Let us now examine in detail how these future events will affect us personally.

[“Read” scriptures.] Revelation 7:9: After this I saw, and look! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb, dressed in white robes; and there were palm branches in their hands.

Revelation 7:13, 14: In response one of the elders said to me: “These who are dressed in the white robes, who are they and where did they come from?” So right away I said to him: “My lord, you are the one who knows.” And he said to me: “These are the ones who come out of the great tribulation, and they have washed their robes and made them white in the blood of the Lamb. [End of ‘Read’ scriptures.]

Angels Visit Bethel
This is why when Christ comes into the temple for the purification, after the desolation phase on the Bethel epicenter has completed:

(Malachi 3:1-3) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come,” Jehovah of armies has said. 2 “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lyre of launderymen. 3 And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver...

Christ has found the exact same thing inside of Bethel, and as before in the temple arrival parallel he will deal with them:

(Luke 19:45-46) And he entered into the temple and started to throw out those who were selling, 46 saying to them: “It is written, ‘And my house will be a house of prayer,’ but you made it a cave of robbers.”

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence.

And a similar final clean out will be completed, as these "befouled garments" are not laundered, they are fully replaced in the temple judgment:

(Zechariah 3:3-5) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Christ "the messenger of the covenant" as "the angel of Jehovah" oversees that process by angelic means, not human. Another error will not overtake the recovered anointed Christian ministry.

Thus once the divinely permitted action comes on Bethel, angels will become directly involved in the recovery and the removal of the Bethel illegal trespassers and lawless apostate associates.

(Isaiah 66:6) There is a sound of uproar out of the city, a sound out of the temple! It is the sound of Jehovah repaying what is deserved to his enemies.

And all that long before the end, as preparation for the final warning of it. That is the divine purging activity that eventually emerges in the Bethel desolation period running its course as the Daniel 8:14 "evening". The Bethel coup "attack" context coming up will afford the deployment of these cleansing actions by angels, upon the enemy trespassers and terminal apostates inside the Bethel ministry.

That is why all the detailed temple judgment prophecies at Zechariah 3, Malachi 3, Revelation 8-9, Daniel 8:12-14 and Hosea 1:4-7 are all holy angel loaded to the brim in the details of their purifying outworking information.

Bethel better put that 8th King "all-seeing-eye" in the back of their head, or get ready to be looking over their shoulder the rest of their abbreviated period in this rebellion climax, because they will in time meet covert angelic purges well before the end, to ensure the final warning period will come forth fully as foretold.

(Isaiah 37:36-37) And the angel of Jehovah proceeded to go forth and strike down a hundred and eighty-five thousand in the camp of the Assyrians. When people rose up early in the morning, why, there all of them were dead carcasses. 37 Hence Sennacherib the king of Assyria pulled away and went and returned and took up dwelling in Nineveh.

(Revelation 9:11) They have over them a king, the angel of the abyss. In Hebrew his name is Abaddon, but in Greek he has the name Apollyon.

There is only one "Destroyer" in the Bible (1Cor10:10, Heb11:28), the "Angel of the Covenant" Jesus Christ, now the "King" and "the Mighty God", and that is the same purging power that will come upon the Bethel trespassers and follow them home to their "dwelling in Nineveh" to complete all it in temple judgment. One way or another the whole Bethel apostasy and their internal supporting matrix will be neutralized when the timed desolation phase has ended. (See "Nineveh" apostate Bethel and 8th King world government symbols in Nahum, Zephaniah, and Habakkuk)

(John 2:6b-7,9-10) But out of [the] pit you proceeded to bring up my life, O Jehovah my God. 7 When my soul fainted away within me, Jehovah was the One whom I remembered. Then my prayer came in to you, into your holy temple.9 But out of [the] pit you proceeded to bring up my life, O Jehovah my God. 7 When my soul fainted

(Revelation 9:1-4) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss was given him. 2 And he opened the pit of the abyss, and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit. 3 And out of the smoke locusts came forth upon the earth; and authority was given them, the same authority as the scorpions of the earth have. 4 And they were told to harm no vegetation of the earth nor any green thing nor any tree, but only those men who do not have the seal of God on their foreheads.

(Isaiah 12:1-6) And in that day you will be sure to say: “I shall thank you, O Jehovah, for [although] you got incensed at me, your anger gradually turned back, and you proceeded to comfort me. 2 Look! God is my salvation. I shall trust and be in no dread; for Jah Jehovah is my strength and [my] might, and he came to be the salvation of me.” 3 With exultation you people will be certain to draw water out of the springs of salvation. 4 And in that day you will certainly say: “Give thanks to Jehovah, you people! Call upon his name. Make known among the peoples his dealings. Make mention that his name is put on high. 5 Make melody to Jehovah, for he has done surpassingly. This is made known in all the earth. 6 “Cry out shrilly and shout for joy, O you inhabitress of Zion, for great in the midst of you is the Holy One of Israel.”
The Bethel Abrupt Visitation (Malachi 3:1-5)

Now what Bethel possibly would like to do is guide Jehovah's witnesses through this 7th King downfall period “problem”, and into 8th King “New World Order” world government “solution” whole, while just continuing to morph what is left of Jehovah’s witnesses to accept that development as God’s Kingdom “recovering” the nations. We do not know the whole strategy at this time, so we speculate what would occur had God not stepped in to end the “evening” phase of Daniel 8:13-14. Had Christ not “arrive at the temple” to clean out the vipers, Jehovah’s witnesses would be done, one way, or another, that much is clear:

(Zechariah 3:2) Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

It is not a man that snatches the Jehovah’s witnesses and anointed Christian collective “log” from that very real “fire” of permitted purification developments. (Hos1:4-7)

And had God not acted, as He will when the desolation accounting period has completed (Dan8:13-14, Zech3:4-5), Bethel could do just such a JW mental transformation, because Jehovah’s witnesses are unaware of this final cycle requirement and that the UN system goes into the “abyss” in this 7th King “sword-stroke” downfall, to emerge in final form, as world government. (Rev17:8-18)

Thus the whole final process of 7th-King-to-8th-King world government transition, has a final *“abyss plunge”* to “abyss ascension” phasing, and a *final global “sword stroke” to global “healing”* parallel pattern that could be further presented to Jehovah’s witnesses in just such a deceptive manner. In reality, JWs are now being groomed for “New World Order” allegiance and obedience.

That being the case, at the same time UN NGO Bethel has already been morphing the JW collective mind for “New World Order” obedience as exemplified in their mini “King North” protégé in the Governing Body of Sellouts and apostasy guides and the whole morphology of the Jehovah’s witnesses organization over the last 40 years.

And that is why, come the three year approximate point into this divinely permitted JW “trampling” (Dan8:13-14), the 8th King engineers will instead get a visit from things beyond human (Hos1:4-7, Isa31:8-9, Mic5:5-6; Matt25:6), with the divine express intent of neutralizing their specific anti-JW operations globally (Rev9:1-4; Isa66:6), delaying them (Isa38:8), so the final warning period can emerge fully into Daniel 8:14,26 “morning” (Rev3:1-4, Mal3:1-5, Zech3:3-9) for the full final warning recovery; guaranteed. (Rev9:11-1-7)

This JW recovery point is also for them to know Christ is then in the “temple” (Mal3:1-3, 2Thess2:8), and they need to go fully prepare and complete their 8th King world government for Armageddon, the place” they are headed to, for final sovereign confrontation with the Kingdom of God. What comes after the Daniel 8:14 “evening” of desolation ends, is a “private message” to the 8th King (King North) boys from God and Christ, to the 8th King elites and Gog, to “be ready”, their “one hour” has arrived after they complete world government. (Rev17:12-14)

They got mail coming:

(Ezekiel 38:7) Be ready, and let there be preparation on your part, you with all your congregation, those congregated alongside you, and you must become their guard.

( Joel 3:9-11) “Proclaim this, you people, among the nations, ‘Sanctify war! Arouse the powerful men! Let them draw near! Let them come up, all the men of war! 10 Beat your plowshares into swords and your pruning shears into lances. As for the weak one, let him say: “I am a powerful man.” 11 Lend your aid and come, all you nations round about, and collect yourselves together.!” To that place, O Jehovah, bring your powerful ones down.

By that time, it will very soon be the real time for war with God Almighty, by that time of post temple judgment (Rev8) anointed Christian recovery (Rev9) to also fully announce that Messianic Kingdom completion message globally (Rev10), the “second witness”, the final “two witnesses” open salvation invitation and final global warning (Rev11:1-7) prior to 8th King world government completion and God and Christ's arrival to also complete the Messianic Kingdom final universal sovereign divinely appointed agency for the final head-on epic sovereign confrontation of the end of the Adamic age. (Rev19:11-21, 2Thess1:6-10; Dan2:31-45; Zeph3:8-9; Rev16:13-19; Rev11:11-19; Amos9:1-3; Isa41; Ps110; Ps2; Joel3:9-17; Zech12:6-8; Zech2:5; Eze38-39; Dan8:25; Dan11:45)

The Diversion to Babylon the Great “Attack” and the Delusion of Approval

Obviously given the UN NGO, the concealment of that 1990 3rd United Nations prophetic “placement” presentation event, the silence on “New World Order” world government progress and intent, an illegal ruling “Governing Body of Slick Tyrants”, and the rampant Bethel organizational lawlessness and global reproach aided stumbling campaign (2Pe2:2-13), Bethel and Jehovah's witnesses and anointed Christians among them are NOT in a true “clean, virgirlike anointed ones of God” standing.

(Israel 1:9-12) Unless Jehovah of armies himself had left remaining to us just a few survivors, we should have become just like Sodom, we should have resembled Gomorrah itself. 10 Hear the word of Jehovah, you dictators of Sodom. Give ear to the law of our God, you people of Gomorrah. 11 “Of what benefit to me is the multitude of your sacrifices?” says Jehovah. “I have had enough of whole burnt offerings of rams and the fat of well-fed animals; and in the blood of young bulls and male lambs and he-goats I have taken no delight. 12 When you people keep coming in to see my face, who is it that has required this from your hand, to trample my courtyards?

THAT is the true state of Bethel and the “bad association” corrupting effects now endangering all Jehovah’s witnesses. This is what UN NGO Madame "Mother Bethel" has actually been up to:

(Hosea 2:5) For their mother has committed fornication. She that was pregnant with them has acted shamefully, for she has said, 'I want to go after those passionately loving me, those giving my bread and my water, my wool and my linen, my oil and my drink.'

(Hosea 4:5-6) And you will certainly stumble in the daytime, and even a prophet must stumble with you, as at night. And I
will put your mother to silence. 6 My people will certainly be silenced, because there is no knowledge. Because the knowledge is what you yourself have rejected, I shall also reject you from serving as a priest to me...

Rather, the UN street walking UN NGO pushing JW harlots and the Bethel UN brothel are what we have in reality—but we also keep in mind most Jehovah's witnesses are totally deceived into this UN NGO promotional campaign. This myth in paragraph 4 below, is all just the modern self deception operation of Bethel for Jehovah's witnesses (2Thess2:11-12), energized by mere ear tickling to set the delusional air of pre-approval, as if all is said and done by now, for Jehovah's witnesses to well expect "the end any day now brothers", for "all is well", "all is done", "yes it is the end".

Thus this whole self approved delusion of a JW ministerial "mission accomplished" that reinforces the impression "the end" is next.

The Beginning of the Great Tribulation

4 How will the great tribulation begin? The book of Revelation answers by describing the destruction of "Babylon the Great." (Revelation 17:5-7) How appropriate that all false religion is likened to a prostitute! The clergy have prostituted themselves with the leaders of this wicked world. Instead of loyally supporting Jesus and his Kingdom, they have given their support to human rulers and have compromised godly principles just to gain political influence. They stand in stark contrast with the clean, virginlike anointed ones of God. (2 Corinthians 11:2; James 1:27; Revelation 14:4)

But who will destroy the harlotlike organization? Jehovah God will put "his thought" into the hearts of "the ten horns" of the "scarlet-colored wild beast." These horns represent all the present political powers that give support to the United Nations, an organization pictured by the "scarlet-colored wild beast."—

Read Revelation 17:3, 16-18.

["Read" scriptures.] Revelation 17:3: And he carried me away in the power of the spirit into a wilderness. And I saw a woman sitting on a scarlet-colored wild beast that was full of blasphemous names and that had seven heads and ten horns.

Revelation 17:16-18: And the ten horns that you saw and the wild beast, these will hate the prostitute and will make her devastated and naked, and they will eat up her flesh and completely burn her with fire. For God put it into their hearts to carry out his thought, yes, to carry out their one thought by giving their kingdom to the wild beast, until the words of God will have been accomplished. And the woman whom you saw means the great city that has a kingdom over the kings of the earth." [End of "Read" scriptures.]

Thus in reality "The clergy" of Christendom and now UN NGO Bethel "have prostituted themselves with the leaders of this wicked world". With Bethel, their UN NGO UN partnership, trust in, and obsession with, money, traditions, self righteousness, organizational and "Governing Body" idol worship and "rich man" Bethel materialism, it is now more obvious to many people as the true state of this foretold modern Bethel religious "lawless one" abomination and "harlotry" becomes more publicly recognized by mass evidence.

Bethel has both "two horned wildbeast" "false prophet" and Babylon the Great "daughter harlot" developments inside of the Bethel system "transforming" Bethel's ministry from a "ministry of righteousness" into a Satanic "ministry of deception" "light". (2Cor11:13-15)

That being the true Bethel internal state, "instead of loyally supporting Jesus and his Kingdom, they have given their support to human rulers and have compromised godly principles just to gain political influence"—it is UN NGO Bethel and that central treason, "those leaving the holy covenant", that defines that statement in most recent note and apostate significance.

And while fulfilling the apostasy prophecy Bethel simultaneously conceals it, as the signal apostasy of our time is foretold, with also this required premature end delusion cover. (2Thess2:1-4; Dan8:12; Dan11:30-35,41; and all that signal apostasy development being with that 3rd UN presentation also in those prophecies, also co-developing and also being covered up in lieu of the Bethel UN NGO instead.)

Thus Bethel's "ruling class" has "compromised godly principles just to gain political influence" in the internal Jehovah's witnesses spiritual politics they play for their own "lifting themselves over everyone" credibility as Bethel's recognized and feared "kings" ruling now. Actual political harlotry is in the manner in which their protected racket is, for now, permitted by also global "political influence" and financial alignments.

Thus the allowed methods in "legal" non-profit and religious veneered operations to facilitate JW provided asset storage, hedge funds and other non-religious secular wealth and investment stores, in a couple billion dollars assumable, for 8th King aiding managerial embezzlement now, and in the future the legal full seizure of the whole Bethel multi-billion dollar global JW "nest egg", is all permitted for the Bethel billion dollar "daughter harlot". The Bethel conduit and the 8th King system tier bankers all aid the process with the incentive of the billions they are having funneled into their system by their latest JW "escorting" "girl" aid.

All of this "cave of robbery" is empowered by compromised Bethel itself, also now milking JWs in accelerated "dairy duty" overtime manner, as of late, to squeeze every last potential drop, draining JWs, during the whole process, of every last possible penny by recently amplified Bethel begging directives.

Thus like their father figure Judas the first "son of destruction", the modern "son of destruction" Governing Body and Bethel thieves also reveal latent signals of theft as indications of who they are before God fully judges and exposes them:

(John 12:6) He said this, though, not because he was concerned about the poor, but because he was a thief and had the money box and used to carry off the monies put in it.

Bethel is doing the exact same thing.

In addition to the love of money, the Judas "son destruction" betrayal pattern (Zech11) must also manifest from that Governing Body and Bethel den of vipers and thieves to fully fulfill that prophecy in the events they are now predictively programming for Jehovah's witnesses ministerial deposition. (2Thess2:3-4)
Thus in reality, Bethel is a spiritual-fronted global-racketeering operation, a well veneered organized crime syndicate, with substantial billions in investments and modern liquidations now in action, to the tune of at least a billion dollars transferred in some form in public record in part, in just the last five years in New York state real estate assets alone. Who knows the true scale of the Bethel JW treble trove to be given to King North operations when this coup fully completes—it will be substantial if not total.

(Hosea 7:9) Strangers have eaten up his power, and he himself has not come to know it.

(Isaiah 1:23) Your princes are stubborn and partners with thieves.

In fact Bethel scandal is so severe in evidence of their actual lawless dealings and reproaches, the entire nature of the formerly scriptural dialogue of those with questions and criticisms has now devolved into a setting of Bethel dirty laNdry all over the Web based global record. Bethel has totally distracted the focus away from the original "Kingdom message", to a denial of, defense of, and or distraction into, their own actual global scale lawlessness especially emerging under the Governing Body illegal dictatorial tenure since 1976 when the JW ministry was totally hijacked by those rogues.

Thus in reality, the question, "But who will destroy the harlotlike organization?" can actually, and does actually, apply to apostate Bethel. At this time, they are who are the most significant apostasy, "the harlotlike organization"—this is a well placed question indicating insider understanding. Overall that section is a total fantasy of the Jehovah’s witnesses past approval and former up-to-date prophetic validity, when they were exposing the UN as prophecy properly, live and real-time, in 1919 and 1945, and remained unattached to the UN in any way, shape or form.

Such divine approval is no longer the case with modern UN NGO Bethel and their modern foretold apostate JW subversion and diversion campaign. (Zech3:1-3; Dan11:31a)

Now when Bethel says this:

4 "How will the great tribulation begin? The book of Revelation answers by describing the destruction of “Babylon the Great.”

In fact the Bible states the end period begins with Revelation 8’s first four trumpets of the temple judgment. As a parallel it is not until6th to 7th plague developments that actually see Babylon the Great‘ deposition under world government. And as Revelation 8 replicates for now the Bethel judgment, we find the 3rd trumpet describes the Bethel fallen “Wormwood Star” of apostasy, well before Babylon the Great goes down:

(Revelation 8:10-11) And the third angel blew his trumpet. (temple judgment alarm explanations) And a great star burning as a lamp fell from heaven (those leaving the holy covenant at Bethel. Dan11:30-32), and it fell upon a third of the rivers and upon the fountains of waters. (Bethel’s teachings are polluted, profanation of Daniel 11:31a, Dan8:12, Zech3:1-3) 11 And the name of the star is called Wormwood. (the whole "evil slave" "man of lawlessness" Bethel and Governing Body misled JW "earth" system and ministry) And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter. (the effects of the Bethel apostasy are spiritually toxic);

Proof of Babylon the Great deposition under full world government completion, is explained in more detail later, below for paragraph 7.

Positive Shill 1

In reality Bethel has to go down to allow the final global open salvation offer to go forth fully by the end of the "tribulation of those days:" final 1260 day final minute heading into world government. So actually, this below is true as per Revelation 14:1-8, so it is a hopeful and positive shill to mix into the overall lie and delusion Bethel is promoting overall, and of course this is all Bethel has to say about that open salvation certainty for those willing at this implied time:

question5.6. Why do we conclude that the destruction of Babylon the Great does not mean the death of all religious people?

5 Should we conclude, though, that the destruction of the religions of Babylon the Great results in the death of all the former members of those religions? Apparently not. The prophet Zechariah was inspired to write about that time. Speaking of someone who was previously part of false religion, the account states: "He will say, 'I am no prophet. I am a man cultivating the soil, because a man bought me when I was young.' And if someone asks him, 'What are these wounds between your shoulders?' he will answer, 'Wounds I received in the house of my friends.'" (Zechariah 13:4-6) So, apparently, even some of the clergy will abandon their religious course and deny that they were ever part of those false religions.

Though that is all true in concept (Rev11:13, Rev14:6-8,14-16), it is too is misapplied in Zechariah, which is a book that details the modern apostasy and final temple judgment cycle upon the “house of God”, not “Babylon the Great”.

Thus Zechariah 13:4-6 is a repentance development state, not a lying denial, of the whole Zechariah 13 temple purification meaning. And it is in connection with Zechariah 13:7-9 temple judgment 8th King "sword" scattering parables coming on Jehovah’s witnesses as the modern Daniel 8:13 "trampling" parallel leading to the Zechariah 13:8-9 "1/3" purification parables of Revelation 8-9 at which time such repentance develops in some among the true temple.

All of Zechariah 13, as per Zechariah 13:1 “a well opened to the house of David and to the inhabitants of Jerusalem for sin and for an abhorrent thing” is the parallel of the coming temple purification (1Pet4:17) in the “take the error of that land away in one day” of Zechariah 3:9 temple judgment and purification to come on Bethel and anointed Christians recoverable. (Matt25:1-13)

(Zechariah13:1-3) 1 “In that day there will come to be a well (spring, fountain) opened to the house of David and to the inhabitants of Jerusalem for sin and for an abhorrent thing, (that spring washes away the Governing Body and “man of lawlessness” Bethel networks and their “wormwood waters”; (Rev8:10-11))
Zechariah is a temple completion revelation that applies to the modern Bethel apostasy and the coming temple judgment, so it is some from among their own house who are to be wounded in the UN NGO "house of my friends", who repent in the future as the temple judgment is for such purpose as well. But of course Bethel will not admit their own apostasy and true lawless UN aligned and concealing state at this time, they deny this involvement at this time.

(Zechariah13:4-5) 4 “And it must occur in that day [that] the prophets will become ashamed, each one of his vision when he prophesies; and they will not wear an official garment of hair for the purpose of deceiving. 5 And he will certainly say, 'I am no prophet. I am a man cultivating [the] soil, because an earthling man himself acquired me from my youth on.'” And one must say to him, "What are these wounds [on your person] between your hands?" And he will have to say, "Those with which I was struck in the (UN NGO Bethel) house of my intense lovers.”"

This above "shame" is as Bethel is exposed as traitor system in the coming temple judgment as Bethel is a UN NGO allied, controlled, and overrun system, to be exposed in the temple judgment period and after, in the purification, by removal of the apostate parties to enable the final warning producing recovery and full purification by God. The removal of the modern "evil slave" , "man of lawlessness", "five foolish virgins"; (Zech3:4-5) and others perpetuating the profaned Bethel illusions are all temple judgment parallels.

And this divine "temple" locale purge and eventual full exposition of actual truth, now foreign to Bethel (Hosea 10), is carried out during the temple judgment desolation that provides the 8th King "sword" first attack context "awoken" "against my shepherd" of the sheep scattering coming up on anointed Christians and all associated with them in the Bethel abomination, as this below is the coming parallel of the Daniel 8:13 "trampling" that Bethel is now concealing by over advanced "attack" delusions:

**Sheep Scattering at Temple Judgment Desolation**

(Zechariah13:7) 7 “O sword (8th King; GB aided first temple attack; Dan8:13-14), awake against my shepherd (Christian anointed, but ineffective due to GB "man of lawlessness" override in Bethel systems), even against the able-bodied man who is my associate,” ("Joshua the high priest" Christian anointed class of Zech3:1,3) is the utterance of Jehovah of armies. "Strike the shepherd (attack context of temple judgment), and let those of the flock (JW "sheep") be scattered; (Selective filtration:) and I shall certainly turn my hand back upon those who are insignificant." (purification);

We can know this is the temple judgment desolation JW "scattering" coming up, because both the temple recovery preliminary regathering of the sheep from "abyes" of temple desolation (Rev8:1-21) is what occurs first. The final manifestation of Christ for the final separation and gathering of the final anointed and the "great crowd" (Rev7:9-17; Matt24:29-31; Rev14:14-16) in final world judgment are all collection and gathering processes of the complete end, several years after Bethel is judged as a wake up signal (Matt25:1-13; Hag2:7), not the coming initial "scattering" coming up in the divinely permitted temple judgment and "trampling" desolation.

**The temple judgment effects the accounting and purification to be able to fully warn of final world judgment well before it arrives as a significant signal upon Jehovah's witnesses apostasy effects just such a wake up call event of global notoriety and convertibility to future prophetic explanations. (Rev8:6-12)**

Thus Bethel is just feeding in an out of context scripture as a positive salvation shill to sell this article, when in fact Zechariah 13 comes on them first. Isaiah, Hosea, Joel, Micah, Amos, Zechariah, and Malachi contain detailed information on this coming initial "trampling" of Daniel 8:13 and the modern temple judgment meaning.

The Trap Setup

Now a little new detail is being setup now by application to coming premature, but very real, events to be used on Jehovah's witnesses later:

6 How will God's people fare at that time? Jesus explains: “In fact, unless those days were cut short, no flesh would be saved; but on account of the chosen ones those days will be cut short.” (Matthew 24:22) As we considered, in 66 C.E. the tribulation was “cut short.” This allowed “the chosen ones,” anointed Christians, to flee the city and its environs. Likewise, the initial part of the future great tribulation will be “cut short” because of "the chosen ones." The political “ten horns” will not be allowed to annihilate God’s people. Rather, there will be a brief respite.

The Introspective Motivation and Call to Action

Thus the implication of "fleeing into the organization", and the "you very salvation is involved" guilt-hype-program for motivating Jehovah's witnesses future "obedience", "faithfulness", "support" reactions is all jam packed into this "logical" summary:

**A Time of Testing and Judgment**

question7.8. What opportunity will present itself after the destruction of false religious organizations, and how will God’s faithful people stand out as different at that time?

7 What will happen after the destruction of false religious organizations? It will be a time to reveal what is really in our heart. The majority of mankind will seek refuge in human organizations that are likened to "the rocks of the mountains." (Revelation 6:15-17) Figuratively speaking, however, God's people will flee to the refuge that Jehovah provides. In the first century, the interval was not a time for a mass conversion of Jews to Christianity. It was a time for action and obedience on the part of those who were already Christians. Similarly, we cannot expect that the future interruption in the great tribulation will result in an influx of new believers. Rather, it will be an opportunity for all true believers to prove their love for Jehovah and give their support to Christ’s
Now that statement of a JW call to obedience action above, now logically cross relates with this "obey as crazy as it may sound" JW directive of November, 2013: "at that time, the lifesaving direction that we receive from Jehovah's organization may not appear practical from a human standpoint" "All of us must be ready to obey any instructions we may receive, whether these appear sound from a strategic or human standpoint or not" which JW directive has already been covered in the Watchtower 11/15/2013 issue previously.

Even at this time NOW, these crazy Bethel directives are already "impractical" and "unsound"! We know why that Watchtower 11/15/2013 article set off some red flags for some Jehovah’s witnesses, it already sounds suspicious to the wary person.

But now we know why more fully. Now is revealed in print in more detail the nature of some of the implied crazy demands Bethel will make "very soon", now predictively programmed in more detail in the very "interval" it is to be expected to peak in, in more ludicrous details of total JW abandonment of all reason, reality, self and resources, and the general manner in which Jehovah's witnesses will be deceived to fully support Bethel's sacking while it is going on:

8 Although we do not fully understand all that will happen during that time of test, we can expect that it will involve some measure of sacrifice. In the first century, Christians had to leave behind their possessions and endure hardships in order to survive. (Mark 13:15-18) To remain faithful, will we be willing to experience material loss? Will we be ready to do whatever is required of us to prove our loyalty to Jehovah? Just think! At that time, we will be the only ones following the example of the ancient prophet Daniel by continuing to worship our God no matter what.—Daniel 6:10, 11.

Now we can assume rather than flee UN NGO Bethel "apostate Jerusalem", Bethel will funnel and herd JWs into the doomed city in accelerated manner, by the use of the JW organization and its "disaster preparedness" network they have recently fully installed over the whole JW logistics system.

Thus we may also wonder: Will Bethel use that "interval" to also try to fill the JW organizational trap with as many JWs as possible by inviting back ex-JWs, and Bible studies, and all interested to come to the "the refuge that Jehovah provides"? We will have to wait and see, but it is possible and likely they will try to funnel in all the people they can into this well laid JW organizational spider web "at that time".

Babylon The Great Diversion

Of course this below, is a total bypass of a huge global anti-religion event set to complete under 8th King full "one world government" and their final "one world religion" Babylon the Great purges (Rev17:15-18) at the end (rev16:12,19) of the whole coming cycle of several years:

7 What will happen after the destruction of false religious organizations?

So for Bethel to make such a premature claim, with ZERO secular evidence, is just a handy total bypass of modern nation-state reality. As fully backed by global research indications, the global deposition of religious institutions is the last priority at this time, for global researchers are revealing, instead, a massive global cycle is what is forming in the true peril of the sovereignty of national governments themselves!

The US and EU national systems are in the worse fiscal and debt shape of them all! Their own ship is on a precipice of global financial storm and collapse that can conservatively be 100s of times more severe than the tremor of 2008.

So what Bethel is doing, is just foisting up a diversion in the true Babylon the Great deposition prophecy (Rev16:12-19), to develop at the end of this great global cycle and its globalization culmination, with the national sovereign transference into world government (Rev17:15-18), that will fulfill then under full "ascended" world government, as if JWs should just take Bethel's baseless, premature, unresearched and totally unbacked assertion at this time at face value.

Instead, global claimant Islamic "Global Jihad" radicalism versus global claimant Christian "Global Crusade" radicalism, global scale national civil-race-war, 100s of trillions in debt and unfunded liability in the US and EU sovereign debt systems imploing, and the BRICS "coalition of nations" rising, must first be dealt with by the 8th King King North Anglo-American powers to assimilate all the nations, first, into full world government—that is the coming task at hand for the Anglo-American globalist-empire, shedding the 7th King "old world order" national sovereign system, for total 8th King full globalization and their "new world order" actual worldwide implementation of world government unipolar sovereignty by the use of this great global cycle. (Rev13; Dan11:42-45)

Is not enough already on the plate of the national powers and the 8th King globalists? Why toss a totally lower priority anti-religious invasion into that volatile mix now? Why throw in the Babylon the Great religious system into such a mix of far higher priorities and far more volatile impending developments of instability?

As with the error now present in Jehovah's witnesses, is not global-religious confusion and delusion, instead, most useful to use during this final cycle for its entirety to aid its "divide and conquer" destabilization effects as long as possible aiding the whole process?

Of course it is.

And deluded Jehovah's witnesses are a prime example of the usefulness of religious error and delusion to lead people astray, and it is the actual first target priority in that JW ministry to depose first (1Pet4:17)—not Babylon the Great, which is just a handy Bethel assumed diversion and sleight of hand that Bethel uses as a primary JW distraction device to further mislead Jehovah's witnesses
Babylon The Great Deseeded Under World Government, at the End of the Coming Final Global Cycle

Prophecy and logic also tells us Babylon the Great must instead be deposed under 8th King full world government several years from now. Keep in mind 1 Peter 4:17 that states the judgment is to start with God’s house first. In the meantime, these are the top three reasons why Babylon the Great is deposed under full 8th King world government, NOT to start the tribulation (1Pe4:17):

1. The Babylon the Great global religious institution is actually most useful to aid confusions and divisions for the full outworking of the whole final "tribulation of those days" cycle from start to finish (world government). Why depose the most useful global religious error global-"harlot" first? right when global religious confusion is needed the most?

2. Deposing Babylon the Great (BG) deep into the final cycle (Dan11:42-45), nearing and into its full world government finale (Rev17:15-18; Rev18), would be most advantageous to then use BG massive stored global-wealth distribution to aid the national recovery (Isa41:1; Rev13:3, Rev17:9), to give the final cycle a final stage global-wealth and capital boost (a few 100 trillion in BG hard assets; Rev17:15-18) for all the nations to benefit from at the time it is most useful to aid world government credibility.

3. Deposing Babylon the Great at the end of the cycle will also maximize the "world peace" global-psychological effect for 8th King world government global acceptance. Deposing Babylon the Great "religious warmonger" will have a great global psychological effect upon the then functioning world system (Rev18:9-18) and the global recovery claims aiding world government "world peace" believability. (1Thess5:1-3)

Obviously those pictured at Revelation 18:9-18 are more concerned with Babylon's destruction for selfish reasons of profiteering (and the world government's authority), not their own destruction at that time, because that occurs in 8th King world government totally final period of the final cycle as total world judgment by Christ. (Rev17:8-18; Rev19:19-21)

The house of God's judgment, coming on the apostate Bethel epicenter for the UN NGO, is what actually starts the "tribulation of those days":

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

The Cherry on Top: JW "Constant Feature" Removal—Let Us Cancel the Jehovah's Witnesses Global Ministry While We Are At It!

(Daniel 8:11) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

Now the apostate and impostor goal can be further met from Bethel's own mouth: "the preaching works is over brothers!" "well done!" "goodbye!"

As the "cherry on top", in the deposition process of the JW organization, they can kick it all off with the premature cessation of the Jehovah's witnesses ministry itself, now also predictively programmed and expected as if scriptural, to come about by Bethel's own pre-programmed future policy.

Contrary to Matthew 24:14, Jehovah's witnesses have not completed the preaching of the "good news of the Kingdom". And worse, they have severed all modern UN and globalization insight from the prophecies those developments have been fulfilling since 1990 at the same time!

JWs dropped the UN exposition ball at the '45, 1945, at second UN presentation, and are now dancing in the end zone with a fumbled ball at the 1990 3rd UN presentation unexplained, silenced, and ignored while Bethel JW QB-GB is calling plays as UN NGO with the very rival 8th King sovereign system we are supposed to be exposing live and real-time as prophecy!

The game is far from over in reality! JWs are now going to be sacked too boot while yellow flags for divine fouls fill the air! So in reality the enemy system inside of Bethel is planning to prematurely abort the Jehovah's witnesses ministry in literal manner, as it is already aborted in spiritual manner, to just make it all official: attempted game over and JW voluntary forfeiture.

This premature ministerial "constant feature" cessation of the former anointed Christian ministry, now hijacked and derailed, is divinely permitted for it is now a stalled, subverted and profaned "constant feature" anyways, as per prophecy. (Dan11:31a,32a) That being the case this entire anti-ministerial divine permission of ministerial cancellation is allowed to fulfill more prophecy and provide a notable prophetic signal event marker for then and for future reference—the final temple judgment—which will also provide the eventual divine actions to rectify this "constant feature" diversion and modern inaccuracy in time (Mal3:1-5; Zech3:1-5), which will instead be active, and in time (Dan8:14), it will all be connected to final cycle prophecy that it will be fulfilling live and real-time at that time. (Dan8:13-14, Rev6:3-5, Zech3:1-9)

The temple judgment, not the "attack on Babylon the Great", is what really begins (1Pe4:17), not ends, this final cycle of prophecy and global developments, by then on the way to continuing the final world government birthing cycle—"the end" will have been but a Bethel delusion to empower a true JW global hoax period and severe JW delay and debilitation. (2Thess2:1-2)

Thus that "The time for "the end" will have come!" is this very same premature delusion Paul warned of by inspiration:

(2 Thessalonians 2:1-2) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered
together to him, we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is here (prematurely).

And those "as though from us" "apostles" are up at apostate Bethel whose "superfine apostles" (2Cor11:13-15) are now plying this exact same premature end delusion, while making this "as though from us [apostles]" apostolic claim:

"The channel he used for spiritual feeding was clearly recognizable. After all, the apostles—the original members of the governing body—could provide visible proof of heavenly backing."

(Watchtower July 15, 2013; pg. 18, par. 12)

(2 Corinthians 11:13-15) For such men are false apostles, deceitful workers, transforming themselves into apostles of Christ. 14 And no wonder, for Satan himself keeps transforming himself into an angel of light. 15 It is therefore nothing great if his ministers also keep transforming themselves into ministers of righteousness. But their end shall be according to their works.

And now the final false prophecy of the apostate Bethel tenure illegal reign to be put into Jehovah's witnesses' mouths, to eventually turn into a final reproach and global laughing stock failure as this doomed to failure "hard hitting judgment message", actually coming on Bethel, not the world system at this premature period of time, is predictively programmed here:

9b No doubt God's people will proclaim a hard-hitting judgment message. This may well involve a declaration announcing that Satan's wicked world is about to come to its complete end. The Bible likens this message to hailstones when it says: "Great hailstones, each about the weight of a talent, fell from heaven on the people, and the people blasphemed God because of the plague of hail, for the plague was unusually great."—Revelation 16:21.

Thus in time, that whole "Satan's wicked world is about to come to its complete end" "hard hitting judgment message" will utterly fail. Instead Satan's wicked Bethel apostasy is what will have come to its complete end. Obviously Jehovah's witnesses will eventually plunge into the full grip of utter bewilderment, perplexity and a total prophetic loss as to what is really going on—the whole final objective of this Bethel modern viper nest of lies and delusions will be to toss Jehovah's witnesses into an utter global darkness effect. (Dan8:14,26; Rev9:1-4; Hos6:1-3; Matt25:6)

Hence the "evening" of Daniel 8:14,26 will become obvious by this very JW darkness that must be ascertained later. (Hos6:1-3, Rev9:1-4; Dan8:13-14,26)

Attack Expectation Self Fulfilling Prophecy

Now this overly advanced attack expectation of "Gog of Magog" is what will be used inside the Jehovah's witnesses misled psychology, to cover up the true nature of the Bethel downfall in the temple judgment required desolation period for the UN NGO sins, actually, instead, activating Daniel 8:13 "trampling" and Daniel 11:41 Bethel "invasion" in fully visible global anti-JW-org actions.

This final Gog of Magog attack, which occurs several years after Bethel's full sacking judgment and exposure, under full 8th King world government as the Daniel 8:25 "attack" and Daniel 11:44 "attack" parallels of Revelation 11:7-10, is promoted by Bethel now, in over-advanced manner, to be coming "soon, very soon".

Accordingly, this is the delusion JWs will soon be under:

10 None of this will go unnoticed by our enemies. Under inspiration, the prophet Ezekiel explains what Gog of Magog, a coalition of nations, will do: "This is what the Sovereign Lord Jehovah says: 'In that day thoughts will come into your heart, and you will devise an evil plan. You will say: 'I will invade the land of unprotected settlements. I will come against those living in security, without disturbance, all of them living in settlements unprotected by walls, bars, or gates.' It will be to take much spoil and plunder, to attack the devastated places that are now inhabited and a people regathered from the nations, who are accumulating wealth and property, those who are living in the center of the earth.'" (Ezekiel 38:10-12) Spiritually speaking, God's people will stand out as unique, "in the center of the earth," as it were. This will be too much for the nations. Yes, they will be eager to attack Jehovah's anointed ones as well as their associates.

Now because the Gog of Magog "new understanding" has recently emerged as a convergent "coalition of nations", and has been tentatively aligned with the "King North" present delusion, "King North" is now also potentially available for more Jehovah's witnesses final delusion usage in the future, to possibly coincide with this leg of delusions described here.

Now as the 7th King system starts to enter its final global "sword-stroke" cycle, potential Russian based intrigues, if they manifest, can then be applied to the over advanced former USSR="King North" error in Daniel 11:44-45, to further this premature "end of the world" delusion to the maximum.

Jehovah's witnesses already are, and will continue then, to think Daniel 11:44 is the "attack" that is fulfilling, also way too soon in the actual prophetic progress, which also supports this same premature "the end" delusion.

It also conceals the nature of this final global conflict to produce the initial "sword-stroke" context, to also provide the 8th King world government final "healing" phase to back their final required world government presentation, several years from now as the real Daniel 11:44-45, and Daniel 8:25 parallel finale culmination into world government. (Rev17:8-18; Dan12:11)

Thus rather then inform people of the final "ascension" phase of the 8th King (Rev17:8-18), into full world government, from a required future UN "abyss" state enabled by this very 7th King downfall global period coming up, with a peak global "sword-stroke" phase and then the hopeful recovery global "healing" phase, Bethel is merely fast-tracking the "end the world" impression, that can use these severe coming global events and transformations to aid the overall premature end delusion.
(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally first; But this must become globally notable), and there will be many [people] that will be made to stumble. (Matt24:15; Luke21:20 signal development present now at Bethel; Stumbling people is also the lawless Bethel subversion goal, but it too will have a climax event. Parallels Daniel 8:11-13 and Daniel 11:30-35 events and meaning);

Thus that invasion of the "Decoration" above, is this divinely required, permitted Daniel 8:13 "trampling" that marks the "evening" desolation phase of this final cycle initiating judgment:

(Daniel 8:13-14) I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the (profaned) constant [feature] and of the transgression causing desolation (UN NGO alliance of Daniel 11:31b), to make both [the] holy place (temple "established place"; Dan8:11) and [the] (JW worldwide) army things to trample on?" (first 8th King "trampling" "attack" defining the spiritual meaning of the "tribulation of those days" beginning); 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." (Temple judgment purification completed in this timed period parallel Zechariah 3:4-5, Revelation 8:1-5):

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

Complete the Delusion Sandwich

What follows in this article in the rest of the paragraphs, is just a way to end the article with a mashup of actual truths merely grafted and shuffled in to support the over-advanced expectations previously ironed in. Since paragraphs 1-10 contain the main delusion setup points the Bethel "son of destruction" wants fresh in the JW brain program, the rest just helps massage it in as the ending song and shuffled in to support the over-advanced expectations previously ironed in. question11. (a) What do we need to remember with regard to the sequence of events during the great tribulation? (b) How will people react to the signs that will appear in heaven?

11 As we examine what happens next, we need to keep in mind that God's Word does not reveal the exact time of events. It seems likely that some events will overlap.

In reality the EXACT ORDER OF FINAL MILESTONE EVENTS CAN BE KNOWN (Rev1:1) in that "seven trumpet" and "seven plague" parallel gauging (Rev8-11, Rev15-16). And the timed periods of Daniel 8:14, Revelation 11:2-3 (Dan12:7; Rev13:5) and Daniel 12:11 (Rev14), all together as a final cycle framework, reveal all the milestone event period meanings and timed periods and their milestone meanings to begin with this temple judgment (Dan8:13-14; Rev6:3-5) coming up. True, "some events will overlap", but God's Word reveals it all for the final cycle awareness.

Jesus states in his prophecy about the conclusion of this system of things: "There will be signs in the sun and moon and stars, and on the earth anguish of nations not knowing the way out because of the roaring of the sea and its agitation. People will become faint out of fear and expectation of the things coming upon the inhabited earth, for the powers of the heavens will be shaken. And then they will see the Son of man coming in a cloud with power and great glory." (Luke 21:25-27; read Mark 13:24-26.)

In reality these "signs" are active now in signal portents of globalization (Rev16:13-16), and its financial (Dan11:42-43) and military (Joel 3:9-12) global positioning developments, that allow the nature and potential severity of this final cycle to be known by some researchers and others before it arrives, from the world's own globalization research and societal "light" sources.

Instead another hoax set-up is potentially being promoted by Bethel here, for the future with now JW expected literal "signs", when in fact the "sun, moon and stars" are, as usual, symbolic of global power systems (Rev6:12-17) that are being "dimmed" in the future as the "old world order" transitions out of the world power scene in the very real events of Matthew 24:29 which Luke 21:25-26 was the preceding signals of.

Will the fulfillment of this prophecy include frightening signs and events in the literal heavens? We will have to wait and see. But whatever the case, the signs will cause terror and panic in the hearts of God's enemies.

["Read scripture.] Mark 13:24-26: "But in those days, after that tribulation, the sun will be darkened, and the moon will not give its light, and the stars will be falling out of heaven, and the powers that are in the heavens will be shaken. And then they will see the Son of man coming in the clouds with great power and glory." [End of "Read scripture.]

The Mark 13:24-26 parallel Matthew 24:29-31 actual events are what these modern "signs" of Luke 21:25-26 are the modern day "portents" of, now present in the world system. Bethel remains mum on all these modern globalization "signs", to continue their work of truth and prophecy cover up to aid world government developmental secrecy by concealing the signals of, the meaning and the requirement of this final cycle of world development, and the prophecy that forecasts it completely.

Thus applying this key prophecy to literal celestial events, though possible, is just a distraction away from the more significant signals now emerging from the world system itself which is actually what the prophecy is saying. In this way Bethel can bypass all globalization "signs" that support the development of world government as if none of it is happening now to further retard JWs in the ignorance of world events and developments in progress.

Of course this below is basically true, merely over-simplified and over advanced in time to bolster the current Jehovah's witnesses delusion complex:

question12,13. (a) What will happen when Jesus comes "with power and great glory"? (b) How will God's servants react at that time?
12 What will happen when Jesus comes “with power and great glory”? This will be a time for rewarding those who are faithful and for punishing those who are not. (Matthew 24:46, 47, 50, 51; 25:19, 28-30) According to Matthew, Jesus finished giving the composite sign with the parable of the sheep and the goats, saying: “When the Son of man comes in his glory, and all the angels with him, then he will sit down on his glorious throne. All the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. And he will put the sheep on his right hand, but the goats on his left.” (Matthew 25:31-33) What judgment will the sheep and the goats hear pronounced on them? The parable finishes with the words: “These [the goats] will depart into everlasting cutting-off, but the righteous ones into everlasting life.”—Matthew 25:46.

13 How will the goats react when they realize that “everlasting cutting-off” awaits them? They “will beat themselves in grief.” (Matthew 24:30) But how will Christ’s brothers and their faithful companions react at that time? With full faith in Jehovah God and his Son, Jesus Christ, they will heed Jesus’ command: “As these things start to occur, stand up straight and lift up your heads, because your deliverance is getting near.” (Luke 21:28) Yes, we will have a positive attitude, confident of deliverance.

Now if you look at the background of this article’s second artwork depiction with the “we will have a positive attitude, confident of deliverance” caption:

What do you see in the background? Could that be active “wars and reports of wars” “and disorders” perhaps? Then by now Jehovah’s witnesses should know, “the end” cannot come while wars and chaos are active in the world:

(Luke 21:9) Furthermore, when you hear of wars and disorders, do not be terrified. For these things must take place, but the end is not yet.

(Luke 21:28) Yes, we will have a positive attitude, confident of deliverance.

The real “the end” comes under 8th King world “peace and security” (1Thess5:1-3), the “freedom from care” to come, of Daniel 8:25 under completed 8th King world government. It is the 8th King “new world order” world government that emerges from the coming limited, but severe, global chaos periods of the “tribulation of those days”. That is why Christ arrives after the “tribulation of those days” has expired. (Matt24:29-31)

Even the context of that Watchtower illustration is a smoothly presented lie. Those witnesses are going to be standing out there for quite a while for this tribulation to run its full foretold course.

The real end comes under a fully functional, recovering and greatly hopeful period of global “healing” (Isa41:1) and “scarlet wildbeast” government “ascension” from this very tribulation transition period (Hag2:7; Matt24:29) Bethel is attempting to sell to Jehovah’s witnesses as “the end”, well premature of its reality.

Positive Shill 2

This is a truth that the 144000 must complete and the final part of them will be “transferred” from among “we the living who are surviving” (1Thess4:17) among the “remaining ones of her seed” (Rev12:17) that are present, alive and well, at Christ’s arrival after world government completes fully beginning Revelation 14’s final sequence at that time.

14 What will happen after Gog of Magog starts the attack on God’s people? Both Matthew and Mark record the same event: “[The Son of man] will send out the angels and will gather his chosen ones together from the four winds, from earth’s extremity to heaven’s extremity.” (Mark 13:27; Matthew 24:31) This gathering work does not refer to the initial ingathering of anointed ones; nor does it refer to the final sealing of the remaining anointed ones. (Matthew 13:37, 38) That sealing happens before the outbreak of the great tribulation. (Revelation 7:1-4) So, what is this gathering work that Jesus mentions? It is the time when the remaining ones of the 144,000 will receive their heavenly reward. (1 Thessalonians 4:15-17; Revelation 14:1) This event will
take place at some point after the beginning of the attack by Gog of Magog. (Ezekiel 38:11) Then these words of Jesus will be fulfilled: "At that time the righteous ones will shine as brightly as the sun in the Kingdom of their Father."—Matthew 13:43.

---

15 Does this mean that there will be a “rapture” of the anointed ones? Many in Christendom believe, according to this teaching, that Christians will be bodily caught up from the earth. Then, they expect that Jesus will visibly return to rule the earth. However, the Bible clearly shows that “the sign of the Son of man” will appear in heaven and that Jesus will come “on the clouds of heaven.” (Matthew 24:30) Both of these expressions imply invisibility. Additionally, “flesh and blood cannot inherit God’s Kingdom.” So those who will be taken to heaven will first need to be “changed, in a moment, in the blink of an eye, during the last trumpet.” *(Read Revelation 10:5-8)*

Therefore, while we do not use the term “rapture” here because of its wrong connotation, the remaining faithful anointed will be gathered together in an instant of time.

Thus the truthful portion is woven in to sell the whole article, for that *anointed Christian 144000 completion truth* is a clearer actual "new light" that is scriptural as well as logical in that Messianic Kingdom completion requirement that all 144000 be fully anointed and affirmation sealed to enable that required completion. *(Jude14-15)* Of course the Messianic Kingdom completion certainty and the need to tell all about it is *not* a priority at apostate Bethel, they are purposely stuck at the "Kingdom birth" phase of the past, to also derail and stall JWs in regard to the Messianic Kingdom completion final phase coming up. The only time Bethel uses a truth like this, is to sell and soothe in a lie at the same time.

Instead working against anointed Christians, attempting to corrupt them, and discouraging acceptance of the anointing is what "set in opposition" Bethel is doing. They are trying to deplete anointed numbers (Matt25:1-13), and impede that 144000 completion that enables the Messianic Kingdom completion, which is the eventual subject matter of the second of the "two witnesses".

But at the same time of this prematurity, this is also the obvious Bethel backed delusion in reference to this prophecy below and its premature "gathering" delusion of this same Christ "gathering" arrival inference for that final gathering purpose of Matthew 24:29-31:

*(2 Thessalonians 2:1-2)* However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is here.

Thus rather than also fully explain the Messianic Kingdom completion requirement and its full final cycle of Revelation 8-11 in all "seven trumpets" in final fulfillment, Bethel just uses interspersed deep future truth, to sell their current "letter, as though from us, to the effect that the day of Jehovah is here" well premature of reality.

In that total completion requirement, the 8th King world government must also fully complete even before Christ arrives for that final gathering.

And, by that advanced time period, the "second witness" final warning will have to have also gone forth fully (Rev11:1-7), as the required final anointed Christian mission to have effected those actual final anointings and the final affirmation sealing (Rev7:1-4), in that final warning being fully carried out as foretold, to full summarization of the whole "good news" "sacred secret" prophecy *totally before* the final events culminate:

*(Revelation 10:5-8)* And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it, he swore: “There will be no delay any longer; *(Matt25:5)* 7 but in the days of the sounding of the seventh angel, when he *is about to blow his trumpet*, the sacred secret of God according to the good news which he declared to his own slaves the prophets *is indeed brought to a finish.*

And that has a final "little scroll" ministerial commission of the future, *will after* this coming temple judgment has prepared the required accuracy:

*(Revelation 10:9-10)* 8 And the voice that I heard out of heaven is speaking again with me and saying: “Go, take the *opened scroll* that is in the hand of the angel who is standing on the sea and on the earth.” 9 And I went away to the angel and told him to give me the little scroll. And he said to me: “Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey.” 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter.

And a future "second witness" final warning will repeat the "two witnesses" prophecy for that now Messianic Kingdom completion proclamation:

*(Revelation 10:11)* And they say to me: “You *must prophesy AGAIN* with regard to peoples and nations and tongues and many kings.”
And what news is it bringing? Messianic Kingdom completion guarantee final "news"!

And that final warning "little scroll" commission, to be carried out after the temple judgment has completed the final preparation purification (Matt25:1-13), is this temple judgment purification that leads to that final commission final warning parallel here:

(Zechariah 3:5-7) At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by. 6 And the angel of Jehovah began to bear witness to Joshua, saying: 7 “This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards: (parallel Matthew 24:45-47) and I shall certainly give you free access among these (angels) who are standing by.”

And the grand announcement is, the temple 144000 will complete by means of the final Temple completion "headstone" Christ, which is the "sacred secret" completion subject matter of that final warning in that "little scroll" fully open and thus understood in that guaranteed certain arrival of Christ, to do just that:

(Zechariah 3:8-9) “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant Sprout! 9 For, look! the stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving,’ is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of God the second and final Kingdom "witnessing" of the "two" "witnesses" as this leads to that finality, to that guaranteed certain arrival of Christ, to do just that:

(Revelation 11:19) And the temple [sanctuary] of God that is in heaven was opened, and the ark of his covenant was seen in his temple [sanctuary]. (completed "temple", no longer the preliminary "tent" of Hebrews 8:2,9:11 and Revelation 15:5-8)

Which temple completion "stone", "put before Joshua", is the Christ, temple completing "Head" "Stone" of Messianic Kingdom and Temple complete King-Priest coronation (Zech6:9-15) and final installment of Christ:

(Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, ‘Not by a military force, nor by power, but by my spirit,’ Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!” (two witnesses) 8 And the word of Jehovah continued to occur to me, saying: 9 “The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish [it]. And you will have to know that Jehovah of armies himself has sent me to you people.

Apostate Bethel is the first of those "Who are you, O great mountain? Before Zerubbabel [you will become] a level land" flattened obstacles. (Rev8:8-9)

(Isaiah 22:15-19) “Go, enter in to this steward, to Shebna, who is over the house, 16 What is there of interest to you here, and who is there of interest to you here, who have hewed out for yourself here a burial place? On a height he is hewing out his burial place; in a crag he is cutting out a residence for himself. 17 ‘Look! Jehovah is hurling you down with violent hurling, O able-bodied man, and grasping you forcibly. 18 Without fail he will wrap you up tightly, like a ball for a wide land. There you will die, and there the chariots of your glory will be the dishonor of the house of your master. 19 And I will push you away from your position; and from your official standing one will tear you down.

(Isaiah 31:9) And his own cраг will pass away out of sheer fright, and because of the signal his princes must be terrified,” is the utterance of Jehovah, whose light is in Zion and whose furnace is in Jerusalem.

(Revelation 8:8-9) And the second angel blew his trumpet. And something like a great mountain burning with fire was hurled into the sea. And a third of the sea became blood; 9 and a third of the creatures that are in the sea which have souls died, and a third of the boats were wrecked.

Thus this temple judgment period actually coming up, rather than this "evil slave" Bethel premature delusion, will make this parallel divine judgment determination of faithful anointed Christians, the "faithful slave", the "five wise virgins", the "two witnesses" finality, to carry out this final commission, which requires the full final warning to be given after this "faithful slave" designate is made:

(Matthew 24:45-51) “Who really is the faithful and discreet slave whom his master appointed over his domestics, to give them their food at the proper time? (God answers this question in the temple judgment, not self-approved men in premature fashion; Zech3:6-7) 46 Happy is that slave if his master on arriving finds him doing so. 47 Truly I say to you, He will appoint him over all his belongings. (Zech3:6-7) 48 “But if ever that evil slave should say in his heart, ‘My master is delaying,’ 49 and should start to beat his fellow slaves and should eat and drink with the confirmed drunkards, 50 the master of that slave will come on a day that he does not expect and in an hour that he does not know, 51 and will punish him with the greatest severity and will assign him his part with the hypocrites. There is where [his] weeping and the gnashing of [his] teeth will be.

And thus that Revelation 10:11 “you must prophesy again”, with all this final completion "little scroll" information in "the good news which he declared to his own slaves the prophets is indeed brought to a finish" before it all manifests to total culmination, is the second and final Kingdom "witnessing" of the "two" "witnesses" as this leads to that Messianic Kingdom completion requirement:

(Revelation 11:2-3) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.”

And thus the connection to Zechariah 3-4 is made as well:
These are [symbolized by] the two olive trees and the two lampstands and are standing before the Lord of the earth.

And the angel who was speaking with me proceeded to come back and wake me up, like a man that is awakened from his sleep. (Rev11:1 “Get up!”) 2 Then he said to me: “What are you seeing?” So I said: “I have seen, and, look! there is a lampstand, all of it of gold, with a bowl on top of it. And its seven lamps are upon it, even seven; and the lamps that are at the top of it have seven pipes. 3 And there are two olive trees alongside it, one on the right side of the bowl and one on its left side.”

In reality the Daniel 8:13-14 timing of 1150 days minimum, likely 2300 days, in both temple judgment phases from "the evening" darkness to "the morning" enlightenment (Dan8:26), is the purification preparation that eventually leads to that final 1260 days final Kingdom proclamation, as actually several years remain in the global system even after Bethel starts to be "trampled", as they are now smokescreening by this latest covering delusion and diversion for such anti-ministerial purposes.

Thus, rather than the Bethel "the end" total diversion and bypass of prophetic requirement, ALL these 1260 days prophecies cross relate for final fulfillment for this final 1260 day period coming up in the future, instead, as part of the final cycle requirement. All of this also has a final cycle fulfillment:

But the two wings of the great eagle were given the woman, that she might fly into the wilderness to her place; there is where she is fed for a time and times and half a time away from the face of the serpent. 15 And the serpent disgorged water like a river from its mouth after the woman, to cause her to be drowned by the river. 16 But the earth came to the woman's help, and the earth opened its mouth and swallowed up the river that the dragon disgorged from its mouth. 17 And the dragon grew wrathful at the woman, and went off to wage war with the remaining ones of her seed, who observe the commandments of God and have the work of bearing witness to Jesus.

A mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it. 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven. 7 And there was granted it to wage war with the holy ones and conquer them, and authority was given it over every tribe and people and tongue and nation. 8 And all those who dwell on the earth will worship it; the name of not one of them stands written in the scroll of life of the Lamb who was slaughtered, from the founding of the world.

And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

And thus that final "wage war with the holy ones and conquer them" and "they will be given into his hand for a time, and times and half a time" and "there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish." And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.

And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth.

That is the real "attack" phase of Daniel 8:25, Daniel 11:44-45, and Ezekiel 38-39 after this coming final 1260 days has completed.

As that final warring is finished, which enables the true final anointed affirmation approval sealing (Rev7:1-4; 2Tim4:8), and that final 8th King attack "trampling" of Revelation 11:1-7, are manifested as the final global milestone events that lead directly to Christ's arrival and the parallel development of the real final "gathering" of Matthew 24:29-31 at that advanced post 1260 days time period. This is the Christ arrival parallel of Revelation 11:

And that is the attack scenario, many years from now, that Bethel is selling to Jehovah's witnesses as the one coming up which is instead the temple judgment permitted "trampling" of Daniel 8:13, to instead fully expose the Bethel apostasy first, as the temple is in an "unright condition", profaned by the Bethel apostasy:

Let no one seduce you in any manner, because (the day of Jehovah and the final gathering) will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.
question16,17. What must happen before the marriage of the Lamb can take place in heaven?

16 Once all the 144,000 are in heaven, the final preparations for the marriage of the Lamb can begin. (Revelation 19:9) But something else will happen before that joyous event. Remember, shortly before the remaining ones of the 144,000 are taken to heaven, Gog will attack God’s people. (Ezekiel 38:16) What reaction does this provoke? On earth, God’s people will appear to be defenseless. They will obey the instructions given in the days of King Jehoshaphat: “You will not need to fight this battle. Take your position, stand still, and see the salvation of Jehovah in your behalf. O Judah and Jerusalem, do not be afraid or be terrified.” (2 Chronicles 20:17) In heaven, however, there is a different reaction. Referring to the time when all the anointed are in heaven, Revelation 17:14 tells us this about the enemies of God’s people: “These will battle with the Lamb, but because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those with him who are called and chosen and faithful will do so.” Together with his 144,000 corulers in heaven, Jesus will come to the rescue of God’s people here on earth.

17 The resulting war of Armageddon will lead to the magnifying of Jehovah’s holy name. (Revelation 16:16) At that time, all goatlike ones “will depart into everlasting cutting-off.” The earth will finally be cleansed of all wickedness, and the great crowd will pass through the final part of the great tribulation. With all preparations completed, the climax of the book of Revelation, the marriage of the Lamb, can take place. (Revelation 21:1-4) *

[Footnote.] * Psalm 45 also gives an indication of the sequence of events. First the King fights the war, and then the marriage takes place. [End of Footnote.]

All those surviving on the earth will bask in God’s favor and experience bounteous expressions of his love. What a marriage feast that will be! Do we not look forward to that day with eager expectation?—Read 2 Peter 3:13.

[“Read” scripture.] 2 Peter 3:13: But there are new heavens and a new earth that we are awaiting according to his promise, and in these righteousness is to dwell. [End of “Read” scripture.]

Of course modern manifesting “lawless one” Bethel as the latest “man of lawlessness” members of ministerial override, lies, omissions and organized lawlessness to support global stumbling instead, are doing just the opposite of this directive up at Bethel, as they mislead Jehovah’s witnesses to also follow their example:

question18. With the foretold exciting events just ahead of us, what should be our resolve?

18 With these exciting events ahead of us, what should each of us now be doing? The apostle Peter was inspired to write: “Since all these things are to be dissolved in this way, consider what sort of people you ought to be in holy acts of conduct and deeds of godly devotion, as you await and keep close in mind the presence of the day of Jehovah ... Therefore, beloved ones, since you are awaiting these things, do your utmost to be found finally by him spotless and unblemished and in peace.” (2 Peter 3:11, 12, 14) Let us, then, be resolved to remain spiritually clean, supporting the King of Peace.

Reality: The Final Open Salvation Global-Cycle of the Adamic Era

The Temple Judgment Period Begins the Final Cycle

In reality this is how the Bethel Delusion Formula differs from coming reality. We really are to soon enter the “tribulation of those days”, but that period does not lead to the immediate end as Bethel is implying in error as the final foretold modern day apostates:
The Final Open Salvation Cycle of the Adamic Era

In reality the "tribulation of those days" is not "the end" nor a cut off period of anything but, first in the process, unrepentant Bethel "weeds" as the "five foolish virgin" and modern day "evil slave" counterparts, in order to prepare the full final warning and totally open salvation final invitation. Even when Christ arrives after world government completes, the full end is not immediate even in that post final 1260 days timing of Daniel 12:11 1290 days as Revelation 14. In fact the complete end is the very last part of the Revelation 14 and Matthew 25:31-46 world judgment process.

Thus open global salvation is the offer throughout this whole final period, even after Christ’s arrival and 144000 gathering completion of the Messianic Kingdom:

(Revelation 14:1,6-8) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads... 6 And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.” 8 And another, a second angel, followed, saying: “She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!”

This in that "he had everlasting good news to declare as glad tidings to those who dwell on the earth", Jesus Christ completes his own ministry:

(Matthew 10:23) When they persecute you in one city, flee to another; for truly I say to you, you will by no means complete the circuit of the cities of Israel until the Son of man arrives.

Thus evil Bethel is also using their premature end delusion to instill an attitude as if it is all said and done, and people can no longer be saved by this “doomsday” hype and deep over-advancement of Jehovah’s witnesses prophecy and expectations of premature key fulfilments which the very severe 7th King downfall period (Dan11:41-45) will indeed be easily misperceived as total global doom.

But that coming repeating “sword stroke”:

(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.
In reality, 8th King world government is what completes over this final cycle:

In reality, 8th King world government is what completes over this final cycle:
2. Four Globalist Cycles to One World Government

All four UN cycles are foretold in prophecy and we know it is at the 3rd UN event that Bethel began this full diversion:

3. Temple Judgment to World Government to Christ Arrival - Daniel 12, Revelation 11

The entire final cycle is mapped in a repeating prophecy with certain unique fulfillments like Daniel 11:41-45 and Daniel 8:13-14:
4. Temple Judgment to World Government to Christ Arrival - Daniel 12, Revelation 11
5. Temple Judgment to World Government to Christ Arrival - Daniel 12, Revelation 11 - 8th King "One Hour"
